Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Introduction & Eligibility Criteria

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

1. Introduction

- 1.1 The Chief Engineer(EITC), the Administrative Head of the “Energy InfoTech Center”, on behalf of “Chhattisgarh State Power Distribution Company Limited” (hereinafter referred to as “CSPDCL”) invites sealed tenders / bids for providing **Facility Management Services to provide support of Hardware, Software and Applications installed under various projects at DC, Raipur and DRC, Bilaspur** in accordance with the attached specifications.
- 1.2 CSPDCL has implemented latest IT technologies with a vision to facilitate easy services to customer and provide best quality & reliable power at affordable rates within overall profitability of the organization.
- 1.3 CSPDCL has implemented SAP ERP, SAP DMS, SAP BW, SAP SRM, GIS, MDAS, etc. along with various other application software, Network & Security monitoring software and system monitoring software.

2. Project Objective

- 2.1 CSPDCL has implemented SAP ERP through a state of the art technology to cater the present and future demand of data transaction in SAP between Central Site (Data Center) and various remote sites. CSPDCL has implemented an online integrated enterprise SAP system to automate its business processes. CSPDCL has established computer network backbone to support the application requirements. CSPDCL has already developed the data center in the headquarters at Dangania, Raipur. CSPDCL its Disaster Recovery Center (DRC) at Bilaspur.
- 2.2 Implementation of SAP-ERP was started in erstwhile CSEB in the year 2005. Initially, SAP business modules like HT & LT Billing i.e. IS-Utilities (IS-U), Material Management (MM), Finance & Controlling (FI-CO), Human Resource & Payroll (HR-Payroll), Document Management System (DMS), Enterprise Asset Management & Plant Management (EAM / PM), etc. have been implemented. The SAP ERP (named as N11 system) was implemented to take care the business operation of all the power companies i.e. Generation, Distribution, Transmission, Trading & Holding. For implementation of SAP-ERP, Servers, SAN Storage, Backup system, UPS etc. have been installed in the DC & DRC.
- 2.3 Further, with the launch of Gol's RAPDRP project, CSPDCL has implemented this project in 2013. Under the RAPDRP project, new servers and SAN storages were installed and the data of CSPDCL has been migrated from SAP ERP N11 system to the new separate SAP ERP (P10) landscape installed exclusively for CSPDCL. Since then, all the modules including IS-U Billing, NSC & Disconnection, MM, FICO, EAM, Energy Audit, CRM (Centralized Customer Care), DMS etc. of CSPDCL are running in the RAPDRP Servers (P10 ERP system). The Old servers and software of RAPDRP project has been upgraded under IPDS scheme & Refresh Projects.
- 2.4 Also, SAP SRM (e-bidding) was implemented in the year 2013. Both N11 & SRM are running in HP-UX platform. Now CSPDCL is intend to refresh the legacy servers, operating systems, databases and application software for which tender has already published. Thus, Hardware, Software & Applications of SAP ERP N11 & SRM System

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

shall be get refreshed with new hardware & software, which shall be also under the scope of this tender.

- 2.5 CSPDCL has also developed the Data Center (DC) in the headquarters at Danganiya, Raipur and DR Center (DRC) at Bilaspur, Chhattisgarh. CSPDCL also has established Cyber Security Operation Center (C-SOC) in its premises.
- 2.6 As the SAP ERP including DMS, SRM (e-bidding), CRM, BW along with other enterprise IT applications like GIS, MDAS, etc. and various Enterprise level Servers, SAN, switches, backup devices and allied equipment's along with necessary software's have been procured, installed and commissioned in EITC Raipur and DR sites under the various projects implemented in CSPDCL. All the business critical application such as consumer electricity billing & payment on web, materials management, finance system, etc. are running in the organisation.

To provide continual operational support & management services for the same, CSPDCL is intended to have FMS (Facility Management Services) for hardware/software and SAP application including allied systems procured & installed in the Data Centre (DC) & Disaster Recovery Centre (DRC) under various projects i.e. SAP ERP, SRM, RAPDRP, IPDS-IT, etc.

3. **Eligibility Criteria for Bidders:**

Pre-Qualifying Criteria Requirements (PQR) /Eligibility Criteria

The bidder should meet all of the following requirements in order to become eligible to compete for the award of tendered work. CSPDCL reserves the right to contact, verify the information, references and date, etc. submitted by the bidder without any further reference to the bidder.

******* End of Section *******

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

TENDERING PROCESS

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

5. **Earnest Money Deposit (EMD)**

- 5.1 Bidder should submit an Earnest Money Deposit (EMD) of **Rs. 5,00,000 (Rupees Five Lakh Only)** online through payment gateway via e-bidding portal and money receipt paid through online for EMD should be kept in envelope super-scribing "Part-1: Tender Document Fee & EMD".
- 5.2 The bidder not accompanied with online money receipt of earnest money or accompanied with inadequate earnest money will summarily be rejected and returned un-opened, unless otherwise exempted by the CSPDCL.
- 5.3 In case, the bidder withdraws his offer during the validity period or after placement of order, the EMD amount shall be forfeited.
- 5.4 EMD will not carry any interest.
- 5.5 EMD will be forfeited by CSPDCL if,
 - a) It is being discovered that any of the documents submitted by the Bidder are falsified, forged or intended to deceive.
 - b) Bidder withdraws its bid during the period of bid validity.
 - c) Bidder withdraws his tender after processing but before acceptance of purchase order to be issued by CSPDCL.
 - d) Contractor being awarded the work and failing to execute the work awarded or failing to submit the Security Deposit cum Performance Guarantee.
- 5.6 The EMD will be refunded to,
 - a) The Contractor, only after furnishing Security Deposit (SD) cum Performance Guarantee.
 - b) The unsuccessful bidders, only after acceptance of the purchase order by the successful bidder.
- 5.7 The following are exempted from payment of EMD,
 - a) SSI Units of Chhattisgarh Permanently registered with DIC / Ancillary units of CSPDCL: - The registration should be permanent and should be specifically for the items quoted in the tender and valid on the date of opening of tender.
 - b) Small/Medium Scale Units registered with NSIC: In case of Small Scale Units permanently registered with NSIC, their registration certificates should be valid for the item on tender on due date of opening of Techno-Commercial bid for the exemption from EMD. (The renewal / amendment of certificate should not be more than 3 years old from the due date of opening of tender).
 - c) In case of Medium / Large Scale Manufacturing Units located in Chhattisgarh (other than SSI / Ancillary Units to CSPDCL and Govt. undertaking), the EMD shall be accepted @ 50% (half) of the rates prescribed above. Here also, Permanent Registration is a must in respect of specified item against this tender.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- d) Fully owned State Govt. Units, if 100% shares are held by the State Govt. concerned for which documentary evidence must be furnished with the offer / Central Govt. Manufacturing Units.
- e) The photocopy of the NSIC / SSI Registration Certificate for the tendered items duly attested by G.M. / Manager, DIC of the Area, shall be furnished with the offer. In case of unattested copy, the original certificate should be produced at the time of tender opening for verification.
- f) All the SSI / NSIC Units should quote / offer the material only to the extent they are registered for respective items with the SSI / NSIC organization. The certificate should be valid and duly renewed as the case may be.
- g) The Bidder, who comes under above categories, should furnish documentary evidence with the offer failing which his offer, shall be rejected.
- h) The certificates related to exemption of EMD (if applicable) shall be attached to the collaboration tab in the e-bidding portal with following path:

Rfx Information → Notes & Attachment → Collaboration

6. Preparation of Bids

- 6.1 All bids and supporting documentation should be submitted in English.
- 6.2 Bidders, who have downloaded the tender document from the website and have **submitted the tender fees along with the bid, will be considered**. Tenders submitted by other means will be rejected.
- 6.3 The price bid of the Bidder shall not be opened even after submission of tender documents along with the EMD, if the Bidder does not meet the aforesaid eligibility criteria.
- 6.4 All the relevant pages of the bids (*except literatures, datasheets and brochures*) have to be signed by authorized signatory.
- 6.5 The Bidder should also put his signature, along with name, status and company's seal on all the envelopes. Bids being submitted must be signed by a person holding a power of Attorney authorizing him/her to do so, certified copies of which shall be enclose.
- 6.6 **Authorized Signatory for submission of Bids**: Bids submitted on behalf of companies registered with the Indian Companies Act, for the time being in force, shall be signed by persons duly authorized to submit the tender on behalf of the Company and shall be accompanied by Certified true copies of the resolutions, extracts of Articles of Association, special or general Power of Attorney etc. to show clearly the title, authority and designation of persons signing the Bid on behalf of the Company.
- 6.7 The money receipt paid through online for EMD/Exemption certificates & Tender fee as mentioned under *clause 5* may to be submitted in *Part-I envelope* as mentioned in *clause 7.1(ii)*.
- 6.8 The bidder would bear all costs associated with the preparation and submission of tender, including cost of any presentation that may be made for the purposes of

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

clarification of the bid. CSPDCL would in no case be responsible for refund or be liable for such costs.

6.9 The bidder is expected to carefully examine all instructions, forms, terms and specifications in the tender document. Failure to furnish complete information required in the tender document or submission of bid not substantially in keeping with the tender document may result in rendering the tender ineligible to compete for award of the tendered work.

6.10 **Site Visit:** Bidders are encouraged to visit the site to acquaint themselves with the prevailing infrastructure available and requirements, for better understanding of their own, while preparation of the bids.

6.11 The bid should be prepared in three (3) parts: -

- a. **EMD & Tender Document Fee:** EMD & Tender Document Fee as per amount mentioned in NIT separately shall be submitted as per **clause 7.1**. Please refer **clause-5.7** for EMD exemption; documents need to be submitted for EMD exemption.
- b. **TECHNO-COMMERCIAL BID:** Relevant information that the bidders are required to submit as per **clause 7.1** and any other information that is sought in the tender.
- c. **PRICE BID:** Bidder shall ensure that the prices / rates quoted are filled in accordance with the format provided in **Schedule-14** for the "Price Bid" and are required to submit **ONLINE Only** as per **clause 7.2**.

7. **Submission of Bids:** Bids shall be submitted strictly "ONLINE" in CSPDCL e-bidding portal. However, some of the document/s must be submitted "OFFLINE" within the due date of bid submission as prescribed below:

7.1 **Tender Document Fee, EMD & Techno-Commercial bid:**

(i) **ONLINE – i.e. SAP SRM e-bidding portal**

Following documents should be submitted having **sealed, signed & scanned uploaded on e-bidding portal:**

- Money receipt paid through online for tender fee.
- Money receipt paid through online for EMD or the EMD exemption document to be uploaded in the **collaboration tab in e-bidding portal** (if applicable, at path **Rfx Information → Notes & Attachment → Collaboration**)
- Upload duly filled, signed, stamped & scanned copy of all the schedules (i.e. *Schedule 1-to-13*) and *Annexures 4 & 5* as per tender document, **EXCEPT PRICE BID (Schedule-14)**.
- All the documentary evidences as required in support of the Schedules & Eligibility Criteria (PQR).
- Online filling of the Questionnaire (Checklist), if any;

(ii) **OFFLINE – i.e. hardcopy enclosed in Envelop as Part-I**

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Following document/s should be submitted having **sealed, signed & stamped in hardcopy in a sealed envelope**:

- Integrity Pact as per Annexure-4,
- SLA as per Annexure-5 Signed & Stamped by Supplier,
- Letter indicating Authorized Signatory as per **clause 6.6**,
- Money receipt paid through online for tender fee (optional),
- Money receipt paid through online for EMD or Self-attested copy of the EMD instrument submitted for Exemption, if applicable (optional),
- Any other relevant details, if required.

7.2 **Price bid:**

It should be submitted only through online procedure. The total cost (including GST) to be filled under **item tab** in e-bidding SAP-SRM System (e-bidding portal) only. Also, the bidder has to upload duly filled excel copy of the "Price bid" in the e-bidding portal under the tab **"Attachment for price bid"** only. Hard copy of price bid should **NOT** be submitted offline. Also, scanned copy of price bid should **NOT** be uploaded / attached in e-bidding portal.

7.3 The envelopes duly sealed are to be kept again in another envelope called main envelope and sealed. This envelope should be properly super-scribed stating that this envelope contains two separate envelopes as mentioned.

7.4 Each of the envelopes should also be super-scribed with

- Tender No and tender date
- The Name of the Bidder
- Due date of opening as advertised

7.5 The Bids should be addressed and submitted to:

**The Chief Engineer (EITC)
Energy InfoTech Center,
Block No. 8, CSPDCL,
Dangania, Raipur 492 013**

8. **Opening of Bids**

8.1 Bids (both online and offline for documents as mentioned in **clause 7.1(ii)**) shall be opened on the due date and time as notified in the O/o **The Chief Engineer (EITC), Energy InfoTech Center, Block No. 8, CSPDCL, Dangania, Raipur 492013** in the presence of the Bidders or their authorized Representatives who may wish to be present.

8.2 If the due date of opening / submission of tender document is declared a holiday by the Central / State Government or Local Administration, it will automatically get shifted to the next working day, for which no prior intimation shall be given.

8.3 The tender opening shall be continued on subsequent days, in case, the opening of all tenders is not completed on the day of opening.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 8.4 CSPDCL reserves right to alter, extend the due date / time of opening, if so desires without assigning any reason thereof. However, due intimation shall be displayed on website & e-bidding portal.
- 8.5 **First, the Techno-commercial part in e-bidding portal (online) shall be opened on the due date and time as notified and scanned copy of Tender Fee, EMD, Questionnaire (Checklist) if any, etc. shall be verified. Subsequently, envelope of Part-I of hard copy (for documents mentioned in **clause 7.1(ii)**) shall be opened on the same date; only in respect of Bidders, those have submitted (uploaded) the required documents for Tender Fee & EMD through e-bidding portal and required documents in offline mode. (in case of non-availability of EMD fee and if the exemption certificate is not uploaded at the desired place in the e-bidding portal, the copy of certificate for its exemption may be cross checked from Part-I envelop if required to confirm that the bidder has submitted EMD instruments for exemption as required **in clause 5** before opening the bid)**
- 8.6 Price Bid shall be opened on any subsequent date only for the short-listed bidders who have qualified in the Techno-Commercial Bid.
- 8.7 Date of opening of Price bid would be intimated separately to eligible bidders.
- 8.8 CSPDCL reserves right to disclose the content(s) of the techno-commercial bid in full or part.
- 8.9 Multiple bids from a single Bidder would be rejected.

9. Evaluation of Bids

- 9.1 The bids which are incomplete, conditional and not conforming to CSPDCL's terms & conditions are liable for rejection.
- 9.2 Techno-Commercial Bid will be evaluated for Commercial & Technical suitability.
- 9.3 Subsequently, the bids meeting the eligibility criteria, which are in conformity with important Techno-Commercial terms and conditions including Payment terms, Penalty, Security Deposit and Performance Guarantee Clauses and Technical solution offered in accordance with the Tender Specification, shall be eligible for opening of their Price Bid.
- 9.4 The bids received and accepted will be evaluated by CSPDCL to ascertain the lowest bid in the interest of CSPDCL.
- 9.5 However, CSPDCL does not bind itself to accept the lowest or any Bid and reserves the right to reject any or all bids at any point of time, prior to the issuance of purchase order without assigning any reasons whatsoever.
- 9.6 CSPDCL shall not incur any liability to the affected bidder(s) on account of bid rejection.
- 9.7 CSPDCL shall not be obliged to inform the affected bidder(s) regarding the ground for rejection.
- 9.8 CSPDCL also reserves the right to re-tender.
- 9.9 The decision of CSPDCL shall be final and should be acceptable to the Bidder.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 9.10 The evaluation of bids will be done by comparing the prices of all the items which are needed for project completion.
- 9.11 **Price Bid Comparison shall be done on Grand total amount of the bid for 5 years of FMS cost submitted by the bidder.**
- 9.12 **Order shall NOT be split between the bidders on the basis of lowest cost quoted for each line item.**
- 9.13 Loading of the items for which prices are not being quoted by the Bidders shall be done. In such cases, the loading will be done at higher prices quoted among the participated Bidders but while ordering, lowest quoted price among the bidders will be offered.

10. Mistakes in Bid

- 10.1 If there is a discrepancy in the online bid and offline bid, the content of the online bid would be deemed correct.
- 10.2 In the event of discrepancy or arithmetic error for unit rates & amount, in the Price bid, the unit rate for the value would be deemed correct and the CSPDCL would accordingly correct the total amount for the Value. Decision of CSPDCL in this regard would be final and binding on the bidder.
- 10.3 In case the Bidder makes contradictory statement in the Technical & Commercial Bid, CSPDCL reserves right to interpret / take that statement into consideration, in the interest of CSPDCL.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

GENERAL INSTRUCTIONS TO BIDDER

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

11. Important Instructions / Notes for e-bidding

- 11.1 Please note that this tender shall be processed online as well as offline. Hence, bidders are requested to keep proper record at their end.
- 11.2 Before participating bidders are requested to go through instructions carefully and submit their bid/offer in E-Bidding portal as well as in hard copy, as required by CSPDCL.
- 11.3 User manual and instruction documents are available in

<http://cspc.co.in/cspdcl/tender/etender/etenderindex.htm>

Or click on Bidder Information link in following URL: -

<https://ebidding.cspcl.co.in:50724/irj/portal>

- 11.4 Bidder must have a valid Digital Signature. Digital Signing Certificate and Digital Encryption Certificate can be obtained from any recognized digital signature issuing authority for participation in this tender. Bidder shall intimate in advance regarding details of digital signature issuing authority for ensuring the reliability of the same.
- 11.5 Bidder must have a valid SAP-SRM User ID and Password. For obtaining the same, Bidder has to submit online registration form through e-bidding portal. SAP-SRM User ID and Password will be sent on their registered e-mail ID mentioned in the form.
- 11.6 Please note that e-mail is system generated, hence bidders are requested to provide valid e-mail id and should regularly check their inbox/junk/spam of their e-mail id.
- 11.7 CSPDCL shall not be responsible for non-supporting system, issues in internet connection, mal-functioning of associated hardware or software, etc. while submitting their offer. No extension in time shall be granted on any of such grounds. It is strongly recommended not to wait till last minute for submission of bid, as any unwanted internet / technical incident may disrupt the bid submission.
- 11.8 The tender document can be downloaded from our website www.cspc.co.in/cspdcl/tender_notices/central_offices and also be displayed in online SAP SRM system at Technical RFx section.
- 11.9 Please note that Price Bids are accepted only through online procedure. Rates in Price Bid should be quoted online in item tab in e-biding SAP-SRM System only (e-bidding portal).
- 11.10 Please note that hard copy of PRICE BID should NOT be submitted offline. Also, scanned copy of price bid should NOT be uploaded / attached in e-bid portal.
- 11.11 Once the rates are filled in the specified fields and are locked, no change on any ground whatsoever will be accepted.
- 11.12 After dead line, no alteration in the rates will be allowed by the system. However, in case of extension of due date of opening of the tender, the bidders shall be allowed to submit revised bid in the system.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 11.13 A questionnaire (checklist) if any, is available in the RFX information tab in the online tender display which is necessary to be answered.
- 11.14 It is mandatory to submit following in e-bidding portal: -
- 11.15 Upload duly filled, signed, stamped & scanned copy of all the schedules as per tender document, except the PRICE BID Schedule.
- 11.16 Online filling of the questionnaire (checklist);
- 11.17 Online filling of the PRICE BID Schedule.
- 11.18 It is mandatory to submit following in hardcopy in sealed envelope: -
- 11.19 Money receipt paid through online for Tender fee;
- 11.20 Money receipt paid through online for EMD or Copy of EMD Exemption Document if applicable shall be uploaded in the **collaboration tab in e-bidding portal only (at Rfx Information → Notes & Attachment → Collaboration)**;
- 11.21 Duly filled, signed & stamped copy of all the schedules as per tender document (in original); But NOT PRICE BID Schedule;
- 11.22 All the documentary evidences as required in support of the Schedules (for example – Certificates, Experience order copies, balance sheet, P&L Account statement, Undertakings, etc).
- 11.23 Tender shall be opened in the scheduled time as notified. If the due date of opening / submission of tender documents is declared a holiday by the Govt. or Local Administration, it will be automatically shifted to next working day for which no prior intimation shall be given. Tender opening shall be continued on subsequent days.
- 11.24 In case the opening of all tenders could not be opened on the scheduled time as notified, because of the technical constraints of system on the day of opening, it may be noted that the due date of opening / time may be altered / extended, if so desired by CSPDCL, without assigning any reason. However, intimation shall be made available on company's tender portal / bidder's e-mail (if participation shown). Bidders are therefore requested to keep track of the same.
- 11.25 If the documents are shown attached in e-bidding portal (i.e.- techno-commercial bid), but due to any reason it could not be opened, CSPDCL may request Bidders to submit another copy of the same.
- 11.26 After scrutiny of techno-commercial bid (i.e. scanned copies & hard copies of certificates, schedules & annexures, brochures, etc.), the price bid of only eligible bidders will be opened.
- 11.27 Price Bid opening date (or subsequent amendment, if any) shall be intimated through e-mail to the eligible bidders.
- 11.28 Amendment in tender shall be published on our website as well as in SAP-SRM e-bidding system. However, intimation regarding amendment and due date of extension shall be conveyed through system-generated e-mail to registered bidders only.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

11.29 Before participating, the bidder should carefully read all the instructions and processes.

12. Extremely Important Instruction

It is the responsibility of the bidder to make sure that all the documents required as per the tender are submitted on or before the date of bid submission. The bid submission date is the cut-off date for submission of all the documents required as per tender and every bidder is supposed to adhere to this deadline. No new/additional documents will be allowed after bid submission. Bidder should note this to avoid bid rejection.

13. Definition of Terms

The following words shall have the meaning hereby indicated, unless otherwise there is something in the subject matter content inconsistent with the subject.

CSEB	Shall mean the Chhattisgarh State Electricity Board
CSPHCL	Shall mean the Chhattisgarh State Power Holding Company. Ltd. (A Govt. of CG Undertaking)(A Successor Co. of CSEB)
CSPGCL	Shall mean the Chhattisgarh State Power Generation Company. Ltd.
CSPTCL	Shall mean the Chhattisgarh State Power Transmission Company. Ltd.
CSPTRDCL	Shall mean the Chhattisgarh State Power Trading Company. Ltd.
CSPDCL	Shall mean the Chhattisgarh State Power Distribution Company. Ltd. (A Govt. of CG Undertaking) (A Successor Co. of CSEB) represented through the Chief Engineer (EITC).
Contractor	Shall mean the successful bidder awarded with the contract or their successors and permitted assigns
Contract Price	Shall mean the sum named in or calculated in accordance with the provisions of the contract as the contract price.
Specification	Shall mean the specification annexed to these General Conditions of Contract and shall include the Schedules and drawings attached thereto or issued to the contract as well as all samples and patterns, if any.
Month	Shall mean calendar month.
Writing	Shall include any manuscript, typewritten, printed or other statement reproduced in any visible form whether under seal or under hand.

14. Conflict of Interest:

Participation by Bidder(s) with a conflict of interest situation will result in the disqualification of all Bids in which it is involved. Purchaser considers a conflict of interest to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations, and that such conflict of interest may contribute to or constitute a prohibited corrupt practice. Participation by Bidder(s) with a conflict of interest situation will result in the disqualification. A Bidder may be considered to be in a conflict of interest with one or more parties in this bidding process if, including but not limited to:

14.1 receive or have received any direct or indirect subsidy from any of them; or

14.2 have the same legal representative for purposes of this Bid; or

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

14.3 have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Purchaser regarding this bidding process; or

14.4 Bidder participates in more than one bid in this bidding process. Participation by a Bidder or Lead Member in more than one Bid will result in the disqualification of all Bids in which it is involved.

15. Language to be used

All Bid documents & correspondence should be made in English.

16. Overwriting

Overwriting should be avoided. Overwriting, erasures and other changes should bear the dated initials of the person signing the tender.

17. Tender Document Fee

The payment made for purchase of tender document is non-refundable.

18. Return of Bids

Bids once submitted shall be the property of CSPDCL and shall not be returned to the Bidder in future.

19. Fixed/Firm Prices

Bidders are required to quote a Fixed / Firm Prices in their Price Bid

20. False Information in Bid

Bids submitted having any of the documents that are falsified, forged, misleading or intended to deceive will be rejected. The Bidder may also be debarred from participation in future tendering process.

21. Delayed / Late Bid

CSPDCL shall not be responsible for postal delays either for the late receipt of documents by Bidder or late receipt of bids. No extension in time shall be granted on such grounds.

22. Alternate Bid

Bid should be submitted as per intent of tender documents, as alternative offers are liable to be rejected.

23. Lump-sum based Bid

In case prices for some items or all items are given as a lump-sum, where unit prices are required, CSPDCL can summarily reject such incomplete tender.

24. Incomplete Bid

Bid, which is incomplete or obscure, is liable for rejection.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

25. Ambiguities in Bid conditions

In case of ambiguous or self-contradictory terms / conditions mentioned in the bid, interpretations as may be advantageous to the CSPDCL may be taken without any reference to the tender.

26. Super-scribing Bid Envelope

Bid will be disqualified if it gets opened by mistake, before the due date / time, as a result of improper or no indication been given on the cover / envelope, so as to indicate that it contains Bid.

27. Canvassing of Bids

Bids shall be deemed to be under consideration, after opening of bid, till placement of order. During this period, the Bidders or their authorized representatives or other interested parties are advised strongly, in their own interest, to refrain from contacting by any means any of the CSPDCL's personnel or representative, on matters relating under study. Canvassing of any kind will not only invite disqualification but also will debar the Bidder from future participation in tendering process.

28. Pool Rates

28.1 Quoting pool rates and formation of Bidders' cartel or ring to restrict the competition of prices is strictly prohibited. "Cartel" includes an association of sellers, distributors, traders or service providers who by agreement amongst themselves, limit, control or attempt to control the production, distribution, sale, trade in goods or provision of services.

28.2 Accordingly, bidders are advised to quote their own individual and most competitive rates. It may please be noted that if same rate is quoted by more than one bidder for the entire bid, it shall be treated as suggestive of a Cartel and all such offers may not be considered for placing the orders.

29. Rejection of Bids

The bid is liable to be rejected if,

- 29.1 It is not in conformity with the instructions mentioned in this tender document.
- 29.2 It is not accompanied by the requisite EMD.
- 29.3 It is not properly/duly signed.
- 29.4 It is received through Telex or Telegram or Fax.
- 29.5 It is received after expiry of the due date and time
- 29.6 It is incomplete including non-furnishing the required documents.
- 29.7 It is evasive or contains incorrect information.
- 29.8 There is canvassing of any kind.

30. Amendment in Specifications:

CSPDCL reserves right to revise, modify or amend any terms & conditions, specifications or scope prior to the date notified for opening of tender, such revision / amendment, if any, will be communicated to all the Bidders as Amendment / Addendum to the invitation of

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

tender, whereas, after opening of the Techno-Commercial bids, CSPDCL reserves right to obtain revised price bids from the bidders with regard to such changes.

31. Variations / Additions / Omissions

31.1 CSPDCL reserves the right to alter, amend, omit, or otherwise vary the quantum of work, by notice in writing to the Bidder. The Bidder would carry out such variation in accordance with the rates specified in the contract, so far as these may apply; and, where such rates are not available, the CSPDCL and the Bidder would mutually agree to the same.

31.2 The CSPDCL would not have any responsibility or liability for any error(s), omission(s), inaccuracies or error(s) in respect of information or inputs, including those respecting sites and their surroundings, provided in this tender document, or otherwise. Although the said information and inputs provided would be true to the best of our belief, their verification would be the sole responsibility of the Bidder.

32. Alterations / Corrections in Bid:

No alternations in the tender document will be permitted. Bidders will not be permitted to change the substance of the tender on post interpretation / improper understanding grounds.

33. Acceptance of Part / Whole Bid – Rights thereof

CSPDCL reserves the right to –

33.1 Accept / reject wholly or partly Bids without assigning any reason whatsoever.

33.2 Split the order in favour of more than one Bidder.

33.3 Split the order, even in case of one Bidder.

33.4 Negotiate only with the technically suitable Bidder.

33.5 Make no correspondence with Bidders regarding above.

34. Compliance Matrix

Schedules/Annexures are enclosed for providing technical & commercial information/details. It is mandatory on the part of the Bidder to furnish all such details therein. In case, this it is not furnished with the offer, the Bid is liable to be rejected.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

COMMERCIAL SECTION

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

35. Deviations from Terms & Conditions

Offers with deviations in the terms of payment, liquidated damages, security deposit and performance guarantee are liable to be rejected.

36. Validity of Bids

All the prices, technical specifications and other terms & conditions of the offer proposed by the Bidders should be valid for a **minimum period of 180 days from the date of opening of bids** else offers are liable to be rejected.

37. Security Deposit cum Performance Guarantee

- 37.1 On acceptance of Purchase Order, the Contractor will have to deposit an amount of 10% of the **highest value of Yearly FMS Charges (amongst 5 years)** of the order towards Security Deposit cum Performance Guarantee, either in the form of CTS Demand Draft or Bank Guarantee within **30 days** from Date of issue of Order. The security deposit shall be kept till the successful completion of the contract for 3/5 years of FMS support which ever will be applicable.
- 37.2 CTS Demand draft is to be drawn in favour of **Manager (CAU), CSPDCL**, Raipur, payable at Raipur from any Nationalized/Scheduled Bank.
- 37.3 Bank Guarantee In lieu of Demand draft, from any Nationalized / Scheduled Bank strictly as per CSPDCL's format (to be supplied along with the order) valid sufficiently to **cover the entire contract period and additional six months for claim lodge period**. The validity period of Bank Guarantee shall be for the contract period of initial 3 years (plus additional six months) which must be extended to cover the contract period if the FMS contract will be further extended after three years as per the CSPDCL's requirement.
- 37.4 CSPDCL shall forfeit the security deposit in event of non-execution or part execution of the order, besides invoking the LD / Penalty Clauses.
- 37.5 The Security Deposit cum Performance Guarantee shall be returned to the Contractor only after due and faithful performance of the order as per terms and conditions of the order, provided there are no claims outstanding to be recovered against the Contractor, including downtime penalties.
- 37.6 No interest will be paid by the CSPDCL on Security Deposit cum Performance Guarantee furnished by the Contractor.
- 37.7 The Bank Guarantee submitted towards the Security Deposit cum performance Guarantee shall be executed on appropriate value of Non-Judicial Stamp Paper as per the provisions of the Indian Stamp Act, 1899 (as applicable to the State of Chhattisgarh) as amended by The Indian Stamp (Chhattisgarh Amendment), Act, 2025 (Act no. 19 of 2025). As per the amendment, the stamp duty shall be payable @ 0.05% of the guaranteed amount, subject to a maximum of Rs. 25,000/-.

38. Price

- 38.1 The prices quoted by the Bidder shall be in Indian Rupees. The prices should be FIRM and not subject to any price escalation.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 38.2 Price bid has to be submitted Online (sample format attached at Schedule-14 for reference only). Further after applicability of GST all the indirect taxes such as Excise duty, packing, forwarding, freight, excise duty, sales tax, commercial tax, Service tax, work contract tax, VAT, octroi, Entry Tax, Road permit charges and any other charges etc. has been subsumed under GST. The bidder should clearly mention the unit cost, total cost, taxes etc. in Indian Rupees to be paid under respective headings and not in percentages of the base price in price schedule.
- 38.3 No any extra amount will be paid against any upward variation in the rate of applicable GST, or any new tax /charges made applicable by state / central government, before or after contractual delivery period and the same will be borne by Bidder and not by CSPDCL if any. However, any upward/downward revision or introduction of any new tax shall be paid on actual basis as per Govt. guidelines within the contractual period. The offer will be liable for rejection in absence of the undertaking for the same.
- 38.4 The Bidder is required to guarantee that exchange rate fluctuations, changes in import duty and other taxes will not affect the Rupee value of the commercial bid, over the validity period of the bid / execution of the project.
- 38.5 Further, subsequent to the orders being placed/agreement executed, the Bidder shall pass on to CSPDCL all fiscal benefits arising out of reductions in Government levies GST taxes.
- 38.6 CSPDCL reserves the right to re-negotiate the prices in the event of change in the international market prices of the service charges.

39. Taxes & Duties

- 39.1 CSPDCL is registered under Goods and Service Tax and the **GST Registration number of CSPDCL is 22AADCC6047K1ZR**. Quoted price shall be exclusive of all duties and taxes. The bidder shall quote his GST Registration number and HSN/SAC code applicable for the services to be provided by him.
- 39.2 The bidder within the state should mention applicable CGST & SGST taxes separately in the bidding documents, CGST & SGST shall be payable on supplies (as defined in the GST Act/Rules) made by the successful bidder, if he registered with in the state.
- 39.3 Similarly, the bidder outside the state should mention the applicable IGST separately in the bidding documents. IGST shall be payable if he is registered outside the state.
- 39.4 Those bidders, who are unregistered under GST, shall not be allowed to participate in the tender.
- 39.5 Tax Deduction at Source – Necessary Taxes would be deducted at source.

40. Payment Terms

- 40.1 The Payment of bills shall be regulated in the following manner to facilitate Contractor for timely completion of the work:

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- a) Payment shall be made on **Monthly basis** on production of bill by the contractor. The bill will be paid normally within 30 days after certification from the officer concern.
- b) Taxes: Since the work is of nature of maintenance services only, 18% GST will be applicable on whole amount.
- 40.2 Bills shall be raised to the EITC, CSPDCL by the contractor. The payment shall be made after verification and deduction of penalty as per Scope of work/SLA. Invoices shall be forwarded to the Manager (CAU), CSPDCL for release of payment.
- 40.3 No interest shall be payable in case of delay in payment.
- 40.4 **In case of the firm is a registered MSME, the word “MSME FIRM” should be recorded in bold face on each invoice, so that it is clearly visible at first sight.**
- 40.5 Contractor shall ensure the timely payment of the FMS resources deployed in CSDPCL to avoid any interruption in the FMS service.
- 40.6 The Invoice **shall contain** following details:
 - a) Name, address & GSTIN of the supplier;
 - b) Date of issue of invoice;
 - c) Name, address and GSTIN of the recipient;
 - d) HSN Code of goods or Accounting Code for Services with description;
 - e) Value of goods or services taking into account of discount or abatement, if any; and
 - f) Signature of supplier or his authorized representative.
- 40.7 **Payment Procedure**
 - a) Invoices should be submitted in quadruplicate (including one original with revenue stamp of Rs.1/- affixed on it) duly sealed and signed by the authorized person of the firm.
 - b) The original bill should be marked “ORIGINAL”.
 - c) The office in-charge will check, verify and forward original + 2 copies of invoice to the Paying Authority for payment, for the successfully completed works/services as per the order.
 - d) If Invoice is submitted online, it should be digitally signed by the authorized person of the firm.
- 40.8 **Documents to be submitted during the invoicing:**
 - a) Invoice in Quadruplicate.
 - b) SLA Reports/Downtime reports.
 - c) Copy of monthly challan towards contribution in EPF, ESIC of deputed manpower.
- 40.9 **MSME Development Act’2006:** - Bidder should furnish questionnaire in *Schedule-12* regarding applicability of MSME Act 2006 duly filled sealed and signed along with his tender offer. He should furnish documentary evidence towards establishing same in accordance with clause 8 (1) Chapter VI and Clause 7(1) of Chapter III of the Act along with the offer, duly self-attested.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

41. Correspondence

Copy of all correspondences on the subject should be invariably sent only to:

**The Chief Engineer (EITC)
Energy InfoTech Center,
Block No. 8, CSPDCL,
Dangania, Raipur 492 013**

42. Sub-Contracting

Sub-contracting is not allowed for provisioning the FMS support. Petty contracting for the employee shall not be allowed through labor contract or through any third party agency. All the employees should be in the payroll of bidder.

43. Contract Period

- 43.1 The Contractor has to submit the **acceptance of the LOI/order within a week** from the date of issue of the LOI/order. The CSPDCL reserves the right to consider the late acceptance of the LOI/order, if any, at its discretion.
- 43.2 Time is the essence of contract and accordingly, the service for FMS should be provided for the entire period of contract stipulated in the tender.
- 43.3 The Contract period of the FMS shall start from the **1st September 2026** or date of order/agreement/actual start of FMS support whichever is later (if order is placed beyond 1st September 2026) as per the Scope of work.
- 43.4 The contractor has to sign the contract agreement with CSPDCL within 30 days from the date of order.
- 43.5 The contract period for the desired FMS support for the hardware/software/applications of all the projects **shall be initially for a period of Three (03) Years** as defined in the scope of work which shall be further extended for another **Two (02) Years** if required, looking to the prevailing situations of progress of CSPDCL's cloud journey in near future and requirement of FMS support at that time.
- 43.6 The Number of Man-Power required to be deputed for providing FMS support at both sites of CSPDCL's Data Centre shall be as per the Price-Bid Schedule/Scope of Work/SLA. However, looking to the prevailing situations and progress of CSPDCL's cloud journey in near future, the man-power requirement may be reduced during the contract period with an prior intimation of at-least 3 months to the Contractor. Accordingly, payment shall be made on the actual number of resource deployment as per the reduced number of resources as conveyed.

44. Penalty / Liquidated Damages

- 44.1 Down time penalty shall be applicable as per the defined in Service Level Agreements (SLA) detailed in the technical section / scope of work.
- 44.2 Penalty shall be levied, in case of defaults or strike out/ in performing the duty by the resources due to any reasons (like defaults of the salary credit to resources), not pertaining to CSPDCL and in such situations the decision of CSPDCL shall be final.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

44.3 Down time penalty is not applicable for reasons attributable to CSPDCL (Delay in granting consent, approvals, Delay FMS provisioning, etc.) and Force Majeure.

45. Extension of Order

45.1 CSPDCL reserves the rights to place an extension order on the contractor **for a period of one year** on the same rate of annual increment for the last year of the contract (i.e. 5th years) and the other terms & conditions of the contract shall remain as per original order. "In case of fresh tender is issued for the same item/services before completion of contract against extension order and lower rates are received in the fresh tender, the lower rates received in the fresh tender shall be applicable to the period of extension order balance to be served also.

45.2 CSPDCL reserves the rights to negotiate directly with the contractor for the extended period, in case there is any extension to be done later or in due course of time.

46. Force Majeure

46.1 Force Majeure is herein defined as any cause, which is beyond the control of the contractor or CSPDCL as the case may be which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance of the Contract, such as:

- Natural phenomena, including but not limited to floods, droughts, earthquakes and epidemics, pandemics, etc.
- Act of any Government Authority, including but not limited to war, declared or undeclared, quarantines, embargoes, licensing control or production or distribution restrictions.
- Accident and disruptions such as fires, explosions, breakdown of essential machinery or equipment's etc.
- Strikes, Lockouts continuing for more than three weeks.
- Failure or delay in the Contractor's source of supply due to Force Majeure causes enumerated above; provided he produces documentary evidence to show that there were no other alternative sources of supply available to him.

46.2 The cause of Force majeure condition will be taken into consideration provided either party shall notify the other party in writing within 15 days from the occurrence of such delay. The Contractor or the CSPDCL shall not be liable for delay in performing his/her obligations resulting from any Force Majeure cause as referred to and/or defined above.

46.3 The CSPDCL shall verify the facts and grant such extension as the facts justify. For extension due to force majeure conditions, the Contractor shall submit his representation with documentary evidence for scrutiny and decision of the CSPDCL shall be binding on the firm.

47. Cancellation of Order

CSPDCL may upon written notice of default, terminate contract in the circumstances detailed hereunder

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 47.1 If in the opinion of the CSPDCL, the contractor fails to replace the material within the time specified
- 47.2 If in the opinion of the CSPDCL, the contractor fails to comply with any of the other provisions of this contract or found not in accordance with prescribed specifications.
- 47.3 If as a result of stage inspection, it is revealed that services / or, workmanship is substandard which is likely to affect the performance of the systems/organization, a notice would be served by the CSPDCL to the contractor to suspend further activities and to take urgent steps towards corrective measures, failing which the entire order would be cancelled.
- 47.4 The contractor commits a breach of any of the terms and conditions of the bid.
- 47.5 The progress regarding execution of the order accepted, by the contractor is found to be unsatisfactory.
- 47.6 The contractor goes into liquidation voluntarily or otherwise.
- 47.7 If deductions on account of Liquidated Damages exceeds more than 10% of the total contract price.

48. Compensation / Proceedings on Cancellation

- 48.1 After the award of the contract, if the contractor does not perform satisfactorily or delays execution of the contract, CSPDCL reserves the right to get the balance contract executed by another party of its choice by giving one month's notice for the same. In this event, the contractor is bound to make good the additional expenditure, which CSPDCL may have to incur in executing the balance of the contract. This clause is applicable, if for any reason, the contract is cancelled.
- 48.2 CSPDCL reserves the right to recover any dues payable by the contractor from any amount outstanding to the credit of the contractor, including the pending bills and/or invoking Bank Guarantee, if any, under this contract or any other contract/order.

49. Recoveries for Liabilities against Other Contracts

Any amount recoverable from the contractor against earlier contracts with the CSPDCL will be adjusted from payment due against the contract that may be awarded under this tender specification.

50. Arbitration

- 50.1 All dispute or differences whatsoever arising between the Contractor and CSPDCL out of or in relation to the construction, meaning and operation or effect of the Contract, with the Contractor, or breach thereof shall be settled amicably.
- 50.2 If, however, the parties are not able to resolve any dispute or difference aforementioned amicably, the same shall be settled by arbitration. Either party may give to the other, notice in writing, the existence of such question, dispute or difference, and the same shall be referred to the adjudication of two arbitrators, one to be nominated by the CSPDCL and the other to be nominated by the Contractor.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

50.3 In the case said arbitrators not agreeing, then to the adjudication of the Umpire to be appointed by the arbitrators, whose decision shall be final and binding on the parties and the provisions of the Indian Arbitration and conciliation Act 1996, and of the rules hereunder and any statutory modification thereof shall be deemed to apply. The arbitrators or the Umpire, as the case may be, are bound to give a detailed speaking award assigning reasons for the findings.

50.4 The Contractor shall continue supplies under the contract during the arbitration proceedings, unless otherwise, directed in writing by the CSPDCL or unless the matter is such that the work cannot possibly be continued until the decision of the arbitrators or of the Umpire, as the case may be, is issued.

50.5 The Venue of the arbitration shall be at Raipur, Chhattisgarh.

51. Applicable Law & Jurisdiction of Court

The Contract with the Contractor shall be governed in accordance with the Laws of India for the time being enforced and will be subject to the exclusive jurisdiction of Courts at Raipur (with the exclusion of all other Courts).

52. Authorized Signatory after Contract Award

The Contractor shall indicate the authorized signatories who can discuss and correspond with the CSPDCL, with regard to the obligations under the contract. The Contractor shall submit a certified copy of the resolution of their Board, authenticated by Company Secretary, authorizing an official or officials of the company or a Power of Attorney copy to discuss, sign agreements/contracts with the CSPDCL. The Contractor shall furnish proof of signature identification for above purposes as required by CSPDCL.

53. Notices

Notice or other communications given or required to be given under the contract shall be in writing. They can be hand-delivered with acknowledgement thereof, or transmitted by a pre-paid registered post, or by a recognized courier, or by a facsimile. If such notice is sent by facsimile, a confirmation copy shall be sent by pre-paid registered post or by recognized courier within five days of the transmission by facsimile.

Any notice or other communications shall be deemed to have validly given on date of delivery if hand-delivered; if sent by registered post or by recognized courier, then on the expiration of seven days from the date of posting; and if transmitted by facsimile, then on the next business date after the date of transmission.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

TECHNICAL SECTION

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

54. Site Conditions/Existing Setup

- 54.1 Bidders should inspect and examine the site locations & regarding the existing IT setup before submitting their bids.
- 54.2 Bidder shall themselves obtain all necessary information such as the type and nature of site, details of existing IT setup & environment, the means of access to the site/system, risks, contingencies, and other circumstances, which may influence or affect their bid.
- 54.3 *The Bidder shall be deemed to have full knowledge of the site conditions and IT system environment whether he inspects it or not and no extra charges or time, consequent on any misunderstanding or otherwise shall be allowed.*

55. Special Requirements from Bidders: The bidder must follow the following guidelines:

- 55.1 The Selected Bidder shall be required to provide the support services so as to manage IT systems (as per the scope) of the CSPDCL.
- 55.2 The Bidder **should be registered with EPF and ESIC, and should submit self-attested EPF and ESIC registration copy from respective departments.**
- 55.3 The Selected Bidder shall deploy requisite manpower for providing onsite support through Facility Management Services at the identified locations, for the items as per details provided in **Annexure-1. A minimum of 21 resources (from day one) and 22 resources (from January 2028 onwards) of various IT domains as per SLA** shall be deployed onsite at designated sites to manage the hardware, software & applications installed under the various IT projects envisaged in the scope. **However, bidder may depute more resources at its own concern to meet out the SLA requirements for smooth delivery of the FMS service and no additional cost will be admissible for additional resources.**
- 55.4 The bidder shall provide the L2 & L3 level of technical support for resolution of the escalated issues and ensure their timely availability (remotely/physically) as on required.
- 55.5 In case of emergency, the L3 or expert resources should be deputed on site for necessary resolution of the issues at the cost of the bidder.
- 55.6 The bidder will appoint a single point of contact (Project Manager) at our head quarter at Raipur (C.G) for managing both sites i.e. for Data Centre, Raipur and DRC, Bilaspur. Bidder shall appoint an experienced manager dedicated to managing the data centre. Bidder should provide CV of manager that proven experiences in managing the data centres mentioned in scope.
- 55.7 The manager will be responsible for all the FMS resource/staff assigned per shift for efficient execution of their duties and resolving employees related issues if any.
- 55.8 All FMS resources must be well-educated (at least completed degree/graduation course), technically qualified and it is desired that they should have certification or minimum 3 years of experience in managing the data centres operation in respective IT-Domains.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

55.9 Selected Bidder should submit Bio-data before deploying the FM Resources, clearly mentioning their -

- a) Identity Proof;
- b) Educational Qualification.
- c) Work Experience in similar fields;
- d) Certifications, etc.

55.10 **Educational Qualification** - Resources deployed for FMS should minimum be an IT Graduate. However, desired educational qualification for Project Manager is MBA and for Technical Resources (L-3, L-2 & L-1) is IT Graduate {BE (CS or IT) / MCA / BCA, etc.}.

55.11 **Work Experience & Certification** – Resources deployed for FMS should have following minimum experience and certification:-

- a) Certification or minimum 3 years of Experience in respective Domain for L1 resources.
- b) Minimum of 5 years of Experience for L2 resources
- c) Minimum of 10 years of Experience for L3 resources
- d) Experience in accordance with the assigned job / entrusted;
- e) Experience desired needs to be in Windows Server OS, Red hat/Oracle Linux/SUSE Linux administration, Server & Storage administration, Backup & Replication, High Availability Cluster software, SAP BASIS, Oracle & MS SQL Databases, Virtualization software, etc.
- f) The bidder is responsible for the imparting necessary training to the FMS resources required for accomplishment of the works & solutions.

55.12 **It is mandatory to have requisite certification/experiences** for L-3 & L-2 Resources from day-1 and for L-1 Resources, certification must be completed maximum within 6 months from the date of their deployment if does not have minimum requisite experiences.

- a) Contractor should provide necessary operational supports by deploying Engineer(s) / Technician(s), whenever required.
- b) There will be no liabilities to CSPDCL in case of accidents or otherwise during contract period and will solely rest at the risk of Contractor.
- c) The bidder should submit bid strictly in conformity with the service requirement given in Scope and Extent of Work. The Contractor will be decided based on this scope of work.
- d) The bidder should submit duly filled and signed “Pre-Contract Integrity Pact” provided in along with the bid.
- e) Contractor should furnish the Police Background verification of all the resource deployed under the FMS and shall also sign the NDA form as per the ISMS policy of the CSPDCL.

55.13 **Project Implementation / Contract Execution**

The typical Project implementation/Execution of the contract would include, but not be limited to the following broadly defined milestones:-

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 55.14 The EMD and Techno-Commercial bid would be opened online and offline on the advertised/amended date and time.
- 55.15 After the scrutiny & evaluation of the Techno-Commercial bids, the eligible bidders would be intimated the date and time of Price bid opening.
- 55.16 Consequent to the evaluation of price bid, a bidder would be selected for award of the tendered work.
- 55.17 Letter of Award (LOA) / Purchase Order (PO) would be issued to the Contractor conveying the acceptance of his offer subject to terms & conditions therein. The Contractor shall acknowledge acceptance of the LOA/ PO within 7 days.
- 55.18 After receiving the LOA / PO, the Contractor will intimate about their Project Manager and service delivery escalation matrix to CSPDCL, who would be a single point of contact for the entire project along with his complete contact details.
- 55.19 Subsequently, the Contractor has to submit Security Deposit (SD) cum Performance guarantee within 30 days from Acceptance of the Order and sign the SLA.
- 55.20 The successful bidder will have to execute a “Non-Discloser Agreement” with CSPDCL in line with requirement of information security and confidentiality.
- 55.21 Commencement of FMS services.

******* End of Section *******

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

ANNEXURES

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure-1

Details of existing Hardware, Software and Applications installed

Annexure-1**Details of existing Hardware, Software and Applications**

The details of hardware, software and applications installed in DC & DR centers for which FMS services shall be provide and will be under the scope of work of this tender are details below:

1. Existing Location

- a) Data Center (DC) – Raipur.
- b) Disaster Recovery (DR) Center – Bilaspur.

2. Existing Hardware/Software/Application

Project wise list of major hardware & software and allied equipment is covered under the FMS support is provided below; and all allied equipment's/peripherals will also to be handled for resolution of any issues.

2.1. List of Hardware/Software Under SAP ERP (for CSPDCL) Landscape (DC & DR)**a) List of Servers:**

Data Center, Raipur

	Low End Servers (DC)		CGDC-ESXI-WINDOWS-01, CGDC-ESXI- WINDOWS -02, CGDC-ESXI- WINDOWS -03, CGDC-ESXI- WINDOWS -04, CGDC-ESXI- WINDOWS -05, CGDC-ESXI- WINDOWS -06	ProLiant DL380 Gen10 Plus	SGH311VCYH SGH311VCYD SGH311VCYL, SGH311VCY6, SGH311VCY9, SGH311VCYP	VMWare ESXi 8.0 U3
	Low End Servers (DR)		CGDR-ESXI- WINDOWS -01, CGDR-ESXI- WINDOWS -02, CGDR-ESXI- WINDOWS -03	ProLiant DL380 Gen10 Plus	SGH313S07D, SGH313S07H, SGH313S07L	VMWare ESXi 8.0.1

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

d) AMR Servers:

S/N	Item Description as per Order	Server /Equipment Role as per Deployment	Hostname	Make /Model /Version	Serial / Subscription No.	Operating System
1	High End Servers (DC)	AMR Application	URJA-9323-AMR11, URJA-9323-AMR12, URJA-9323-AMR13	HPE Proliant DL 360 Gen 11	1I5D32025G, 1I5D32025F, 1I5D32025D	Windows Server 2019/2025

e) Applications /Software installed

- SAP-ERP,SAP BW,CRM, SRM, PI/PO, DMS, etc.,
- CSPDCL Website and Web Self Service,
- In-house Applications;
- Spot Billing System,
- Meter Data Acquisition System (M-DAS);
- GIS;
- SCADA, etc.
- Anti-Virus (Trend Micro);
- Patch Management (Bigfix);
- Active Directory;
- NMS/EMS (CA Applications, Cisco LMS, Cisco Prime, WhatsUP Gold);
- Mail Messaging (MS Exchange);
- Microsoft SharePoint.
- Sanoi Replication and Oracle Data Guard Replication,
- HPE Service Guard Cluster Solution, Red hat and Windows Cluster solution.
- Aspect Solution –Customer Care Center

f) SAP Application version details

- P10 : SAP ECC 6.0 EHP8 having Oracle Database 12/19 c
- CRM: SAP CRM 7.0 EHP4 having Sybase Database 16
- BIW : SAP NetWeaver AS ABAP 7.31 having Oracle Database 11g
- PI : SAP NetWeaver AS ABAP 7.5 having Sybase Database 16

g) Enterprise Storage

- DC: The HPE 3 PAR SAN Storage “HPE 8440” is used as storage space for all systems and their BCV’s with capacity of 130TB usable space
- DR: The HPE 3 PAR SAN Storage “HPE 8440” is used as storage space for all systems and their BCV’s with capacity of 130TB usable space

h) Tape Library

- DC: HPE MSL 6480 has 155 Data Cartridges slots with (1 no. LTO-6 & 11 no. LTO-7 Ultrium drives).
- DR: HPE MSL 6480 has 149 Data Cartridges slots with (1 no. LTO-6 & 11 no. LTO-7 Ultrium drives).

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

i) BACKUP System:

- Veritas Net backup Enterprise Tools (10.4.0.1) is used for taking backup of OS, DB, File System, BMR, Applications etc.

j) Replication Tool

- SAP P10 (ERP): ODG (Oracle Data Guard)
- SAP BIW: ODG (Oracle Data Guard)
- SAP CRM: Storage Based Replication
- SAP PI: Storage Based Replication
- SAP DMS: Storage Based Replication
- GIS: Copy Paste of the backup (No Replication)
- MDAS: MS SQL Log shipment through MPLS Network
- Exchange (Mail Messaging): MPLS through MS exchange's inbuilt functionality
- WSS: MS Sql Log shipment through MPLS Network
- WSS CSEB: MS SQL Log shipment through MPLS Network
- Spot Bill: MS SQL Log shipment through MPLS Network Software for storage based Replication: SANOI

2.2. List of Hardware/Software Under N11 & SRM System (DC & DR)

a) DC Raipur Infrastructure:

S/N	Model	Host Name	Serial No.	Processor	Operating System	Database
1	HPE C7000 Blade Enclosure	c7000	SGH106X011			
2	HPE Integrity BL870c i2	N11 DB Server	SGH106X012	Intel Itanium 9320s, 1.33 GHz, 16 MB Quad Core	HP-UX 11.31	Oracle Enterprise 12.2.0.1.0
3	HPE Integrity BL870c i2	N11 CI Server	SGH106X013	Intel Itanium 9320s, 1.33 GHz, 16 MB Quad Core	HP-UX 11.31	Oracle Enterprise 12.2.0.1.0
4	HPE RX 2800 i4	App Server	SGH748WRWR	Intel(R) Itanium(R) Processor 9540 @ 2.13 GHz 24 MB	HP-UX 11.31	Oracle Enterprise 12.2.0.1.0
5	HPE RX 2800 i4	App Server	SGH748WRWS	Intel(R) Itanium(R) Processor 9540 @ 2.13 GHz 24 MB	HP-UX 11.31	Oracle Enterprise 12.2.0.1.0
6	HPE / BL870c i2	SRM DB Server	SGH303KXY1	Intel Itanium 9340s, 1.6 GHz, 16 MB Quad Core	HP-UX 11.31	Oracle Enterprise 11.2.0.3.0
7	HPE / BL870c i2	SRM CI Server	SGH303KXY2	Intel Itanium 9340s, 1.6 GHz, 16 MB Quad Core	HP-UX 11.31	Oracle Enterprise 11.2.0.3.0

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

8	HPE / RX2800 i2	SRM Dev Server	SGH303L24B	Intel(R) Itanium(R) Processor 9320 @ 1.33 GHz 16 MB	HP-UX 11.31	Oracle Enterprise 11.2.0.3.0
6	MSL4048	HPE Tape Library	MXA742Z00B			
7	HPE DL 180 G9	Backup Server	SGH606VVFR	Intel® XEON® CPU E5-2620 v3 @ 2.4 GHz	HP-UX 11.31	
8	HP Proliant DL360p G8	Storage Server	SHG305MB1C	Intel® XEON® CPU E5-2609 @ 2.4 GHz	HP-UX 11.31	
9	HPE Proliant DL 120 G9	3PAR Service Processor	SGH8090SY	Intel® XEON® CPU		
10	HPE 3PAR 8200	N11_SRM_3PAR Storage	4C17481998			
11	1GB Ethernet Pass thru module	HPE / 1GB	TWT301V0JK			
12		HPE / 1GB	TWT301V0HV			
13	4GB Ethernet Pass thru module	HPE / 4GB	TWT303V042			
14		HPE / 4GB	TWT303V085			
22	Backup Software	Opentext / Data Protector	A-S00006839 /A-S00006954			
12	HPE/SN6600B	SAN SWITCH1	CZC218E51J			
13	HPE/SN6600B	SAN SWITCH1	CZC218E589			
14	Emerson Hi-Pulse	40 KVA Online UPS System (2 no.s)				
16	Emerson Hi-Pulse	20 KVA Online UPS System (2 no.s)				
18	Emerson Hi-Pulse	30 KVA Online UPS System (1 no.)				
19	Emerson Hi-Pulse E	120 KVA Online System (2 no.s)				
20	Emerson Liebert exm	120 KVA Online System (2 no.s)				
16	Kirloskar DG Set	600 KVA Online DG				
17	Emerson High Precision AC	8.5 Ton (11 Nos.)				
18	Emerson High Performance AC	3.5 Ton (5 Nos.)				

b) DR Bilaspur Infrastructure:

S/N	Model	Host Name	Serial No.	Processor	Operating System	Database
1	HP C7000 Blade Enclosure	c7000	SGH106XVT8			

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

2	HP Integrity BL870c i2	N11 DB Server	SGH106XVT9	Intel Itanium 9320s, 1.33 GHz, 16 MB Quad Core	HP-UX 11.31	Oracle Enterprise 12.2.0.1.0
3	HP Integrity BL870c i2	N11 CI Server	SGH106XVTA	Intel Itanium 9320s, 1.33 GHz, 16 MB Quad Core	HP-UX 11.31	Oracle Enterprise 12.2.0.1.0
4	MSL2024	HPE Tape Library	MXA742Z09Y			
5	HPE DL 160 G9	Storage & Backup Server	SGH747VWB1	Intel® Xeon® CPU E5-2620 v4 @ 2.10 GHz	HP-UX 11.31	
6	HPE/Nimble NS HF40 with Array	Storage Server	5UM2280080 / AF243102			
7	HPE/SN6600B	SAN SWITCH1	CZC218E55D			
8	HPE/SN6600B	SAN SWITCH1	CZC218E561			
16	Emerson Hi-Pulse	20 KVA Online UPS System (2 no.s)				
19	Emerson Hi-Pulse E	120 KVA Online System (2 no.s)				
20	Emerson Liebert exm	120 KVA Online System (2 no.s)				
9	Mahindra Power DG Set	500 KVA Online DG				
10	Emerson High Precision AC	8.5 Ton (7 Nos.)				
11	Emerson High Performance AC	3.5 Ton (5 Nos.)				

c) SAP ERP APPLICATION:

- N11 :- ECC 6.0 EHP8 having Oracle Database 12.2c
- SRM :- SAP SRM 7.0 EHP2 having Oracle Database 11g
- DMS: SAP DMS Server having Database maxDB 7.9.08.
- Solution Manager: SAP Solman 7.2 having Oracle Database 12.1.0.2.0

d) HPE Enterprise SAN Storage

- DC: The SAN storage “HPE 3PAR 8200” is used as storage space for DC N11 & SRM production, quality & development system and their BCV's with capacity of 85 TB usable space respectively.
- DR: The SAN storage “HPE Nimble HF40/60” is used as storage space for DR N11 system with capacity of 61TB usable space.

e) SAN SWITCH

- Redundant “HPE SN6600B” 16Gb 48-pt Dual Power FC Switch with 16 GB FC ports at DC, Raipur & 16Gb 24-pt Dual Power FC Switch with 16 GB FC ports at -DRC site.

f) Tape Library

- **DC:** - HPE MSL4048 has 48 Data Cartridges slots with (4 no.s LTO-7 ultrium drives) with tape capacity of 15 TB.
- **DR:** - HPE MSL2024 has 24 Data Cartridges slots with (2 no.s LTO-7 ultrium drives) with tape capacity of 15 TB.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

g) BACKUP System

- HPE Data Protector Tools (10.02) is used for taking backup of OS, DB, File System, Applications etc.

h) Replication Tool

- Production System (N11) data log is being replicated between DC Raipur to DRC Bilaspur through Oracle Data Guard.

i) Fire Fighting/Suppression System

- Fire Suppression System with Novec 1230 clean agent gas having automatically Sensing/detection and release panel system had been installed at DC-DR Center. It consists Enterprise Gas Release Module with battery, Actuator, Pressure Switch, Cylinder low pressure switch, actuation hose etc.

j) Integrated Building Management System (IBMS)

- CCTV
- Access Control
- Water Leakage System
- Temperature & Humidity Control (RTH)
- Very Early Smoke Detection Apparatus (VESDA)
- Rodent Repellant System
- Monitoring Online PAC & UPS
- Continuum IBMS Software

2.3. The list of software and applications which are under the FMS scope is as follows:

- a) SAP ERP (for CSPDCL & Non-CSPDCL), SAP SRM, SAP BW, SAP CRM, SAP PI/PO, DMS, etc.
- b) Backup Application: Veritas Netback up, HP Data Protector, etc.
- c) Replication System: SANOL, Oracle Data Guard, Log Shipment, Storage Based Replication, etc.
- d) High Availability Cluster: HPE Service Guard, Red hat Cluster, Windows Cluster.
- e) Storage Management software for HPE including BCV.
- f) Operating System: HP-UX, Red hat, Oracle Linux, Windows.
- g) Database: Oracle, Sybase, MS-SQL, etc.
- h) VMWare Virtualization Software
- i) EMS: Hardware Monitoring Solutions
- j) Replication Management Software

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure-2: Detail Scope & Extent of Work

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure-2

SCOPE AND EXTENT OF WORK

A. Intent of Scope

1. The bidder shall be required to provide the services of Facility Management and shall depute their own manpower so as to manage entire IT system for all equipment's & installations including hardware, software & applications installed through various projects/order (as per enclosed details of hardware/software/applications) for the utility in order to have maximum availability enabling utility to realize its desired business objectives.
2. FMS vendor shall provide system Management Services in order that maximum uptime & performance levels of installed IT systems are ensured. As such, FMS vendor is expected to provide services as per ITIL (IT Infrastructure Library) standards with performance levels meeting or exceeding those mentioned in Service Level Agreement (SLA) agreed between utility & vendor.
3. To achieve the desired Service Levels, the FMS provider may need to interact, coordinate and collaborate with the other Service Providers/OEMs as required. The FMS provider will act as the Single Point of Contact for all issues relating to the Service Levels. The Service Provider will have the responsibility to deal with the other Service Providers/OEMs/other Vendors as selected by utility as the case maybe, to provide the services at agreed service levels. However, the prime responsibility of providing desired services shall be the management of entire IT setup at Data Center (DC) & Disaster Recovery Center (DRC).
4. FMS support shall be provided for the maintenance & management of all the hardware (servers, SAN Storage, SAN & Network Switches, Backup Tape Libraries, other hardware equipment's, and all the installed devices), Database, software & SAP applications (SAP BASIS Support) and other applications like Backup & Storage management software, Replication tools, VMware, etc., installed under various projects in all the power companies mentioned in **Annexure-1**.
5. ***Any/all hardware, software & applications installed under any of the projects mentioned in Annexure-1, if getting replaced or refreshed or migrated to other hardware against the older items due to the end of OEM support or requirements of technical compliances or due to any other unpredictable reasons during the FMS period shall also be under the scope of FMS contract and no additional charges shall be applicable for the same.***
6. Formal Intimation regarding any changes /updates /upgrade /refresh in the version/quantity of hardware/software/applications carried out/required shall be given well in advance to the contractor and same shall be updated in the monthly inventory register to be maintained.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

B. Deployment of FMS Resource:

A minimum of **21 resources (from day one) and 22 resources (from January 2028 onwards)** of various IT domains as per SLA & Price Bid Schedule shall be deployed onsite at designated sites to manage the hardware, software & applications installed under the various IT projects envisaged in the scope. **However**, looking to the prevailing situations and progress of CSPDCL's cloud journey in near future, the number of Man Power required under FMS support may be reduced during the contract period with prior Intimation Notice of at-least 3 months to the Contractor. Accordingly, payment shall be made on the actual number of resource deployment as per the reduced number of resources as conveyed.

7. Initial Transition (Taking over):

- 7.1. Selected Bidder and CSPDCL in mutual understanding will plan out knowledge transfer for transition during the course of taking over of the service support management.
- 7.2. During initial transition period of **4 weeks** - Selected Bidder has to depute key resources (as specified) for smooth taking over of the systems from the day-1.
- 7.3. The role of Selected Bidder shall start after systems are handed over to them i.e. from 01.09.2026.
- 7.4. Payments shall be applicable & formal SLA shall be enforced only after completion of initial transition period or commencement of contract period (i.e. w.e.f. 01.09.2026).

8. **Unsatisfactory Performance / Services:** In case the performance / services of FMS Resource(s) deployed is/are not satisfactory or is found to be detrimental to the interests of CSPDCL, the Selected Bidder shall have to replace the said person(s) of similar experience / Skillset within the stipulated time-limits.

9. **Due Diligence** - The Selected Bidder shall exercise due diligence and deploy / engage persons having established identity, integrity, requisite qualifications, skills and experience for the relevant work.

10. **Third-Party Background Check (TP-BGC)** - The Selected Bidder shall confirm that the FM Resources deployed by them on the project has been vetted / undergone through a TP-BGC process. Selected Bidder shall be accountable for all the personnel deployed / engaged for the Project.

11. **Interview** – CSPDCL at its discretion may conduct an interview before accepting the FM Resource for onsite deployment. In case the candidate is found to be of inadequate knowledge or skillset, CSPDCL reserves right not to accept the FMS Resource and demand the Selected Bidder for appropriate Resource.

12. **On roll FM Resources** – All FMS Resources to be deployed must be the employees on payroll of Selected Bidder.

13. **Right to Employment** - Arrangement herein with the Selected Bidder is of the nature of service contract. As such, no right to employment in CSPDCL shall accrue or arise to the resources deployed, by virtue of their engagement for any assignment under this project.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

14. **Minimum Wages Act** - Selected Bidder should undertake that during the subsistence of this agreement, they will not deploy any personnel / individual below the Minimum Wages as fixed by appropriate Government on this behalf from time-to-time, as per the provisions of Minimum Wages Act or any other Act/Law as applicable.
15. **Jurisdiction** – FM Resources shall be deployed at strategic locations i.e., at Data Centre Raipur and Disaster Recovery Center, Bilaspur.
16. **Support & Response Time** - FM Resources deployed should respond to and sort out any incident at the earliest as per SLA. Support for remote sites shall be by personnel visiting the remote site / over the phone or through remote control from their location.
17. **Tentative Requirement** – The Contractor shall deploy at least minimum numbers of FMS Engineers/Resources as specified in the tender and shall be increased depending upon as the necessity arises.
18. **Accidents** – CSPDCL shall not be liable in case of any accidents or any untoward incident during contract period and will solely rest at the cost & risk of the Selected Bidder /Contractor pertaining to FMS.
19. **Working Schedule** –
 - 19.1. FM Resources shall strictly follow the duty chard schedule as agreed between CSPDCL and Contractor.
 - 19.2. FM Resources shall follow the calendar (for holidays / working days) as per the location they are deployed.
 - 19.3. FM Resources shall be entitled to holidays only on officially recognized National Holidays. No additional leave shall be permitted outside of these designated days.
 - 19.4. The deployed FM Resource shall be entitled to a limited number of leave days per month, i.e. 18 days annually. In the absence of any FM Resource, the bidder shall deploy a substitute resource of same expertise domain to ensure continuity of services. The duties of the absent resource shall not be managed by adjusting the shifts or workload of the existing deployed personnel.
 - 19.5. FM Resources should provide their support & services as per the Service Window defined in SLA.
 - 19.6. However, FM resources are also expected to be available on call basis, in case of emergency, beyond their normal working hours.
 - 19.7. In case of an emergency / outbreak, over & above the normal hours, their services should also be available, as & when requested by CSPDCL.
20. **FM Retention/Exit Policy** – Selected Bidder shall have to adhere to the following regarding FM Resources deputed onsite: -
 - 20.1. **Relocate/Transfer** – FM Resource once deputed and accepted by CSPDCL, shall not be relocated / transferred to any other Project / Location without CSPDCL"s consent. However, in extreme cases or in case of any unsatisfactory performance, CSPDCL may give consent or even recommend relocation / transfer of the FM Resource.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 20.2. Minimum Period – In order to discourage frequent attrition of FM Resources, Selected Bidder may have an arrangement of “Bond”, enforcing them to serve CSPDCL for at least a period of one year.
- 20.3. Exit Term – Exit plan of any FM Resource should be intimated to CSPDCL at least 2 months prior to his exit. The new incoming FM Resource should be available onsite at least 1 month prior to the exit of the outgoing FM Resource. This shall enable FM Resource to have Knowledge Transfer (KT) of at least 1 month.
21. All Inclusive Cost – Selected Bidder should to quote “All Inclusive Cost” in their price bid, after due consideration of the following-
- 21.1. FM Resources shall have to make their own arrangements for residence / accommodation & local conveyance.
- 21.2. Few FM Resources may ensure their availability to travel to their jurisdiction for support & troubleshooting.
- 21.3. Travel expenses will not be borne by CSPDCL and the same has to be borne / arranged by the Selected Bidder / FM Resource.
- 21.4. Any charges towards conveyance, mobile communication, hotel expenses / stay, tour etc., shall NOT be payable to the Selected Bidder or the FM Resource(s).
22. Communication Facility - CSPDCL shall provide and bear rental cost towards communication facility (Landline Phone) for Helpdesk / Service desk facility (at DC and Central helpdesk only). Due care should be taken to ensure the said facility is not misused.
23. Medical Insurance & PF: It is mandatory for all the deployed FMS resources to be covered under Medical Insurance and to be enrolled in the Provident Fund (PF) as per applicable rules & regulations.
24. **Penalty Clause**
Penalty clause due to non-performance of the work order shall be as per the **Service Level Agreement**. Refer Service Level Agreement (SLA) mentioned in the tender at **Annexure-5**.

C. Detailed Scope & Extent of Work and Specifications

The detailed Scope & Extent of Work and Specifications shall include, but not limited to the following works/services/items described herein and elsewhere in specification and accordingly, the scope of the work under the tender shall be as under:

25. SERVICE DELIVERY MANAGEMENT:

FM Vendor shall provide detailed description for service delivery management for the complete project including transition plan and deliverables and project management methodology.

25.1. Project Management

FM Vendor will assign a Project Manager who will provide the management interface facility and has the responsibility for managing the complete service delivery during the contractual arrangement between utility and the FM Vendor. Project Manager will be responsible for preparation and delivery of all

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

monthly/weekly reports as well as all invoicing relating to the service being delivered. Project Manager's responsibilities should essentially cover the following:

- a. Overall responsibility for delivery of the Statement of Work/s (SOW) and Service Level Agreement (SLA).
- b. Monthly Management reports should be generated & submitted timely within the first week of the month.
- c. Act as a primary interface to Utility for all matters that can affect the baseline, schedule and cost of the services project.
- d. Maintain project communications through Utility's Project Leader.
- e. Provide strategic and tactical recommendations in relation to technology related issues.
- f. Provide escalation to FM Vendor's senior management if required
- g. Conduct regularly scheduled monthly/quarterly system status meetings.
- h. Identify and resolve problems and issues together with utility Project Leader.
- i. Responsible for preparation and delivery of all monthly reports as well as all invoicing relating to the services being delivered.

25.2. **Management Services**

- a. Provide "ownership-to-resolution" of all logged calls for hardware, OS, database, application, backup, replication, etc., monitor and report on the progress of problem resolution, confirm resolution of the problem with Utility, and log the final resolution via the problem management system;
- b. Record, analyze and report on logged calls, including:
 - Time of occurrence,
 - Incident & Problem trends,
 - Call resolution time,
 - Root Cause Analysis.
- c. Assign priorities to problems, queries, and requests based on the guidelines/SLA provided by Utility;
- d. Monitor and report to Utility on maintenance vendor performance.

25.3. **Asset/ Inventory Management**

FMS Vendor shall provide asset-tracking services for all the existing and newly created IT Assets for the utility as per following guidelines:

- a. FMS Vendor & utility personnel shall jointly perform baseline asset tracking & inventory tracking at start of FMS contract.
- b. FMS Vendor shall create/ maintain hardware asset database by recording information like configuration details, serial number, asset code, locations, warranty and AMC details.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- c. The database of asset shall be regularly updated by the vendor. The updating shall be required because of any of the incidents like new installations, up gradations of systems, change of location of systems, discarding of systems, sending of components for repairs etc.
- d. The vendor at any time must be able to display to utility latest level of IT assets & inventories. It should be able to display assets sent for repairs & assets discarded & assets upgraded.
- e. Provide asset verification at least once a year in presence of utility personnel.
- f. FMS Vendor shall provide regular MIS based on above to utility regarding need of new spares & components considering appropriate procurement time. The procurements shall be done by utility.
- g. Prior to completion of contract period, FMS Vendor shall hand over all assets along with report of all services to new FMS Vendor/ Utility staff.

25.4. **Hardware, Software & Application Services Management**

- a. The hardware, software and applications installed through various orders (like RAPDRP Refresh, SAP ERP/Upgrade/ SRM and IPDS-IT) shall be under the scope of FMS and list of the items are enclosed in **Annexure-1**. *During the contract period of 3/5 years, if any hardware/software/item installed under the said projects gets replaced due to any reasons like the end of life/end of OEM support for hardware/software, technical compliances, etc., the replaced /refreshed /upgraded or new items against the old ones shall also be covered under the scope of FMS contract.*
- b. Provide Level One Support for hardware and software, including incident logging, assigning incident numbers and dispatching the appropriate support personnel or AMC vendor to remedy a problem;
- c. Provide system status messages, as requested;
- d. Notify designated personnel of systems or equipment failures, or of an emergency;
- e. Initiate an Incident Management Record ("IMR") to document a service outage to include (for example) date and time opened, description of symptoms, and problem assignment (Level Two/Level Three), and track and report on problem status, as required;
- f. Monitor problem status to facilitate problem closure within defined Service Level criteria or escalate, as appropriate;
- g. Monitor IMR closure, including documented problem resolution;
- h. Provide Utility with complete and timely problem status through the problem tracking system, as requested;
- i. Maintain an updated FMS personnel contact listing

25.5. **Incidence Response Management**

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- a. FMS team shall log a call/response to all the incidents immediately following its occurrence.
- b. Inform to the concern team/Person of CSPDCL/Support vendors describing the severity of the issue/incidence and shall take necessary actions.
- c. Call shall be logged to respective OEM/support vendor for availing the required support to ensure the resolution of the issue.
- d. Maintain its log into the Incident Log Register/Sheet detailing the time, type, criticality, etc. of the incident.

26. AVAILABILITY MANAGEMENT:

FMS Vendor shall ensure:

- 26.1. Availability of systems including all the Hardware, Software, Network, Equipment, Services, Application, Manpower, third party applications and any other equipment or services which are not explicitly mentioned elsewhere.
- 26.2. Availability of DC / DR Servers, Storage, SAN Switch, Tape Libraries, IT Applications, software's etc.
- 26.3. Define the processes /procedures, which ensure the availability as per the required SLAs. It should cover all the equipment's, critical services and their supporting hardware, micro-code, firmware, and software components, as defined in scope of work.

27. DATA CENTER OPERATION:

FMS Vendor shall:

- Deploy FMS resources in all the 3 shifts (of duration 8 hrs each) of DC-DR operation.
- Regularly monitor and log/inform the state of environmental conditions and power conditions in the Data center/DR Center to IBMS team or Utility.
- Co-ordinate with the utility for implementing any changes that may be required towards the placement and layout of infrastructure within the Data center.
- Regularly monitor, log & report entire equipment & module operation on 24x 7 x 365 basis
- Shall perform periodic health checkup & troubleshooting of all systems, hardware& modules installed.
- Shall manage and maintain all the hardware, software and applications installed in the various orders envisaged under the FMS.
- Prepare/Update the standard operating procedures (SOP) for Data Center operations and follow the same.
- FMS Vendor shall perform deliver the following services smooth operation of Data Centers.

27.1. Server & Hardware Administration / Management

FMS Vendor will provide the administration and monitoring service for all the server, other hardware & devices installed and provide related management

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

service to keep them stable, operating efficiently and reliably. FMS vendor's responsibilities shall include but not limited to the following:

- a. Setting up and configuring servers as per the Utility's requirement
- b. Installation of the server operating system and operating system utilities reinstallation on event of system crash/failures
- c. Cluster administration, monitoring & management
- d. Manage & Administration of Operating system like file system configuration/reconfiguration, Patching, BIOS, Firmware, drivers and necessary updates.
- e. Ensure proper configuration of server parameters, tuning, etc.
- f. Regularly monitor & maintain a log of the performance of servers including but not limited to monitoring CPU, Zombie process, load average, disk space, memory utilization, I/O utilization, etc.
- g. Regular analysis of events, kernel messages, necessary systems and application logs
- h. Monitor & verify logs files and periodically clean up log files
- i. Ensure proper running of all critical services on the servers. Schedule and optimize these services
- j. Maintain lists of all system files, root directories and volumes
- k. Managing server antivirus, security patches and firewall, etc.
- l. Resolving all server related problems
- m. Configuring live monitoring tools provided by Utility
- n. Escalating unresolved problems to ensure resolution as per the agreed SLAs
- o. Responsible for periodic health check of the systems, troubleshooting problems, analyzing and implementing rectification measures
- p. Logical access control of user and groups on system
- q. Responsible for managing uptime of servers as per SLAs

27.2. SAN Storage, SAN Switch & other Network Switch Administration

FMS Vendor shall ensure the following:

- a. Monitoring & Management of all centralized SAN storage technologies with its SAN Switches.
- b. Administration of SAN, Switches, Controller Load & its performance.
- c. Configure & managing new servers with Storage as per best topology
- d. Creation & Managing Storage Pool.
- e. Configure mail/SMS alerts for any Hardware failure in storage subsystem (Like disk, controller, disk enclosure etc.)

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- f. Logging a call in case of failed HDD, SDD, Disk arrays & any other Hardware/Software
- g. Provisioning new LUN's, Disk Groups, and etc.as per requirement.
- h. Capacity Planning based on application needs.
- i. Provide secure access to servers and tape drives through zoning using CLI / GUI.
- j. Configure & managing SAN Switch zoning using CLI & GUI on different SAN Switches.
- k. Configuring & managing Hosts, Hosts Group, RAID Group, Thin & Full Provisioning etc.
- l. Assisting in development and product as it relates to these technologies.
- m. Understanding business objectives and seeking ways to help the organization to meet these goals with storage technology.
- n. Collecting switch logs for troubleshooting and analyzing Storage event logs & ASD logs.
- o. Administration of BCV (Business Copy Volumes) for critical application with its schedule

27.3. Server OS Administration Services

FMS Vendor shall provide the Operating System administration services for all the installed OS (like Linux, Windows, Red hat, SUSE Linux, etc.) and ensure the services included but not limited to the following:

- a. OS installation/Reinstallation
- b. Package administration
- c. User administration
- d. File system administration & monitoring
- e. Cluster administration, monitoring & management
- f. Basic Shell Scripting
- g. Scheduling cron jobs
- h. SSH configuration
- i. LVM Administrator
- j. NTP configuration
- k. Monitoring Resource utilization
- l. Kernel & other critical parameters performance tuning
- m. Monitoring CPU, Zombie process, load average, disk space, memory utilization, I/O utilization, etc.
- n. Apply OS Patches, BIOS, Firmware, drivers and necessary updates

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- o. Regular analysis of events, kernel messages, necessary systems and application logs

27.4. **Database Administration Services**

FMS Vendor shall provide support for the maintenance & management of various databases like Oracle, Sybase, MS SQL, etc. installed for all servers/applications under envisaged SAP/IT projects. FMS Vendor's Responsibilities shall include but not limited to the following:

- a. Undertake end-to-end management of database on an ongoing basis to ensure smooth functioning.
- b. Undertake tasks including managing changes to database schemes, disk space, storage, and user roles.
- c. Setting and tuning system parameters,
- d. Administration & management of Oracle Data Guard, MS-SQL Log Shipping etc. replication tools between DC Raipur to DRC Bilaspur.
- e. Management of BCV/secondary copy server at both DC-DRC locations by mounting and testing thoroughly for respective databases.
- f. Monitoring & Managing growth of info-structure, tables, indexes, segments, partition etc.,
- g. Database monitoring, table alteration and index rebuild.
- h. Table reorganization, space and redo log management.
- i. Update statistics, check database, cleanup logs and various standard jobs scheduling and monitoring.
- j. Building appropriate indexes, specifying large enough buffers and caches, aligning the database implementation with IT infrastructure, monitoring applications, reorganizing databases, etc.
- k. Manage database upgrade or patch upgrade as and when required with minimal downtime.
- l. The FMS vendor is responsible to manage changes in database schemes, disk storage, storage spaces and user roles.

27.5. **SAP BASIS Administration**

FMS Vendor shall ensure providing support for the SAP BASIS administration. Maintenance & Management of all SAP applications installed including the following:

- a. SAP System & Routine Operation monitoring & maintenance,
- b. System Availability, Performance Tuning, Profile management,
- c. SAP Data management,
- d. Client & User Administration,
- e. SAP Tables Reorganization & Indexes rebuilding,

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- f. Transport Management System,
- g. SAP Security & Audit Log management,
- h. SAP Installation, Patches & Kernel management & update/upgrades,
- i. SAP Dump monitoring & management,
- j. CCMS monitoring & management,
- k. Spool System monitoring & management,
- l. Logon Group management,
- m. SAP User Workload, Background Jobs monitoring & management,
- n. Parameters change and modification of old roles like addition of new activity in existing role,
- o. Creation & Managing SAP Portal Incident in case of issues,
- p. Troubleshooting with SAP Technical Team,
- q. RFC, Access Data, Credentials & Gateway maintenance,
- r. Configuring, Installation & management of SAP Router,
- a. Maintaining access for all servers and for all types of SAP Connection,
- b. Monitoring & Administration of SAP Router and renews its certificates before expiry.
- c. System Restoration.
- d. Installation/reinstallation as per the requirement

27.6. Backup / Restore management

FM vendor will perform backup and restore management in accordance with mutually agreed backup and restore policies and procedures, including performance of daily, weekly, monthly, quarterly and annual backup functions (full volume and incremental) for data and software maintained on Servers and storage systems including interfacing with utility's specified backup media storage facilities;

The configuration of the backups of the data, applications to ensure proper restoration has to be done under this contract in the available backup software in the Utility. FMS Vendor shall ensure the following:

- a. Provide technical support on backup software.
- b. Configuring backup Policies with necessary attributes.
- c. Maintain and Monitor Backup Servers and Virtual or Physical enterprise HP Tape Libraries, its drives and other critical hardware / software part.
- d. Administration & management of Tape Libraries enterprise software.
- e. Backup and restore of data in accordance to defined process / procedure/requirements.
- f. Support for file & volume restoration requests.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- g. Maintenance and upgrade of software and patches as and when needed.
- h. Performance analysis of infrastructure and rework of backup schedule for optimum utilization.
- i. Generation and publishing of backup reports periodically.
- j. Maintaining Backup Tape Retention Policy & inventory of onsite tapes.
- k. Forecasting tape requirements for backup.
- l. Prepare detailed plan for Steps to restore server's OS, DB & applications for both DC-DR sites.
- m. Ensuring failed backups are restarted and completed successfully within the backup cycle.
- n. Monitor and enhance the performance of scheduled backup.
- o. Management of storage environment to maintain performance at optimum levels
- p. Periodic Restoration-Testing of the Backup
- q. Periodic Browsing of backup media
- r. Installation of Master, Media & Client Servers. Configuring Robots & Drives. Freezing & Unfreezing the Medias
- s. Management of storage and san switch but not limited to managing space, volume, RAID configuration, SAN Fabrics/Switches, Tape Libraries etc. while backup/restore.
- t. Monitoring of data loading, log maintenance and reporting on a regular basis, to provide MIS reports as per PFC guidelines and management requirement.
- u. Interacting with process owners in developing/maintaining Backup & Restoration policies/procedures.
- v. To provide MIS reports as per agreement & requirements of CSPDCL.

27.7. Replication Administration

- a. FMS Vendor shall perform & maintain the replication of all production applications from DC to DRC as per the existing configurations to ensure data/information security & the Business Operation Continuity of the organization.
- b. Configuring & managing Storage Based Replication (REC) & Application based replications of various Production applications data from Data Center to DRC.
- c. Administration, Configuring & managing the installed Replication software for available applications.

27.8. Performance Management

FMS Vendor shall ensure the following:

- a. Regularly monitor and maintain a log of the performance monitoring of servers
- b. Regular analysis of events and logs generated in all the sub systems including but not limited to servers, operating systems, databases, applications etc.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- c. System administrators shall undertake actions in accordance with the results of the log analysis to ensure that the bottlenecks in the infrastructure are identified and fine-tuning is done for optimal performance
- d. Reporting to utility for all system performance monitoring
- e. Proper recording, monitoring, measuring, analyzing, reporting, and forecasting of current levels, potential bottlenecks, and enhancements of performance characteristics for the systems, services, networks and equipment within the scope shall be required.
- f. System tuning and optimization is an inherent part of this contract. Where warranted, the vendor will utilize capacity management data in combination with performance management data to identify ways to improve performance levels of the resources, extend their useful life, and request utility to approve revisions/upgrades to the computing and communications hardware, software and other equipment's such that higher levels of performance of the resources are obtained

27.9. DC-DR Drill Services

FMS Vendor shall ensures typically these services including but not limited to the following:

- a. Preparation of DC-DR Plan and updating of the same, as & when required.
- b. Prepare Inventory List of all Production Systems that are necessary to conduct DC-DR drill as business necessity,
- c. Prepare list of OEM's, Vendors, network partners, vendors, suppliers, and CSPDCL team members for DC-DR drill,
- d. Periodically checking restoration of backups in DC / DR.
- e. Periodically update plan for DC-DR drill with consent of Utility.
- f. Conduct DC-DR drill on regular basis in regular period of at least once in half yearly/yearly to check & test the proper functioning of all the IT applications with consent of Utility.
- g. Ensure proper failover end to end testing for all replicated DC-DR enterprise application software's with their database. DC-DR drill shall be performed for all the production applications installed like (SAP ERP, CRM, PI/PO, DMS, MDAS, GIS, Web Self Service, Spot Billing, etc.).
- h. Vendor shall ensure the availability of required dedicated team of technical resources of various disciplines involving Operating system, Storage, Backup, Database and applications to perform DC-DR drill
- i. Contractor shall ensure the participation of FMS resources during the DC-DR drill of **Smart Meter Projects**. Also, the consolidated conclusion report of the drill including the gaps finding shall be submitted along with the suggestions.

27.10. Coordination with OEM /ACMC Vendors for Call logging & Issue Resolution:

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Physical monitoring and Logging of support call to the respective CSPDCL officer/Support Vendors/OEMs for the incidents like failure/malfunctioning of the hardware/software, devices, UPS, PACs, and Fire Fighting & Suppression System, Electrical system etc. installed at Data Centre & DR Centre and availing necessary support for the resolution of the issues. Accordingly, FMS Vendor shall:

- a. Co-ordinate with the OEM(s), other supporting Vendors, in case of any hardware / software / PAC's, Fire Suppression System, UPS, DG set breakdown and as & when required,
- b. act as the Single Point of Contact for getting OEM/Vendor Support related to all kind of issues,
- c. Maintain database of the various OEMs / Vendors with details like contact person, telephone numbers, escalation matrix, response time, resolution time commitments etc.,
- d. Log calls with OEMs / Vendors / Service Providers as & when required,
- e. Co-ordinate with OEM for the timely resolution of problems;
- f. Escalate problems to other vendors wherever/whenever it is required;
- g. Be responsible to maintain call logs and closure of record with co-ordination of Utility

28. Resources for Project & Service Management

The bidder shall deploy adequate number of personnel for providing Facility Management services. Further, there shall be one team leader/Project Manager available, which would be responsible for smooth delivery of the FMS service. The bidder shall be required to depute on-site personals to meet the Service requirements as described above.

29. Change Management:

Providing necessary support related to the Operating System, Database, SAN Storage & SAN Switch, Backup & Replications, SAP System involving configuration/reconfiguration, allocation/reallocation, installation/reinstallation services as per the change management required during the contract period of FMS.

30. Onsite Service Engineers:

Shall be required to undertake the responsibilities of System Administrator and Troubleshooting of multi-brand Hardware/Software. OEM UNIX/WINDOWS certified engineer shall be required for System administration, repair & maintenance, with knowledge and expertise on the various UNIX flavors and Windows Operating System of the ERP Production Environment. Microsoft certified Professional shall be required for Intel Servers. Certified and experienced resources (System Administrator) shall be deputed for the enterprise wide applications/software/Hardware installed for the FMS delivery pertaining to following IT domains in the scope:

- 30.1. Operating System: for enterprise OS of Windows, Linux, Red hat, HP-UX, etc.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 30.2. Cluster Admin: for HPE SAP Service Guard, Red hat Cluster, Windows Cluster, etc.
- 30.3. Database Admin: for Oracle, Sybase, MS-SQL, etc.
- 30.4. Backup & Replication Admin: for Veritas NetBackup, HPE Data Protector, HPE Tape Library, etc.
- 30.5. SAN Storage & Switch: Fujitsu & HPE, Brocade, etc.
- 30.6. SAP Basis Admin: SAP ERP, CRM, PI/PO, SRM, DMS, etc.
- 30.7. VMWare or Virtualization Software Admin
- 30.8. ESS/MSS & BW HANA Admin

31. **Operations Management Resources:**

The Bidder shall be required to deploy adequate number of engineers responsible for day-to-day operations and monitoring in each shift on all days of the week on 24x7 days.

32. **General Qualification & Experience of FMS Resources Persons:**

The engineers deployed for the job must have suitable qualification, experience and certification for the assigned job. If the service of particular personnel is not satisfactory, Utility shall ask for the suitable replacement and the Bidder shall be required to provide the replacement. The resources must hold either certification or have at least 3 years of experience in respective domain for managing similar data centers. The resources should hold the minimum qualifications and experiences as mentioned in the clause 56 of the tender.

33. **FMS Durations/ Service Levels/ Criticality**

The typical Facility Management Service Availability & its criticality requirement is tabulated below for reference. Utility may modify as per its own requirements:

Services at DC-DR	Duration	Criticality
FMSDESK for installed HW, OS, DB, Application etc.	24HOURS	Highly Critical
SAP Applications (Production)	24HOURS	Highly Critical
Database Administration Services	8X6	Critical
Storage, SAN Switch Management	8X6	Critical
Backup, Replication & Tape Library Management	8X6	Critical
SAP BASIS Support	8X6	Critical

34. **Service Level Chart**

The bidder shall provide the FMS services as per the Service Level Agreement (SLA) mentioned in **Annexure-5**. Also. FMS Vendor has to sign SLA prior to start of FMS contract.

35. **Change of Service Levels**

- 35.1. The Utility may inform the service provider at least one month prior to making a change in the Service Levels if desired.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 35.2. The Utility reserves the right to change the criticality, service availability duration, service levels and service level measurements with prior information.
- 35.3. The Utility may introduce a new Service Level that needs to be monitored – but will include the basic aspects like Expected Service Levels, Minimum Service Levels etc.
- 35.4. Both the parties may amend the SLA by mutual agreement in accordance. Changes can be proposed by either party. Normally the forum for negotiating SLA changes will be Purchaser's periodic review meetings.

36. Completeness of Services

Selected Bidder shall provide all required support and services, whether or not explicitly mentioned in this RFP to ensure the intent of specification, completeness, operability, maintainability of the Data Center & DR Center. The Support Services shall be completed in every respect even though these may not be specifically mentioned in this tender document or in Bidder's offer.

37. System Availability

Bidder should take all care not to hamper the working of the CSPDCL business operation. Any interruption in CSPDCL IT Systems needs to be foreseen by the Bidder. In event of any interruption, quick restoration needs to be ensured by the selected Bidder as per SLA.

38. Access Rights

Bidder shall always take prior permission of the Officer-in-charge of the CSPDCL before starting any unscheduled work. Bidder shall abide by the security rules & procedures of CSPDCL. Any requirement of working after office hours or on the holidays shall be foreseen and a request may be made in advance for permission.

39. Personnel Safety

Selected Bidder during execution of the contract shall take all necessary steps to ensure:

- 39.1. Safety of themselves as well as their sub-vendors / sub-contractors, CSPDCL personnel and shall be liable for any consequences arising due to omission or act of themselves or their sub-vendors / sub-contractors;
- 39.2. CSPDCL shall not bear any liabilities in case of accidents, loss or otherwise during provisioning / commissioning of links and will solely rest at the risk & cost of Selected Bidder.

40. Configuration Change

During the Contract period, CSPDCL may require to carry out design modification in network/infrastructure, including modification for the security policy implementation. Accordingly, the selected bidder should carry out necessary configuration changes in the infrastructure, as advised by CSPDCL time-to-time and no additional cost to CSPDCL, in this regard.

41. Compliance (Govt./Auditor/Consultant/Policy)

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 41.1. Bidder must ensure that it will use practices/methodologies that are intrinsically safe and are approved for use in these locations. It must adhere to Government of India safety regulations.
- 41.2. The selected bidder should have to comply with the following and the same should be implemented on an on-going basis, at no additional cost to CSPDCL, during the contract period –
 - a. Shortcomings / recommendations of Security auditor or Consultant
 - b. Mandates of Govt. Rules & Regulations / Law Enforcing Agencies
 - c. CSPDCL Security Policy requirements

42. Adoption of New Technologies

CSPDCL reserves right to consider any new technology in future, meeting SLA and CSPDCL requirements. Operational Hands & Feet Support shall also be provided by the Selected Bidder for all the hardware & software that are running as well as also which are added from time-to-time during contract period.

43. Period for FMS Contract

The contract period of the desired FMS support under this tender for the hardware/software/applications installed under all the projects shall be initially for a period of Three (03) Years from the date of commencement of FMS support. And, order for next Two (02) years may be placed for further period of FMS support (if required) as defined in the scope of work / Price Bid Schedule looking to the prevailing situations and CSPDCL's future IT planning (as per the requirement of CSPDCL). The contract period of FMS support may be extended as per the extension of the order if required.

44. Completion of Contract

All the assets (hardware, software, network devices, etc.) equipment shall be handed over back to CSPDCL in a good & working condition, after completion of the contract period or fore-closure (in case of contract termination); as the case may be. Post Transition Management (Knowledge Transfer) shall be provided by the Selected Bidder.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure-4

Pre-Contract Integrity Pact

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure - 4

(PRE-INTEGRITY PACT DOCUMENT)

(TO BE EXECUTED ON NON-JUDICIAL STAMP PAPER OF VALUE Rs.300)

1. General

- 1.1. This pre bid-contract Agreement (hereinafter called the Integrity Pact) is made on the day of the month of year, Between, **CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED (A CG Govt. Undertaking)**, acting through _____, **CE/ED, EITC, CSPDCL, Raipur** (hereinafter called the “BUYER” which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) and the First Party, proposes to procure (Name of the Stores/ Equipment/ Work/Service) for _____ M/s _____, represented by, **Shri** _____ Chief Executive Officer (hereinafter called the “BIDDER/SELLER” which expression shall mean and include, unless the context otherwise requires, his successors in office and permitted assigns) and the Second Party, is willing to offer/has offered.
- 1.2. Whereas the BIDDER is a Private Company/ Public Company/ Government Undertaking/ Partnership/ Registered Export Agency, constituted in accordance with the relevant law in the matter and the BUYER is a Ministry of the Government of India performing its functions on behalf of the Government of Chhattisgarh.

2. Objectives

NOW, THEREFORE, the BUYER and the BIDDER agree to enter into this pre-contract agreement, hereinafter referred to as Integrity Pact, to avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to: -

- 2.1 Enabling the Buyer to obtain the desired services at a competitive price in conformity with the defined specifications of the Services by avoiding the high cost and the distortionary impact of corruption on public procurement.
- 2.2 Enabling bidders to abstain from bribing or any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also refrain from bribing and other corrupt practices and the Buyer will commit to prevent corruption, in any form, by their officials by following transparent procedures.

3. Commitments of the Buyer

The Buyer Commits itself to the following: -

- 3.1 The Buyer undertakes that no official of the Buyer, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favor or any material or immaterial benefit or any other advantage from the Bidder, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

process related to the Contract.

- 3.2 The Buyer will, during the pre-contract stage, treat all Bidders alike, and will provide to all Bidders the same information and will not provide any such information to any particular Bidder which could afford an advantage to that particular Bidder in comparison to other Bidders.
- 3.3 All the officials of the Buyer will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.

In case of any such preceding misconduct on the part of such official(s) is reported by the Bidder to the Buyer with full and verifiable facts and the same is *prima facie* found to be correct by the Buyer, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the Buyer and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the Buyer the proceedings under the contract would not be stalled.

4. Commitments of Bidders

The Bidder commits himself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of his bid or during any pre-contract or post -contract stage in order to secure the contract or in furtherance to secure it and in particular commits himself to the following:

- 4.1 The Bidder will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Buyer, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the Contract.
- 4.2 The Bidder further undertakes that he has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favor, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Buyer or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the Contract or any other Contract with the Government for showing or forbearing to show favor or disfavor to any person in relation to the Contract or any other Contract with the Government.
- 4.3 The Bidder further confirms and declares to the Buyer that the Bidder is the original manufacturer/integrator/authorized government sponsored export entity of the defense stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the Buyer or any of its functionaries, whether officially or unofficially to the award of the contract to the Bidder, nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.
- 4.4 The Bidder, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the Buyer or their family members, agents, brokers or

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

any other intermediaries in connection with the contract and the details of services agreed upon for such payments.

- 4.5 The Bidder will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 4.6 The Bidder will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 4.7 The Bidder shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the Buyer as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The Bidder also undertakes to exercise due and adequate care lest any such information is divulged.
- 4.8 The Bidder commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 4.9 The Bidder shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.

5. Previous Transgression

- 5.1 The Bidder declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify bidder's exclusion from the tender process.
- 5.2 If the Bidder makes incorrect statement on this subject, Bidder can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

6. Earnest Money/Security Deposit

- 6.1 Every bidder, while submitting commercial bid, shall deposit an amount as specified in the RFP/tender as Earnest Money in online through payment gateway via e-bidding portal and Security Deposit with the buyer through any of the following instruments:
 - (i) A confirmed guarantee by an Indian Nationalized Bank, promising payment of the guaranteed sum to the _____ (BUYER) _____, on demand within three working days without any demur whatsoever and without seeking any reasons whatsoever. The demand for payment by the Buyer shall be treated as conclusive proof for payment.
 - (ii) Any other mode or through any other instrument (to be specified in the RFP/tender).
- 6.2 The Earnest Money shall be valid till the complete conclusion of contractual obligations to complete satisfaction of both the bidder and the buyer, whichever is later.
- 6.3 In the case of successful bidder, a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

of a decision by the Buyer to forfeit the same without assigning any reason for imposing sanction for violation of this pact.

6.4 No interest shall be payable by the Buyer to the Bidder(s) on Earnest Money/Security Deposit for the period of its currency.

7. Sanctions for Violation

7.1 Any breach of the aforesaid provisions by the Bidder or any one employed by him or acting on his behalf (whether with or without the knowledge of the Bidder) shall entitle the Buyer to take all or any one of the following actions, wherever required: -

- (i) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the Bidder. However, the proceedings with the other Bidder(s) would continue.
- (ii) To forfeit fully or partially the Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed), as decided by the Buyer and the Buyer shall not be required to assign any reason therefore.
- (iii) To immediately cancel the contract, if already signed, without giving any compensation to the Bidder.
- (iv) To recover all sums already paid by the Buyer, and in case of an Indian Bidder with interest thereon at 2% higher than the prevailing Prime Lending Rate, while in case of a Bidder from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the Buyer from the Bidder in connection with any other contract for any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- (v) To encash the advance bank guarantee and performance bond/warranty bond, if furnished by the Bidder, in order to recover the payments, already made by the Buyer, along with interest.
- (vi) To cancel all or any other Contracts with the Bidder and the BIDDER shall be liable to pay compensation for any loss of damage to the BUYER resulting from such Cancellation/Rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
- (vii) To debar the Bidder from entering into any bid from the Government of India for a minimum period of five years, which may be further extended at the discretion of the Buyer.
- (viii) To recover all sums paid in violation of this Pact by Bidder(s) to any middleman or agent or broker with a view to securing the contract.
- (ix) In case where irrevocable letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER, the shall not be opened.
- (x) If the Bidder or any employee of the Bidder or any person acting on behalf of the Bidder, either directly or indirectly, is closely related to any of the officers of the Buyer, or alternatively, if any close relative of an officer of the Buyer has financial interest/stake in the Bidder's firm, the same shall be disclosed by the Bidder at

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

the time of filing of tender. Any failure to disclose the interest involved shall entitle the Buyer to rescind the contract without payment of any compensation to the Bidder.

The term 'close relative' for this purpose would mean spouse whether residing with the Government servant or not, but not include a spouse separated from the Government servant by a decree or order of a competent court; son or daughter or step son or step daughter and wholly dependent upon Government servant, but does not include a child or step child who is no longer in any way dependent upon the Government servant or of whose custody the Government servant has been deprived of by or under any law; any other person related, whether by blood or marriage, to the Government servant or to the Government servant's wife or husband and wholly dependent upon Government servant.

- (xi) The Bidder shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the Buyer, and if he does so, the Buyer shall be entitled forthwith to rescind the contract and all other contracts with the Bidder. The Bidder shall be liable to pay compensation for any loss or damage to the Buyer resulting from such rescission and the Buyer shall be entitled to deduct the amount so payable from the money(s) due to the Bidder.

- 7.2 The decision of the Buyer to the effect that a breach of the provisions of this Integrity Pact has been committed by the Bidder shall be final and binding on the Bidder, however, the Bidder can approach the monitor(s) appointed for the purposes of this Pact.

8. Fall Clause

The Bidder undertakes that he has not supplied/is not supplying the similar systems or subsystems at a price lower than that offered in the present bid in respect of any other Ministry/Department of the Government of India within financial year and if it is found at any stage that the similar system or sub-system was supplied by the Bidder to any other Ministry/Department of the Government of India at a lower price, then that very price will be applicable to the present case and the difference in the cost would be refunded by the Bidder to the Buyer, if the contract has already been concluded.

9. Independent Monitors

- 9.1 The Buyer will appoint Independent Monitors (hereinafter referred to as Monitors) for this Pact.
- 9.2 The task of the Monitors shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.
- 9.3 The Monitors shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.
- 9.4 Both the parties accept that the Monitors have the right to access all the documents relating to the project/procurement, including minutes of meetings. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER/Subcontractor(s) with confidentiality.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

9.5 As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Authority designated by the BUYER.

9.6 The Monitor will submit a written report to the designated Authority of BUYER/Secretary in the Department/within 8 to 10 weeks from the date of reference or intimation to him by the BUYER/BIDDER and, should the occasion arise, submit proposals for correcting problematic situations.

10. Facilitation of Investigation

In case of any allegation of violation of any provisions of this Integrity Pact or payment of commission, the Buyer or its agencies shall be entitled to examine the Books of Accounts of the Bidder and the Bidder shall provide necessary information of the relevant financial documents in English and shall extend all possible help for the purpose of such examination.

11. Law and Place of Jurisdiction

This Pact is subject to Indian Law, the place of performance and jurisdiction is the seat of the Buyer.

12. Other Legal Actions

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

13. Validity

13.1 The validity of this Integrity Pact shall be from date of its signing and extend up to 5 years or the complete execution of the contract to the satisfaction of both the Buyer and the Bidder/Seller, whichever is later.

13.2 Should one or several provisions of this Pact turn out to be invalid, the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

14. The Parties hereby sign this Integrity Pact at _____ on _____

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure-5

Service Level Agreements

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

Annexure-5

Service Level Agreements (SLA)

1. Purpose:

The purpose of this SLA is to clearly define the levels of services & performance to be provided by the bidder to Purchaser ("CSPDCL") for the duration of this contract or until this SLA has been amended. The benefits of this SLA are to:

- 1.1. Trigger a process that applies Purchaser and Contractor management attention to some aspect of performance only when that aspect drops below an agreed upon threshold, or target.
- 1.2. Makes explicit the performance related expectations on performance required by the Purchaser.
- 1.3. Assist the Purchaser to control levels and performance of services provided by Supplier.
- 1.4. Create clear requirements for measurement of the performance of the system and help in monitoring the same during the Contract duration.
- 1.5. SLA is defined as the Service Level Agreement and is a formal contract between a Bidder and CSPDCL, guaranteeing quantifiable performance of services rendered at defined levels.
- 1.6. SLA is intended for cooperative and collaborative working relationship between two parties.
- 1.7. SLA shall be valid for entire contract period and for hardware/software of all the projects envisaged in the contract

2. Description of Services:

Supplier shall provide services as defined in **Annexure-2** - Scope of Work, in accordance to the definitions and conditions as defined in this tender.

3. Duration of SLA

This Service level agreement shall be valid for entire period of contract and for hardware/software of all the projects envisaged in the contract. This SLA may be reviewed and revised according to the procedures detailed in below **Section 9** of this SLA i.e. SLA Change Control.

4. Service Level Agreements, Measurements & Targets:

This section is agreed to by Bidder and Supplier as the key supplier performance indicator of the services for this engagement. The following section reflects the measurements to be used to track and report systems performance on a regular basis.

- 4.1. **General Principles of Service Level Agreements:** The key service level objectives that relate to the required FM service and the related aspects of the interface between CSPDCL the Contractor are indicated below:
 - a) Service Level Agreement (SLA) shall become the part of the Contract between CSPDCL and the Contractor. SLA defines the terms of Supplier's responsibility in

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

ensuring the timely delivery of the services and the correctness of the services based on the agreed performance indicators as detailed in this section.

- b) The Contractor shall comply with the SLAs to ensure adherence to project quality and availability of services throughout the duration of the Contract. For the purpose of the SLA, definitions and terms as specified in the document along with the following terms shall have the meanings set forth below:

- **Total Time:** Total number of hours in the period (month) being considered for evaluation of SLA performance.
- **Total Downtime:** The Time Period for which the specified services /components /system is/are not available in the concerned period, being considered for evaluation of SLA, which shall exclude downtime owing to Force Majeure and reasons beyond control of the CSP/MSP.
- **Scheduled Maintenance (Down) Time:** The Time Period for which the specified services/components/system with specified technical and service standards are not available due to scheduled maintenance activity. The scheduled maintenance shall be carried out during non-peak hours and shall not exceed more than four (4) hours and not more than four (4) times in a year.
- **Actual Uptime:** The Time Period for which the specified services are available in the period being considered for evaluation of SLA.
- **Uptime Calculation for the month:**

$$\left\{ \frac{[(\text{Actual Uptime} + \text{Scheduled Downtime}) \times 100]}{(\text{Total No. of Hours in a Month})} \right\}$$

- **Downtime Calculation:** The recording of downtime shall commence at the time of registering the call with Supplier or Service Provider for any downtime situation of the equipment/services/application. Downtime shall end when the problem is rectified and the application / service is available to the user.
 - **Incident:** Any event/abnormalities in the service/system being provided that may lead to disruption in regular/normal operations and services to the end user/purchaser.
 - **Response Time:** Time elapsed from the moment an incident is reported to the Helpdesk/Service Provider either manually or automatically through the system to the time when a resource is assigned for the resolution of the same.
 - **Resolution Time:** Time elapsed from the moment incident is reported to the Helpdesk/Service Provider either manually or automatically through system, to the time by which the incident is resolved completely and services as per the Contract are restored.
- c) Penalties shall be applied for each criteria individually and then added together for the total penalty for a particular month.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

4.2. Downtime Consideration:

- a) Downtime for scheduled maintenance (patch application, upgrades – OS, Database, etc.) would need to be mutually agreed between CSPDCL and the Contractor.
- b) To reduce downtime, various maintenance activities can be clubbed together with proper planning.
- c) Recording of downtime shall commence from the time of registering the call with Bidder for any downtime situation for the equipment.
- d) Downtime shall end when the problem is rectified and the application / service is available to the user.
- e) Downtime will not be considered for following:
 - Failover time is 30 minutes in case of cluster environment. Beyond this, the service would be considered unavailable and appropriate penalty shall be imposed.
 - Bug or System limitation in any application, which causes the non-availability of the service.
 - CSPDCL may elect to continue the operation of the system, when a part/component is giving problem, for which downtime is required for its rectification. Under such circumstances, commencement of downtime shall be deferred until the CSPDCL releases the system to Bidder for its remedial action.

4.3. Definitions of Severity Level:

S/N	Service Level	Description
	Severity 1 (Critical)	Critical: Show stopper, Application breakdown / crash, has serious implications on running the production server /application system, stoppage of core business processes, and has affected or may affect greater than 50% of users.
	Severity 2 (High)	High: Serious degradation of application performance, has impacted majority of business processes, risk of significant data loss, affected or may affect around 10-50% of the users
	Severity 3 (Medium/Moderate)	Medium/Moderate: Moderate degradation in application Performance, no implications on data integrity, had minimal or no impact on day-to-day operations, and has affected or may affect less than 10% of users.
	Severity 4 (Low)	Low: Applications are stable, has no impact on day-to-day working and has affected or might affect a single or a few users only.

4.4. Measurements & Targets:

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- a) These SLAs shall be used to evaluate the performance of the services during the contract. These SLAs and associated performance shall be monitored on a monthly basis. Penalty levied for non-performance as per SLA shall be deducted through subsequent payments due from the CSPDCL or through the Performance Bank Guarantee.
- b) The Scheduled Maintenance Time shall be agreed upon with the CSPDCL as per the definition given as part of this section of the Contract.
- c) Selected Bidder has to maintain & monitor the healthiness of the IT Systems as per the below **SLA Matrix**:

Proposed Service Level Agreements					
S/N	Service	Parameter	SLA	Validation	Penalty
1	Project Management	Quarterly Review Meeting (QRM) with senior management	100% Closure / Action Taken Report on previous MOM	Minutes of Meetings (MOM) & the closure of actionable points of previous MOM	Rs. 5000 for every week's delay from the agreed date/week on an incremental basis upto maximum of Rs. 50,000/-
		Monthly Review Meeting (MRM) and Submission of Monthly Performance of system Reports as specified below: a. Downtime/uptime of system. b. Asset Inventory c. FMS resource attendance d. H/w & S/w Incidents Report e. Tickets Logged with OEM/Vendors f. MIS report of all Servers, Databases & applications g. MIS report on DC-DR replicated applications h. Consolidated reports of Storage space utilization i. Consolidated reports of Backups j. Incident Response Sheet	100% Submission of Monthly Reports of Previous month within 1 st week of Every Month	Minutes of Meetings with Onsite Project Manager	Rs. 2000 for every day's delay from agreed date on an incremental basis upto maximum of Rs. 50,000/- (if failed to submit any of the required reports)
2	Data Centre Operations	MIS reporting of health checkup of all systems, applications installed	95%	Report	0.2% of monthly FMS charges

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

3	Server & Hardware Administration /Management	Roll out of patches (OS, DB & application level) on Servers after patch being approved on test environment	98%	Patch update reports, Activity List	0.5% of monthly FMS charge
		Uptime of Server/Device	99.80%	System Uptime Report	2% of monthly FMS charges for less than 99.8%
					3% of monthly FMS charges for less than 98%
					5% of monthly FMS charges for less than 95%
4	SAP Applications Administration /Management	Uptime of SAP Applications in Production Environment	99.80%	Application System Uptime/Downtime Report	2% of monthly FMS charges for less than 99.8%
					3% of monthly FMS charges for less than 98%
					5% of monthly FMS charges for less than 95%
5	Database Administration	MIS report of database schema, disk space, storage and user role	99%	Report	0.5% of monthly FMS charges
6	Backup / Restore Management	The Contractor should take backup as per the backup schedule defined by utility	99%	Backup Report	If the negligence is found in monthly audit, the Bidder would be penalized a sum of Rs. 5000/- per negligence
		Utility would periodically (once a quarter on a random day) request the FMS Vendor to restore the backup data	100%	Backup Report	Rs 5,000/ for each failure of data restoration
7	DC-DR Drill	Conducting DC-DR Drill Annually, but limited to the replicated applications between DC-DR	100% Success	Submission of DC-DR plan & Successful DC-DR Drill reports	1% of Annual FMS Charges of Total FMS Cost.
8	Incident Log management	Back-to-back OEM Support for all Hardware & Software	100% Support Ensured	Incident Response Sheet	Rs 2,000 for device/system, for each response delayed beyond 3 hours
9	FMS Resource Leave Management	Number of shift days for which resource present at the designated location / Total number of shift days	95% Availability Annually	FMS Resource Attendance Measured on Yearly basis	If availability of any FMS Resource is less than 95% (i.e. Leave is more than 18 days) then penalty as per actuals on

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

					prorata basis shall be deducted for that FM Resource (s).
10	Knowledge Transfer (KT) and FM Resource Gap or the Transition Management	KT will be provided by the outgoing resource to any /substituted resource for at least 30 days. There should be a minimum overlap of 30 days between the outgoing and the incoming resource. At the end of this period, a report signed by both the resources will be submitted to CSPDCL as proof of successful KT.	KT of minimum 30 days (Ex. If resource resigned on 1 st Jan then new resource should be available by 1 st Feb)	FMS Attendance Record	Penalty shall be deducted on pro-rata basis as per actuals. This will be in addition to the penalty for short attendance of resource
11	Management of Utility's EMS	Daily MIS of server and device health checkup (CPU, disk space, memory utilization, I/O utilization, Central Storage etc.)	100%	Reports generated from EMS system	0.5% of monthly FMS charges
12	Asset & Inventory Management	Provide Monthly MIS Report of Assets & Inventory	100%	Asset/Inventory Report	0.2% of monthly FMS charges
		Conduct Annual Physical Asset Verification	100%	Asset/Inventory Report	0.2% of monthly FMS charges
13	Problem Management	FMS Vendor shall analyze all the incidents and provide a root cause report every month if there are more than 10 incidents of the same type. FMS Vendor shall take the needed corrective action to prevent further issues due to the same cause	100% timely submission covering all incidents logged in that month	Root cause Analysis report	1% penalty on the monthly FMS charges of that project Area, if the Supplier does not submit a problem report for that month
14	System Capacity Management	Reports regarding utilization of IT infra and Future Requirements looking to the usage shall be submitted	95%	Report	0.2% of monthly FMS charges
15	System Security Management	Should be part of Monthly Status Report	95%	Report	0.2% of Monthly FMS charges

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

16	Participation in AMISP (Smart Meter) DCC-DR Drill	Monitoring & Validation of Annually /Six Monthly /SAT Wise DC-DR Drill of AMISP projects. The drill shall validate data replication and restoration capability for smart meter project.	100% Success	Consolidated conclusion report including gaps-finding of DC-DR drill conducted by AMISP	Penalty of 0.5 % of Annual FMS Charges in case of negligence
----	---	---	--------------	---	--

5. Minimum Number of FMS Resources to be deployed:

The minimum number of Resources to be deployed under the FMS is as below:

Deployment Details of Minimum Resource Under FMS						
S/N	Functional Area /Domain Expertise	Number of Resources		IT Level Support Requirement		
		DC	DR	L1	L2	L3
1	Project Manager	1	-	-	1	-
2	Linux Server Admin 1	1	1	1	1	-
	Linux Server Admin 2	1	1	2	-	-
	Linux Server Admin 3	1	-	1	-	-
3	Windows Server Admin 1	1	1	1	1	-
	Windows Server Admin 2	1	1	2	-	-
	Windows Server Admin 3	1	-	1	-	-
4	Database Admin (DBA)	2	1	1	1	1
5	Storage Admin	1	1	-	-	2
6	Backup Admin	1	1	1	1	-
7	Replication/Monitoring	-	1	1	-	-
8	SAP BASIS	1	-	-	-	1
9	Virtualization	1	-	-	1	-
10	BW HANA/ESS –MSS Portal Admin	1*	-	-	-	1
		14	08	11	6	5/6
Total no. of Minimum Resources		22				

Note:

***Currently, the resource for BW HANA/ESS-MSS Portal Admin is deployed under a separate FMS contract which will be continued till December 2027. The resource for same shall be deployed from January 2028 onwards after the expiry of existing FMS contract.**

6. **Breach of SLA:** In case the Contractor does not meet the service levels mentioned in above section, for three (3) continuous time-periods as specified in the relevant clause, the Purchaser will treat it as a case of breach of Service Level Agreement. The following steps will be taken in such a case:

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- 6.1. Purchaser issues a show cause notice to the Supplier.
- 6.2. Supplier should reply to the notice within three working days.
- 6.3. If the Purchaser authorities are not satisfied with the reply, the Purchaser will initiate termination process of the contract.

7. Reporting Procedures: The Contractor's representative will prepare and distribute SLA performance reports in an agreed upon format by the 10th working day of subsequent month of the reporting period. The reports will include "actual versus target" SLA performance, a variance analysis and discussion of appropriate issues or significant events. Performance reports will be distributed to the Purchaser's IT Team.

8. Issue Management Procedures:

8.1. General: This process provides an appropriate management structure for the orderly consideration and resolution of business and operational issues in the event that quick consensus is not reached between Purchaser and Contractor. It is expected that, this pre-defined process will only be used on an exception basis if issues are not resolved at lower management levels.

8.2. Issue Management Process

- a) Either Purchaser or Contractor may raise an issue by documenting the business or technical problem, which presents a reasonably objective summary of both points of view and identifies specific points of disagreement with possible solutions.
- b) Purchaser and the Contractor's representative will determine which committee or executive level should logically be involved in resolution.
- c) A meeting or conference call will be conducted to resolve the issue in a timely manner. The documented issues will be distributed to the participants at least 24 hours prior to the discussion if the issue is not an emergency requiring immediate attention.
- d) Management of Purchaser and Contractor will develop a temporary, if needed, and the permanent solution for the problem at hand. The Supplier will then communicate the resolution to all interested parties.
- e) In the event a significant business issue is still unresolved, the arbitration procedures described in the Contract will be used.

9. SLA Change Control:

9.1. General: It is acknowledged that this SLA may change as Purchaser's business needs evolve over the course of the contract period. As such, this document also defines the following management procedures:

- a) A process for negotiating changes to the SLA.
- b) An issue management process for documenting and resolving particularly difficult issues.
- c) Purchaser and Supplier management escalation process to be used in the event that an issue is not being resolved in a timely manner.

Facility Management Services (FMS) for 5 years to provide support of Hardware, Software and Applications installed under various IT projects at DC Bilaspur & DRC, Raipur

- d) Any changes to the levels of service provided during the term of this agreement will be requested, documented and negotiated in good faith by both parties. Either party can request a change. Changes will be documented as an addendum to this document and consequently the contract.
- 9.2. SLA Change Process: Both the parties may amend this SLA by mutual agreement in accordance. Changes can be proposed by either party. Normally the forum for negotiating SLA changes will be Purchaser's periodic review meetings.
- 9.3. Version Control: All negotiated SLA changes will require changing the version control number. As appropriate, minor changes may be accumulated for periodic release (e.g. every quarter) or for release when a critical threshold of change has occurred.

10. Signature

IN WITNESS WHEREOF, the parties hereto have caused this Service Level Agreement to be executed by their respective authorized representatives as of the date first written above.
