Annexures

Implementation of Vendor Bill Management System (VBMS) in CS Power Companies

Annexure – 1

Overview and Scope of Work

Overview:

SAP has been gradually implemented in CS Power Companies (erstwhile CSEB) since 2005 and various modules have been implemented. Initially the applications have been implemented on SAP version 4.7EE in one Server (N11). Later SAP version has been technically upgraded to SAP ECC 6.0 EHP4.

Presently SAP applications are running in two separate servers N11 and P10. The Server P10 is for CS Power Distribution Company Limited (CSPDCL) only and N11 is for the other two companies namely CS Power Generation Company Limited (CSPGCL) and CS Power Transmission Company Limited (CSPTCL).

Following are the SAP versions running in the above servers:

P10 : SAP ECC 6.0 EHP6 (Tax Procedure TAXINN)

N11 : SAP ECC 6.0 EHP4 (Tax Procedure TAXINN)

Later, SRM has also implemented for all the CS Power Companies in separate servers which are being integrated with N11 and P10.

Scope of Work:

The SAP MM-FICO Module is executed successfully for all three CS Power Companies since 2009. Along with this Modules a Vendor Bill Tracking software is also implemented and executed which caters the automatic debit slip creation and fill the gap between manual process of company and SAP system.

Vendor's bill tracking software is getting executed in SAP system for every kind of purchase to payments instances. However with the time lapse the requirement to receive the supplier/contractors bills in electronic/online mode and to reject or to track the bill is becoming crucial. This will not only facilitate the supplier/contractors to track their bills but also help the management to track the bills intern and to enhance the company's performance by processing timely all supplier/ contractors payment. As per the government latest compliance all MSME vendors must be paid against their bills on specified time period and incase of any delay in such payments, company is liable for heavy penalty clauses.

Implementation of Vendor Bill Management System (VBMS) in CS Power Companies

The need for digitization of vendor bill receipt, rejection and processing with real-time tracking has become essential for enhancing the efficiency of billing and payment processes in CS power Companies. The Vendor Bill Management Systems (VBMS) so proposed will allow vendors to submit their invoices electronically through the Supplier Portal using Digital Signatures(if applicable) against Purchase Orders (PO) or also accept GST invoices. Vendors will be required to upload scanned copies of E-invoices and related supporting documents into the Supplier Portal. These documents will then be securely stored in our internal SAP-DMS Module with seamless integration into the existing VBTS system along with SAP-MM, FICO and SRM Modules.

Implementing an electronic submission and tracking mechanism for vendor bills must ensures the following internal advantages to company:

- Enhanced transparency across the billing cycle.
- Timely tracking & rejection of non-compliant bills.
- Reduced errors and fraud prevention.
- Strengthened internal controls with automated audit trails.
- Sustainable, paperless operations that align with global best practices.
- Reports as required by company for developed VBMS solution.

The work under scope are presented in flowchart, given in Annexure- 3 of scope and shall ensure following in consolidation:

- Vendor E-bill and supporting documents upload using Digital Signature in Supplier Portal.
- Uploaded documents are stored in SAP-DMS and integrated with MM Module FICO Module and VBTS software for further bill processing.
- Bill status updates are automatically reflected in the portal and visible to both CSPCL and its supplier/contractors.
- Approval workflows must be integrated, with real-time tracking of every vendor bill using a unique reference ID and approval date.
- Supporting reports must be generated for transparency and easy monitoring at both ends.

Implementation of Vendor Bill Management System (VBMS) in CS Power Companies

- The VBMS software and SAP functionalities/process must be integrated completely so that no duplicacy of work must have to be operated by company's endusers.

[A] This will cover the following scope items across the project phases:

1. Preparation

- a. Ensure Availability of the mock systems with copy of existing Production system.
- b. Validate the compliance with requisite level and provide necessary support for its compliance.
- c. Validate the system access and user authorization for the project team.
- d. Conduct Introduction session for the CSPC Project Team on VBMS.

2. Solution Design

- a. Understanding the existing company's requirement and process of integrated Modules and
- b. Study of reporting requirement/process.
- c. Study of Interfaces with other (external) applications/Modules.
- d. Design approach.
- e. Recommend approach for changes to existing Reporting, Interfaces and Master Data (if any).
- f. Preparation and delivery of As-Is documents

3. Solution Build

- a. Changes/Adjustments to the custom object including reports, programs & external Interfaces Conduct Unit Testing for all custom objects.
- b. Support Testing for all related scenarios.
- c. Issue resolution and Testing Support throughout the User Acceptance Testing.
- d. Providing To-BE documentation

4. Cutover & Going Live

- a. Enforce system shutdown in Production System for cutover plan(if required)
- b. Migrate the VBMS solution to Production System
- c. Assistance with going live
- d. Resolve any system issue at the time of going live.

Implementation of Vendor Bill Management System (VBMS) in CS Power Companies

[B] Implementation of VBMS

End to End solution for VBMS: Configuration/Implementation and integration with SAP Systems of P10 & N11 of Chhattisgarh State Power Companies.

The following scope of work needs to be accomplished:

1. Validate the technical pre-requisite for VBMS enablement in SAP Systems
2. Support Implementation of SAP Notes for VBMS (if required).
3. Implementation of VBMS and to prepare P10 & N11 systems.
4. Guidance and support for necessary updates
5. Incorporate any changes to the existing SAP Organization Structure in P10 & N11 system necessary for VBMS enablement
6. Extend and modify companies processes as per VBMS requirements(if required) with standard functionality available in following areas:
 - Financial Accounting and Controlling
 - Materials Management and SRM Module
 - Sales and Distribution
 - Document Management Module.

3. **COMMITMENTS OF THE BUYER**

The BUYER commits itself to the following:-

- 3.1 The BUYER undertakes that no official of the BUYER, connected directly or indirectly with the contract, will demand, take promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.
- 3.2 The BUYER will, during the pre-contract stage, treat BIDDERS alike, and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to the other BIDDERS.
- 3.3 All the officials of the BUYER will report the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.

In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with the full and verifiable facts and the same prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

4. **COMMITMENTS OF BIDDERS**

The BIDDER commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following:-

- a. The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.

Implementation of Vendor Bill Management System (VBMS) in CS Power

- b. The BIDDER further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage, or inducement to any official of the BUYER or otherwise in procuring the Contract of forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Government for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the Government.
- c. The BIDDER further confirms and declares to the BUYER that the BIDDER in the original Manufacture/Integrator/Authorized government sponsored export entity of the stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the BUYER or any of its functionaries, whether officially or unofficially to the award of the contract to the BIDDER, nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.
- d. The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payment he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.
- e. The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- f. The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- g. The BIDDER shall not use improperly, for purpose of competition or personal gain, or pass on to others, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposal and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- h. The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- i. The BIDDER shall not instigate or cause to instigate any third person to commit any of the acts mentioned above.

5. **PREVIOUS TRANSGRESSION**

- a. The BIDDER declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify BIDDER'S exclusion from the tender process.
- b. If the BIDDER makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

6. **EARNEST MONEY / SECURITY DEPOSIT**

- 6.1 Every BIDDER while submitting commercial bid, shall deposit an amount as specified in RFP as Earnest Money/Security Deposit, with the BUYER through any of the following instruments:
 - i. Bank Draft or a Pay Order in favour of
 - ii. A confirmed guarantee by an Indian Nationalised Bank, promising payment of the guaranteed sum of the (BUYER) on demand within three working days without any demur whatsoever and without seeking any reasons whatsoever. The demand for payment by the BUYER shall be treated as conclusive proof of payment.
 - iii. Any other mode or through any other instrument (to be specified in the RFP).
- 6.2 The Security Deposit shall be valid upto contract period + additional 6 months **or** the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and BUYER, including support period, whichever is later + additional 6 months.
- 6.3 In the case of successful BIDDER a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- 6.4 No interest shall be payable by the BUYER to the BIDDER on Earnest Money / Security Deposit for the period of its currency.

Implementation of Vendor Bill Management System (VBMS) in CS Power Companies

7. **SANCTIONS FOR VIOLATIONS**

7.1 Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the BUYER to take all or any one of the following actions, wherever required:-

- i. To immediately call off the pre contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
- ii. To forfeit fully or partially the Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed), as decided by the BUYER and the BUYER shall not be required to assign any reason therefore.
- iii. To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
- iv. To recover all sums already paid by the BUYER, and in case of the Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate while in case of a BIDDER from a country other than India with Interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- v. To encash the advance bank guarantee and performance bond/warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
- vi. To cancel all or any other contracts with the BIDDER and the BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation/rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
- vii. To debar the BIDDER from participating in future bidding processes of the Government of Chhattisgarh for a minimum period of five years, which may be further extended at the discretion of the BUYER.
- viii. To recover all sums paid in violation of this Pact by BIDDER(s) to any middlemen or agent or broken with a view to securing the contract.

Implementation of Vendor Bill Management System (VBMS) in CS Power Companies
