					Annexure- A
Pre Bid Queries Response against the Tender No. Tr-411 ,dtd. 07-04.2026 ,Rfx- No.8100050594 "Development and Implementation of Vendor Bil Management System (VBMS) through Supplier Portal and Paperless Mechanism in three CS Power Companies "					
Sr. No.	Tender Document Page No.	Tender Clause / Section	Description as per Tender	Query / Clarification Required	EITC Response to the Query
1	9	Eligibility Criteria – Financial Capability	Minimum Average Annual Turnover (MAAT) of ₹50 Crores in last 3 financial years	We respectfully request relaxation of the turnover criteria for MSME / DPIIT-recognized Startup bidders , relaxing the turnover criteria will encourage broader participation and align with Government initiatives promoting MSMEs and startups.	PQR is Justified as per our Tender
2	12 to 13	Clause 4 – EMD	EMD of ₹4,87,000 required. Exemption mentioned for specific categories (SSI/NSIC etc.)	We are writing to seek clarification regarding the exemption of Earnest Money Deposit (EMD) and Document Fees for start-ups and MSME (Micro, Small, and Medium Enterprises) registered companies, as stipulated in Government of India's Ministry of Finance, Department of Expenditure Procurement Policy Rule 170(i) of the General Financial Rules, 2017. According to above mentioned rule start-ups and MSMEs are eligible for exemptions from EMD and Document Fees. So kindly request you to provide your confirmation of this exemption policy In support of our inquiry, we have attached the Amendment to Rule 170(i) of the General Financial Rules.	Refer Clause 4.6 of page 13 of our Tender for EMD exemption
3		Eligibility Criteria for 9 Bidders (Pre-Qualification Requirements)	Bidder must have been awarded with at least three (3) software/application development projects in the Utility sector of which minimum of two (2) projects must have been successfully completed or be under operation within the last seven (7) financial years	We request you to revise the clause for wider competitive bidding and does not restrict the capable bidder. "Bidder must have been awarded with at least three (3) software/application development projects in the Utility sector/Central/State Govt Dept., PSU, Smart Cities of which minimum of two (2) projects must have been successfully completed or be under operation within last seven (7) financial years."	PQR is Justified as per our Tender
4	25	Penalty/ Liquidated Damages	CSPDCL reserves the right to recover a suitable amount as deemed reasonable by the CSPDCL as Liquidated Damage for non-performance.	There is a mention of unlimited liability which may be difficult for bidders to accept. Generally, in such tenders, liquidated damages are capped at 0.5% of the order value. We kindly request you to consider capping the liability.	Refer Clause 38.2 of page 25 of our Tender which clarify that the given condition does not support unlimited liability
5		9 Bidder Eligibility criteria	Bidder must have been awarded with at least three (3) software/application development projects in the Utility sector of which minimum of two (2) projects must have been successfully completed or be under operation within the last seven (7) financial years	While the tender specifically mentions the Utility sector, VBMS is a common solution implemented across multiple sectors. We request you to kindly consider broadening the eligibility to include experience from other sectors such as Utility/Health/Science & Technology/Energy, etc.	PQR is Justified as per our Tender

6	9	Bidder Eligibility criteria	Bidder should be experience in Development and implementation of Web/Mobile application software for (Central Govt./ State Govt. /PSU /SEBs/Power Utility in India) of any OEM Software solution which involve integration with SAP and any other application integration within last 7 financial years.	The tender currently specifies experience only with SAP. However, the solution involves integration with various functionalities such as Finance, Document Management, MM with SRM Hence an experience working with other 3rd party products/COTS software/Government APIs or webservices would add value during integration. We kindly request you to consider accepting experience with integration of various 3rd party products/COTS software/Government APIs or webservices.	PQR is Justified as per our Tender
7	23	Payment Terms	"Development and successful UAT of Vendor Bill Management System (VBMS) through Supplier Portal and Paperless Mechanism in three CS Power Companies" a. Blue Printing- 10 % b. UAT- 10% Implementation of VBMS in three CS Power Companies a. Go-Live CSPDCL-20% b. Go-Live CSPGCL-20% c. Go-Live CSPTCL-20% Post Go-Live Support-20%	We request that the payment milestone of 20% after Post Go-Live Support be released in equal percentages every month over a period of 6 months. This is requested considering that the bidder would have already completed the major milestones (including UAT sign-off at each company) by that stage.	Payment Terms Clause 35.1 & 35.2 at Page 23-24 is justified as per our Tender
8	9	Bidder Eligibility criteria	Bidder should be a Company registered in India under the Indian Companies Act 1956 or a Partnership Firm registered in India under the Partnership Act 1932.	Proposed Clause : "The Bidder should be a company registered in India under the Indian Companies act, 1956 /Companies Act 2013, or a Partnership Firm registered in India under the the Partnership Act 1932 or a Limited Liability Partnership (LLP) registered under the Limited Liability Partnership Act ,2008	PQR is Justified as per our Tender
9	9	Bidder Eligibility criteria	Bidder should be experience in Development and implementation of Web/Mobile application software for (Central Govt./ State Govt. /PSU /SEBs/Power Utility in India) of any OEM Software solution which involve integration with SAP and any other application integration within last 7 financial years.	Proposed Clause: "Bidder should be experience in Development and implementation of Web/Mobile application software for Central Govt/State Govt./PSU/SEBs/Power Utility in India, which involve integration with SAP and any other application integration within last 7 financial years." We request deletion of "of any OEM Software Solution" as we have our own home- grown solutions . Please consider performance certificate as equivalent to Execution Certificate.	PQR is Justified as per our Tender
10	9	Bidder Eligibility criteria	Bidder must have been awarded with at least three (3) software/application development projects in the Utility sector of which minimum of two (2) projects must have been successfully completed or be under operation within the last seven (7) financial years	Please consider performance certificate as equivalent to Execution Certificate.	PQR is Justified as per our Tender
11	9	Bidder Eligibility criteria	Bidder should be experience in "Supply/Development/implementation of Web/Mobile application software based support solution for any Organisation (Central Govt./ State Govt. /PSU /SEBs/Power Utility in India) within last 7 financial years.	Please consider performance certificate as equivalent to Execution Certificate.	PQR is Justified as per our Tender
12	3	NIT	Extension Request	We request to provide extension of one month from last date & time i.e. 29.05.2026 for receipt of online bids as mentioned in RfP. An extension will allow sufficient time for a comprehensive review of the RfP requirements ,preparation of a high quality proposal, and incorporation of any clarifications/ amendments issued during the pre-bid stage. In lieu of the above request you to grant the desired time extension for bid submission.	Extension of time for bid submission will only be provided in case of insufficient bids received till due date & time i.e.29.04.2026 14:00 Hrs
