1	Pre Qualification Criteria	Attach a summary of the employee headcount across various projects and/or technologies and/or experience levels, duly certified by the bidder's HR Department, in the prescribed Annexure format, along with supporting documents in the form of authorized bank account statements for the last three (3) months evidencing salary credits made to the employees.	(Request to amend as below) Attach a summary of the employee headcount across various projects and/or technologies and/or experience levels, duly certified by the bidder's HR Department/ an authorized bid signatory , in the prescribed Annexure format, along with supporting documents in the form of authorized bank account statements for the last three (3) months evidencing salary credits made to the employees.	As per RFP
2	Pre Qualification Criteria	Bidder shall have an office of 50 seats within the limits of Mumbai Metropolitan Region (MMR).	(Request to amend as below) Bidder shall have an office of 50 seats within the limits of Mumbai Metropolitan Region (MMR)/ Pune	As per RFP
3	Pre Qualification Criteria	Undertaking indicating that the Bidder shall open the set-up the indicated office within 15 days of being awarded the work.	(Request to amend as below) Undertaking indicating that the Bidder shall open the set-up the indicated office within 30 days of being awarded the work.	As per RFP
4	Technical Qualification Criteria	Copy of client citations / Work Orders showing all the details sought on client letter heads AND Completion/ongoing Letter from client showing all the details.	(Request to amend as below) Copy of client citations / Work Orders showing all the details sought on client letter heads AND Completion/ongoing/Monthly Progress Reports(MPRs) Letter from client/ an authorized bid signatory showing all the details.	As Per RFP
5	1.1, Point 10	Last Date and Time for submission of bids	Requesting extension of atleast 3 weeks	As per corrigendum
6		General Query	Kindly share the Project Duration	As per RFP
7	Technical Qualification	Turnover from the business of providing technical manpower only: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 50 Cr to < 60 Cr – 5 Marks 2) >= 60 Cr to < 70 Cr – 7 Marks 3) >= 70 Cr – 10 Marks	Request to amend as below: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 5 Cr to < 7 Cr – 5 Marks 2) >= 7 Cr to < 10 Cr – 7 Marks 3) >= 10 Cr to < 12 Cr – 10 Marks	As per corrigendum
8	5.6 (1)/66	The Bidder must provide only those resources that meet the Educational Qualifications and Experience as indicated in the above section, and should certify the same.	We request the bidder should allow to submit the Experience criteria where there is a gap of 3 to 6 Months considering that deployment of the resources must meet the Experience criteria.	As per RFP
9	5.6(2)/66	The candidates should be on the payroll of the Bidder as an employee for a minimum of 3 months prior to deployment under empanelment with the Purchaser.	We recommend to change the clause considering the industry standard notice period 3 months where resources can join the organization for the new position or existing position (in place of attrition) candidates should be on the payroll of the Bidder as an employee for a minimum of 15 days prior to deployment under empanelment with the Purchaser. This will help us immediate deployment to the client site.	As per RFP
10	5.7 Schedule of Staff Placement,	The Bidder is expected to adhere to the following timelines for placement of staff at across various categories and level, upon acceptance of the Work Order issued by the PURCHASER for any resource requirements. # Lev Minimum Deployment Timeline 1. State Government / Agency Offices - 1 Weeks 2. District Government / Agency Office - 2 Weeks	We request the minimum deployment timeline for State and District Government offices allow for 12 Weeks	As per RFP
11	5.7 Schedule of Staff Placement,	Replacement Staffing Timeline	We request the minimum replacement timeline for State and District Government offices allow for 12 Weeks	As per RFP

12	7.14 (Limitation of Liability),	(ii) The Successful Bidder's liability for direct loss or damage, if any, shall be limited to an amount equal to the higher of the following: a. The total value of payments payable to the Successful Bidder under the Contract; or b. The amount receivable under any insurance policy maintained by the Successful Bidder for such liability; This limitation of liability shall not apply to: - liabilities arising out of gross negligence, fraud, or wilful misconduct of the Successful Bidder; - any claims, losses, damages, or injuries suffered by third parties, including deployed manpower, arising from acts or omissions of the Successful Bidder or its employees, agents, representatives, or subcontractors in connection with the Contract.	The Successful Bidder's liability for direct loss or damage, if any, shall be limited to an amount equal to the lesser higher of the following: a. The total value of payments payable to the Successful Bidder under the Contract; or b. The amount receivable under any insurance policy maintained by the Successful Bidder for such liability; This limitation of liability shall not apply to: - liabilities arising out of gross negligence, fraud, or wilful misconduct of the Successful Bidder; - any claims, losses, damages, or injuries suffered by third parties, including deployed manpower, arising from gross negligence acts or omissions of the Successful Bidder or its employees, agents, representatives, or subcontractors in connection with the Contract	As per RFP
13	6. Service Levels - Penalty Clauses,	Service Level parameters defined in this section shall be monitored on a periodic basis, as per the individual parameter requirements. MSI shall be responsible for providing appropriate web based online SLA measurement and monitoring tools and it is also proposed to have an independent technical auditor, third party appointed by the authority for monitoring the Service levels. MSI shall be expected to take immediate corrective action for any breach in SLA. In case issues are not rectified to the complete satisfaction of Authority, within a reasonable period of time defined in this RFP, then the Authority shall have the right to impose penalty as per the terms of the RFP, or termination of the contract	Aggregated Penalty Deployment - Cap at 5% 10% of the total quarterly charges service charges payable Aggregated Penalty for Attrition - Capped at 5% 10% of the total 1 quarterly service charges payable	As per RFP
14	3.8 Price and Information Page No.22	The bidder should quote the fee considering all costs including the costs of insurance for the Contract Period.	Kindly clarify whether employees health insurance is considered in the CTC given in RFP.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
15	General	Payment Schedule	Our understanding is payment will be given to the agency on monthly basis.	As per RFP
16	5.4.1 Page 17	For Technical and Techno-Functional resources, bidders may propose candidates from any engineering stream other than CS/IT/MCA/EE, or from any graduation field, provided they possess an additional three (3) years of e-Governance and/or relevant domain specific experience, over and above the level-wise experience max norms specified in Section 5 (5.2) (Experience Chart).	We request to remove over and above condition	As per RFP
17	4.7 Award Criteria Page 47	The empanelled Agencies will have to submit Performance Bank Guarantee of ₹ 5 Crore as per the terms of this RFP for each category that they are empanelled.	Request for single BG for entire tender/project and it should not be category wise. Since the BG requirement is 5 cr per category is very high. Request for considering NICS1 model of collecting PBG based on the each work order issued by MahaIT	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the <u>Scope of Work</u>
18	4.7 Award Criteria Page 48	Upon receiving the proposed profiles, the purchaser would review the same and reserves the right to reject any or all staff prior to sharing with the project user department concerned. If the agency is unable to provide alternative profiles within 2 days, the role shall be opened up to all the empanelled agencies. Selection of alternatives is the discretion. SLA will be applicable in cases where the agency is not able to provide all requested resources within the defined timeline. Each such occurrences will be Flagged and noted for the firm and action will be initiated as defined in the SLA. of the Purchaser.	Request for Timeline should be increase to minimum one week and the SLA is only applicable for the L1 bidder which is arbitrary	If the agency is unable to provide alternative profiles within 3 days , the role shall be opened up to all the empanelled agencies. Selection of alternatives is the discretion.
19	5.6 Page 66	The candidates should be on the payroll of the Bidder as an employee for a minimum of 3 months prior to deployment under empanelment with the Purchaser. Note: In case the Bidder is not able to comply the minimum period of employment for a particular profile, PURCHASER may consider deploying the resource, however the bidder will not be paid for the period mentioned above. The decision to this effect will rest with PURCHASER, depending on the profile of the candidate.	Request for relaxation in this clause. The decision should be taken on mutual understanding and non payment for the month should be removed	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
20	5.6 Page 67	The Bidder/Firm/Agency has to pay 100% of the price defined in the RFP through empanelment process for each of the categories, as CTC to the resource deployed for MahaIT. The components of CTC to include Earnings: i.e. Basic + Other Allowances (Allowances could be HRA and/or Special and/or Addition and/or Children and/or Personal) and Deductions i.e. Provident Fund, Professional Tax and TDS. Non-compliance to this will lead to Forfeiture of Performance Bank Guarantee and de-listing from the empanelment	Please clarify if CTC will include Medical insurance and PF of both Employee and Employer.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
21	5.6 Page 67	18. The successful bidders would be required to follow payment scheduled and other compliances as per the RFP for all deployed manpower during the period of preparation of new Rate Chart Sheet as per Section 5.9 irrespective of delays in issuance of updated work orders by the Purchaser or Department with appropriate notice (via email or letter) issued by Competent Authority for the same.	Request for a specific deadline for issuance of work order irrespective of fund received from Department or not	As per RFP
22	5.6 Page 68	The new replacement employee will have to be approved by PURCHASER prior to engaging in the handover process. The Bidder will not charge PURCHASER for this handover period	Allow bidder to charge for the notice period	As per RFP
23	5.6 Page 66	The Bidder/Firm/Agency needs to maintain basic hygiene of crediting salary of all the resources deployed by it with respect to this engagement every month and on time (that is between the 1st and the 5th day of every month)	Request for change that salary should be paid within 7 working days from receiving the certified attendance sheet from MahaIT/Dept.	As per RFP
24			Pre Bid Query extension request	As per RFP
25	3.4 Technical Criteria, Page 21	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following – 2 Marks Each Category (1) Senior Software Developer (.NET / Java) (2) Software Developer (Python / Java) (3) Solution Architect (Java or .Net) (4) AI / ML Developer (5) Data ETL / Analytics Expert (6) Cloud Expert (7) Database Developer (8) Blockchain Developer (9) System Analyst (Technical) (10) GIS Expert	For evaluation process the project deployment of resources to be considered and not just resources deployed, since PO has the resources required but no separate letter will be issued by the Clients for deploying the resources	As per corrigendum
26	5.5 Manpower Category, Manpower Role, Resource Level Experience & Gross Monthly Cost to Company to be paid to Manpower (INR). Page 62	General	We have noticed that CTC / Salary details for District level resources is not given. However salary details for State resources is given, if we consider this salary only. We feel the current salary structure at District level is very high and this will avoid the District Departments from hiring resources from MahaIT	As per corrigendum
27	5.4.2 Manpower Category Wise Service Rates: Page 62	The Bidders shall quote service rates, as per Annexure–5, corresponding to the category of their expertise. Bidders are required to quote rates for at least one category as part of their bid submission. The quoted service rates for each category shall include a minimum margin of 10%, which shall be treated as a mandatory and non-negotiable requirement under this RFP. Any bid quoting a margin below the prescribed minimum cap of 10% for any category shall be considered non-responsive and shall be rejected at the financial evaluation stage, resulting in disqualification of the bidder from the RFP process.	We are currently working at 20% Service Charges with MahaIT and we request that this should be the minimum percentage to be quoted.	As per RFP
28	3.4 Technical Criteria Sl. No. 2 Page 19	Turnover from the business of providing technical manpower only: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 50 Cr to < 60 Cr – 5 Marks 2) >= 60 Cr to < 70 Cr – 7 Marks 3) >= 70 Cr – 10 Marks	We are one of the leading consulting firms and take up consulting/advisory/implementation projects where we supply technical/non technical manpower. However, it is very difficult to calculate the revenue from supply of technical manpower only. In order to check the credibility of the firm, the clause may be modified in terms of number of projects where the firm has provided technical manpower. Hence, requesting you to kindly modify the clause as "Number of projects where the firm has provided technical manpower 1) 5 -10 - 5 Marks 2)>10-15 - 10 Marks 3)>15-20 - 15 Marks	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
29	3.4 Technical Criteria Sl. No. 3 Page 19	Professionals: Number of professionals as on the last date of bid submission related to IT sector. On Payroll On Bench Marks 600 80 10 300 40 7 150 20 5	BDO India has more than 11000 resources in the country. However, most of the resources are engaged in different projects. We do have talent pools where resources are readily available for deployment. Kindly modify the clause of on bench resources to maximum of 5% of on payroll resources.	As per corrigendum
30	3.4 Technical Criteria Sl. No. 4 Page 19	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. 1) One Project of value at least ₹ 8 Crores – 10 Marks 2) Two Projects of value at least ₹ 8 Crores each – 15 Marks OR 1) Two Projects of value at least ₹ 6 Crores each – 10 Marks 2) Four Projects of value at least ₹ 6 Crores each – 15 Marks OR 1) Three Projects of value at least ₹ 4 Crores each – 10 Marks 2) Six Projects of value at least ₹ 4 Crores each – 15 Marks If the Bidder has provided IT manpower resources in minimum 3 districts pan India as part of the same work order: 5 Marks	Request you to kindly modify the clause as "Experience of executing projects, over the last 5 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. 1) One Project of value at least ₹ 5 Crores – 10 Marks 2) Two Projects of value at least ₹ 5 Crores each – 15 Marks OR 1) Two Projects of value at least ₹ 3 Crores each – 10 Marks 2) Four Projects of value at least ₹ 3 Crores each – 15 Marks OR 1) Three Projects of value at least ₹ 2 Crores each – 10 Marks 2) Six Projects of value at least ₹ 2 Crores each – 15 Marks If the Bidder has provided IT manpower resources in minimum 3 departments pan India as part of the same work order: 5 Marks	As per RFP
31		•Copy of client citations / Work Orders showing all the details sought on client letter heads AND •Completion/ongoing Letter from client showing all the details. •The completion / ongoing letter to cover the following: oName of organization, individual/s to contact, oPhone number and address oContract value oList of deployment locations where relevant	Request you to kindly accept CA certificate showcasing the payment received against any project. Getting completion letter/ongoing letter issued for projects which are already over is quite challenging.	As per RFP
32	7.14 Limitation of Liability ii b	b. The amount receivable under any insurance policy maintained by the Successful Bidder for such liability;	Consulting firms generally do not maintain any kind of insurance policies for this scenario. Request you to kindly remove the clause.	As per RFP
33		5 Bidder should possess all of the following certifications a. CMMI level 3 or above b. ISO 9001 c. ISO/IEC 20000 Which should be valid at the time of submission of bid.	Bidder shall possess CMMI Maturity Level 3 (Defined) or higher, or an equivalent process maturity standard demonstrating defined and institutionalized organizational processes Document required - Valid CMMI Level 3 certificate from independent agency	As per RFP
34		Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25). NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	Bidder should have an Cumulative annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25).	As per corrigendum
35		The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only. NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of IT/ITES	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
36		Bidder should possess all of the following certifications a. CMMI level 3 or above b. ISO 9001 c. ISO/IEC 20000 Which should be valid at the time of submission of bid.	Bidder should possess any of the following 2 certifications a. CMMI level 3 or above b. ISO 9001 c. ISO/IEC 20000 Which should be valid at the time of submission of bid.	As per RFP
37		Bidder should have at least 150 professionals on their payroll.	Bidder should have at least 100 professionals on their payroll.	As per RFP
38	Pg. No. 9 1.1 - Fact Sheet (Last Date and Time for Submission of Bids)	Last Date and Time for submission of bids: 09/02/2026 and 5:00 PM	We kindly request the authority to consider an extension of the bid submission deadline by 7–10 working days. Considering the size and scope of the engagement, additional time would enable bidders to carry out detailed internal evaluations and submit a more competitive and compliant techno-commercial proposal, which would be in the best interest of the tendering authority.	As per corrigendum
39	Pg. No. 15 3.3 - Pre-Qualification Criteria Serial No. 2	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25).	It is requested to kindly consider reducing the minimum average annual turnover requirement from ₹100 Crores to ₹80 Crores for the last three financial years. This relaxation would encourage wider participation from capable and experienced bidders, while still ensuring adequate financial strength and competition for the project.	As per corrigendum
40	Pg. No. 15-16 3.3 - Pre-Qualification Criteria Serial no. 3	The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only.	We request the authority to kindly consider reducing the minimum average annual turnover from technical manpower services from ₹50 Crores to ₹40 Crores for the last three financial years. This would enable participation from firms with strong domain expertise and proven delivery capabilities, without compromising on project execution quality.	As per corrigendum
41	Pg. No. 26 4.4 - (b.) Proposal Presentations	Proposal Presentations: The Tender Evaluation Committee may invite each qualified bidder to make a presentation as per their discretion.	Kindly clarify whether the proposal presentation (if conducted) would carry any additional weightage in evaluation.	As per RFP
42	3.3 3.3 Pre - Qualification Criteria / Pg no 15	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25).	Please modify average annual turnover of at least to ₹ 20 crores from 100 Cr., Turnover should be specified as per the CVC guidelines. Since, this is time and material based project for Manpower supply, the estimated cost of project needs to be conserved of one year and turnover shall be revised accordingly. This needs to be average annual turnover as per CVC guidelines.	As per corrigendum
43	3.3 3.3 Pre - Qualification Criteria / Pg no 15	The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only.	The turnover criteria in balance does not reflect as turnover of Technical Manpower. Hence, this criteria shall be removed. Also, keeping this criteria will be restricting the competitive bids. Hence, request to remove this criteria.	As per corrigendum
44	3.3 3.3 Pre - Qualification Criteria / Pg no 15	Bidder should possess all of the following certifications a. CMMI level 3 or above b. ISO 9001 c. ISO/IEC 20000	Please remove b. ISO 9001 and c. ISO/IEC 20000 qualification	As per RFP
45	3.3 3.3 Pre - Qualification Criteria / Pg no 15	Bidder should have at least 150 professionals on their payroll.	Please remove along with supporting documents in the form of authorized bank account statements for the last three (3) months evidencing salary credits made to the employees	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
46	3.4 Technical Criteria/ pg 19	Turnover: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 100 Cr to < 125 Cr – 5 Marks 2) >= 125 Cr to < 150 Cr – 7 Marks 3) >= 150 Cr – 10 Marks	Please modify to Turnover: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 20 Cr to < 30 Cr – 5 Marks 2) >= 30 Cr to < 40 Cr – 7 Marks 3) >= 40 Cr – 10 Marks	As per corrigendum
47	3.4 Technical Criteria/ pg 19	Turnover from the business of providing technical manpower only: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 50 Cr to < 60 Cr – 5 Marks 2) >= 60 Cr to < 70 Cr – 7 Marks 3) >= 70 Cr – 10 Marks	Please remove this criteria as technical manpower will restrict the competition and technical manpower turnover does not reflect in Balance sheet too.	As per corrigendum
48	3.4 Technical Criteria/ pg 20	Professionals: Number of professionals as on the last date of bid submission related to IT sector. On Bench 80 40 20	It is loss making to hold resources on bench in competitive Indian market. Please modify it to On Bench 25 20 10	As per corrigendum
49	3.4 Technical Criteria/ pg 20	Professionals: Number of professionals as on the last date of bid submission related to IT sector. On Payroll 600 300 150	Please modify it to On Payroll. The manpower will be divided as per the Turnover of company in this Tender document. The 300 resources will be allowed to the company having turnover upto 150 Cr. Hence, it's requested to revise this criteria as follows. 200 150 100	As per corrigendum
50	3.4 Technical Criteria/ pg 20	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. 1) Three Projects of value at least ₹ 4 Crores each – 10 Marks	Please modify Projects of values from 1) at least ₹ 8 Crores to least ₹ 2 Crores 1) at least ₹ 4 Crores to least ₹ 1.5 Crores 1) at least ₹ 4 Crores to least ₹ 1 Crores	As per RFP
51	3.4 Technical Criteria 6/ pg 21	2) ISO 9001 - 3M 3) ISO/IEC 20000 - 2M	Please remove b. ISO 9001 and c. ISO/IEC 20000 qualification	As per RFP
52	3.4 Technical Criteria 7/ pg 21	(4) AI / ML Developer (8) Blockchain Developer	Please remove requirement of (4) AI / ML Developer (8) Blockchain Developer -	As per corrigendum
53	3.8 Price and Information Pg 22	6) The prices, once offered, must remain fixed and must not be subject to change for any reason whatsoever within the period of the validity of the proposal and the contract. No revision	This condition is not in line with present Indian Market condition. Every year Salaries are influence by market inflation.	As per RFP
54	No-Poaching	No-Poaching contractual provision where not to solicit, recruit, or hire each other's employees / resources,	No-Poaching contractual provision shall be made, where not to solicit, recruit, or hire each other's employees / resources by empanelled agencies. This clause is important to protect the interest of Agencies towards work.	As per RFP
55	Payment Release	Payment to empanelled Agency	Payment towards invoices of empanelled Agency shall be released within 15 days from the date of submission of invoices by MahaIT.	As per RFP
56	Maternity Benefit	Maternity Benefit to resource / employee	As per the Act, the benefit of Maternity shall be paid by MahaIT to empanelled Agency including Salary and same will be paid by Agency to resource accordingly.	Details regarding CTC breakup shall be provided to successfully empanelled bidders

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
57	Leave Policy	Leave Policy for resources / employees	Since, this Manpower will be deployed on time and material basis, the leaves shall be provided by MahaIT to resources. The fix no. of yearly leaves are being provided to the IT consultants. Accordingly, the monthly leaves can be decided by MahaIT but it needs to be provided by MahaIT.	As per RFP
58	Section 1.1, Sr No 7 Pg 9	EMD of ₹1.5 Crore for empanelment	Request reduction or rationalization of EMD amount for manpower empanelment. High EMD blocks working capital for 3 years in a low-margin manpower business, disproportionately impacting vendors without reducing project risk.	As per RFP
59	Section 1.1, Sr No 16 Pg 9	Performance Bank Guarantee of ₹5 Crore per category	Clarify whether ₹5 Crore PBG is cumulative or per category per bidder. PBG of this magnitude is commercially infeasible for manpower contracts where margins are extremely thin and risks are operational, not capital-intensive.	As per RFP
60	Section 5.4.2 Pg 62	Fixed manpower category-wise gross monthly CTC	Clarify whether salary revisions are allowed to align with market inflation during contract period. Current salary ceilings are significantly lower than prevailing Maharashtra IT market rates; no revision provision will lead to high attrition and service disruption.	As per RFP
61	Section 5.6 Pg 66	Bidder responsible for all statutory compliances and penalties	Clarify whether penalties arising due to delayed payments by MahaIT will be waived. Vendor bears uncontrollable financial risk if statutory dues are delayed due to delayed payments from purchaser.	As per RFP
62	Section 6 Pg 71–75	Stringent SLA penalties on manpower replacement timelines	Request relaxation in replacement timelines considering current talent shortages. Immediate replacement expectations are unrealistic in Maharashtra's competitive IT manpower market.	As per RFP
63	Section 3.3 Sr No 10 Pg 36	Mandatory 50-seat office in MMR within 15 days	Request extension to 60–90 days or acceptance of co-working spaces. Setting up physical office in Mumbai within 15 days is practically infeasible due to commercial real estate constraints.	As per RFP
64	Section 7.10 Pg 79	Unilateral termination rights with no compensation	Request termination notice period with compensation for deployed manpower. Sudden termination exposes vendor to unrecoverable salary and statutory liabilities.	As per RFP
65	Section 7.13 Pg 80	Unlimited liability of bidder	Request cap on liability limited to annual contract value. Unlimited liability is commercially unacceptable and uninsurable for manpower deployment contracts.	As per RFP
66	Section 5.12 Pg 70	Maximum number of resources defined by MahaIT	Clarify minimum guaranteed deployment per empanelled bidder. Unlimited liability is commercially unacceptable and uninsurable for manpower deployment contracts. Without minimum business assurance, vendors bear cost of readiness with no revenue certainty.	As per RFP
67	Section 3.3 Sr No 7 Pg 35	150 professionals on payroll mandatory	Request reduction or consideration of on-demand scaling model. High fixed headcount requirement increases overhead risk even before work order issuance.	As per corrigendum
68	Section 5.8 Pg 69	Payment schedule without interest on delays	Request interest on delayed payments beyond agreed timelines. In manpower contracts, salary payments are time-bound while receipts are uncertain, leading to cash flow stress.	As per RFP
69	e. PURCHASER shall also be entitled to make recoveries from the Performance Bank Guarantee on the following grounds pg 49	v. Non-payment of salaries for a period of more than 2 months to deployed resources under the empanelment for the payment of outstanding salaries.	MahaIT Should take the equal responsibilities in the deployment of the manpower and release of the payments to vendor in time. In case of non receipt of the payment from the Govt. Dept. to MahaIT for more than 2 months, MahaIT need to disburse the payment to the vendor, irrespective of the receipt from the other departments to MahaIT survival of vendor.	As per RFP
70	Pg 29	on page 29>> 27/01/2026 and 12:00 PM tender@mahait.org Queries for Clarifications sent through any other medium shall not be considered. On Page	The dates mentioned on the online portal does not match the dates mentioned in the RFP document. Please clarify if We can submit our additional queries by 30th Jan 2026	As per corrigendum

71	3.4 Technical Criteria (Evaluation Criteria Point -1) Page No 19	Turnover: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 100 Cr to < 125 Cr – 5 Marks 2) >= 125 Cr to < 150 Cr – 7 Marks 3) >= 150 Cr – 10 Marks	“For wider participation, we request your amendment to this clause.” Turnover: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 75 Cr to < 100 Cr – 5 Marks 2) >= 100 Cr to < 125 Cr – 7 Marks 3) >= 125 Cr – 10 Marks	As per corrigendum
72	3.4 Technical Criteria (Evaluation Criteria Point -4) Page No 20	Manpower Supply Experience: Work orders on Manpower supply for IT/ITES Projects 1) 1 to 3 Projects – 7 M 2) 4 to 6 Projects – 10 M 3) 7 to 10 Projects – 12 M 4) 11 or more Projects – 15 M Note: * Different Projects with the same client will count as different projects provided Project Name is explicitly mentioned in the Work Order. * Only those projects will be counted that has minimum work order value of ₹ 1 crore	“For wider participation, we request your amendment to this clause.” Manpower Supply Experience: Work orders on Manpower supply for IT/ITES Projects 1) Project value more than 50 Cr.-5 marks 2) Project value more than 100 Cr.-10 marks 3) Project Value more than 200 Cr.- 15 Marks	As per corrigendum
73	3.4 Technical Criteria (Evaluation Criteria Point -7) Page No 21	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following – 2 Marks Each Category (1) Senior Software Developer (.NET / Java) (2) Software Developer (Python / Java) (3) Solution Architect (Java or .Net) (4) AI / ML Developer (5) Data ETL / Analytics Expert (6) Cloud Expert (7) Database Developer (8) Blockchain Developer (9) System Analyst (Technical) (10) GIS Expert	“For wider participation, we request your amendment to this clause.” The bidder should have experience in providing the following candidate profiles: Minimum 5 deployed resources in any 10 of the following categories – 2 marks for each category (1) Senior Software Developer (.NET / Java) (2) Software Developer (Python / Java) (3) Solution Architect (Java or .Net) (4) AI / ML Developer (5) Data ETL / Analytics Expert (6) Cloud Expert (7) Database Developer (8) Blockchain Developer (9) System Analyst (Technical) (10) GIS Expert (11) Network and Infrastructure Expert (12) Security and Surveillance Expert (13) ERP Expert (14) Security Infrastructure Specialist (15) Project Manager	As per corrigendum
74	Section 1 & 4	Empanelment & Evaluation Process	The RFP is for empanelment and does not specify any minimum guaranteed manpower deployment or indicative demand. Request clarification whether MahaIT can provide an estimated manpower demand (category-wise / district-wise / yearly) to enable realistic capacity and commercial planning by bidders.	AS per RFP
75	Section 4.6	Financial Evaluation – L1	As per the RFP, all technically qualified bidders are required to match L1 rates. Request clarification on how quality and sustainability of services will be ensured in case of abnormally low L1 rates, especially for niche and senior skill categories.	As per RFP
76	Section 4.6	L1 Determination	Please clarify whether L1 is determined separately for each manpower category or whether a consolidated L1 across categories is envisaged.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
77	Section 5.4.2 & Annexure-5	Manpower Category Wise Service Rates	Different manpower categories (AI/ML, Cloud, Blockchain, GIS, Architects) have significantly different market costs. Request MahaIT to clarify whether category-specific pricing flexibility or differentiated service charge bands will be permitted to reflect market realities.	As per RFP
78	Section 1.1 (Fact Sheet)	EMD – ₹1.5 Cr	Considering that this is an empanelment RFP without assured work order value, request MahaIT to reconsider or rationalize the EMD amount, or alternatively link EMD to actual work order value at the time of engagement.	As per RFP
79	Section 1.1 (Fact Sheet)	Performance Bank Guarantee – ₹5 Cr per category	The RFP mandates a Performance Bank Guarantee of ₹5 Cr per manpower category irrespective of actual deployment value. Request clarification whether PBG can be linked proportionally to work order value or reduced at empanelment stage.	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the <u>Scope of Work</u>
80	Section 3.8	Price & Information	Prices are required to remain fixed for the entire contract period. Request clarification whether any wage escalation mechanism will be permitted in case of statutory changes such as minimum wage revision, PF/ESIC changes, or other labour law amendments during the contract period.	As per RFP
81	Section 5.5	Gross Monthly Cost to Company	Salary slabs are defined by MahaIT; however, statutory liabilities and compliance risks remain with the bidder. Request clarification whether MahaIT will allow periodic revision of salary slabs to align with statutory or market-driven changes.	As Per RFP
82	Section 5.7	Schedule of Staff Placement	Request MahaIT to clarify expected timelines for deployment after work order issuance and whether phased deployment will be permitted for large-scale or multi-district requirements.	As per RFP
83	Section 6	SLA & Penalties	Replacement timelines are linked with penalties. Request clarification whether relaxation will be provided in cases where replacement delays are due to non-availability of niche skills in the market or delays attributable to client approvals/interviews.	As per RFP
84	Section 3.3	Pre-Qualification – Local Office	The RFP mandates a 50-seat office within MMR. Request MahaIT to clarify whether shared offices, co-working spaces, or phased setup will be acceptable considering hybrid and remote manpower deployment models.	As per RFP
85	Section 3.4	Technical Evaluation – Skill Proof	Technical evaluation requires proof of existing deployment for advanced skills such as AI/ML, Blockchain, GIS, etc. Request clarification whether bidders with strong internal capability and certifications (but limited government deployment exposure) will be considered through alternate proof such as private sector deployments or pilot projects.	As per corrigendum
86	Section 4.4	Proposal Presentation	Please clarify whether proposal presentations will be mandatory for all technically qualified bidders or only for shortlisted bidders, and whether the presentation will carry additional scoring weight.	As per RFP
87	Section 7	Termination	MahaIT reserves the right to terminate the contract. Request clarification on resource disengagement, salary liability, and timeline for release of Performance Bank Guarantee in case of early termination without bidder fault.	As per RFP
88	Section 5	Scope of Work	Request clarification whether empanelled agencies will be rotated for work order allocation or whether work orders will be issued purely at MahaIT's discretion.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
89	Section 2.5	Corrigendum	Please confirm whether any commercial or eligibility-related amendments arising out of pre-bid queries will be incorporated through corrigendum prior to bid submission deadline.	Through corrigendum where applicable
90	Section 8.3	Annexure – 3 - Point 7	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following – 2 Marks Each Category (11) Senior Software Developer (.NET / Java) (12) Software Developer (Python / Java) (13) Solution Architect (Java or .Net) (14) AI / ML Developer (15) Data ETL / Analytics Expert (16) Cloud Expert (17) Database Developer (18) Blockchain Developer (19) System Analyst (Technical) (20) GIS Expert can change this from 0 to 5 ? (any number supplied should be considered.	As per RFP
91	Qualification Criteria Point No.03 Page No. 15	The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only.	We kindly request you to exclude the turnover requirement from the business of providing technical manpower. Instead, we request that the turnover criteria may be considered from software development work. Turnover generated from software development projects is comparatively more reliable, consistent, and verifiable, as it is backed by defined scopes of work, project deliverables, and milestone-based billing. In contrast, turnover from technical manpower services is often variable in nature and largely dependent on short-term deployments, contract duration, and fluctuating resource requirements. Considering turnover from software development activities would ensure fair evaluation of bidders with proven technical capability, domain expertise, and execution strength in delivering IT solutions, while also encouraging broader participation from competent and experienced organizations. We therefore request you to kindly amend the eligibility criteria accordingly in the interest of wider competition and selection of the best bidder.	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
92	Qualification Criteria Point No.06 Page No. 16	Bidder should have experience of executing projects as given below, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. One Project of value at least ₹ 8 Crores OR Two Projects of value at least ₹ 6 Crores each OR Three Projects of value at least ₹ 4 Crores each	We kindly request you to exclude the supply of IT/ITeS/ICT manpower to different locations in India. Instead, we request that the experience criteria may be considered from software development work. Experience from software development projects is comparatively more reliable, consistent, and verifiable, as it is backed by defined scopes of work, project deliverables, and milestone-based billing. In contrast, experience from supply of IT/ITeS/ICT manpower is often variable in nature and largely dependent on short-term deployments, contract duration, and fluctuating resource requirements. Considering experience from software development activities would ensure fair evaluation of bidders with proven technical capability, domain expertise, and execution strength in delivering IT solutions, while also encouraging broader participation from competent and experienced organizations. We therefore request you to kindly amend the eligibility criteria accordingly in the interest of wider competition and selection of the most technically qualified bidder.	As per RFP
93	Evaluation criteria / sub criteria Point No.2 Page No.: 19	Turnover from the business of providing technical manpower only: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 50 Cr to < 60 Cr – 5 Marks 2) >= 60 Cr to < 70 Cr – 7 Marks 3) >= 70 Cr – 10 Marks	We kindly request you to exclude the turnover requirement from the business of providing technical manpower. Instead, we request that the turnover criteria may be considered from software development work. Turnover generated from software development projects is comparatively more reliable, consistent, and verifiable, as it is backed by defined scopes of work, project deliverables, and milestone-based billing. We therefore request you to kindly amend the eligibility criteria accordingly in the interest of wider competition and selection of the most technically qualified bidder.	As per corrigendum
97	Earnest Money Deposit (EMD), Pg. No 09	₹ 1,50,00,000 (Indian Rupees One Crore Fifty Lakhs Only) in form of Bank Guarantee as per format provided in Annexure of this volume of the RFP.	Portal needs to be allowed with option to upload BG copy. Currently it is showing No and hence option to upload is not available. Only option to pay online is available. Kindly make the necessary changes and confirm	As per corrigendum
98	Performance Bank Guarantee	₹ 5,00,00,000 (Indian Rupee Five Crore Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work	We request to make it cumulative for all resource categories. Alternatively if agency has to furnish 5cr PBG for each category then MAHAIT should give a minimum business guarantee of atleast 150 cr in each of the category to the agencies empanelled for furnishing such a massive amount of PBG for each category	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work
99	5.6 Other Requirements and Responsibilities of the Bidder / Pg no 66	The candidates should be on the payroll of the Bidder as an employee for a minimum of 3 months prior to deployment under empanelment with the Purchaser.	Request to relax this condition as this does not make a viable arrangements to provide resources on T&M basis due to dynamic IT Industry trends of resources holding 2-3 offers at the same and non-availability of required skill sets on bench immediately	As per RFP
100	5.6 Other Requirements and Responsibilities of the Bidder / Pg no 67	The Bidder/Firm/Agency also needs to have a standard Leave Policy and Medical Policy as per IT Industry and all applicable laws for its employees deployed on the project.	As per our understanding the deduction of leaves and medical insurance premium will be a part of candidate CTC as per new labour laws 2025 of Govt of India Reference: "The new labour codes in India, which came into effect on November 21, 2025, bring a significant shift in how Cost to Company (CTC) is structured, particularly regarding insurance and other social security benefits. The key change is the "50% Wage Rule," which mandates that components like insurance, PF, and gratuity are calculated based on a redefined wage structure. " - The Code on Social Security, 2020	Details regarding CTC breakup shall be provided to successfully empanelled bidders
101	5.6 Other Requirements and Responsibilities of the Bidder / Pg no 67	The Service Charge as per percentage finalized via the bidding process shall be credited to the bidder in line with the Work Order under empanelment.	MahaIT should pay the respective agencies within 15 days of bill submission without any administrative delays and should comply to the same as an obligation	As per RFP
102	Replacement Staffing Timeline / Pg no 68	The new replacement employee will have to be approved by PURCHASER prior to engaging in the handover process. The Bidder will not charge PURCHASER for this handover period.	Request to relax this condition as this is a loss to the agency for reasons not under their control	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
103	5.4.2 Manpower Category Wise Service Rates: Pg 62	The quoted service rates for each category shall include a minimum margin of 10%, which shall be treated as a mandatory and non-negotiable requirement under this RFP.	Since the existing contract was capped at 20% margin reducing it to minimum 10% will have service impact on agencies considering the benefits that are passed on to associates as per new labour laws (maternity, leave, parental insurance, training etc.) Request you to please revise it to minimum 20% for welfare of the associates and sustenance of the agencies for next 3 years considering the inflation and operation costs	Details regarding CTC breakup shall be provided to successfully empanelled bidders
104	5.4 Profile Requirements	Profile Requirements & Manpower Category Wise Service Rates	STM rates appear aligned to experience ≤18 years. Please clarify treatment of existing STMs with experience beyond 18 years and whether rate protection or continuation is allowed	As per RFP
105	5.4 Profile Requirements	Profile Requirements	Please clarify whether STM experience slabs (15–20 years, 20+ years) are permitted or whether rate protection shall be allowed for senior STMs.	As per RFP
106	5.4 Profile Requirements	Profile Requirements	Please clarify whether Business Analyst qualification can be Any Graduate with MBA instead of mandatory BE/MCA	As per RFP
107	Section 3.6 & 4.6	Validity of Proposal & Financial Evaluation	Minimum agency service charge of 10% may be unsustainable. Please clarify whether minimum service charge can be revised to at least 20%.	As per RFP
108	Section 4.6	Financial Evaluation	Please clarify whether bids quoting service charges below a sustainable minimum threshold will be considered.	As per RFP
109	Section 3.8(2)	Price and Information	Please clarify whether employee insurance (medical / accidental / life) is included in quoted rates or borne separately by agency.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
110	Section 3.8	Price and Information	Please confirm whether insurance is mandatory for all manpower categories and to be uniformly included in service charges.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
111	Section 5.9	Increments to Employee Cost Sheet and Rate Chart Sheet	Please clarify frequency, maximum permissible percentage, and approval authority for manpower increments.	As per RFP
112	Section 5.8	Payment Schedule	In case of delayed payments, please clarify whether interest or compensation shall be payable.	As Per RFP
113	Section 7.5	Taxes and Duties	Please clarify whether GST is applicable only on agency service charges or on total billing amount (CTC + service charges).	As Per RFP
114	Section 6.4	SLA Computation	Please clarify replacement timelines for attrition/non-performance and when SLA penalties will apply.	As Per RFP
115	Section 5.7	Schedule of Staff Placement	Please clarify whether there is a limit on candidate rejections by user department and SLA impact.	As per RFP
116	Section 5.6	Other Requirements and Responsibilities	Please clarify whether additional responsibilities beyond defined roles can be assigned without rate revision.	As Per RFP
117	Section 5.7	Schedule of Staff Placement	Please clarify whether remote or hybrid deployment is permitted with approval.	As per RFP
118	Section 7.10	Termination	In case of termination without cause, please clarify reimbursement of notice period costs and statutory payouts.	As per RFP
119	Section 7.11	Assignment	Please clarify whether deployed manpower can be absorbed by MahaIT/User Department and compensation terms, if any.	As per RFP
120	Section 7.7	Change in Laws and Regulation	Please clarify whether rate revisions will be allowed for statutory changes in labour laws.	As per RFP
121	Section 6.5	Penalties	Please clarify whether SLA penalties will be waived for delays attributable to user department issues.	As per RFP
122	Section 5.11	Half Yearly Review of Resources	Please clarify review authority and opportunity to address performance gaps before penalties.	As per RFP
123	Section 4.11 & 4.2	Contract Period & Overall Evaluation	Please clarify whether empanelment guarantees minimum manpower deployment.	As per RFP
124	Section 4.6	Financial Evaluation	Please clarify validity period of L1 matched rates for future work orders.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
125	Section 3.8 & 5.6	Price and Information & Bidder Responsibilities	For manpower exceeding ESIC wage limits, please clarify alternate insurance requirement and cost treatment.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
126	Section 7.10 & 6	Termination & SLA	Please clarify liability sharing for workplace accidents, data breaches, or legal claims.	As per RFP
127	Section 5.6	Other Requirements and Responsibilities	Please define mandatory handover/transition period during exit or replacement and billability.	As per RFP
128	Section 4.2 & 5	Overall Evaluation Process & Scope of Work	Please clarify coordination responsibility when multiple agencies deploy manpower on same project.	As per RFP
129	3.3 Pre - Qualification Criteria Sr. No. 2 Page no. 15	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25).	The estimated monthly billing for individual empanelled vendor will not be more than 1 crore considering the 10 empanelled vendors, so for each vendor the maximum billing for each vendor will be 12 crore in a year and since its a time and material basis project we request MahaIT to revise the average annual turnover requirement to ₹ 10 crores as per the CVC guidelines. Hence the criteria should read as: Bidder should have an average annual turnover of at least ₹ 10 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25)	As per corrigendum
130	3.3 Pre - Qualification Criteria Sr. No. 3 Page no. 15	The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only.	There are very limited companies which can show turnover from business of providing technical manpower on paper and those companies are already empanelled with MahaIT in the existing technical manpower empanelment project. Evaluating bidders on the basis of turnover from specific services like manpower and putting such criteria will restrict the competition and other bidders would not be able to participate in the bid since it is not possible to justify the technical manpower on paper to other companies apart from the existing companies empanelled with MahaIT. Hence we request MahaIT to delete the said clause no. 3 from 3.3 Pre Qualification Criteria	As per corrigendum
131	3.3 Pre - Qualification Criteria Sr. No. 6 Page no. 16	Bidder should have experience of executing projects as given below, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. One Project of value at least ₹ 8 Crores OR Two Projects of value at least ₹ 6 Crores each OR Three Projects of value at least ₹ 4 Crores each	The projects executed by bidders before 2022-23 are also the bidders' credentials and hence those should also be considered for evaluation of bidders. Hence we request MahaIT to consider the projects executed by bidders during last 10 years	As per corrigendum
132	3.4 Technical Criteria Sr. No. 1 Page no. 19	Turnover: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 100 Cr to < 125 Cr – 5 Marks 2) >= 125 Cr to < 150 Cr – 7 Marks 3) >= 150 Cr – 10 Marks	If the request from Sr. no. 1 is considered, then the similar changes should be reflected in clause no. 1 from 3.4 Technical Criteria and the marking should be as mentioned below: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 25 Cr to < 30 Cr – 5 Marks 2) >= 30 Cr to < 35 Cr – 7 Marks 3) >= 35 Cr – 10 Marks	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
133	3.4 Technical Criteria Sr. No. 2 Page no. 19	Turnover from the business of providing technical manpower only: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 50 Cr to < 60 Cr – 5 Marks 2) >= 60 Cr to < 70 Cr – 7 Marks 3) >= 70 Cr – 10 Marks	If the request from Sr. no. 2 is considered, then the said clause no. 2 from 3.4 Technical Criteria should be deleted as well the marks should be adjusted in other criterias	As per corrigendum
134	3.4 Technical Criteria Sr. No. 4 Page no. 20	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India.	If the request from Sr. no. 3 is considered, then the similar changes should be reflected in clause no. 4 from 3.4 Technical Criteria i.e. consideration of projects executed by bidders during last 10 years	As per RFP
135	5.6 Other Requirements and Responsibilities of the Bidder S. no. 19 Page no. 67	Further, the Bidder shall ensure due compliance with all applicable labour legislations, including but not limited to: (v) The Maternity Benefit Act, 1961, along with amendments thereto.	We agree that the Maternity benefits should be provided to the eligible resources, however the bidder cost for the same should be borne by MahaIT as the empanelled bidder is not the full time employer of resources. Hence, we request MahaIT to make the necessary changes in the clause and publish the same in corrigendum. We suggest the changes as below: MahaIT shall release the funds to successful bidders for the resources availing maternity benefits under "The Maternity Benefit Act, 1961, along with amendments thereto", and the bidders will further pass on the same to the said resources.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
136	1.1 Fact Sheet Sr. no. 8 & 9 Page no. 9	Last Date and Time for submission of Pre-bid Queries for Clarifications: 27/01/2026 and 12:00 PM Date, Time and place of Pre- Bid Conference: 30/01/2026 and 12:00 PM	The date of submission of Pre-bid Queries for Clarifications on MahaTenders.gov.in is given as 30/01/2026 and 03:00 PM whereas the RFP mentions the date as 27/01/2026 and 12:00 PM. Similarly the pre-bid meeting date on MahaTenders.gov.in is given as 03/02/2026 whereas the RFP mentions the date as 30/01/2026. We request MahaIT to consider the dates on MahaTenders and accept the pre-bid queries till 30/01/2026 and 03:00 PM and the pre-bid meeting to be followed on 03/02/2026 and 12:00 PM as per MahaTenders.gov.in and publish the same in corrigendum	As per corrigendum
137	1.1 Fact Sheet Sr. no. 10 Page no. 9	Last Date and Time for submission of bids : Online submission of Proposal: 09/02/2026 and 5:00 PM	The Last Date and Time for submission of bids on MahaTenders.gov.in is given as 13-Feb-2026 05:00 PM, whereas the RFP mentions the date as 09/02/2026 and 5:00 PM. We request MahaIT to consider the submission date on MahaTenders and accept the proposals till 13-Feb-2026 05:00 PM	As per corrigendum
138	Section 5.7 Schedule of Staff Placement	Start of Engagement - Timeline The Bidder is expected to adhere to the following timelines for placement of staff at across various categories and level, upon acceptance of the Work Order issued by the PURCHASER for any resource requirements.	Please clarify the standard expected timeline (in calendar days) for deployment of resources from the date of issuance of a formal requisition / work order by MahaIT or the user department.	As per RFP
139	Section 5.7 Schedule of Staff Placement Deployment timelines: 1-2 weeks)	1 State Government / Agency Offices 1 weeks 2 District Government / Agency Offices 2 weeks	The bid document indicates an expected deployment timeline of 1-2 Weeks after requisition. Kindly clarify whether this timeline is indicative or mandatory, and request MahaIT to consider extended deployment timelines of 30–45 days in cases involving candidate notice periods in their current organization, niche skillsets, or relocation to remote locations.	As per RFP
140	Section 5.7 Schedule of Staff Placement, Replacement Timeline	Replacement Staffing Timeline PURCHASER is aware that there may be a need for replacement of staff either due to	Please clarify the maximum permissible timeline for replacement of a resource due to resignation, performance issues, or departmental request, and whether this timeline will be uniform across all projects and user departments.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
141	Section 6 Service Level Agreement (SLA), Clause 6.4 Timely Deployment ; Section 6.5 Penalties Exceptions]	Timely Deployment of Resources. Penalties shall not be levied on bidder in following cases	Please confirm whether any relaxation in deployment timelines will be permitted on a case-to-case basis, subject to justification and approval by MahaIT or the user department, and whether such cases will be excluded from SLA penalty computation.	As per RFP
142	Section 6.5 Penalties Not Levied Delays beyond bidder control)	The non-compliance to the SLA has been solely due to reasons beyond the control of the successful bidder. Lack of payment of dues from purchaser would not qualify as a cause for noncompliance to SLA criteria.	1. In cases where deployment or replacement is delayed due to reasons not attributable to the bidder (such as delayed interview feedback, approval delays, location finalization, or onboarding formalities by the user department), will such delays be excluded from SLA penalty calculation? 2. Request to include Non payment from MahaIT also be excluded from penalty	As per RFP
143	Section 5.7 Schedule of Staff Placement	Work Allocation Process	Will MahaIT or the user department define a standard timeline for conducting interviews and providing selection feedback, to avoid deployment delays beyond the bidder's control?	As per RFP
144	Section 4.6 Financial Evaluation; Section 4.7 Award Criteria (L1 matching per category)	Post the evaluation process, PURCHASER will empanel the selected Bidders in a rate contract as per the process outlined below.	Please clarify whether L1 rate matching is mandatory across all manpower categories, or whether bidders may selectively opt to match L1 rates only for categories they wish to be empanelled for.	Bidders may selectively opt to match L1 rates only for categories they wish to be empanelled for. Where the L1 rate is not matched, the bidder would not be empanelled.
145	Section 4.13 Performance Bank Guarantee (₹5 Crore per category)	Performance Bank Guarantee	Please confirm whether the ₹5 Crore Performance Bank Guarantee (PBG) is required per manpower category or per empanelled bidder (overall). Request to restrict the PBG to 1Cr per bidder.	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work
146	Section 4.13 Performance Bank Guarantee (No proportional adjustment mentioned)	The successful bidder shall at his own expense, deposit with PURCHASER, and Performance Bank Guarantee of value equal to ₹ 5 Crore for each category that they are successfully empanelled.	Is there any provision for reduction or proportional adjustment of PBG value based on actual deployed manpower volume or phased deployment? Request to amend this to 1 Cr per bidder irrespective of number of categories shortlisted	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work
147	Section 5.8 Payment Schedule	For the purpose of calculating payments, there will be two documents	Please clarify the standard payment cycle (number of days) from the date of submission of invoice and acceptance of deployed resources by MahaIT / user department.	As per RFP
148	Section 5.7 Schedule of Staff Placement, Release Requests (No minimum notice specified)	At the same time, PURCHASER understands that it may be important for the Bidder to release staff in order to provide a fair opportunity to the staff for their career growth. Nonetheless, a request for release from the project will have to be planned and discussed with PURCHASER	In case a deployed resource is released early by the user department for reasons not attributable to the bidder, will any minimum notice period or cost protection apply?	As per RFP
149	Section 5.6 Other Requirements, Background Verification (15 days in SLA); Section 6.4 SLA #5	BGV not completed within 15 days from date of deployment	Please clarify whether background verification (BGV) conducted by the bidder will be considered sufficient, or if MahaIT / user departments require additional verification processes, and the expected timelines for the same.	Background verification (BGV) conducted by the bidder will be sufficient
150	Section 5.12 Maximum Number of Resources (Turnover-based cap)	A firm would be entitled to deploy resources as given in the table below, during the period of empanelment.	The RFP mentions a maximum number of resources a firm can deploy. Kindly clarify whether any upper cap exists per bidder, and if so, how it will be determined.	As per RFP
151	Section 5.4 Profile Requirements; Section 5.5 Rate Chart	Profile Requirements This section outlines the consolidated staff requirement, detailed across the various roles/designations and the experience profile requirement.	In cases where a resource performs responsibilities spanning multiple skill categories, which manpower category and corresponding rate will be considered applicable?	Deployed as per roles in the RFP only
152	Section 5 Scope of Work ; Section 5.7 Deployment Locations (State/District offices)	Maximum Deployment Timeline	Will the exact work location (city/district) and mode of work (onsite / hybrid / remote, if applicable) be clearly specified at the time of issuing the requisition/work order?	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
153	Pre-Qualification Criteria #10 (Section 3.3, 50-seat MMR office, post-award setup allowed)	50 Seat MMR Office	The RFP specifies a 50-seat office within the Mumbai Metropolitan Region (MMR). Kindly clarify whether this office is required to be operational prior to award, or whether it is sufficient to set up the office within the stipulated timeline after issuance of LOI / work order, as mentioned in the RFP.	As per RFP
154	Pre-Qualification Criteria #10 (Section 3.3, 50-seat MMR office, post-award setup allowed)	50 Seat MMR Office	Additionally, considering that (a) the bidder is required to pay 100% of the Gross CTC as specified in Section 5.5 to each deployed resource and (b) the 50-seat MMR office will be used exclusively for MahaIT engagements, we request MahaIT to kindly consider an enhanced service margin or an additional fixed facility / manpower management charge to partially offset the recurring cost of maintaining the dedicated office and deployed manpower. Please clarify whether such a cost-sharing / enhanced margin arrangement is permissible under the current RFP or may be considered via corrigendum	As per RFP
155	Section 4.7 Award Criteria #3 (Max 10 vendors per category)	Award Criteria	Is there a maximum number of vendors proposed to be empanelled per manpower category?	As per RFP
156	Section 4.7 Work Allocation Process (L1 preference, then open)	Work allocation	In scenarios where multiple empanelled agencies have matched L1 rates, please clarify the mechanism for the allocation of work orders among such agencies.	As per RFP
157	Fact Sheet 1.1 CI 7EMD: Payment of ₹1.5 Cr EMD	₹ 1,50,00,000 (Indian Rupees One Crore Fifty Lakhs Only) in form of Bank Guaranty ee as per format provided in Annexure of this volume of the RFP.	Request exemption from EMD. We respectfully submit that medium enterprises registered under the MSME category may kindly be considered for exemption from the payment of EMD.	As per RFP
158	Fact Sheet 1.1 CI 7EMD: Payment of ₹1.5 Cr EMD	₹ 1,50,00,000 (Indian Rupees One Crore Fifty Lakhs Only) in form of Bank Guaranty ee as per format provided in Annexure of this volume of the RFP.	This request is made in line with the government's policy of promoting and supporting MSMEs, thereby encouraging their participation in public procurement processes. We seek your kind consideration to extend the exemption benefit to medium enterprises as well, ensuring a level playing field and wider competition	As per RFP
159	Section 2.4 Sub Contracting and Consortium	2.14 Consortium Consortium is NOT allowed 2.15 Sub-Contracting Sub-contracting is NOT allowed 2.16 Joint Venture Joint Venture is not allowed	We request the inclusion of a provision allowing the Lead Bidder to engage sub-contractors for non-core or highly specialized technical services. Such engagements will be subject to the Lead Bidder's rigorous quality control and the Authority's approval.	As per RFP
160	Section base Rate 5.9 Yearly Revision	At the beginning of every year, the rate for each designation in the Base Rate Chart will be increased by 8% and this be considered as the new Base Rate Chart for that year.	1. Given the competitive nature of the IT/ITES sector, retaining skilled talent is critical for project stability. We propose a mandatory Annual Wage Revision of 8 to 15% on the base employee cost. This provision will allow us to counter market-driven attrition and ensure that the Maha IT continues to receive uninterrupted service from experienced staff.	As Per RFP
161	RFP Section 1.1 – Fact Sheet, Sr. No. 10	Last Date and Time for submission of bids	As per the Fact Sheet, the current last date for online submission of proposals is 09.02.2026, 17:00 hrs. Considering the extensive documentation, internal approvals, and consortium-free eligibility structure, we kindly request MahaIT to extend the last date for bid submission to 25.02.2026, 17:00 hrs, with corresponding adjustments to subsequent bid opening dates.	As per corrigendum
162	SLA Computation Penalties	SLA Computation	To ensure project sustainability and maintain a balanced risk profile, we request that the aggregate penalty across all SLAs be limited to 3% of the total annual billing value.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
163			1. We may be required to maintain a dedicated bench strength of resources to ensure quick deployment and timely replacement as per the SLA. In view of this, we request MahaIT to kindly consider bearing the cost of such bench resources, in full or in part, on mutually agreed commercial terms and a defined mechanism (for example, a fixed monthly bench-support charge or an enhanced service margin), so that resource availability and service quality can be sustained throughout the contract period.	As per RFP
164		2.14 Consortium Consortium is NOT allowed 2.15 Sub-Contracting Sub-contracting is NOT allowed 2.16 Joint Venture Joint Venture is not allowed	We request the inclusion of a provision allowing the Lead Bidder to engage sub-contractors for non-core or highly specialized technical services. Such engagements will be subject to the Lead Bidder's rigorous quality control and the Authority's approval.	As per RFP
165	Section Base Rate 5.9 Increments to Rate Chart Sheet	At the beginning of every year, the rate for each designation in the Base Rate Chart will be increased by 8% and this be considered as the new Base Rate Chart for that year.	Given the competitive nature of the IT/ITES sector, retaining skilled talent is critical for project stability. We propose a mandatory Annual Wage Revision of 10% on the base employee cost. This provision will allow us to counter market-driven attrition and ensure that the Maha IT continues to receive uninterrupted service from experienced staff.	As per RFP
166	3.3 Pre-Qualification Criteria, Page 15	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25). NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	We request clarification and kindly request modification of this clause as: "Bidder should have cumulative turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25). NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered."	As per corrigendum
167	3.3 Pre-Qualification Criteria, Page 15	The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only. NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	Request to modify the clause as: The Bidders should have cumulative turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower/ IT/ITES. NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	As per corrigendum
168	3.3 Pre-Qualification Criteria, Page 16	Bidder should have experience of executing projects as given below, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. One Project of value at least ₹ 8 Crores OR Two Projects of value at least ₹ 6 Crores each OR Three Projects of value at least ₹ 4 Crores each	Request to modify the clause as: Bidder should have experience of executing projects as given below, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. One Project of value at least ₹ 4 Crores OR Two Projects of value at least ₹ 3 Crores each OR Three Projects of value at least ₹ 2 Crores each	As per corrigendum

Request to relax this criteria as: Manpower Supply Experience: Work orders on Manpower supply for IT/ITES Projects 1) 1 to 2 Projects – 7 M 2) 3 to 5 Projects – 10 M 3) 6 to 8 Projects – 12 M 4) 8-10 or more Projects – 15 M Note: Different Projects with the same client will count as different projects provided Project Name is explicitly mentioned in the Work Order. Additional 5 marks to be allotted for experience providing manpower to Central / State Government bodies / PSUs / Agencies.	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
174	3.3 Pre - Qualification Criteria, Pg No. 15	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25). NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	The average annual financial outflow for deployment of resources under this empanelment is estimated to be approximately ₹150–200 crore per year, for all 4 categories together, which will be distributed among 10 empanelled bidders for each of 4 categories. And as such, RFP restricts number of resources and hence value of business that can be allocated to an empanelled Vendor based on their turnover. So, at best, a Vendor may get annual business of 10 to 20Cr per year. Hence, such high turnover as entry criteria and further marking for even higher turnover are restrictive in nature. In the earlier RFP floated by MahaIT in 2022, the turnover requirement was limited to ₹25 crore for the same scope and work. Further, the MahaIT's intent to shortlist 10 capable vendors clearly reflect its objective of encouraging healthy competition within the industry. Even in the previous RFP with lower turnover criteria, it was challenging to identify 10 eligible vendors and only 7 Vendors were empanelled. In this context, significantly higher turnover thresholds may further restrict participation and limit competition. Looking to all above facts, prescribing an average annual turnover requirement of ₹100 crore is highly restrictive and may prevent the participation of several capable bidders, despite their proven experience in executing similar large-scale manpower projects thereby contradicting the objective of wider competition. In view of the above, we request the MahaIT to revise the Pre-Qualification (PQ) clause as under: Bidder should have an average annual turnover of at least ₹ 25 crores	As per corrigendum
175	3.4 Technical Criteria, Pg No. 19	Turnover: Turnover: Average annual turnover (In crores) in the last 3 financial years (2022-23, 2023-24 and 2024-25) 1) >= 100 Cr to < 125 Cr – 5 Marks 2) >= 125 Cr to < 150 Cr – 7 Marks 3) >= 150 Cr – 10 Marks	The average annual financial outflow for deployment of resources under this empanelment is estimated to be approximately ₹150–200 crore per year, for all 4 categories together, which will be distributed among 10 empanelled bidders for each of 4 categories. And as such, RFP restricts number of resources and hence value of business that can be allocated to an empanelled Vendor based on their turnover. #	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
176		The Bidders should have an average annual turnover of at least ₹ 50 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25) in annual turnover from the business of providing technical manpower only. NOTE: For the purpose of this criterion, standalone turnover of only the bidding entity will be considered. Turnover of any parent, subsidiary, associated or other related entity will not be considered.	Specifying an average annual turnover of ₹50 crore exclusively from technical manpower services is restrictive and may significantly limit wider participation, which is contrary to the stated objective of the RFP. Vendors like us, being engaged in software development and IT services, the turnover is not limited to standalone manpower augmentation activities but also includes services undertaken by large-scale manpower deployment as part of end-to-end delivery projects, which should be duly considered for evaluation. Accordingly, we request the MahaIT to reconsider and rationalize this criterion in line with the overall empanelment objective. Hence suggest revised clause as below: Suggested PQ: The bidder should have an average annual turnover of at least ₹10 crore over the last three financial years (2022–23, 2023–24, and 2024–25) from the business of providing technical manpower. Suggested TQ: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only. 1) >= 10 Cr to < 20 Cr – 5 Marks 2) >= 20 Cr to < 30 Cr – 7 Marks 3) >= 30 Cr – 10 Marks	As per corrigendum
177	3.3 Pre - Qualification Criteria, Pg No. 15	Turnover from the business of providing technical manpower only: Average annual turnover over the last 3 financial years (2022-23, 2023-24 and 2024-25) from the business of providing technical manpower only 1) >= 50 Cr to < 60 Cr – 5 Marks 2) >= 60 Cr to < 70 Cr – 7 Marks 3) >= 70 Cr – 10 Marks	Specifying an average annual turnover of ₹50 crore exclusively from technical manpower services is restrictive and may significantly limit wider participation, which is contrary to the stated objective of the RFP. #	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
178	3.4 Technical Criteria, Pg No. 19	A firm would be entitled to deploy resources as given in the table below, during the period of empanelment.	Organizations with proven experience and sustained capability in deploying and managing large-scale manpower over the last several years should not be assessed solely on turnover. Turnover is not a parameter to gauge the bidders' capability of staffing and good financial position. Past performance and execution capability are stronger indicators of delivery strength. Accordingly, we request the MahaIT to consider relaxing or waiving turnover-linked deployment limits for such experienced organizations. It would not be out of place to note that, the earlier RFP floated in 2022, a turnover slab of ₹100 crore permitted deployment of up to 500 resources. In the current RFP, limiting the same turnover slab to 150 resources is highly restrictive and may exclude capable bidders with proven experience in large-scale manpower deployments, thereby contradicting the objective of wider participation. Further, from a practical standpoint, an increase of only ₹25 crore in turnover resulting in a doubling of deployable resources (from 150 to 300) appears inconsistent and disproportionate. Best approach would be to remove this condition and if that is not possible, we request the MahaIT to rationalize and revise the turnover-linked resource deployment criteria as below: ₹25 Cr to < ₹50 Cr – Up to 150 resources ₹50 Cr to < ₹77 Cr – Up to 300 resources ₹75 Cr and above – No limit	As per corrigendum
179	3.4 Technical Criteria, Pg No. 20	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. 1) One Project of value at least ₹ 8 Crores – 10 Marks 2) Two Projects of value at least ₹ 8 Crores each – 15 Marks OR 1) Two Projects of value at least ₹ 6 Crores each – 10 Marks 2) Four Projects of value at least ₹ 6 Crores each – 15 Marks OR 1) Three Projects of value at least ₹ 4 Crores each – 10 Marks 2) Six Projects of value at least ₹ 4 Crores each – 15 Marks If the Bidder has provided IT manpower resources in minimum 3 districts pan India as part of the same work order: 5 Marks Documentary Evidence: Copy of client citations / Work Orders showing all the details sought on client letter heads AND Completion/ongoing Letter from client showing all the details. The completion / ongoing letter to cover the following: - o Name of organization, individual/s to contact, - o Phone number and address - o Contract value - o List of deployment locations	For the Documentary Evidence required under this Evaluation criteria, there appears to be a typographical inconsistency. We request the MahaIT to kindly correct and align the Documentary Evidence requirement as per the corresponding Qualification Requirement.	As per corrigendum
180	3.3 Pre - Qualification Criteria, Pg No. 16	Bidder should have at least 150 professionals on their payroll. Attach a summary of the employee headcount across various projects and/or technologies and/or experience levels, duly certified by the bidder's HR Department, in the prescribed Annexure format, along with supporting documents in the form of authorized bank account statements for at last three (3) months evidencing salary credits made to the employees.	Submission of authorized bank account statements for the last three months evidencing salary credits of employees involves highly confidential and sensitive financial information, which is unrelated to this engagement and raises privacy concerns. Hence, we request the MahaIT to kindly remove this requirement from the tender conditions.	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
181	3.4 Technical Criteria, Pg No. 20	Manpower Supply Experience: Work orders on Manpower supply for IT/ITES Projects 1) 1 to 3 Projects – 7 M 2) 4 to 6 Projects – 10 M 3) 7 to 10 Projects – 12 M 4) 11 or more Projects – 15 M Note: Different Projects with the same client will count as different projects provided Project Name is explicitly mentioned in the Work Order. Only those projects will be counted that has minimum work order value of ₹ 1 crore Additional 5 marks to be allotted for experience providing manpower to Central / State Government bodies / PSUs / Agencies. Documentary Evidence: Copy of client citations / Work Orders showing all the details sought on client letter heads AND Completion/ongoing Letter from client showing all the details. The completion / ongoing letter to cover the following: - o Name of organization, individual/s to contact, - o Phone number and address - o Contract value - o List of deployment locations where relevant	For the Documentary Evidence required under this Evaluation criteria, there appears to be a typographical inconsistency. We request the MahaIT to kindly correct and align the Documentary Evidence requirement as per the corresponding Qualification Requirement of project experience.	As per corrigendum
182	5.6 Other Requirements and Responsibilities of the Bidder Pg No. 66	The candidates should be on the payroll of the Bidder as an employee for a minimum of 3 months prior to deployment under empanelment with the Purchaser. Note: In case the Bidder is not able to comply the minimum period of employment for a particular profile, PURCHASER may consider deploying the resource, however the bidder will not be paid for the period mentioned above. The decision to this effect will rest with PURCHASER, depending on the profile of the candidate.	The clause states that in cases the Bidder is unable to comply with the minimum three-month prior payroll condition, the Purchaser may allow deployment of the resource; however, the Bidder will not be paid for the said period of three months. Deployment without payment imposes an undue financial burden on the Bidder, despite the resource being fully deployed and delivering services to the Purchaser as per the defined scope and responsibilities and is unfair to both the Bidder and the deployed employee. Such condition may also be inconsistent with statutory wage obligations. Accordingly, we strongly request that this clause should be removed from the RFP.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
183	5.7 Schedule of Staff Placement Pg No. 67	Start of Engagement - Timeline The Bidder is expected to adhere to the following timelines for placement of staff at across various categories and level, upon acceptance of the Work Order issued by the PURCHASER for any resource requirements. # Level Maximum Deployment Timeline 1 State Government / Agency Offices 1 weeks 2 District Government / Agency Offices 2 weeks	As per the clause “Deployment Start of Engagement – Timeline”, the Bidder is required to deploy resources within 1 week for State-level offices and 2 weeks for District-level offices after issuance of the Work Order. While candidate identification and shortlisting may be completed earlier but actual deployment timeline also depends on subsequent steps such as issuance of the final offer, candidate acceptance, completion of appointment formalities, handover from existing engagements, and notice period requirements, which typically take at least 6–7 weeks and are largely outside the direct control of the Bidder. We therefore request the Authority to kindly consider a practical deployment timeline of at least 6 weeks for both locations, in line with the timeline followed in the previous RFP floated and existing empanelment by MahaIT, to ensure smooth onboarding and continuity of services without compromising quality.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
184	5.7 Schedule of Staff Placement Pg No. 67	In the case of (c), PURCHASER understands that such an unforeseen situation may arise at times. The Bidder should adhere to the replacement timeline as given below: # Level Maximum Replacement Timeline 1. State Government Offices 1 Weeks 2. District Government Offices 1 Weeks Release Requests from Bidder: There should be a handover period of 1 month at least with a new employee working in tandem with the employee to be replaced, at the cost of the Bidder.	In the same lines, we request the Authority to kindly consider a practical deployment timeline of at least 6 weeks for both State-level and District-level locations for the replacement process as well, considering offer acceptance, notice period, handover requirements, and completion of onboarding formalities for replacement process. One-Month handover period at the Bidder's cost, which may result in duplicate manpower costs without corresponding work orders or billing. We therefore request the Authority to kindly revise this clause to allow the handover to be conducted with a resource of the same level or the next higher level, as deemed appropriate OR Alternatively, such deployment be considered as billable and paid to the Bidder as per the applicable rates.	As per RFP
185	5.5 Manpower Category, Manpower Role, Resource Level Experience & Gross Monthly Cost to Company to be paid to Manpower (INR). Pg No. 62	Manpower Category, Manpower Role, Resource Level Experience & Gross Monthly Cost to Company to be paid to Manpower (INR).	While reviewing the rate sheet in connection with the manpower breakup provided under Section 5.1 – Introduction of Scope of Work, we are unable to identify the rate provisions for certain roles such as District Project Lead, District Project Manager, Senior Hardware Engineer, System Specialist etc. We therefore request the MahaIT to kindly review and revise the rate sheet to ensure that all manpower roles required for the empanelment are adequately covered.	As per corrigendum
186	Work Allocation Process, Pg No. 28	2. Within 3 working days the agency has to share relevant profiles as per defined criteria and to deploy the selected resources. In case, the firm expresses its inability to deploy the requested resources (all the requested resources or less than asked resources), the uncommitted positions will be opened to all remaining empanelled agencies.	The manpower selection process involves multiple sequential activities, including receipt and review of requirements, detailed understanding of job roles, clarification of queries with the concerned team, market analysis and sourcing, initial screening as per eligibility criteria, coordination with candidates for interest and availability, and preparation of MIS and shortlisted candidate details. Further there would be many instances where multiple enquiries are sent at the same time. Considering the above steps, completing the entire process within three (3) working days may be operationally challenging and may impact the quality of shortlisted profiles. We therefore request the MahaIT to consider a reasonable and practical timeline 7 working days instead of 3 working days, to ensure submission of suitable and compliant candidates without compromising service quality.	As per RFP
187	Work Allocation Process, Pg No. 28	3. Upon receiving the proposed profiles, the purchaser would review the same and reserves the right to reject any or all staff prior to sharing with the project user department concerned. If the agency is unable to provide alternative profiles within 2 days, the role shall be opened up to all the empanelled agencies. Selection of alternatives is the discretion of the Purchaser.	Similarly, providing replacement profiles within 2 days for rejected resources is operationally challenging, considering the steps involved in sourcing, screening, and candidate coordination for new candidate. We therefore request the MahaIT to consider a more practical replacement timeline of 5 working days to ensure quality and compliance.	If the agency is unable to provide alternative profiles within 3 days, the role shall be opened up to all the empanelled agencies. Selection of alternatives is the discretion.
188	5.6 Other Requirements and Responsibilities of the Bidder, Pg No. 66	The Bidder/Firm/Agency needs to maintain basic hygiene of crediting salary of all the resources deployed by it with respect to this engagement every month and on time (that is between the 1st and the 5th day of every month). There would be Zero Tolerance with respect to this condition and would lead to termination of engagement by the PURCHASER and Forfeiture of Performance Bank Guarantee. Bidder cannot ask for exemption on grounds of Non-Payment of dues from the PURCHASER for crediting salary to its employees.	Mandating salary credit strictly between the 1st and 5th day of every month may be operationally restrictive, as salary processing depends on attendance finalization from resources deployed at various locations and may also be affected sometime by bank holidays and non-working days which are beyond the bidder's control. To ensure smooth compliance without operational constraints, we request the MahaIT to allow a reasonable salary credit window and revise the permissible timeline to up to the 10th day of every month.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
189	1.1 Fact Sheet Page no. 21	Performance Bank Guarantee ₹ 5,00,00,000 (Indian Rupee Five Crore Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work	Generally, in Government tenders, the Performance Bank Guarantee (PBG) is sought upon award of work. However, in the present tender, a PBG of ₹5 crore per category is required, amounting to a total of ₹20 crore upfront from each bidder (who plans to participate for 4 categories), even before allocation of any work. This condition may not be practically favourable for vendors. It is also noted that in the earlier RFP for a similar scope, the PBG requirement was ₹1 crore, whereas the current requirement is nearly 20 times higher, which is onerous and may deter participation by otherwise capable bidders. We therefore request the MahaIT to kindly revisit and rationalize the PBG requirement, and consider an initial PBG of ₹1 crore for all 4 categories or 25 Lacs per category, with any additional PBG of 3% to be sought FOR the actual value of each work allocated under this empanelment. This method is adopted by other empanelment like NISCI.	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work
190	1.1 Fact Sheet Page no. 21	Earnest Money Deposit (EMD) : ₹ 1,50,00,000 (Indian Rupees One Crore Fifty Lakhs Only) in form of Bank Guarantee as per format provided in Annexure of this volume of the RFP.	We request the MahaIT to kindly revisit the EMD value, as considering the estimated scope of work, the current EMD appears to be on the higher side. It may also be noted that in the previous RFP for similar scope, the EMD requirement was ₹50 lakh, whereas in the present RFP it has been increased three time. We therefore request the MahaIT to consider reducing the EMD to ₹50 lakh, in line with the earlier RFP and to encourage wider participation.	As per RFP
191	3.4 Technical Criteria Page no. 21	Professionals: Number of professionals as on the last date of bid submission related to IT sector	In the current IT industry, maintaining a sizeable bench of technical resources is not practically feasible nowadays. Moreover, bench availability on the bid submission date is dynamic and may change by the time of actual project deployment, thereby not accurately reflecting a bidder's execution capability and definitely will not fulfil the objective of the requirement. We therefore request the MahaIT to kindly reconsider this criterion and remove Bench strength from the RFP.	As per corrigendum
192	3.4 Technical Criteria Page no. 21	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following – 2 Marks Each Category (1) Senior Software Developer (.NET / Java) (2) Software Developer (Python / Java) (3) Solution Architect (Java or .Net) (4) AI / ML Developer (5) Data ETL / Analytics Expert (6) Cloud Expert (7) Database Developer (8) Blockchain Developer (9) System Analyst (Technical) (10) GIS Expert	In many cases, Purchase Orders or Work Orders clients do not explicitly mention individual resource/ role names, even though the scope of work clearly includes such roles and the work has been successfully executed. For e.g. AI/ ML Developer, Analytics Expert, Cloud Expert etc. are deployed in almost all projects there days. But the RFP/ Work Order may not specifically mention such roles/ designations. One more point to be noted is the same role may have been mentioned in different manner. For e.g. Solution Architect may have been referred to as Technical Manager or Technical Lead in some of the projects/ Work Orders or Database Developer may just have been mentioned as Developer, System Analyst - Technical may have been mentioned as Technical Lead. We therefore request the MahaIT to kindly consider those projects executed under valid Work Orders / Purchase Orders, where the project scope covers the required roles (even if individual resource names are not explicitly mentioned), may be considered for meeting this eligibility criterion and it the same manner the roles/ names that may not exactly match the terms used here may also be considered.	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
193	3.4 Technical Criteria Page no. 21	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following – 2 Marks Each Category (1) Senior Software Developer (.NET / Java) (2) Software Developer (Python / Java) (3) Solution Architect (Java or .Net) (4) AI / ML Developer (5) Data ETL / Analytics Expert (6) Cloud Expert (7) Database Developer (8) Blockchain Developer (9) System Analyst (Technical) (10) GIS Expert	It is understood that proportional marks will be awarded in cases where a bidder has experience of deploying fewer than five (5) resources for a particular candidate profile under a defined manpower type. For e.g. for a particular category, if the bidder has deployed only 3 resources and not 5, then the bidder would be awarded $(3/5) * 2 = 1.2$ Marks. Such proportional evaluation would ensure fair evaluation while judging the capability of the bidder.	As per corrigendum
194	3.4 Technical Criteria Page no. 21	The MINIMUM marks for the qualification in the Technical Evaluation will be 70%.	The RFP specifies a minimum qualifying score of 70% in the Technical Evaluation; however, the tender also restricts further consideration to only the top 10 technically ranked bidders. In such a scenario, prescribing a minimum qualifying percentage does not serve a meaningful purpose, as selection is already rank based. Nevertheless, if the MahaIT intends to retain a minimum qualifying percentage, we request that the same be considered as 60%, in line with the threshold prescribed in the earlier RFP floated for this project in 2022. It would be worth noting that even when the threshold was kept at 60, it was challenging to identify 10 eligible vendors and only 7 Vendors were empanelled.	As per corrigendum
195	5.4.2 Manpower Category Wise Service Rates Page no. 62	The quoted service rates for each category shall include a minimum margin of 10%, which shall be treated as a mandatory and non-negotiable requirement under this RFP	In this context, a minimum agency service charge of 10% may be commercially unsustainable for ensuring statutory compliance, quality manpower deployment, and effective project execution. We therefore request the MahaIT to kindly clarify whether the minimum agency service charge can be revised to at least 20%, in order to align with realistic industry practices and meet the intended objectives of the tender. Alternatively, While the RFP prescribes a minimum mandatory margin of 10%, it is respectfully submitted that in a competitive bidding scenario, there may be instances where one or two bidders quote margins marginally above the minimum (e.g. 10–12%), which may be significantly lower than the prevailing competitive range of quoted margins. Such abnormally low margins, though technically compliant, may pose risks related to sustainability of manpower deployment, quality of service delivery, and long-term contract performance. In view of the above, the Purchaser may consider adopting an objective and statistically defensible method for identification of Abnormally Low Bids (ALBs). One such commonly accepted method is the Interquartile Range (IQR) method, wherein bids falling below $(Q1 - 1.5 \times IQR)$ of the quoted margins may be identified as abnormally low and subjected to detailed justification by the concerned bidder. Illustrative Example (for clarity): If the quoted margins of technically qualified bidders are 19%, 20%,	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
196	5.9 Increments to Rate Chart Sheet Page no. 70	At the beginning of every year, the rate for each designation in the Base Rate Chart will be increased by 8% and this be considered as the new Base Rate Chart for that year.	While the RFP proposes an 8% annual increment on the base rate for each role, it is worth noting that increments are typically linked to individual performance and contribution, and not merely to tenure or experience. Providing a uniform increment to all resources may reduce motivation and does not incentivize high-performing individuals. We therefore request the MahaIT to consider allowing performance-linked increments, subject to approval, to ensure better motivation, retention, and performance quality.	As per RFP
197	5.6 Other Requirements and Responsibilities of the Bidder, Pg No. 66	The candidates should be on the payroll of the Bidder as an employee for a minimum of 3 months prior to deployment under empanelment with the Purchaser.	Mandating a minimum three-month prior payroll condition is operationally restrictive for large-scale, empanelment-based manpower deployments, where requirements are often raised dynamically by the Purchaser. We would like to refer to recent RFPs by other states like CHIPS of Chhattisgarh, MAP-IT of Madhya Pradesh, NISCI which do not have such criterion. This condition limits the bidder's ability to mobilize qualified resources within required timelines, even when full compliance and background verification can be ensured prior to deployment. Hence, we request to change this clause as "Resources should be on the bidder's payroll at the time of deployment"	As per RFP
198	5.5 Manpower Category, Manpower Role, Resource Level Experience & Gross Monthly Cost to Company to be paid to Manpower (INR). Page no. 62	Gross CTC to be paid to Manpower (In INR)	Please clarify whether GST is applicable only on the agency service charges or on the total billing amount (CTC + service charges).	As per RFP
199	5.2 Team Structure Requirements Page no. 34	The Levels for the resources shall be as follows:	As per the defined resource levels, L1 includes experience ranging from 0.6 to 3 years, which results in resources with significantly different experience levels being mapped to the same level and remuneration. This may lead to practical challenges and perceived inequity, particularly for resources with higher experience within the same band. It may lead to HR and parity issues. If a resource with 2.5 years' experience joins and within a month's time another resource of same role but just 1 year of experience joins, and both being offered the same CTC – it would surely lead to dissatisfaction and parity issues. This would have negative impact for vendors and MahaIT both. To ensure fair categorization and appropriate compensation aligned with experience, we request the MahaIT to revise the experience bands, starting L1 from 0.6 to maximum 2 years, and accordingly adjust the subsequent levels to maintain a balanced and according to structure.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
200	5.5 Manpower Category, Manpower Role, Resource Level Experience & Gross Monthly Cost to Company to be paid to Manpower (INR). Page no. 64	Techno Functional : Senior Technical Manager (STM)* L5 3,10,000.00 L6 3,50,000.00 L7 4,00,000.00	As per the defined senior resource levels, L5 (15–18 years), L6 (18–21 years), and L7 (21+ years), the rate sheet limits the salary. However, in practical scenario, several senior resources currently engaged with MahaIT may be drawing higher salaries due to their specialized skills, domain expertise, and critical experience, which may not be fully reflected through years of experience alone. Further, highly skilled resources with comparable or higher expertise may face remuneration constraints under the defined rate sheet, leading to potential attrition, dissatisfaction, or inability to retain critical talent, which could ultimately impact project continuity and service quality. In this context, we request the MahaIT to kindly review and provide flexibility in the senior-level rate structure, so that experienced and highly skilled resources can be retained appropriately without causing inequity or operational challenges.	As per RFP
201	2. Techno-Functional Resources :- Page no. 53	10 Techno Functional : Business Analyst : BTech / BE / MCA in (Computer Science / IT) MBA / MTech Desirable;	The qualification for Techno-Functional Business Analyst is currently restricted to BTech/BE/MCA in Computer Science / IT. However, in practical project scenarios, especially in large e-Governance and domain-driven projects, Business Analysts often come from diverse engineering backgrounds such as Civil, Electronics, Mechanical, etc., where process understanding and functional expertise are more critical than the academic stream. Restricting eligibility only to Computer Science / IT may exclude capable professionals with strong domain and project experience. We therefore request the MahaIT to broaden the eligibility criteria to allow BE/BTech/MCA in any stream, or Graduate in any discipline with MBA, to ensure effective project execution.	As per RFP
202	3.3 Pre - Qualification Criteria, Page no. 15	Bidder should have experience of executing projects as given below, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. One Project of value at least ₹ 8 Crores OR Two Projects of value at least ₹ 6 Crores each OR Three Projects of value at least ₹ 4 Crores each	The RFP is for deployment of manpower for Government. This pre-qualification allows a vendor who has no experience of deploying manpower for Govt. IT Projects. We strongly recommend that only those bidders who have experience of deploying manpower to Govt. IT projects in India only should qualify.	As per corrigendum
203	3.4 Technical Criteria, Page no. 18	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India.	The RFP is for deployment of manpower for Government. This pre-qualification allows a vendor who has no experience of deploying manpower for Govt. IT Projects. We strongly recommend that only those bidders who have experience of deploying manpower to Govt. IT projects in India only should qualify.	As per corrigendum
204	5.7 Schedule of Staff Placement Pg No. 67	Start of Engagement - Timeline	Please clarify whether there is any limit on candidate rejections by the user department who are meeting the experience and skill, and whether such rejections will have any SLA or penalty impact on the empanelled agency.	As per RFP
205	5.9 Increments to Rate Chart Sheet Pg No. 70	At the beginning of every year, the rate for each designation in the Base Rate Chart will be increased by 8% and this be considered as the new Base Rate Chart for that year.	Please clarify the process in cases where a resource is appointed at Level L2, and after a few months their total years of experience increase, making them eligible for the next level. In such cases, please specify whether the salary/rate will be revised, and what the approval mechanism will be for revising the level and remuneration of the resource.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
206	7.10 Termination Pg No. 79	k. In the event PURCHASER terminates the Contract in whole or in part, pursuant to point (a) to (h) of GCC Clause 7.10 PURCHASER may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered or not performed, and the successful bidder shall be liable to PURCHASER for any additional costs for such similar services. However, the successful bidder shall continue performance of the Contract to the extent not terminated.	With reference to the termination provisions under GCC Clause 7.10, please clarify the process and mechanism in case of termination without cause or fault of bidder, specifically regarding salary, notice period salary costs, statutory pay-outs etc	As per RFP
207	6.5 Penalties shall not be levied on bidder in following cases Pg No. 75	The non-compliance to the SLA has been solely due to reasons beyond the control of the successful bidder.	Please clarify whether SLA penalties will be waived for delays that are not fully attributable to the empanelled vendor.	As per RFP
208	4.7 Award Criteria, Pg No. 28	Objection, if any, to the Work Order must be reported to PURCHASER by the Empanelled Bidder within three (3) working days in writing to MahaIT counted from the Date of Issue of Work Order for modifications, otherwise it is assumed that the Bidder has accepted the Work Order in totality. This is applicable in case of electronic publishing/delivery of Work Order also.	While we note that this clause is intended to ensure timely acceptance of Work Orders, the requirement to raise objections within three (3) working days may be restrictive, particularly for large or complex Work Orders that require internal review, legal vetting, or internal clarification, hence we request MahaIT to consider it as 5 working days.	As per RFP
209	6.4 SLA Computation - Attrition Rate Pg No. 72	Annual attrition exceeding 2%. Calculation: (Actual Attrition % – 2%), rounded off to the next higher integer For every 1% increase above threshold, penalty of 0.5% of total fees paid during the year, deducted in successive months	An annual attrition threshold of 2% is extremely low for large-scale manpower deployments and may not reflect practical industry attrition levels, particularly where attrition occurs due to personal, medical, or market-driven factors beyond the bidder's control. We therefore propose that annual attrition exceeding a reasonable threshold (e.g., 5%) may attract a penalty of 0.5% of the total fees paid during the year for every 1% increase above the threshold, to be deducted in successive monthly payments.	As per RFP
210	4.11 Signing of Contract, Pg No. 29	Master Service Agreement (MSA) will be signed as per RFP, after selection of bidder/s within 15 days of issuance of Letter of Intent (LOI) or Work Order, whichever comes earlier. PURCHASER shall have the right to annul / cancel the award in case there is a delay of more than 15 days in signing of Contract for reasons attributable to the selected bidder.	We request MahaIT to consider it as 15 working days.	As per RFP
211	4.13 Performance Bank Guarantee, Pg No. 30	Once the amount under this clause is debited, the bidder shall reimburse the Bank Guarantee to the extent the amount is debited within 15 days of such debit by PURCHASER failing which it will be treated as breach of agreement and may lead to termination of agreement with forfeiture of all amounts including interest free performance Bank Guarantee in favour of PURCHASER.	Please consider it as 15 working days as per original BG clause.	As per RFP
212	Release Requests from Bidder, Pg No. 69	The maximum number of replacement request cannot exceed more than 1% per month, of the total staff engaged. For example, if the bidder has deployed a total of 200 employees, then the Bidder can request a maximum of 2 staff to be released from projects in the same month, each from a different location, subject to approval from the purchaser.	Replacement requests to 1% per month may be overly restrictive and operationally challenging, as replacements are often required due to factors beyond the bidder's control, such as resignations, medical reasons, performance issues, or location-related constraints. Allowing a reasonable replacement threshold of up to 3% per month would help ensure service continuity and quality, without adversely impacting project stability	As per RFP
213	6.4 SLA Computation, Pg No. 73	Passive Participation in Profile Submission Each occurrence treated as an SLA violation. If such violation occurs more than four (4) times during empanelment, the contract may be terminated and Performance Bank Guarantee (PBG) forfeited.	Profile sharing ratio falls below 50% as an SLA violation and triggering contract termination and PBG forfeiture after four occurrences, may be overly stringent, as such situations can arise due to candidate withdrawals, location constraints, or last-minute requirement changes. Hence, we request MahaIT to consider it 8 times instead of 4 times.	As per RFP
214	6.4 SLA Computation, Pg No. 73	Replacement Frequency Penalty of 0.5% of the total invoice value raised during the year, deducted in successive invoices	Consider penalty when replacement requests exceed 1% per month may be restrictive, as replacements can arise due to resignations, medical issues, performance concerns, or client-driven changes, which are often beyond the bidder's control. We therefore request the MahaIT to consider replacement requests exceeding 3% per month of total deployed staff Penalty of 0.5% of the Monthly invoice value raised during the year, deducted in successive invoices	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
215	6.4 SLA Computation, Pg No. 72	Timely Deployment of Resources Penalty of 10% of the monthly fee of the concerned resource per week of delay	Imposing a penalty of 10% of the monthly fee per week of delay is disproportionately high, we request you to consider it as 2%	As per RFP
216	6.4 SLA Computation, Pg No. 72	Salary Disbursement Compliance Any delay in salary disbursement to deployed resources	Imposing immediate contract termination and forfeiture of the Performance Bank Guarantee is highly stringent and unfavourable for bidders. We therefore request the MahaIT to consider a graded penalty approach, wherein a penalty of 0.5% per instance is levied for any delay. In case such delays occur repeatedly (five instances during the contract period), the MahaIT may then consider forfeiture of the PBG and termination of the contract.	As per RFP
217	6.4 SLA Computation, Pg No. 72	Background Verification (BGV) Penalty of 1% of the monthly resource CTC per week of delay beyond 15 days	completion of BGV within 15 days from deployment may not always be feasible, as it often depends on third-party agencies, verification authorities, and external timelines, which are beyond the bidder's direct control. Hence, we request you to consider at least 30 working days.	As per RFP
218		Replacement Staffing – Timeliness Penalty of 10% of the monthly fee of the concerned resource per week of delay	We request you to please consider it as 2% instead of 10%.	As per RFP
219	1.1 Fact Sheet, Pg No. 10	Last date for signing the contract - The Master Service Agreement (MSA) within 15 days of issuance of Letter of Intent (LOI) or Work Order, whichever comes earlier.	it should be 15 Business Days.	As per RFP
220	2.2 Earnest Money Deposit, Pg No. 11	Bidders are required to submit an Earnest Money Deposit (EMD) in the form of Bank Guarantee for the required amount valid for at least thirty (30) days beyond the Bid Validity Period. The bank guarantee must be submitted in the format specified in this RFP. Offers, made without EMD, will be treated incomplete and non-responsive and the same will not be considered. EMD will be discharged / returned to Unsuccessful Bidders within thirty (30) days of the Bidder being notified as being unsuccessful. However, for successful bidder, EMD will be discharged on executing the Contract and furnishing the Performance Bank Guarantee (PBG).	We understand that bidder will get this PBG on signing of MSA not on executing the Contract, please confirm our understanding.	As per RFP
221	3.8 Price and Information, Pg No. 22	The bidder should quote the fee considering all costs including the costs of insurance for the Contract Period.	Please define the value of coverage amount of insurance.	Details regarding CTC breakup shall be provided to successfully empanelled bidders
222	1.1 Fact Sheet Pg No. 9	Last Date and Time for submission of bids Online submission of Proposal: 09/02/2026 and 5:00 PM https://www.MahaTenders.gov.in	Please give at least 4 weeks' time after publishing of pre-bid response and corrigendum for bid preparation and submission.	As per corrigendum
223	5.7 Schedule of Staff Placement Pg No. 67	Start of Engagement - Timeline The Bidder is expected to adhere to the following timelines for placement of staff at across various categories and level, upon acceptance of the Work Order issued by the PURCHASER for any resource requirements. # Level Maximum Deployment Timeline 1 State Government / Agency Offices 1 weeks 2 District Government / Agency Offices 2 weeks	In the previous RFP, manpower deployment was defined across three levels – State, District, and Taluka. However, in the current RFP, deployment levels have been limited to State and District only. We request the Authority to kindly clarify whether Taluka-level deployment is envisaged under this empanelment, and if so, to include the Taluka level in the tender documents with appropriate provisions.	Deployment timelines for any office that is not a State Government / Agency offices shall follow the timelines defined for District Government / Agency Offices
224	Section no: 3.1 Physical Bid Submission, Page no. 14	3.1 Physical submission of ONLY the following documents shall be accepted by the Purchaser in accordance with details specified in the Fact Sheet: 1. Bank Guarantee of EMD (Original). 2. Power of Attorney in the name of the person executing the Bid, authorizing the Signatory to commit the Bidder (Original).	We request you to kindly clarify the stage at which the bidder is required to submit the relevant documents.	As per RFP
225	Section no: 3.3 Pre - Qualification Criteria, Point no. 6, Page no. 16	Bidder should have experience of executing projects as given below, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. One Project of value at least 8 Crores OR Two Projects of value at least 6 Crores each OR Three Projects of value at least 4 Crores each	Since, this tender is very close to providing manpower in the multiple locations of MahaIT's various offices and locations, we hereby request you to consider only the experience of executing projects in providing manpower to Central / State Government bodies / PSUs / Agencies. Also, as this project is heavily dependant on timely compliance and timely payment, so any type of manpower(Technical-Skilled/Semiskilled) providing experience should be considered.	As per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
226	Section no: 3.3 Pre - Qualification Criteria, Point no. 7, Page no. 16	Bidder should have at least 150 professionals on their payroll	In this tender, manpower to be deployed is across Maharashtra and which will require more than 300 manpower. So, we kindly request you to revise the criteria as follows: Bidder should have experience of providing atleast 300 manpower comprising of atleast 15 categories(Technical skilled, semi-skilled) supplied at minimum 50 locations across 15 districts in Maharashtra in last 3 years till the due date of bid submission to govt./psu. having completed value not less than 20 CRs. Accordingly marking should be revised.	As per RFP
227	Section no: 4.4 Evaluation - Technical , Point no. e, Page no. 26	Maximum top 10 technically shortlisted bidders per category will be informed of the date and venue of the opening of the commercial proposals through a written communication.	Kindly provide rational behind this clause Also, kindly clarify the criteria for determining bidders under each category. In case less than 10 bids are received, please specify how the categorization will be handled.	As per RFP
228		Requirement of manpower	Kindly provide category wise number of manpower required. Also, kindly inform the locations where such manpower to be deployed.	As per RFP
229	page 9	Consortium	Sir, considering the Scope of work and the project requirement we kindly request to allow the consortium.	As per RFP
230	no.9 Sr no 8,9	Last Date and Time for submission of Pre-bid Queries for Clarifications: 27/01/2026 and 12:00 PM; Date, Time and place of Pre-Bid Conference: 30/01/2026 and 12:00 PM	Dates mentioned online on Tender Portal and dates mentioned in Tender document do not match for Pre-bid. We request you to clarify pre bid meeting date as the date mentioned on MahaTenders site i.e. receipt of queries till 01.02.2026 12PM and pre-bid meeting to be followed on 03/02/2026.	As per portal
231	Point No. 7 Page No.21	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following	The technology / category of resources asked is not possible for vendors to provide under work order. Because the work order do not specify technological details. Hence, request to remove the technology and mention designation only.	As per corrigendum
232	Page No.21	Bidder should have at least 150 professionals on their payroll.	We request you to allow the self-certification by HR Department in place of supporting documents in the form of authorized bank account statements.	As per corrigendum
233	Page No.15	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years.	We request you to relax this criteria to 20 crores as most of IT company have lesser Manpower supply since they work on projects.	As per corrigendum

266	Page No. 16 3.3 Pre - Qualification Criteria	Point No. 7: Bidder should have at least 150 professionals on their payroll. and Page No. 19 3.4 Technical Criteria <u>Point No. 3: Professionals: Number of professionals as on the last date of bid submission related to IT sector.</u>	We request you to kindly consider IT professionals deployed on payroll under same holding company in another subsidiary/ step down subsidiary.	As per corrigendum
267	Page No. 29: 4.13 Performance Bank Guarantee Point 2. a.	The successful bidder shall at his own expense, deposit with PURCHASER, and Performance Bank Guarantee of value equal to 5 Crore for each category that they are successfully empanelled.	We request your kind office to rationalize the Performance Bank Guarantee. Example: The present requirement shows 1250 IT Office Assistant whose salary is Rs. 26,000 per month. The service charges @10% assumed will be Rs. 2600 x 1250 = Rs. 32.50 Lakh per month (32.50 x 12 = Rs. 3.90 Cr per annum) for all the empanelled bidders cumulatively. Thus, the PBG of Rs. 5 Cr. for each category from empanelled bidders not justified. The PBG rate should not be more than 3% of the expected maximum service charges for each individual bidder in each category.	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work
268	Page No-40(3.4Technical Criteria)	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. 1)One Project of value at least ₹ 8 Crores – 10 Marks 2)Two Projects of value at least ₹ 8 Crores each – 15 Marks OR 1)Two Projects of value at least ₹ 6 Crores each – 10 Marks 2)Four Projects of value at least ₹ 6 Crores each – 15 Marks OR 1)Three Projects of value at least ₹ 4 Crores each – 10 Marks 2)Six Projects of value at least ₹ 4 Crores each – 15 Marks If the Bidder has provided IT manpower resources in minimum 3 districts pan India as part of the same work order: 5 Marks	We have several projects with TCVs comparable to or exceeding this value, though they are in the Infra domain. On Bench 3. Marks	Kindly clarify, what do we mean from On bench, as generally the senior resources are deployed / engaged in any active / ongoing projects.	As per corrigendum

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
280	3.4 Technical Criteria, Evaluation Framework, Serial No. 4, Page No. 20	General Experience: Experience of executing projects, over the last 3 financial years (2022-23, 2023-24 and 2024-25) comprising of supply of IT/ITeS/ICT manpower to different locations in India. If the Bidder has provided IT manpower resources in minimum 3 districts pan India as part of the same work order: 5 Marks	We request the authority to consider allowing experience across multiple districts/states under different work orders to be considered at par, as this equally demonstrates the bidder's capability to deploy and manage technical manpower at scale while encouraging wider competition.	As per corrigendum
281	3.4 Technical Criteria, Evaluation Framework, Serial No. 5, Page No. 20	Manpower Supply Experience: Work orders on Manpower supply for IT/ITES Projects 1) 1 to 3 Projects – 7 M 2) 4 to 6 Projects – 10 M 3) 7 to 10 Projects – 12 M 4) 11 or more Projects – 15 M	We kindly request the authority to accept experience gained through multiple work orders issued under the same project, as this equally demonstrates relevant project execution capability and will ensure a fair opportunity for capable bidders possessing such experience.	As per corrigendum
282	3.4 Technical Criteria, Evaluation Framework, Serial No. 7, Page No. 20	The bidder should have experience for providing following Candidates Profile: 5 deployed resources for each of following, Each Category – 2 Marks	We kindly request the authority to consider relaxing the condition by allowing bidders to demonstrate experience in any 7 out of the 10 categories, with 3 marks each for 6 categories and 2 marks for the 7th category, so as to maintain evaluation rigor while enabling fair participation by capable bidders.	As per corrigendum
283	4.4 Evaluation – Technical, Point e Page no. 26	Maximum top 10 technically shortlisted bidders per category will be informed of the date and venue of the opening of the commercial proposals through a written communication.	We kindly request the department to clarify the following points: 1. Whether there is any evaluation criteria for the individual categories. 2. How the department will finalize the category of bidders.	As per RFP
284	4.6 Financial Evaluation, Point no. 1, 7 & 8, Page 27	1. Financial Bids (as given in Annexure -5) of only the top 10 technically qualified Bidders in each Manpower category will be opened. 7. TEC will ask all the technically qualified Bidders to match the Final Tender Sheet Rate. 8. All the Bidders who agree to match the Final Tender Sheet Rate will be considered as Empanelled for the technical manpower resource requirements	There is a possibilities that all the top 10 technically qualified bidder's may not agree to match the Final tender sheet rates (lowest L1 value) - We would request Authority to open the financial bids of all technically qualified bidders, instead of restricting to top 10 bidders.	As per RFP
285	4.7 Award Criteria Award Criteria, Point no. 4, Page 27'	The empanelled Agencies will have to submit Performance Bank Guarantee of ₹ 5 Crore as per the terms of this RFP for each category that they are empanelled.	We request the authority to kindly consider reducing the Performance Bank Guarantee (PBG) for all categories as follows: 1 Category – ₹1 Crore 2 Categories – ₹2 Crore 3 Categories – ₹3 Crore All 4 Categories – ₹5 Crore This reduction will assist bidders in managing their cash flow effectively during the execution of the project.	Performance Bank Guarantee ₹ 1,25,00,000 (Indian Rupee One Crore Twenty Five Lakh Only) Note: The successful bidders would be required to submit a separate bank guarantee for each Resource Supply category that they are empanelled for as per the Scope of Work
286	4.7 Award Criteria Award Criteria, Point no. 5, Page 27'	The empanelled agencies will be required to undertake the work in any part of the state/country/globe.	We assume that "globe" is typo, please confirm	As per RFP
287	4.7 Award Criteria Award Criteria, work allocation process. , Page 28'	Whenever there is any requirement for any category of resource, first preference to hire the resource will be given to the firm who had quoted the L1 price for the said category, provided the firm has not exhausted its limit (Maximum limit of resources is defined based on the turnover of the firm)	Once all the qualified bidders who have matched the L1 rates then we could not understand the relevance of giving preference to the bidder who quoted the L1 price. If the bidder who has quoted the L1 rates (assuming that you are referring to initial bid) has Turnover more than ₹ 150 Crore then in that case there is no limit of providing the resources, so in this case no other bidder will get any business. We request you to kindly make the this clause fair & equitable.	As per RFP
288	5.4.2 Manpower Category Wise Service Rates: Page no. 62	The bidders are expected to provide service charges while maintaining a due understanding of the overall cost per resource in the market.	We request the authority to kindly elaborate whether bidders are required to submit quotes that include the vendor margin as well as all other associated costs. We request clarification in this regard	As Per RFP

#	RFP Page No.	Content in the RFP	Clarification Requested	Response from MahaIT
289	5.7 Schedule of Staff Placement, Start of Engagement – Timeline, Page No. 67	Maximum Deployment Timeline	We Request the department to kindly increase the deployment timeline from 7 days to 45 days as its practically not possible to source and deploy resources within 7 days.	As Per RFP
290	5.7 Schedule of Staff Placement, Replacement Staffing Timeline, Page No. 68	Replacement Deployment Timeline	We Request the department to kindly increase the deployment timeline from 7 days to 30 days as it's practically not possible to source and deploy resources within 7 Days.	As Per RFP
291	5.8 Payment Schedule, Page No. 66	For the purpose of calculating payments, there will be two documents:	We are unable to locate specific payment terms and payment schedule in the RFP document. Kindly clarify the milestone-wise payment structure, including percentage break-up linked to implementation, Go-Live, and post Go-Live phases, to enable accurate commercial submission.	As Per RFP
292	5.8 Payment Schedule, Page No. 66	For the purpose of calculating payments, there will be two documents:	Kindly clarify the payment timeline (number of days) applicable after submission of invoices, i.e., whether payments will be released within 5/10/15/30 days, and from which date (invoice submission / acceptance / milestone sign-off).	As Per RFP
293	5.8 Payment Schedule, Page No. 66	Additional Query	We also request you to have monthly payment milestone and payment terms as immediate because we could see that there is a penalty/termination condition if the salaries are not paid on timely basis.	As per RFP
294		5 Bidder should possess all of the following certifications a. CMMI level 3 or above b. ISO 9001 c. ISO/IEC 20000 Which should be valid at the time of submission of bid.	In this regard, we humbly request your kind consideration to review and suitably amend this clause to allow equivalent CMMI Level 5 certifications from any recognized and competent institution. Such a modification would facilitate wider, fair, and transparent participation while continuing to uphold the quality and process standards envisaged in the tender.	As per corrigendum
295	Earnest Money Deposit (EMD), Pg. No 09	₹ 1,50,00,000 (Indian Rupees One Crore Fifty Lakhs Only) in form of Bank Guarantee as per format provided in Annexure of this volume of the RFP.	As per the tender, the EMD amount is specified as INR 1.50 Crore. We would like to request relaxation or exemption from the EMD requirement, as our organization is registered under MSME. We kindly request you to consider extending the applicable MSME benefits in this regard.	As per RFP
296	Pg. No. 15 3.3 - Pre-Qualification Criteria Serial No. 2	Bidder should have an average annual turnover of at least ₹ 100 crores over the last 3 financial years (2022-23, 2023-24 and 2024-25).	The tender specifies a minimum annual turnover of INR 100 Crore from the standalone organization. Being an MSE, we respectfully request relaxation on this criterion. We propose that the turnover requirement may kindly be considered in the range of INR 75–85 Crore to enable broader and fair participation.	As per corrigendum
297	Technical Qualification Criteria	Copy of client citations / Work Orders showing all the details sought on client letter heads AND Completion/ongoing Letter from client showing all the details.	As per the eligibility criteria, it is specified that the work order and completion certificate must be issued on the client's letterhead. We respectfully request you to kindly consider accepting relevant purchase orders, along with CA-certified confirmation of the same, as valid documents for the purpose of evaluation.	As per corrigendum
