

**MADHYA PRADESH STATE ELECTRONICS DEVELOPMENT CORPORATION
DEPARTMENT OF SCIENCE & TECHNOLOGY MADHYA PRADESH**

Government of Madhya Pradesh

REQUEST FOR PROPOSAL

**Supply, Installation, commissioning, Integration, and Setup of servers and
virtualization infra for MP State Data Centre.**

MPSEDC/SDC/2025/660

State IT Centre, 47-A, Arera Hills Bhopal-462011

Ph. 0755-2518600, 2518300

Email: marketing@mpsdc.com, Website: www.mpsdc.com

DISCLAIMER

All information contained in this Request for Proposal (RFP) provided is in the good interest and faith. This is neither an agreement and nor an offer/ invitation to enter into an agreement of any kind with any party.

Though adequate care has been taken in the presentation of this RFP document, the interested bidders shall satisfy themselves that the document is complete in all respects. The information published in this document is not intended to be exhaustive. Interested Bidders are required to make their own enquiries and assumptions wherever required.

Intimation of discrepancy, if any, should be given to the specified office immediately. If no intimation is received by this office by the date mentioned in the document, it shall be deemed that the RFP document is complete in all respects and firms submitting their bids are satisfied that the RFP document is complete in all respects.

Madhya Pradesh State Electronics Corporation Limited, Bhopal reserve the right to reject any or all of the applications submitted in response to this RFP document at any stage without assigning any reasons whatsoever. Madhya Pradesh State Electronics Corporation Limited, Bhopal also reserves right to withhold or withdraw the process at any stage with intimation to all who have submitted their bids in response to this RFP.

Madhya Pradesh State Electronics Corporation Limited, Bhopal, reserves the right to change/ modify/ amend any or all of the provisions of this RFP document without assigning any reason. Any such change would be communicated to the bidders by posting it on the website of MP Tenders. Neither Madhya Pradesh State Electronics Corporation Limited, Bhopal nor their employees and associates will have any liability to any prospective Bidder interested to apply or any other person under the law of contract to the principles or resolution or unjust enrichment or otherwise for any loss, expense or damage which may raise from or be incurred or suffered in connection with anything contained in this RFP document, any matter deemed to form part of this RFP document, the award of the Assignment, the information and any other information supplied by or on behalf of Madhya Pradesh State Electronics Corporation Limited, Bhopal or their employees and Bidder or otherwise arising in any way from the selection process for the Assignment.

Information provided in this document or imparted to any Bidder as part of RFP process is confidential to MPSEDC, Bhopal and shall not be used by the Bidder for any other purpose, distributed to, or shared with any other person or organization.

Bid Data Sheet

Particular	Details
Name of the Client	Madhya Pradesh State Electronics Development Corporation Ltd. (MPSEDC)
Address and Concerned person for Correspondence	Chief General Manager, MPSEDC, State IT Center, 47-A, Arera Hills, Bhopal, Madhya Pradesh
Method of Selection	L1 (Least Cost Based Selection)
Date for Publish of RFP	29.11.2025
Pre-bid Meeting	5.12.2025, 12.30 pm
Start Date of submission of Bid	12.12.2025, 3.30 pm
Last date of Bid Submission	18.12.2025, 3.30 pm
Date and time for opening of Technical Proposal	19.12.2025, 3.30 pm
Email address to send the Pre-bid queries	marketing@mpsdc.com , & info@mpsdc.gov.in
Pre-Bid Teams Meeting Details –	Pre-bid meeting will be held online. https://teams.microsoft.com/l/meetup-join/19%3ameeting_ZTAyYThmNzItYWVhOCooM2E1LThlNTQ0tNTQxMjkwMDBkNzZh%40thread.v2/o?context=%7b%22Tid%22%3a%22eebb06a9-73bf-4b39-bcd5-d62a3c02e6fo%22%2c%22Oid%22%3a%22fb138a6b-50e6-4ba7-bc89-3fca59c70b9c%22%7d Meeting ID: 452 616 751 920 24 Passcode: J69TL2i6 Pre bid queries should be submitted at marketing@mpsdc.com & info@mpsdc.gov.in in both .xls and .pdf formats till three (3) days before Pre-bid meeting and should be as per format given under Section VI. If queries submitted later to this or if not in prescribed format, the same may not be considered. a) Clarifications sent through any other medium and format shall not be accepted.

Particular	Details
	The queries of only Bidders shall be responded to; hence, OEMs are advised to submit queries through bidders only. Also, please be noted that the same set of queries should not be shared through multiple bidders.
Cost of document	Rs. 1000.00 + Processing Fees (non-refundable) to be paid online through the e-procurement portal.
EMD / Bid Security Amount	Rs. 15,00,000/- (Fifteen lakh) only to be paid online through e-procurement portal. EMD in form of Bank guarantee not acceptable. No exemption in EMD will be allowed.
EMD Exemption	EMD Exemption for Start-ups Registered in Madhya Pradesh: Only those Start-ups which are registered in the State of Madhya Pradesh and recognized under the Madhya Pradesh Start-up Policy or by the Department for Promotion of Industry and Internal Trade (DPIIT) as a Start-up, shall be eligible for exemption from payment of Earnest Money Deposit (EMD) under this RFP. The bidder must submit Valid Start-up Recognition Certificate Issued under the Madhya Pradesh Start-up Policy, or DPIIT Start-up Recognition Certificate along with the bid to claim the exemption.
Date and time for opening of Financial Proposal	The date and time would be communicated to the qualified bidders through MP Tender portal.
Performance Bank Guarantee	The successful bidder shall be required to submit performance guarantee equivalent to 3% of the order value for the satisfactory performance/completion of the complete order (Including contract period plus 60 days), in the form of Bank Guarantee with MPSEDC LTD.
Method of submission of Proposal	Only through e-Procurement portal of MPSEDC (website www.mptenders.gov.in)
Validity of Bids	Minimum 180 days from the due date of submission of proposal as mentioned in this TENDER or the subsequent corrigendum (if any)

Particular	Details
Name of the Client	Madhya Pradesh State Electronics Development Corporation Ltd. (MPSEDC)
Address and Concerned person for Correspondence	Chief General Manager, MPSEDC, State IT Center, 47-A, Arera Hills, Bhopal, Madhya Pradesh
Process for Selection and Evaluation	The selection of the Successful bidder would follow a two-stage process: Stage 1: Technical Evaluation. All the agencies responding to this tender would need to meet the pre-qualification/technical criteria as prescribed in to get qualified for the Stage 2. Stage 2: Financial Evaluation & Selection

Note: or instructions

- a) Tender document can be viewed/ downloaded from the website www.mptenders.gov.in
Bidder has to submit the processing fee and other applicable fee (if any) with tender only.
- b) Any further corrigendum/ addendum shall be uploaded on the www.mptenders.gov.in
- c) The Bidders are informed that the selection of bidder shall be on the basis of the Process for selection specified in this RFP.
- d) Deficiencies in providing the information requested may result in rejection of the proposal. MPSEDC's decision in this regard shall be final and binding.
- e) The cost to be incurred by the prospective bidders to prepare the proposals and for negotiating the contract, including any visits to MPSEDC will not be reimbursed.
- f) Bids from consortium are not acceptable.
- g) During pre-qualification /technical evaluation of the Proposals, MPSEDC may, at its discretion, ask the bidders for clarifications on their proposal. The bidders are required to respond within the time frame prescribed by MPSEDC.
- h) At any time prior to deadline for submission of proposal, MPSEDC may for any reason, modify the RFP. The prospective bidders having received the RFP shall be notified of the amendments through website www.mptenders.gov.in and such amendments shall be binding on them.
- i) **Right to reject any or all Proposals:** Notwithstanding anything contained in this RFP, the MPSEDC reserves the right to accept or reject any Proposal, at any time without any liability or any obligation for such acceptance, rejection or annulment, and without assigning any reasons thereof.

- j) Without prejudice to the generality of Clause vii above, the MPSEDC reserves the right to reject any Proposal if: (a) at any time, a misrepresentation is made or discovered, or (b) the Bidder does not provide, within the time specified by the MPSEDC.

Definitions

Authorised Signatory	The proposer's representative/ officer vested (explicitly, implicitly, or through conduct) with the powers to commit the authorizing organization to a binding agreement. Also called signing officer/ authority having the Power of Attorney (PoA) from the competent authority of the respective firm.
Proposal	A formal offer made in pursuance of an invitation by a procuring entity and includes any tender, proposal or quotation
Proposals Security	A security provided to the MPSEDC by a proposer for securing the fulfilment of any obligation in terms of the provisions of the RFP documents.
Proposer	Any person/ firm/ agency/ company/ contractor/ supplier/ Agency participating in the procurement/ RFP process with the procurement entity
RFP Document	Documents issued by the MPSEDC, including any amendments thereto, that set out the terms and conditions of the given procurement and includes the invitation to Proposals
CMC	Contract Monitoring Committee
Competent Authority	An authority or officer to whom the relevant administrative or financial powers have been delegated for taking decision in a matter relating to procurement. CGM, MPSEDC in this RFP document.
Contract/ procurement Contract	A contract entered into between the MPSEDC and a successful proposer concerning the subject matter of procurement
GoI/ GoMP	Govt. of India/ Govt. of Madhya Pradesh
Day	A calendar day as per GoMP/ GoI.
INR	Indian Rupee
IT	Information Technology
NIT	Notice Inviting Tender
Notification	A notification published in the Official Gazette
PAN	Permanent Account Number
PC	Procurement/ Purchase Committee
Procurement Process	The process of procurement extending from the issue of invitation to Proposals till the award of the procurement contract or cancellation of the procurement process, as the case may be
Project Site	Wherever applicable, means the designated place or places
Services	Any subject matter of procurement other than goods or works and includes physical, maintenance, professional, intellectual, consultancy and advisory services or any service classified or declared as such by a MPSEDC and does not include appointment of any person made by MPSEDC.

State Government	Government of Madhya Pradesh (GoMP)
Subject Matter of procurement	Any item of procurement whether in the form of goods, services or works
WO/ PO	Work Order/ Purchase Order

Acronyms

BG	Bank Guarantee
EMD	Earnest Money Deposit
GoMP	Government of Madhya Pradesh
GoI	Government of India
IT	Information Technology
RFP	Request for Proposal
STQC	Standardization Testing and Quality Certification
UAT	User Acceptance Test
O&M	Operations and Maintenance
GIGW	Guidelines for Indian Government Websites
PQ	Pre-Qualification
PBG	Performance Bank Guarantee
CMS	Content Management System
SDC	State Data Centre
DR site	Disaster recovery Site
SI	System Integrator
JV	Joint Venture
NDR site	Near Disaster recovery Site

1. Introduction

M.P. State Electronics Development Corporation Ltd. is the agency of the state working towards promotion & implementation of IT and e-Governance. It is the single-point of access to any IT business opportunity in Madhya Pradesh and encourages various players in the field of IT to come forward and

invest in the state of Madhya Pradesh.

MPSEDC is committed to generate IT business for the public/private sector with a mandate from the Government to develop IT in the state. This includes opportunities for software development, supply of hardware & peripherals, networking and connectivity, web applications, e-commerce, IT training and an entire gamut of direct and indirect IT businesses.

2. Eligibility / Qualification Criteria

The bidders interested in bidding for the tender should meet the minimum eligibility criteria as mentioned below:

SN	Basic Requirement	Specific Requirements	Documents Required
1	Legal Entity	The Bidder shall be a legally registered entity in India and shall have been in operation for at least Three years as on date of bid submission Consortiums or Joint Ventures are not allowed.	Certificates of incorporation or Registration Certificates
2	Financial Turnover	Average annual turnover of the bidder shall be at least Rs 10 Crores in India during last three financial years i.e. for the year ending March 31, 2022-23, 2023-24, and 2024-25 as per audited financial statements.	CA Certificate along with UDIN clearly defining the turnover as per format given in Annexure - 12 along with Audited Financial Statements (Balance sheet & Profit & Loss statement) Note – If the values mentioned in the submitted certificate do not match or are not available on the UDIN portal, the values available on the UDIN portal will take precedence, and further decisions will be made in accordance with the RFP.

3	Experience in Data Centre or Disaster Recovery site projects of IT infra implementation and O&M	The bidder must have successfully completed an assignment of similar nature involving the Supply, Installation, Configuring, and Maintenance of Data Centre or Disaster Recovery site projects of IT infra implementation and O&M within India Provided that project shall not be of the period prior to 1st April 2020 and must have undertaken for any of the following: A) State or Central Government OR B) State or Central PSU OR C) Scheduled Commercial Banks (as per RBI's latest notification) The below mentioned order values are applicable for the above criteria: The bidder should have undertaken - One project of a similar nature with a minimum value of INR 2.5 Crores. OR The bidder should have undertaken Two projects of a similar nature, each with a minimum value of INR 1.5 Crores. OR The bidder should have undertaken Three projects of a similar nature, each with a minimum value of INR 1 Crores. Note: Only supply orders shall not be considered. The Bidder should	Related work orders/ Agreements/ Purchase Order along with duly sealed signed certificate from end Client for such work. (email communication/ testimonials etc. would not be considered) OR Relevant Work Orders/ Agreements/ Purchase Orders, along with a Certificate from a Chartered Accountant (with UDIN) confirming completion of the project, shall be submitted (email communication/ testimonials etc. would not be considered) Note: - At least any one of the above document should clearly define the value of the order. - The ongoing projects can be considered if the bidder has received payments equivalent to the stated amount, which should be clearly substantiated by Client Certificate or Chartered Accountant certificate with UDIN as per the illustrative format provided in Annexure-13 - Project experience to be enclosed as per Annexure 5 given. Note: If the values mentioned in the submitted CA certificate do not match or are not available on the UDIN portal, the values available on the UDIN portal will take precedence, and further
---	---	--	---

		have provided FMS/Data Centre Operation for such projects.	decisions will be made in accordance with the RFP.
4	OEM Authorization Certificate	The bidder should be an OEM of proposed device/solution or their authorized representative in India.	The bidder should submit the MAF (Manufacturer authorization Form) certified by the OEM. The Bidder should provide the proof of the Warranty Support with the OEM. (MAF certificate and Warranty support certificate.)
5	OEMs Turnover	The OEMs of the quoted products shall have a minimum average annual turnover of Rs. 500 Crores in each of the last three financial years, i.e., FY 2022-23, FY 2023-24, and FY 2024-25	CA Certificate along with UDIN clearly defining the turnover or Audited Financial Statements (Balance sheet & Profit & Loss statement).
6	Certifications	Bidder should have following valid certifications as 1. ISO 20000-1 (2018 or Later Revision) 2. ISO 27001 family (2013 or Later Revision)	Valid certifications as on last date of bid submission
7	Statutory Registrations	Shall have been registered with: - 1. Employees Provident Fund (EPF) 2. GST 3. PAN	Registration copy of such valid certificates shall be enclosed as proof.
8	Mandatory Undertaking	The bidder Shall not be black listed by any Central/State Government department or Corporation or Board or MP State PSU or Semi-Govt organization as on date of bid submission.	An undertaking to this effect should be submitted on its letter head as per Annexure - 7: Self-Declaration
09	Sourcing Compliance	The bidder (including OEM) shall not supply, deliver, or source any material, equipment, software, sub-system, or components originating in or routed through any country sharing a land border with India, unless specifically registered with the Competent Authority as per Government of India guidelines.	Bidders shall submit a self-declaration (on letterhead) confirming compliance with the requirement.

Note:

1. Proposals of bidders which do not conform to all the above eligibility criteria will not be considered for technical evaluation and shall be summarily rejected without any separate notice or assigning any reason whatsoever.
2. Project experience credentials (Work orders/ Agreements/ Purchase Order/Invoice) and project completion certificates provided by the bidders, in case required; shall be verified from issuing authority/Client.
3. In case of any false representation from Chartered Accountant in issuing Turnover/Project status certificate, the incident will be reported to the Institute of Chartered Accountants of India (ICAI).

3. Scope of Work

The selected bidder/OEM shall be responsible for end-to-end delivery, including supply, installation, integration, configuration, testing, documentation, and knowledge transfer. The scope of work mentioned in this section are minimum requirements, Bidders may propose a better or more optimized solution that meets the objectives specified in this RFP. Also, Bidders are advised to carry out their own assessment of requirement before submission of the response to this bid. Anything which is missing in this section but required for successful execution of the project (as per the defined SLAs) anytime in future shall be provided by the Bidder without any additional cost to MPSEDC.

3.1 Supply, Installation and Commissioning of new IT and Non-IT infra at SDC

A. Design Principles of infra requirement

SI should ensure that overall solution should meet the below principles:

- a) **Scalable** – The initial setup of fixed quantity would further get incremented as and when required by MPSEDC. Hence, the design proposed by the Bidder must be scalable, both horizontally and vertically, to expand up to the required capacity.
- b) **Flexible** –The infrastructure needs to be flexible to cater to a variety of workloads e.g. physical and virtual compute, traditional workloads; SSD/flash storage, magnetic storage. There should not be any vendor lock-in in terms of hardware and software.
- c) **Modular Design and Technology** – Must have the latest technology to be able to cater to the needs of the next minimum 5 years. Hence, it must be built with the latest technology components, such as for suitable cloud workloads, leaf spine network architecture, distribution and core design, and disk-based backup.
- d) **Lean and Clean Design** –Bidder must follow the recommended measures for a lean and clean design – e.g. structured cabling for the SDC infrastructure etc.

3.2 Minimum list of items to be provided by the SI-

Table 1 : Minimum list of items to be provided

S. No	Item	DC- Quantity/Capacity
1.	Rack with Smart PDU	42 U (1 Nos – IT Racks Minimum dimension 1200*800)
2.	Number of minimum cores (Rack/Blade Server)	Minimum 1500 cores (for user applications)
3.	Virtualization Solution	As per compute infra requirement
4.	SAN Switch	2
5.	San Switch Port/Module	2

Please Note:

Throughput and Bandwidth should be as per the solution. The SI should ensure that there should not be any bottleneck pertaining to throughput and bandwidth, while transferring data end to end.

4. Other Design Considerations/Principles to be incorporated in Bidder's solution:

- a) Network to support bandwidth as per design and solution requirements
- b) All new Hardware & Software should be factored by Bidder for current proposed solution.
- c) SI can propose either Rack Server or Blade Server in their solution to accommodate all required cores.
- d) Bidder should also supply any virtualization solution against supplied compute core as per requirement.

B. Supply and Installation services for IT equipment's as per Annexure-V

The SI shall carry out supply, installation and support of new infrastructure in the SDC as mentioned below:

- a) The installed and commissioned IT infra shall provide minimum 1500 cores of new usable capacity. Infra required for it's management (cores & storage) shall be over and above this and not considered as "usable capacity" of the SDC.
- b) New infra-augmentation is to be done in a virtual environment. The SI shall develop a mechanism for automatic scale-up or scale-down of services, automatic switch over/failover, and automated infrastructure management through dashboard.
- c) Since the expansion setup area is extension of existing server farm area which is having peripheral cooling it must be ensured that installation and configuration of supplied item must in no way impact existing IT, non-IT & allied environment.
- d) Supplied items shall be in-sync and can be integrated seamlessly (whenever required) with the existing infrastructure (both IT and non-IT). There must not be any additional purchase required to accomplish the integration and if required, same has to be done by SI without any additional cost to the MPSEDC and shall carry out the integration work within one month of the requirement raised. SI shall be responsible for the connectivity of the installed system (IT and Non-IT) with the SDC electrical supply/panel. SI shall procure the required electrical components to establish the seamless connectivity.
- e) In case, certain components which are required to meet the SLA's but not included in this RFP, the Bidder shall include such equipment in the unpriced bill of material and quote for the same in their Financial bid. It may be noted that specifications provided in this RFP are minimum requirement and SI can procure better equipment if required to meet the SLAs.

- f) All the work shall be done in a conscientious manner as per the OEM guidelines and best industry practices. The system shall be subjected to inspection at various stages. Local regulation / codes shall be followed all the times. The SI shall follow all safety regulations and practices.
- g) SI shall not cause any damage to the existing infrastructure of MPSDC / DR Site and shall need to perform restoration if any damage occurs.
- h) SI to carry out complete system administration/support, including but not limited to management of users, processes, preventive maintenance and management of IT and Non-IT infrastructure including updates, upgrades and patches to ensure that the system is properly updated & maintained.
- i) Entire solution shall be IPv6 implementation ready and shall configured with both IPv6 & IPv4 i.e. in Dual Stack mode from day one.
- j) SI must consider cost of all passive material like patch panel, cabling (Fiber, copper), PDU, SFP etc. to install the aforesaid equipment's at designated sites in line with scope of work & technical specification as mention in the RFP.

C. Configuration of supplied IT and Non-IT equipment

SI has to configure Infra in a manner that it complies to following requirements mandatorily-

- a) Scalable without any downtime.
 - i. For non-IT components, existing Data Center is limited by constraints related to power and space. However, SI has to ensure that supplied infrastructure should have the capacity to scale up, if Data Center overcomes its limits for power, space etc. in future.
 - ii. For IT components, Virtual Private Cloud (VPC) – IaaS and PaaS i.e. fully virtualized, be built in such a manner that it should scale up and down, left and right, based on system load and other standard performance metrics.
- b) Automated scaling for Compute (CPU and RAM) and Storage unless manually stopped.
- c) Automated provisioning & de-provisioning of compute and storage i.e. virtual machines with all networking and security dynamically done.
- d) Automated audit logging of administrative activities performed by whomsoever.
- e) Automated alerts and monitoring for events and incidents.
- f) Automated security alarms and threat detection.
- g) Automated periodic report of resource utilization by different user departments.
- h) All automated alarms should have capability to be categorized and notify designated users (based on role).
- i) Shall have capability to recover within Mean Time to Repair or Restore - MTTR (2 Hours or less), with option to provision IaaS and PaaS manually during the failed period.
- j) Solution shall have provision of metering to generate application/VM (Virtual Machine) wise billing / prices.

D. Final Acceptance Testing (FAT)

- a) The Final Acceptance Test plan shall be submitted by SI to MPSEDC for approval. FAT shall be carried out jointly by SI and MPSEDC and/or Third party appointed by MPSEDC. On successful completion of FAT, certificate for the same shall be issued by MPSEDC to the SI. The date on which FAT certificate is issued for supplied infra shall be deemed to be the date of successful commissioning of the expansion of SDC and thereafter the Operation and Maintenance will start. Responsibility of SI in FAT shall include below but not limited to-
- i. OEM certification of all the components installed.
 - ii. All hardware and software items must be installed at MPSEDC site as per the specification.
 - iii. Availability of all the defined services shall be verified.
 - iv. SI will arrange the test equipment required for performance verification.
 - v. SI shall be responsible for the security and performance audit by a certified agency.
- b) MPSEDC may require the SI to carry out any test and/or inspection not specified in the Contract but deemed necessary to verify that the characteristics and performance of the Data Centre products and services comply with the technical specifications codes and standards under the Contract. The SI shall be required to carry out such test and/or inspection. The cost of the same shall be borne by MPSEDC.

E. Training

- a) SI shall provide comprehensive training to all the resources deployed at SDC.
- b) All the training materials (approved by MPSEDC) shall be provided by the SI to MPSEDC in the form of soft and hard copy
- c) SI shall provide comprehensive training to MPSEDC or designated in-house member responsible of deployed solution once a year.

F. Documentation

- a) SI shall submit documentation for all new components installed/upgraded by them that includes (but not limited to) original delivery notes, original OEM manuals, system configuration documentation, etc.
- b) SI shall also maintain Standard Operating Procedure (SOP) and SOP documents as approved by MPSEDC for all the components/sub-components/services being maintained/provided by SI.
- c) SI shall submit invoices for all new components and billing to MPSEDC.

G. Support of SDC new infra

All the components mentioned in the RFP shall be provided by the SI with an AMC and support of sixty (60) months from the date of Go-live as specified under Project Implementation and Payment Schedule.

H. Basic Infrastructure Services

- a) Under the scope of Operation & Maintenance Services, SI shall undertake monitoring, administration, management and maintenance of the entire Data Center expansion & Disaster Recovery infrastructure supplied, installed and commissioned by the SI.
- b) Ensure availability and proper functioning of the supplied infrastructure including but not limited to racks, network, security, compute storage & backup and other peripheral equipments installed in SDC.
- c) The SI shall ensure that all the devices that will be installed in the SDC as part of the physical infrastructure shall be Simple Network Management Protocol (SNMP) latest version enabled and shall be centrally monitored and managed on a 24x7 basis.
- d) Industry leading infrastructure management solution shall be deployed to facilitate monitoring and management of the Data Center Infrastructure on one integrated console. The SI shall present the infrastructure management solution to MPSEDC and take its consent before deploying it in the SDC.
- e) The SI shall monitor the performance of the supplied components including usage, availability and analyze the future requirements, if any. In case the requirement exceeds the scalability requirements mentioned, the SI has to upgrade the current infrastructure in order to meet the increase in demand.
- f) The SI shall undertake proactive monitoring of the entire basic infrastructure and diagnose problems that could arise as part of any component supplied by the SI . The SI shall maintain a log of all such diagnosis and notify MPSEDC on a monthly basis in the form of a report.
- g) All faults that have been identified would need to be isolated and rectified appropriately. The report mentioned above would include resolution measures undertaken by the SI and results produced accordingly.
- h) Proactive and reactive maintenance, repair and replacement of defective components (IT/Non-IT) installed at the DC & DR . The cost for repair and replacement shall be borne by the SI.
- i) Adequate onsite and offsite spare parts and spare component must be maintained by the SI to ensure that the uptime commitment as per SLA is met. To provide this service it is important for the SI to have back to back arrangement with the OEMs. The SI will be required to provide a copy of the service level agreement signed with the respective OEMs in case MPSEDC asks to present the same.
- j) Component that is reported to be down on a given date shall be either fully repaired or replaced by temporary substitute (of equivalent configuration) within the time frame indicated in the Service Level Agreement (SLA). In case the SI fails to meet the standards of maintenance, there will be a penalty as specified in the SLA.
- k) SI shall also maintain records of all maintenance of the system and shall maintain a logbook on-site that may be inspected by MPSEDC at any time. All reports related to Operation and Maintenance needs to be submitted to MPSEDC on monthly basis.
- l) The SI shall install software (OS and applications) updates and upgrades for the components supported by them in the DC & DR. This will include the patch upgrade or any type of upgrade for management software, operating systems, network management software, security software, anti-virus software or any other software. Software updates and upgrades will be part of the supplies, at no additional costs to the MPSEDC.
- m) Incidents of failure of any service/equipment must be recorded and reported to MPSEDC immediately. Report with Root Cause Analysis (RCA) post resolving the query must be submitted immediately.

- n) All-important logs (network/LAN & Servers etc.) to be captured and preserved for at least three years in tapes or as per SDC policy communicated later on.
- o) SI shall bear the cost for all type of consumables items required for installation/configuration.
- p) SI should integrate/configure AD/LDAP for centralized access & passwords including user's access like FTP/SFTP etc. will be managed and maintained by this centralized access.
- q) SI shall ensure Microsoft patches will be done by WSUS and Redhat patches will be done by Redhat patch manager server (yum etc.)
- r) Integration with existing enterprise architecture with the help of existing DCO (if required), including:
 - o Directory services (e.g., Active Directory)
 - o DNS/DHCP
 - o Monitoring and alerting systems
 - o SIEM/SOC integration for security
- s) Provide complete technical documentation, including:
 - o HLD and LLD
 - o Configuration details
 - o Replication setup
 - o Test cases and results
- t) Provide onsite Support Services: Hardware & Software.
- u) It is mandatory to provide OEM's Enterprise (Professional) Support Services on a 24x7x365 basis (Indian Standard Time) for all proposed solutions/devices, including weekends and holidays, through Telephone and Email, as per the scope of work defined in this RFP. The respective OEM shall provide written confirmation of the same, failing which, the bid shall be summarily rejected.
- v) The successful bidder should depute a dedicated resource for the deployment of devices/solutions and providing post-implementation support services who will act as a Single Point of Contact (SPOC) for entire project related activities up to the contract period.
- w) OEM representatives must be involved in design finalization, installation, and configuration phases.

4. Instructions to the Bidders

This section specifies the procedures to be followed by bidders in the preparation and submission of their bids. Information is also provided on the submission, opening, and evaluation of bids and on the award of contract. It is important that the bidder carefully read and examine the Tender document.

5. Availability of Tender Document

The Tender document is available and downloadable on following website:
<http://www.mptenders.gov.in>

Tender Fees (non-transferable & non-refundable) must be paid online at e- procurement portal (<http://www.mptenders.gov.in>).

4.1 Preparation and Submission of Proposal

4.1.1 Completeness of Bids

Bidders are advised to study all instructions, forms, terms, requirements and other Information in the tender document carefully. Submission of bid shall be deemed to have been done after careful study and examination of the Tender document with full understanding of its implications. The response to this tender shall be full and complete in all respects. Failure to furnish the information required by the tender documents or submission of a proposal not substantially responsive to the tender documents in every respect will be at the bidder's risk and may result in rejection of its proposal. The tender document is not transferable to any other bidder.

4.1.2 Language

The bid as well as all correspondence and documents relating to the bid exchanged by the bidder and the purchaser, shall be in English language only.

4.1.3 Submission of Bid

The bidder is responsible for registration on the e-procurement portal (www.mptenders.gov.in) at their own cost. The bidders are advised to go through the e-procurement guidelines and instructions, as provided on the e-tenders website. The Bidder shall submit the proposals online as described below-

- a) Proposal that are incomplete or not in prescribed format may be rejected.
- b) The Proposal and Financial Bid shall be submitted only through e- procurement Portal.
- c) Technical Proposal – Scanned copy in PDF file format, signed on each page, with file name clearly mentioning: "Technical Proposal for MPSEDC Tender No MPSEDC/SDC/2025/660, The proposal shall be as per the Technical Proposal format provided in Annexure I: Technical Proposal Formats
- d) Conditional proposals will not be accepted on any ground and will be rejected straightway. If any clarification is required, the same shall be obtained before submission of the bids.
- e) Any alteration, erasures or overwriting shall be valid only if the person or persons signing the bid initial them.
- f) Bidders are advised to upload the proposals well before time to avoid last minute issues.
- g) The bid has to be submitted only through online through www.mptenders.gov.in website. No physical submission of bids would be acceptable.

4.2 Late Bids

Proposal after due date and time will not be accepted.

4.3 Tender Validity

The tender offer must be valid for minimum 180 days from the due date of submission of proposal as mentioned in this tender or the subsequent corrigendum (if any). However, MPSEDC may extend this period, if the bidder accepts the same in writing.

4.4 Cost and Currency

The offer must be given in Indian Rupees only. The price will remain fixed for the period of the contract and no changes for any reason what so ever will be allowed. The bidder shall bear all the costs associated with the preparation and submission of its bid, and the purchaser will in no case be responsible or liable for these costs, regardless of conduct or outcome of bidding process.

4.5 Interpretation of the clauses in the Tender Document

In case of any ambiguity in the interpretation of any of the clauses in Tender Document, the MPSEDC interpretation of the clauses shall be final and binding on the bidder. The decision taken by the MPSEDC in the process of tender evaluation will be full and final.

4.6 Amendment of Tender Document

At any time prior to the deadline for submission of bids, MPSEDC for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, may modify the bid documents by amendment. Any such communication shall be posted on website and bidders are requested to visit the website for updates, modification and withdrawal of offers.

4.7 Earnest Money Deposit EMD

- a) The Bidder shall furnish a bid security as per the amount mentioned in Bid Data Sheet online through e-procurement portal.
- b) No interest shall be payable on EMD under any circumstances.
- c) Unsuccessful Bidder's Bid security shall be discharged or returned within 60 (sixty) days of expiration of the period of proposal validity or after awarding Tender to successful Bidder.
- d) In case of successful bidder, the EMD shall be discharged upon signing of agreement and submission of performance bank guarantee, as per Annexure IV.
- e) The EMD shall be forfeited by MPSEDC, on account of one or more the following reasons-
 - i) If a bidder withdraws its bid during the period of bid validity or submits a conditional bid.
 - ii) If a bidder provides incorrect/ misleading/ false information in the proposal.
 - iii) If a bidder fails to sign the agreement in accordance with terms and conditions (Only in case of a successful bidder) or fails to furnish performance bank guarantee as specified in annexure IV.

5. Bid Evaluation

5.1 Evaluation Methodology

5.1.1 Tender Opening

- a) Bid Opening shall take place through the e-Procurement Portal. Online Proposals submitted along with the EMD/ Bid Security and Tender Fee (Payable Online through the portal) shall be considered for Bid opening as per the timelines mentioned in the Bid Data Sheet.
- b) In case of EMD/ Bid Security is not received as per the timeline mentioned in Bid Data Sheet, the bid submitted in e-Procurement Portal would be rejected.
- c) The EMD/ bid security will be opened at MPSEDC, in the presence of Bidder's representative who may choose to attend the session on the specified date, time and address.
- d) A maximum of two representatives from each Participating Organization would be allowed to attend the Tender Opening. The Bidder's representatives, who may choose to attend the session, can attend the Tender opening at the Date and time mentioned in the Bid Data Sheet or as per the Date and Time revised in the subsequent communication given by MPSEDC through www.mptenders.gov.in
- e) During bid opening preliminary scrutiny of the bid documents will be made to determine whether they are complete, whether required bid security has been furnished and whether the bids are generally in order. Bids not conforming to such preliminary requirements will be prima facie rejected.

To assist in the scrutiny, evaluation and comparison of offers, the MPSEDC may, at its discretion, ask some or all the Bidders for clarification of their offers on any of the points mentioned therein and the same may be sent through email, facsimile. No change in the prices or substance of the bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by MPSEDC in the evaluation of the bids.

5.1.2 Tender Evaluation

To evaluate the tender, MPSEDC shall formulate a Tender Evaluation Committee (TEC) (also referred to as "Evaluation Committee"). The Evaluation Committee shall evaluate the bids as per the following process:

- a) The MPSEDC will evaluate and compare the bids that have been determined to be substantially responsive.
- b) Tender Evaluation Committee shall review the Proposal along with Eligibility / Qualification Criteria. To assist in the examination, evaluation, and comparison of the bids, and qualification of the Bidders, Evaluation Committee may, at its discretion, ask any Bidder for a clarification of its bid.

- c) The Financial Proposals of only those bidders who have been qualified in the Eligibility / Qualification Criteria will be opened in the presence of their representatives, who may choose to attend the session.

5.1.3 Failure to Agree with the Terms and Conditions of the Tender

Failure of the successful bidder to agree with the Terms & Conditions of the Tender / Contract shall constitute sufficient grounds for the annulment of the proposal or the award, in such event MPSEDC would reject the proposal and forfeit the EMD if applicable as specified in the document.

5.1.4 Technical Evaluation Criteria

Technical Proposal for only those Bidders who have submitted compliance of all equipment /items as per technical requirements of the tender and also meets Eligibility Criteria mentioned above would be considered for further evaluation.

5.1.5 Financial Bid Evaluation

- a) The financial bids for qualified bidders will be opened. Financial bids, not substantially responsive or incomplete in any manner, are liable to be rejected.
- b) The bidder with lowest Gross total bid value shall be declared as Lowest Bidder (L1).
- c) Bidder should quote prices as per the prescribed format. Bidder should not leave any field blank. In case bidder has not quoted any value, "0" (Zero) rate would be considered for that item.
- d) To clarify it further, in case the bidder has quoted Zero for any line item, and later if the situation arises during the contract period that the item needs to be replaced as per the scope of work, the bidder needs to replace the item at no cost, as they have quoted zero for that item. No additional payment shall be considered from MPSEDC in this regard.
- e) All the prices are to be entered in Indian Rupees ONLY (% values are not allowed)
- f) Prices shall be quoted inclusive of all Taxes, Duties & Levies except GST which shall be payable extra by MPSEDC as per the prevailing rates. Bidder should indicate the prevailing GST rate against each items in the financial bid. Amount excluding GST will be considered for deciding L1.
- g) The Unit Rate quoted in the financial bid shall be used for the purpose of 'Change Order' or 'Repeat Order' for respective items, if any.

5.1.6 Selection of the Bidder

- a) The technically qualified bidder with least Grand Total Bid price (L1 rate) shall be the successful bidder and shall be awarded the Contract.

- b) In the event that any successful bidder (L1) withdraws or is not ready for engagement for any reason, MPSEDC may invite the vendor with next lowest rate (L2) for engagement provided L2 bidder is ready to accept the rate quoted by L1 bidder.
- c) In case of Grand Total Bid price tie, the bidder with highest turnover will be considered as L1.

6. Confidentialities

- a) Any attempt by a bidder to influence MPSEDC in the evaluation of the bids or contract award decisions may result in the rejection of its bid.
- b) If any Bidder wishes to contact the MPSEDC during/after opening of the Bid to award of contract. He may do so in writing.

7. Terms and Conditions Governing the Contract

7.1 Signing of Contract

- a) The successful Bidder shall execute an agreement within **two weeks** from the date of LoI from MPSEDC. In exceptional circumstances, on request of the successful bidder in writing for extension, MPSEDC reserves the right to grant an extension for appropriate period after getting satisfied with the reasons given. In addition to terms and conditions being mentioned hereunder, all terms and conditions of the Tender and corrigendum issued will also be applicable for the contract.
- b) The agreement shall be between MPSEDC and Successful bidder.

8. Performance Bank Guarantee (PBG)/ Security Deposit

8.1 Performance Security:

The successful bidder will be required to submit performance guarantee equivalent to 3% of the order value for the satisfactory performance/completion of the complete order (Including warranty period plus Sixty days), in the form of bank guarantee with MPSEDC LTD within 15 days from the date of issuance of LOI/W.O. All charges with respect to the PBG / Performance Security shall be borne by the bidder. The PBG / Performance Security will be discharged / returned by MPSEDC upon being satisfied that there has been due performance of the obligations of the bidder under the contract. However, no interest shall be payable on the performance bank guarantee / performance security.

This guarantee may be invoked on violation of any of the condition(s) given below:

- a) If any of services, which shall be given by you, does not perform satisfactorily.
- b) The observed output/deliverables of the project is not in accordance with the approved specification.

- c) The security system is not fool proof with unauthorized person being able to access/infiltrate into the system.
- d) The purchaser suffers losses by way of some of the module generating illegal/ incorrect reports/output.
- e) The tenderer or his employee is involved in any unlawful activity relating to this work.

9. Transfer / Sub-Contracting

The bidder has no right to give, bargain, sell, assign or sublet or otherwise dispose of the Contract or any part thereof, as well as to give or to let a third party take benefit or advantage of the present Contract or any part thereof.

10. Warranty/AMC & Service support period.

Warranty/AMC & Premium service support of proposed products shall be for a period of five years from the date of Go-live. The warranty may further continue after completion of 5 years for the period of one year as per the requirement of MPSEDC.

- I. The warranties and remedies provided in this clause are in addition to, and not in derogation of, the warranties provided in the RFP and the two are to be read harmoniously.
- II. A comprehensive onsite warranty and support applicable on all products supplied under the Contract shall be provided by the respective OEM or OEM certified Bidder and the warranties shall pass on to MPSEDC. The Bidder shall be responsible for making any and all claims under the warranty on behalf of MPSEDC. The Bidder must supply all items with comprehensive on-site OEM warranty valid for the entire Contract duration and one year after the expiry of Contract, after the goods, or any portion thereof as the case may be, have been, installed and accepted (as per Final Acceptance Test) at the final destination(s). However, if delay of installation is more than a month's time due to the reasons as described by the Bidder, the warranty shall start from the date of completion of the job.
- III. The lifecycle of major / critical equipment / appliances procured for the said project shall have a minimum lifecycle of 7 years or more.
- IV. At the time of goods delivery, the selected Bidder shall submit a certificate/ undertaking from all the respective OEMs mentioning the fact that the goods supplied are covered under comprehensive warranty & support for the prescribed period.
- V. MPSEDC shall give a written notice to the selected Bidder stating the nature of any defect together with all available evidence thereof, promptly following the discovery thereof. MPSEDC shall afford all reasonable opportunity for the selected Bidder to inspect such defects. Upon receipt of such notice, the selected Bidder shall expeditiously cause to repair the defective goods or parts thereof or replace the defective goods or parts thereof with brand new genuine/ authentic ones having similar or higher specifications from the respective OEM. Any goods repaired or replaced by the selected Bidder shall be delivered at the respective location without any additional costs to the MPSEDC.
- VI. If having been notified, the selected Bidder fails to remedy the defect within the period specified, the MPSEDC may proceed to take within a reasonable period such remedial action as may be

- necessary, in addition to other recourses available in terms and conditions of the Contract and Tender document.
- VII. During the warranty period, the Bidder shall also be responsible to ensure adequate and timely availability of spare parts needed for repairing the supplied goods.
 - VIII. Bidder shall provide ATS/AMC for the products and Software/solutions provided by the respective OEMs for the period specified in the RFP. The ATS should include upgrades, updates and patches to the respective Software / solution for the above stated period.
 - IX. Bidder warrants that the products supplied under the Contract are new, non-refurbished, unused and recently manufactured.
 - X. Bidder warrants / provides warranty from OEM that the products supplied under the RFP and the Contract shall be of the highest grade and quality and consisted with the established and generally accepted standards for materials of this type. The products shall be in full conformity with the specifications as listed in Annexure-1 of the RFP and shall operate properly and safely. All recent design improvements in products, unless provided otherwise in the Contract, shall also be made available.
 - XI. Bidder further warrants / provides warranty from OEM that the products supplied under the RFP and the Contract shall be free from all encumbrances and defects/faults arising from design, material, manufacture or workmanship (except insofar as the design or material is required by the MPSEDC's Specifications in Annexure-V of the RFP) or from any act or omission of the Bidder, that may develop under normal use of the supplied products in the conditions prevailing at the respective MPSEDC Locations.
 - XII. Bidder warrants that all services under the RFP and the Contract will be performed with promptness and diligence and will be executed in a workmanlike and professional manner, in accordance with the practices and high professional standards used in well-managed operations performing services similar to the services under the Agreement. The Bidder represents that it shall use adequate numbers of qualified individuals with suitable training, education, experience and skill to perform the services hereunder.
 - XIII. MPSEDC shall promptly notify the Bidder in writing of any claims arising under this warranty.
 - XIV. Upon receipt of such notice, the Bidder shall with all reasonable speed, repair or replace the defective products or parts thereof, without prejudice to any other rights which the MPSEDC may have against the Bidder under the Contract. Any product repaired or replaced by the Bidder shall be delivered at the MPSEDC's premises without costs to MPSEDC.
 - XV. If the Bidder, having been notified, fails to remedy the defect(s) within a reasonable period, the MPSEDC may proceed to take such remedial action as may be necessary, at the Bidder's risk and expense and without prejudice to any other rights, which the MPSEDC may have against the Bidder under the Contract.

11. Liquidated Damages

Recover from the Bidder, as liquidated damages and not by way of penalty, a sum equivalent to 1% (One percent) of the undelivered portion of order value per week or part thereof, subject to a maximum of 10% of the value of the Total Contract value. In case the Bidder (including its employees / agents / representatives / subcontractors) is not solely liable for the breach of the Timelines or the Service Levels, amount of liquidated damages shall be deducted on proportionate / pro rata basis depending upon the Bidder's extent of fault in such breach of the Timelines or the Service Levels. MPSEDC shall have the right to determine such extent of fault and liquidated damages in consultation with the Bidder and any other party it deems appropriate. Payment of liquidated damages shall not be the sole and exclusive remedies available to MPSEDC and the Bidder shall not be relieved from any obligations by virtue of payment of such liquidated damages. If the liquidated damages cross the cap on liquidated damages mentioned in this clause, MPSEDC shall have the right to terminate the Contract or a portion or part of the work thereof. The purchase shall give 30 days' notice to the Bidder of its intention to terminate the Contract and shall so terminate the Contract unless during the 30 days' notice period, the Bidder initiates remedial action acceptable to the MPSEDC. Note- Recovery from the bidder in the form

of Liquidated damages shall be applicable on the incidences which are not covered in penalty under section 13 (Service Level Agreements) of RFP.

12. Project Timelines & Payment Milestones

Table 2: Project Implementation and Payment Schedule

S. No	Milestones	Description	Timeline (in week)	Payable
1	Supply, Installation and Commissioning	Supply of complete Infrastructure as per Financial Proposal	T+ 4	15 % of the Work Order Value
2		Installation, commissioning all Infrastructure and system UAT/Verification	T+6	15 % of the Work Order Value
3	Final Acceptance Test and Go-live	Integration with existing infra/solution and FAT of all the Installed, Commissioned Infrastructure and Go-Live (System is in usable state).	T+8	60 % of the Work Order Value
4	Support and Maintenance	Support and Maintenance for 60 months (from the date of go-live)	Go-Live + 60 Months	10 % of the Work Order Value (2% per year from the date of Go-Live) which shall be paid quarterly

1. “T” Refers to date of Work Order.
2. After the successful installation & configuration, proof of all activation of licences needs to be submitted by bidder, the counting of year would begin from the date of Go-Live. From this date the AMC & support period of five years would be started.
3. If the Service Provider achieves Milestone 1 and/or Milestone 2 prior to the stipulated timelines defined in this RFP, an early milestone payment equivalent to five percent (5%) of the value of each such milestone shall be released to the Service Provider.
4. The early milestone payment released for Milestone 1 and/or Milestone 2 shall subsequently be adjusted against the total payment payable under Milestone 3 at the time of its settlement.
5. MPSEDC will make payment after deducting any penalty amount if applicable. No Interest will be paid on delayed payments.

13. Service Level Agreement (SLA) & Penalties

Services will be performed using generally recognised commercial practices and standards. MPSEDC will issue / provide prompt notice of any such services concerns and vender will re-perform any service that fails to meet this standard. The purpose of this Service Level Agreement (hereinafter referred to as SLA) is to clearly define the levels of service that shall be expected by the SI to MPSEDC for the duration of this Contract.

- a) The SI shall be responsible to ensure meeting SLAs requirement of the RFP.
- b) MPSEDC/Third Party Auditor (TPA) engaged by MPSEDC shall regularly review the performance of the services provided by the SI and the effectiveness of SLAs/these SLAs.
- c) The SI shall provide comprehensive support on a 24×7×365 basis to ensure that all IT and non-IT infrastructure supplied under this RFP is maintained in accordance with the Service Level Agreement specified in this tender.
- d) At the time of submission of any invoice by the SI to MPSEDC, the invoice should be accompanied with the SLA Monitoring Report and a copy of Implementation Plan mapped with actual date of completion of respective activity and the expected date.
- e) In case, SLA breach happen due to the dependency on the MPSEDC, the penalties would not be applicable on SI provided that, SI shall notify any such dependencies in writing to MPSEDC in advance. **Dependencies should be agreed between the SI and MPSEDC during solution designing phase, which would be followed during the tenure of the Project. Any occurrence of such incidents shall be recorded electronically and reported to MPSEDC timely with Root Cause Analysis (RCA).**

13.1 SLAs for supply, installation and commissioning of Infra:

Table 3 : SLAs for supply, installation and commissioning of Infra

S#	Activities /Deliverables	Timeline (in week)	Penalty
1	Supply of complete Infrastructure (as per BOQ)	T+4	Penalty of 1% of Work Order (Value of work order issued) shall be deducted per week.
2	Installation, commissioning, system ready for UAT	T+6	Penalty of 1% of Work Order (Value of work order issued) shall be deducted per week.
3	FAT of all the supplied components	T+8	Penalty of 1% of Work Order (Value of work order issued) shall be deducted per week.

13.2 SLA for support for the infra for availability of IT infrastructure

Table 4 : SLA for availability of IT infrastructure

S#	Parameter	Target (Quarterly Uptime)	Penalty	Measurement Tool/ Method
1	System Availability Includes: - a. Server b. Network c. Backup etc. (including the OS and database, backup on time, backup reports, integration of database with the backup, backup retrieval)	>=99.995%	No Penalty	Existing Tools for measurement of system availability shall be used for SLA calculation.
		<99.995% to >=99.998%	3 % of the quarterly Payment	
		<99.99% to >=99.98%	4 % of the quarterly Payment	
		<99.98%	A fixed penalty of 5% of the Yearly Payment of the OPEX at 99.98%, followed by 2% additionally on quarterly payment for each slab of 0.05 % downtime below 99.98%	
		<99.99% to >=99.99%	3 % of the quarterly payment	
		<99.99% to >=99.98%	4 % of the quarterly payment	
		<99.98%	A fixed penalty of 5 % of the quarterly payment at 99.98%, followed by 2% additionally on of the quarterly payment for each slab of 0.05 % downtime below 99.98%	

Note: IT Infrastructure:

A. Server Availability includes the following:

- i. Power Availability
- ii. Network Availability
- iii. Link to the storage components
- iv. Intranet Connectivity
- v. Operating System Availability

- vi. Response time
- B. Storage & Backup Availability includes the following:
 - i. Power Availability
 - ii. Network Availability
 - iii. Availability of links to applications & database
 - iv. Back up retrieval response time
- C. Network Availability Includes the following:
 - i. Power Availability
 - ii. Link to the storage components
 - iii. Intranet Connectivity
 - iv. Latency

Note: Non-IT Infrastructure:

- a) If SLA breach happen due to the dependency on the services managing by the DCO, the penalties would not be applicable on SI.

13.3 SLA for Support services

Table 4 : SLA for Support services

SNo	Type of Incident	Target	Penalty	Measurement Tool / Method
1	Critical	<=30 Minutes	No Penalty	Tools for calculating Resolution Time shall be provided by the SI
		>30 to <=60 minutes	0.5% of the quarterly payment for every unattended call	
		>60 to <= 90 minutes	1% of the quarterly payment for every unattended call	
		>90 minutes	2% of the quarterly payment for every unattended call for delay of every two hours	
2	Medium	<=1 day	No Penalty	
		>1 to <= 2 days	1% of the quarterly payment for every unattended call	

SNo	Type of Incident	Target	Penalty	Measurement Tool / Method
		> 2 days	2% of the quarterly payment for every unattended call for delay of every two days	
3	Low	<=2 days	No Penalty	
		>2 to <= 4 days	.5 % of the quarterly payment for every unattended call	
		> 4 days	1 % of the quarterly payment for every unattended call for delay of every three days	

Note:

1. Penalty for all above components shall be computed on the Value of work order issued.
2. Penalties shall be capped at a maximum of 10% of the Value of work order issued. In case of default, MPSEDC may choose to terminate the Contract.
3. A delay of three days or more will be considered as a full week for penalty calculation, while any delay of less than two days may be waived from penalties.

14. Payment Terms

1. Invoices shall have to be raised to MPSEDC on quarterly basis along with supporting documents. Payments shall be subject to deductions of any amount for which the agency is liable as per the penalty clause of this RFP document. Further, all payments shall be made subject to deduction of TDS (Tax Deduction at Source) as per the applicable Acts & Laws.
2. Payment would be made in Indian Rupees only.
3. Due payments shall be made promptly by the MPSEDC, generally within forty-five (45) days after submission of an invoice or request for payment by the supplier/ selected bidder, and the MPSEDC has accepted it.

13 Amendment

No provision of Contract shall be changed or modified in any way (including this provision) either in whole or in part except by an instrument in writing made after the date of this Contract and signed on behalf of all the parties and which expressly states to amend the present Contract.

14 Corrupt / Fraudulent Practices

The Purchaser requires that the bidders under this tender shall observe the highest standards of ethics during the execution of such contracts. In pursuance of this policy, the MPSEDC defines the terms set forth as follows:

- a) "Corrupt Practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of the public official in the award of the contract, in contract execution;
- b) In the event of corrupt practice and fraudulence in addition to penal action as per the terms and conditions of the contract, legal action shall also be initiated against the concerned.
- c) "Fraudulent practice" means a misrepresentation of facts in order to influence award of contract or execution of a contract to the detriment of the MPSEDC, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the MPSEDC of the benefits of the free and open competition;
- d) The MPSEDC will suspend the award of contract prima-facie if it is established that the vendor had engaged in corrupt or fraudulent practices in competing for the contract in question.
- e) The MPSEDC will declare a Bidder ineligible after giving opportunity of being heard, either indefinitely or for a stated period of time, to be awarded a contract or at any time, if it is found that the Bidder has engaged in corrupt and fraudulent practices in competing for, or in executing, this contract.

15 Resolution of Disputes

- a) MPSEDC and the selected Bidder shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
- b) If any dispute of any kind whatsoever arises between purchaser and the successful bidder in connection with or arising out of the contract, including without prejudice to the generality of the foregoing, any question regarding its existence, validity or termination, the parties shall seek to resolve any such dispute or difference by mutual consultation. If still

unresolved then the dispute would be resolved as per MP Madhyastham Adhikaran Adhiniyam, 1983. Arbitration proceedings and the award shall be made in English language. The place of arbitration shall be Bhopal and all legal disputes are subject to the jurisdiction of courts at Bhopal and following are agreed:

- i. The arbitration award shall be final and binding on the Parties, and the Parties agree to be bound thereby and to act accordingly. The arbitrator may award to the Party that substantially prevails on merit, its costs and reasonable expenses (including reasonable fees for counsel).
- ii. When any dispute is under arbitration, except for matters under dispute, the Parties shall continue this Agreement.

16 Legal Jurisdiction

All legal disputes are subject to the jurisdiction of Courts at Bhopal, Madhya Pradesh only.

17 Indemnity

The successful bidders/Successful Bidder shall indemnify, protect and save MPSEDC against all claims, losses, costs, damages, expenses, action suits and other proceeding, resulting from infringement of any patent, trademarks, copyrights etc. or such other statutory infringements in respect of all components (like system software, software tools, hardware etc.) and the services rendered under this Tender.

18 Publicity

Any publicity by the bidder in which the name of the Indenter/buyer is to be used shall be done only with the explicit written permission of the Indenter/buyer.

19 Performance Obligations

While providing services as per Scope of Work, the contractor shall ensure that there is no infringement of any patent or design rights or violate any intellectual property or other right of any person or entity and shall comply with all applicable Laws, Statute, regulations and Governmental requirements and he/she shall be solely and fully responsible for consequence / any actions due to any such infringement.

20 Force Majeure

- a) Force Majeure would include natural and unavoidable catastrophe that interrupts the expected course of events.
- b) For purposes of this clause, "Force Majeure" means an event beyond the control of both the parties (MPSEDC & contractor) and not involving the both the parties and not involving the

fault of either the parties or negligence and not foreseeable. Such events may include, but are not restricted to, instances of, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes which would have an impact on both the parties.

- c) If a Force Majeure situation arises, the any of the parties shall promptly notify the other in writing of such conditions and the cause thereof. Unless otherwise directed by, the bidder shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- d) If an event of Force Majeure continues for a period of Sixty (60) days or more, the parties may, by mutual agreement, terminate the Contract without either party incurring any further liabilities towards the other with respect to the Contract, other than to effect payment for services already delivered or performed.
- e) The Force Majeure circumstances and events shall include the following events to the extent that such events or their consequences (it being understood that if a causing event is within the reasonable control of the affected party, the direct consequences shall also be deemed to be within such party's reasonable control) satisfy the appropriate definition as per this agreement. Without limitation to the generality of the foregoing, Force Majeure Event shall include the following classes of events and circumstances and their effects:
 - i. Natural events ("Natural Events") to the extent they satisfy the foregoing requirements including:
 - a) Any material effect on the natural elements, including lightning, fire, earthquake, cyclone, flood, storm, tornado, or typhoon;
 - b) Explosion or chemical contamination (other than resulting from an act of war);
 - c) Epidemic such as plague;
 - d) Any event or circumstance of a nature analogous to any of the foregoing
 - ii. Other Events (Political Events) to the extent that they satisfy the foregoing requirements including:
 - e) Act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, revolution, riot, insurrection, civil commotion, act of terrorism or sabotage;
 - f) Any act of Government
 - g) Strikes, work to rules, go-slows which are either widespread, nation-wide, or state-wide and are of political nature;
 - h) Any event or circumstance of a nature analogous to any of the foregoing

21 Right to terminate the process

MPSEDC, reserves the right to accept or reject any tender offer, and to annul the tendering process and reject all tenders at any time prior to award of contract, without thereby incurring any liability to the affected vendor(s) or any obligation to inform the affected vendor(s) of the grounds for such action.

MPSEDC makes no commitments, explicit or implicit, that this process will result in a business transaction with anyone. Further, this Tender does not constitute an offer by MPSEDC. The bidder's participation in this process may result in MPSEDC selecting the bidder to engage in further discussions and negotiations.

22 Limitation of Liability

The maximum aggregate liability of contractor shall not exceed the total contract.

23 GENERAL CONDITIONS

- a) The rate quoted shall be valid and operative for work orders & extension work orders issued by MPSEDC. It is binding on to the contractor to execute the job entrusted to him/them by MPSEDC at a place, date and time, decided by MPSEDC at the rate quoted by the bidder and accepted by MPSEDC.
- b) All cost of installation, Migration and commissioning for proposed product has to be borne by the bidder, and all required technical support has to be arranged by the bidder.
- c) MPSEDC will not pay any additional charges to the bidder for any kind of expenses borne by the bidder for supply, installation and commissioning, additional software, Licenses for integration of provided infra with existing DC-DR solutions. Bidders are advised to evaluate and consider this cost while quoting rates in financial bid, to avoid any issues later.
- d) The vender must establish the services as required immediate or as agreed after issue of work order. The vendor shall bear the expenses regarding supply of all deliveries of deliverable.
- e) The vendor will appoint a person to be the nodal / relationship officer for coordinating with MPSEDC. The person identified must be available over phone at all times.
- f) The vendor shall not under any circumstances revise the rates already quoted and approved. Any request for an increase in the rates will not be entertained under any circumstances during the contract period.
- g) The vendor shall execute the whole work in strict accordance with guidelines of MPSEDC.
- h) MPSEDC shall have power to make any alterations in or additions to the original specifications till the last date of bid submission. The vendor shall be bound to carry out the work in accordance with any instructions in this connection, which may be given to him/them by MPSEDC. Such

alterations shall not invalidate the contract, and any additional work which the vender may be directed to do in the manner specified above as part of the work shall be carried out by the vender on the same conditions in all respects on which he agreed to do the main work and at the same rates as specified by him in the tender for the main work.

- i) The final Work Order may/may not include all the line item of the BOQ as required at the time of procurement.
- j) MPSEDC may also place repeat orders for any or all products and services quoted by the successful Bidder in their Financial Bid on the proposed rates during the tenure of the Contract.
- k) The duration/validity of this tender will be from the date of issue till the expiry of contract or extended contract if any. But the MPSEDC has the right to extend or reduce the duration as per the requirement.
- l) In case the performance of the vendor is not found satisfactory, the order is liable to be terminated by giving 30-day notice.

24 **Code of integrity**

No official of a procuring entity or a bidder shall act in contravention of the codes which includes:

- a. Prohibition of
 - i. making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.
 - ii. Any omission, or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained or an obligation avoided.
 - iii. any collusion, bid rigging or anticompetitive behaviour that may impair the transparency, fairness and the progress of the procurement process.
 - iv. improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain.
 - v. Any financial or business transactions between the bidder and any official of the procuring entity related to tender or execution process of contract; which can affect the decision of the procuring entity directly or indirectly.
 - vi. Any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process.
 - vii. Obstruction of any investigation or auditing of a procurement process.
 - viii. making false declaration or providing false information for participation in a tender process or to secure a contract;
- b. Disclosure of conflict of interest.
- c. Disclosure by the bidder of any previous transgressions made in respect of the provisions of sub-clause (a) with any entity in any country during the last three years or of being debarred by any other procuring entity.

In case of any reported violations, the procuring entity, after giving a reasonable opportunity of being heard, comes to the conclusion that a bidder or prospective bidder, as the case may be, has contravened the code of integrity, may take appropriate measures.

Annexure-8.2 – Financial Bid Form:

This is to be submitted only under the financial bid cover at e-tendering portal.

S No.	Category	Quantity	Unit Cost (inclusive of taxes, cess, duties, levies etc. excluding GST)	Total Cost (inclusive of taxes, cess, duties, levies etc. excluding GST)
		A	B	C=A*B
1	Provision of a minimum of 1,500 compute cores (Blade/Rack) with latest generation processor and virtualization solution supplied with an IT Rack (42 U (1 Nos – IT Racks with smart PDU Minimum dimension 1200*800) and including all components necessary to deliver a fully operational system. Note: Each blade/rack server shall be equipped with a minimum of 128 CPU cores, 2 TB RAM, and three (3) × 3 TB SSDs/NVMe.	1		
2	SAN Switch	2		
3	SAN Switch Port/ Module (8 ports each)	2		
Total (C)				
Total (C) In Words				

Note:

- The yellow highlighted portion will be filled by the Bidder in the Financial Bid excel sheet downloaded from MP Tender portal and the same is to be uploaded on MP Tender portal without changing its name. Prices should not be shown anywhere in the Technical Proposal by the Bidder, otherwise the bid is liable to be rejected.

2. To ensure uninterrupted service and efficient operation, the offered virtualization solution shall be compatible with the existing SDC virtualization solution (Openstack/Openshift) , making all workloads easily migratable to the new environment (vice versa) while fully maintaining the manageability of the Workloads.
3. The Total Amount (C) in table shall be evaluated for L1 Calculation.
4. The Bidder is required to quote prices inclusive of cost of incidental services, applicable taxes and duties, exclusive of GST which shall be paid extra as per the prevailing rates.
5. Bidder shall provide all the prices as per the prescribed format with a maximum of 2 decimal places. Bidder shall not leave any field Blank OR with Negative value quoted against any value above shall lead to rejection of proposal.
6. Bidder should quote prices as per the prescribed format. Bidder should not leave any field blank. In case the field is not applicable, Bidder must indicate "0" (Zero) in all such fields.
7. Only fixed price financial bids indicating total price for all the deliverables and services specified in this bid document will be considered. Any conditional bid would be rejected.
8. All the prices are to be entered in Indian Rupees ONLY (% values are not allowed).
9. The Bid price shall be inclusive of cost of incidental services and applicable taxes and duties. GST should be quoted separately under relevant sections as per applicable rates.
10. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and will be considered for future calculations.
11. If there is a discrepancy between words and figures, the amount in words shall prevail.
12. In the event that there are two or more Bidders having the same value in the Financial Bid, the Bidder having the highest average annual turnover for last three financial years will be adjudicated as the "Best responsive bid" for award of the Contract.
13. Bidder should factor in all the perpetual license with upgrade rights to higher versions during entire project in the name of MPSEDC.
14. All licenses shall be procured in the name of MPSEDC. The SI shall not use MPSEDC's licensing credentials for providing support services to any other client. If the SI is found to be engaged in such activity, MPSEDC reserves the right to impose an additional penalty of 10% of the total contract value, over and above the SLA penalty capping of 10% of the Total Bid Price, and may also terminate the Contract.
15. Bidder should consider DC-DR licensing policy as per their proposed solution and OEM offering. The components which are available under DC-DR-NDR bundled licensing.

Annexure 11: Format of Performance Bank Guarantee (Indicative Format)

[Date]

To
Chief General Manager,
MPSEDC, State IT Centre,
Arera Hills, Bhopal

Sub: Tender of Supply, Installation, commissioning, Integration, and Setup of servers and virtualization infra for MP State Data Centre.

(Tender No: MPSEDC/SDC/2025/660, Dated: __/__/__)

Dear Sir,

M/s. (name of bidder), a company registered under the Companies Act, 1956, having its registered office at (address of the bidder), (hereinafter referred to as "our constituent", which expression, unless excluded or repugnant to the context or meaning thereof, includes its successors and assignees), agreed to enter into a contract dated (Herein after, referred to as "Contract") with you (Madhya Pradesh Electronic Development Corporation (MPSEDC)) for **Supply, Installation, commissioning, Integration, and Setup of servers and virtualization infra for MP State Data Centre.**

We are aware of the fact that as per the terms of the contract, M/s. (name of bidder) is required to furnish an unconditional and irrevocable bank guarantee of amount 3% of (**order value**) in favour of MPSEDC for an amount <<....>> and guarantee the due performance by our constituent as per the contract and do hereby agree and undertake to pay the amount due and payable under this bank guarantee, as security against breach/ default of the said contract by our constituent.

In consideration of the fact that our constituent is our valued customer and the fact that he has entered into the said contract with you, we, (name and address of the bank), have agreed to issue this Performance Bank Guarantee. Therefore, we (name and address of the bank) hereby unconditionally and irrevocably guarantee you as under:

In the event of our constituent committing any breach/default of the said contract, and which has not been rectified by him, we hereby agree to pay you forthwith on demand such sum/s not exceeding the sum of amount <<....>>), without any demur.

Notwithstanding anything to the contrary, as contained in the said contract, we agree that your decision as to whether our constituent has made any such default(s) / breach(es), as aforesaid and the amount or amounts to which you are entitled by reasons thereof will be binding on us and we shall not be entitled to ask you to establish your claim or claims under this Performance Bank Guarantee, but will pay the same forthwith on your demand without any protest or demur.

We hereby expressly waive all our rights to pursue legal remedies against MPSEDC and other Concerned Government Departments of Madhya Pradesh.

We the guarantor, as primary obligor and not merely surety or guarantor of collection, do hereby irrevocably and unconditionally give our guarantee and undertake to pay any amount you may claim (by one or more claims) up to but not exceeding the amount mentioned aforesaid during the period from and including the date of issue of this guarantee through the period.

We specifically confirm that no proof of any amount due to you under the contract is required to be provided to us in connection with any demand by you for payment under this guarantee other than your written demand.

Any notice by way of demand or otherwise hereunder may be sent by special courier, telex, fax, registered post or other electronic media to our address, as aforesaid and if sent by post, it shall be deemed to have been provided to us after the expiry of 48 hours from the time it is posted.

If it is necessary to extend this guarantee on account of any reason whatsoever, we undertake to extend the period of this guarantee on the request of our constituent upon intimation to you.

This Performance Bank Guarantee shall not be affected by any change in the constitution of our constituent nor shall it be affected by any change in our constitution or by any amalgamation or absorption thereof or therewith or reconstruction or winding up, but will ensure to your benefit and be available to and be enforceable by you during the period from and including the date of issue of this guarantee through the period.

Notwithstanding anything contained hereinabove, our liability under this Performance Guarantee is restricted to amount <<.....>>), and shall continue to exist, subject to the terms and conditions contained herein, unless a written claim is lodged on us on or before the aforesaid date of expiry of this guarantee.

We hereby confirm that we have the power/s to issue this Guarantee in your favour under the Memorandum and Articles of Association/ Constitution of our bank and the undersigned is/are the recipient of authority by express delegation of power/s and has/have full power/s to execute this guarantee under the Power of Attorney issued by the bank in your favour.

We further agree that the exercise of any of your rights against our constituent to enforce or forbear to enforce or any other indulgence or facility, extended to our constituent to carry out the contractual obligations as per the said Contract, would not release our liability under this guarantee and that your right against us shall remain in full force and effect, notwithstanding any arrangement that may be entered into between you and our constituent, during the entire currency of this guarantee.

Notwithstanding anything contained herein, our liability under this Performance Bank Guarantee shall not exceed amount INR <<....>>

The PBG shall be remain valid during the entire contract period five years plus additional six Months (i.e. 5 Years and 2 Months from start of contract period); and We are liable to pay the guaranteed amount or part thereof under this Performance Bank Guarantee only if we receive a written claim or demand on or before (Date) i.e.

Any payment made hereunder shall be free and clear of and without deduction for or on account of taxes, levies, imports, charges, duties, fees, deductions or withholding of any nature imposts.

This Performance Bank Guarantee must be returned to the bank upon its expiry. If the bank does not receive the Performance Bank Guarantee within the abovementioned period, subject to the terms and conditions contained herein, it shall be deemed to be automatically cancelled.

This guarantee shall be governed by and construed in accordance with the Indian Laws and we hereby submit to the exclusive jurisdiction of courts of Justice in Bhopal (M.P) for the purpose of any suit or action or other proceedings arising out of this guarantee or the subject matter hereof brought by you may not be enforced in or by such count.

Dated this Day 2025.

Yours faithfully,

For and on behalf of the

Bank,

(Address of the Bank)

Annexure 11: Minimum Technical Specifications of proposed devices (per devices)

Bidder shall adhere below technical specifications for the all the components whichever shall be proposed as part of their solution to meet the RFP requirements with all required licences from day one. These specifications are minimum technical specifications and bidders may propose any higher model/configuration to meet the solution requirements. Respective OEMs to submit the compliances of technical specification on their letterhead duly countersigned by SI.

1. Technical Compliances

As part of the Technical Proposal, Bidder needs to provide compliance against each line item in the below Technical Compliance Template. Bidder to provide details in the prescribed format as below :-

1. SAN Switch

Sr. No	MINIMUM SPECIFICATIONS	Mandatory Compliance* (Yes / No)	Cross reference
1.	The switch should be rack mountable to be configured with a minimum of 32 ports with 32 Gbps FC configuration backwards compatible to Minimum 32Gbps FC port populated with all required licenses from day 1.		
2.	Same SAN switch should have future upgradability option till 48 Nos FC ports		
3.	The switch must be able to support non-disruptive software upgrade.		
4.	The switch must be able to support state full process restart		
5.	The switch must support routing between Virtual Fabric instances in hardware		
6.	The switch must be equipped with congestion control mechanisms such that it can throttle back traffic away from a congested link		
7.	The switch must be capable of discovering neighboring switches and identify the neighboring Fibre Channel or Ethernet switches		
8.	The switch should support IPv6		
9.	Aggregate Bandwidth – 1024 Gb/s		
10.	8 Virtual Fabric Instances support		
11.	The switch must be capable of supporting hardware-based routing between Virtual Fabric instances.		
12.	Inter-switch links must support the transport of multiple Virtual Fabrics between switches, whilst preserving the security between Virtual Fabrics.		
13.	The switch shall support hot-swappable Small Form Factor Pluggable (SFP) LC typed transceiver.		
14.	FCAP switch authentication, Port Binding, RADIUS, TACACS+, user-defined Role-based Access Control (RBAC)		
15.	5 Years On Site Warranty. All the patches, version updates, etc. is to be performed by the OEM		

2. San Switch Port/Module

Sr. No	MINIMUM SPECIFICATIONS	Mandatory Compliance* (Yes / No)	Cross reference
1.	The SAN switch port module should have a minimum of 8 ports with 32 Gbps FC configuration backwards compatible to Minimum 32Gbps FC port populated with all required licenses from day 1.		
2.	The switch module must have compatibility of "MDS 9396T" controller/ SAN switch device.		
3.	The switch Module must be capable of discovering neighboring switches and identify the neighboring Fibre Channel or Ethernet switches		
4.	The switch Module should support IPv6		
5.	The switch module shall support hot-swappable Small Form Factor Pluggable (SFP) LC typed transceiver.		
6.	5 Years On Site Warranty. All the patches, version updates, etc. is to be performed by the OEM		

3. Servers/Compute

1.	The proposed servers should not reach End of Life by the OEM until at least 7 years from the date of bid submission.
2.	Server should be supplied with minimum 128 cores per server. Bidder has to decide the number of servers / chassis accordingly. With latest model on bid publication date.
3.	The bidder shall submit documentary evidence from the OEM, along with the processor release date, to confirm that the processors installed in the supplied servers are of the latest generation available on the date of this RFP publication.
4.	Server should provide an aggregated Bandwidth of minimum 50Gbps across two or more ports/cards.
5.	Server should be populated/pre configure with all/partial internal I/O slots with Network cards to offer maximum throughput along with their respective fabric switches.
6.	At least three Hot plug NVMe/SSD drives with minimum 3*3 TB or higher in each server with RAID controller providing RAID functionally of RAID 0,1,5 etc.
7.	Should have at least 32 DIMM slots or higher per blade. Minimum 2 TB DDR 5 RAM..
8.	The Management software should be from the Hardware OEM only. The Server Management Software should be of the same brand as of the server supplier. Should have capability to manage both rack and blade server solution from same console, along with capability to monitor 3rd party servers and storage.
9.	The proposed solution should have a capability to import server profiles already implemented/configured in existing environment of SDC for smoother and immediate migration of policies.
10.	The servers should be supplied with enterprise grade virtualization software. The proposed virtualization software should be an enterprise grade solution catered for proposed servers cores or as per OEM licensing policy. The proposed solution should have below features: Live Migration, High Availability, Distributed Workload Placement, Storage Migration.
11.	Bidder/OEM need to ensure seamless migration of VMs from existing Vmware to the proposed new virtualization software. Any additional component required need to be factored by the bidder.
12.	Complete Onsite Installation, Testing, Training, Implementation & Onsite Support must be done by OEM/OEM certified engineer.

13.	5 years warranty & on-site support. Post installation and commissioning, 5- year product warranty should reflect in the support web site of the OEM.
-----	--

Annexure-12: CA Certificate format for Financial Turnover (Indicative)

To,

{Procuring entity},

Sub: Certificate regarding Turnover in India during last three financial years i.e. for the year ending March 31, 2022-23, 2023-24, and 2024-25 as per audited financial statements.

Dear Sir,

We have examined the books of account and other relevant records of <<Bidder's Name & registered Address>> based on such examination and according to the information and explanation given to us, and best of our knowledge and belief, we hereby certify the details given below for Financial years:

S#	Financial Year	Annual Turnover in India
01	2022-23
