CONDITIONS |

Annexure - I

7.1.0 Evaluation Criteria for bids

Guidelines to Bidders

1. It should be noted that following credentials / certification will not be considered:
 - 1.1. Internal implementation including implementation in subsidiary companies of Bidder.
 - 1.2. Client Orders subcontracted by OEM to SI.
 - 1.3. Reference Order for Client Establishment / Installations including the implementation in Captive Power Project as an additional work / requirement, shall not be considered for Qualification purpose. For consideration in such cases, the Reference Work / Work Order should be placed exclusively for implementation in the Captive Power Plant.
 - 1.4. All credentials of Bidder as Lead Bidder / Prime Bidder will only be considered (Credentials of the holding/parent/subsidiary Companies shall not be considered.)
2. Bidder should be Authorized representative/ Service Provider of respective SAP OEM. Bidder should provide applicable OEM's Authorization Letter.
3. ERP Upgrade Projects (SAP ECC to SAP S4 HANA only) shall also be considered under Evaluation Criteria for implementation of SAP solutions.
4. If any Project / Work Order / Contract involves multiple subsidiaries, it will be treated as only one credential / experience **such as execution** of Project in multiple subsidiaries in single Work Order will be treated as one credential.
5. Cut-off date for calculating number of years shall be reckoned from the date of Techno-commercial bid opening.
6. The Purchaser will have the right to independently contact and verify the accuracy of credentials with Bidder's end-client. Bidder will have to provide necessary details as per the requirement of the Purchaser.
7. The value of projects in the technical evaluation shall be exclusive of taxes and duties (as applicable)
8. Ongoing projects shall be considered in eligibility applying the evaluation criteria, provided Go-live of projects in question has been declared and project is currently under O&M phase (on or before bid submission date). However, bidder shall provide confirmation of Go-live of projects in question through credential letter from client.
9. For evaluation of the Bidder's experience in section 1.2 of Technical Evaluation Parameters, each credential shall be considered against only one criterion. Illustration is shown below.
 - (i) The credential submitted in support of Clause 1.2.1 of Technical Evaluation Parameters can not be used /offered for consideration under Clauses 1.2.2 and 1.2.3.
 - (ii) Similarly, the credential submitted in support of Clause 1.2.2 of Technical Evaluation Parameters can not be used / offered for consideration under the Clauses 1.2.1 and 1.2.3.
 - (iii) Likewise, the Credential submitted in support of Clause 1.2.3 of Technical Evaluation Parameters can not be used / offered for consideration under the Clauses 1.2.1 and 1.2.2.

7.1.1 Mandatory Requirements

S. No.	Criteria	Description	Supporting Document Required	Page No. of Techno-Commercial Proposal (bidder to fill)
7.1.1.1	Registration Status	- The bidder must be incorporated in India under the Companies Act 1956/2013 OR Registered as a Limited Liability Partnership firm under the LLP Act 2008 under Ministry of Corporate Affairs, Govt. of India - In business for at least 10 years as on the date of publication of NIT. 7.1.2.4	Approach Methodology of the bidder	&A&M scoring will be based upon overall approach of the bidder consisting of bidders understanding of CLIENT requirements, Experience of similar engagements in Power Sector, Implementation methodology, Resource deployment and compliance to FRS & TRS. The A&M shall cover the following: 1. Bidder's approach and list of activities in the following phases for preparation and submission of the deliverables as mentioned in the scope of work 2. Project Preparation Phase 3. Explore Phase 4. Realize Phase 5. Deploy Phase. 6. Go-Live Phase 7. Stabilization Phase 8. Solution architecture and cloud infrastructure 9. Implementation approach 10. Resource deployment plan for Project Manager, Functional Module Leads (as mentioned in 1.2.5) and technical leads (as mentioned in 1.2.6) along with any other resources that the bidder feels are required for the project. 11. Testing and Training plan 12. Data collection and migration 13. Helpdesk and Support 14. Risks and Mitigation plan The proposed Project Manager shall make a presentation to CLIENT management/ Evaluation Committee.	20	20 Marks (Marks will be awarded based on evaluation of the designated committee of the Purchaser)	Techno-Commercial Proposal and Presentation to the Purchaser	
---------	--	--	----	---	--	--

Resources (to be deployed for the project)						
7.1.2.5	Project Manager	2 End-to-End SAP projects (Inception to Go-live) as Project Manager	4 Marks	2 Marks	CV signed by the Authorized Signatory	
		1 End-to-End SAP project (Inception to Go-live) – Power Generation Sector		1 Marks		
		1 End-to-End SAP project (Inception to Go-live) – Power Generation Indian Government/Central or State Public Sector undertaking (PSU)/State Sector Power Generation Utility or Joint ventures of any of the above Entities as Project Manager		1 Marks		
7.1.2.6	SAP Functional Module Leads: 1. Finance and Costing 2. Energy Billing and Accounting 3. Operations 4. Project and Plant Maintenance 5. Project Systems 6. Quality Management 7. Sales Distribution 8. Fuel Management 9. Material Management	1 End-to-End SAP project (Business Blueprint (BBP) to module Go-live)	12	2 Marks for each resource (Maximum 6 Modules) (1 Mark for project experience and 1 Mark for OEM certification)	CV signed by the Authorized Signatory and Copy of relevant certifications for the proposed position.	

	10. Document Management System 11. HR and Payroll Management					
--	---	--	--	--	--	--

Sl. No.	Criteria	Marks
1	General Experience	15
2	Specific Experience	49
3	Approach & Methodology	20
4	Resources	16
Total		100

Note:

1. Bidders need to strictly adhere to instructions mentioned in the column “Supporting Documents Required” for consideration for evaluation.
2. For evaluation of the Bidder’s experience in section 1.2 of Technical Evaluation Parameters, each credential shall be considered against only one criterion. Illustration is shown below.
 - (i) The credential submitted in support of Clause 1.2.1 of Technical Evaluation Parameters can not be used /offered for consideration under Clauses 1.2.2 and 1.2.3.
 - (ii) Similarly, the credential submitted in support of Clause 1.2.2 of Technical Evaluation Parameters can not be used / offered for consideration under the Clauses 1.2.1 and 1.2.3.
 - (iii) Likewise, the Credential submitted in support of Clause 1.2.3 of Technical Evaluation Parameters can not be used / offered for consideration under the Clauses 1.2.1 and 1.2.2.

Evaluation of Bidder:

Total score of Technical Qualification Criteria for Bidders shall be calculated based on following formula:

1. Maximum technical score can be 100 marks. Minimum qualification technical score is 70 marks for financial bid opening.
2. Evaluation criteria proposed to be adopted will be Quality cum Cost Based Selection (QCBS) where Technical Bid Score will get a weightage of 70% and Financial Bid Score a weightage of 30%.

Techno-commercial Evaluation of the Bidder

1. Only those Bidders who qualify the mandatory requirement criteria as per Clause 1.1 shall be considered for Techno-Commercial Evaluation.
2. Evaluation criteria proposed to be adopted will be Quality cum Cost Based Selection (QCBS) where Technical Bid Score will get a weightage of 70% and Financial Bid Score a weightage of 30%.
3. As per the technical evaluation, the Bidders will be assigned a Technical score (Ts) out of a maximum of 100 points. The commercial scores would be normalized on a scale of 100, with lowest price bid being normalized to 100 and the rest price bids of other bidders under consideration on a pro-rata basis. Such normalized final scores would be considered for the purpose of QCBS based evaluation.

4. Quality and Cost based selection (QCBS) Evaluation Criteria –

The individual Bidder's Financial Scores are normalized as per the formula below:

$F_n = F_{min}/F_b * 100$ (rounded off to 2 decimal places)

Where, **F_n** = Normalized Financial score for the Bidder under consideration

F_b = Absolute financial quote / price for the Bidder under consideration

F_{min} = Minimum absolute financial quote / price

The final composite score will be worked out by adding the weighted marks on Technical score (Ts) and Normalized Financial score (Fn):

Total Score (Tn) = $T_s * 0.7 + F_n * 0.3$

5. The participating bidders will be ranked in descending order of "Total Score". Bidder who will have highest "Total Score" will be the first ranked bidder. In case of more than one bidder having the same "Total Score", the bidder who have the higher Technical Score (Tn) would be ranked higher. The bidder who is on the top of the list will be the successful bidder.
6. In case highest score and technical scores are same, the bidder having lowest bid among them will be successful bidder.
7. In case highest score, technical score and quoted bid price are all same, the company with higher Average Annual Turnover (Excluding taxes, Audited Figures) for last 3 Financial Years (FY 23-24 , FY 24-25, FY 25-26) will be the successful bidder.

Evaluation Score Card (Sample Only)							
S. No	Bidders	Technical score(Ts) Min 70	Financial quote in Cr(Fs) Basic	Fmin (C1+C2+C3+C4) basic	Normalized Financial Score (Fn=(Fmin/Fb)*100)	Total Score =(Ts*0.7+Fn*0.3)	
1	Bidder 1	70	100	100	100.00	79.00	
2	Bidder 2	80	110	100	90.91	83.27	Highest Score
3	Bidder 3	75	120	100	83.33	77.50	

Note:

- Bidder having highest Total Score will be the successful bidder
- In case of tie i.e. more than one bidder has same highest score, the bidder having highest technical score among them will be successful bidder
- In case highest score and technical scores are same, the bidder having lowest bid price among them will be successful bidder
- In case highest score, technical score and quoted bid price are all same, the company with higher Average Annual Turnover (Excluding taxes, Audited Figures) for last 3 Financial Years (AY23-24, AY24-25 , AY25-26) will be the successful bidder
