स्टील अथॉरिटी ऑफ इण्डिया लिमिटेड
STEEL AUTHORITY OF INDIA LIMITED

INTRODUCTION

Steel Authority of India Limited (SAIL) is India's largest steel producing company. The company is among the seven Maharatnas of the country's Central Public Sector Enterprises. SAIL has five integrated steel plants, three special plants, and various other units spread across different parts of the country. Corporate Office of SAIL (hereinafter called the "Purchaser"), invites sealed offers for Annual Maintenance Contract (AMC) of Desktops, Laptops, Servers & Peripherals at SAIL Corporate Office New Delhi. Terms & conditions of tender are mentioned at Annexure I to VIII.

Parties, who are in a position to quote for Maintenance Contract in accordance with the requirements, may submit their quotation to this office as per instructions specified here under.

Maintenance Contract will be signed for a period of 3 years with a reliable & competent agency in the field of Hardware Maintenance and Operating System support.

Detailed specifications with volumes have been detailed in Annexure-VI. Exact volume to start with will be at discretion of SAIL. The volumes & mix may undergo change from time to time on account of:-

- 1) Replacement of old equipments
- 2) Equipments currently under warranty but need to be added to AMC List as & when warranty period is over. The equipments currently under warranty and date upto which they will remain in warranty is also mentioned in Annexure-VI.
- 3) Purchase of new equipment which shall enter into AMC after completion of warranty period
- 4) Any other reason deemed fit by SAIL

This is a NO DEVIATION tender.

INSTRUCTIONS TO TENDERERS

1. DOWNLOADING OF TENDER DOCUMENT

The prospective bidders can download the tender document from SAIL tender site (<https://www.sailtenders.co.in>). The Tender Document published on the website is the authorized version of SAIL. It should be ensured that anything downloaded from the SAIL website is virus-checked. SAIL accepts no liability for any loss or damage caused by downloading of documents from the site. Offers submitted with any (intentional/unintentional) changes or deviation/difference in the tender documents are liable to be rejected. In case of any dispute, the tender documents as displayed on the website shall be treated as valid document.

2. SUBMISSION OF TENDERS

- a. The bidder shall submit the in a sealed envelope at the following address during office hours between 09:00 AM to 05:30 PM (excluding holidays) during the period starting from 30/01/2014 to last date and time of bid submission mentioned below :-

Shri Naveen Jain
Assistant General Manager
Computer & Information Technology Department
19th Floor, Scope Minar, Laxmi Nagar
Delhi -110092

- b. Last Date & Time of Bid submission:
Bids will be received upto 15:00 HRS on 17/02/2014.
- c. Tenders submitted after the date and time of submission stipulated above will not be accepted
- d. Tenders should be delivered by hand/courier so as to reach the address before the last date & time of bid submission stipulated above. Telex, Facsimile & e-mailing bids will not be considered.
- e. Tenders should be submitted in **three part Bids –**

PART – I: Earnest Money

Earnest Money_in the form of Bank Demand Draft of Rs.75,000/- (Seventy five thousand only) drawn in favour of Steel Authority of India Limited, New Delhi. No interest shall be paid on the EMD. Instruments from co-operative banks & Gramin banks shall not be accepted.

The EMD will be refunded to the successful bidder after placement of order and on submission of Performance Guarantee Bond by the bidder. In case of failure on the part of the successful bidder to submit the Performance Guarantee Bond within the stipulated period, his EMD shall be forfeited. In the case of unsuccessful bidders, EMD shall be refunded within 21 days of finalization of AMC agreement against the

tender.

Small Scale Units / Ancillary Units and Public Sector Units/ Govt. Undertakings and Co-operative Societies, etc., are exempted from submission of EMD. As per Government Policy for SSI Units, the exemption from submission of EMD is to be granted only for the items for which it is registered. In order to avail the exemption, the bidder shall be required to substantiate his claim through Documentary evidence regarding their status.

PART – II: Techno-Commercial Bid:

This Bid should contain technical and commercial offer along with the Declaration of acceptance of Scope of Work, Techno-Commercial Terms & Conditions / Company details asked for in Form -I & II of this RFQ along with the supporting documents as per the Annexure-II.

Bidders are required to fill a dummy price bid format for the item(s) the bidder is quoting for, considering Rs. 100 /- as unit rate for each item for notional basic price and there after show all the components of Total Cost (Net of CENVAT) price. This is required to be submitted along with the techno-commercial bid.

SAIL will require this information for evaluating price bid later on. Dummy price bid is to be submitted as per format at Form - III.

In the dummy price bid, bidder is required to show all the taxes / duties / levies etc. applicable on date to arrive at Total Cost (Net of CENVAT) price.

It may be noted that in no form the price should be indicated in this part of the offer.

PART – III: Price Bid:

This Bid should contain only the Price Bid, in the prescribed Price Bid Format, given at **Form-III of this RFQ**. Price quoted should be firm and all-inclusive except service tax, VAT and any other tax (as applicable).

The bidder should submit the offer keeping in view the posting of 5 Resident Engineers and defined scope of services in the tender. The price quoted in Price Bid should be based on flat unit rate in each category. All categories listed in Form-III should be quoted, failing which the tender bid shall be rejected (i.e. no partial offer will be accepted or evaluated). Taxes & duties (as applicable) should not be included in the flat unit rate, but should be mentioned in respective columns as per price bid format. Statutory deductions like TDS etc. shall be made from the bill as per the prevailing rules & regulations of Government of India.

In the case of levy of any additional / enhanced or new taxes, duties, levies within India during the contract period (including extensions, if any), the same shall be to the Purchaser's account.

All the three parts should be sealed in separate covers super-scribing the tender reference. The three sealed covers should then be sealed in a single envelope, super-scribing it as given below: -

[Tender Reference No , Date , Due date / Time of Opening.....]

[Tender: Annual Maintenance Contract (AMC) for PCs, Laptop, Server & Peripherals at SAIL, Corporate Office, New Delhi]

[Address: Steel Authority of India Limited, Computer & Information Technology Department (C&IT), 19th Floor, Scope Minar, Laxmi Nagar, Delhi -110092]

f. Tender Opening:

Only the EMD (Part I) and the Techno-Commercial Bids (Part II) of the tenders; received upto last date & time of submission will be opened immediately thereafter in the presence of tenderers who choose to be present. Part - III of the tender containing Price Bid will be opened on a date to be communicated later.

g. Key Contacts:

For any clarification regarding the Tender Documents, the following officer of SAIL may be contacted:

<i>Name & Designation</i>	<i>Address</i>	<i>Phone no.</i>	<i>Fax no.</i>
Shri Naveen Jain AGM C&IT, SAIL	19 th Floor, SCOPE Minar, Laxmi Nagar Delhi -110092	011-22403429 9968605199	011-22448314
Shri Harish Jiwal Deputy Manager C&IT, SAIL		011-22403446 9968605432	011-22448314

3. DEFINITIONS:

- "Bid/ Tender" refer to the submission of proposal made by a prospective Bidder in the process of participation in the tendering process for the work.
- "Bidder/Tenderer" means the Company (Registered under Companies Act) submitting a bid against the invitation to tender and shall include its heirs, executors, administrators legal representative, successors and assigns.
- "Contract" means the Contract Agreement entered into between the Purchaser and the successful bidder (contractor), together with the Contract Documents. The Contract Agreement and the Contract Documents shall constitute the Contract, and the term "the Contract" shall in all such documents be construed accordingly.
- "Contractor" or "Seller" or "Supplier" or "Party" or "Agency" or "Vendor" means the Company whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement, and includes the legal successors or permitted assigns of the Contractor.
- The term "Purchaser/Customer" shall mean the Steel Authority of India Limited, Corporate Office.

4. The Purchaser reserves the right to accept / reject the tender in full or in part

without assigning any reason.

5. Tenders not confirming to the tender instructions and terms and conditions are liable to be rejected. Any deviation from the tender specifications, scope of supply, should be clearly indicated in writing in the tender, separately listed on one sheet captioned "Deviation(s) suggested".

6. The following information/ documents shall be submitted along with the tender to be considered:

- a. Sales Tax /VAT Registration Number (Centre / State) shall be indicated
- b. PAN
- c. All the documents asked for in Annexure – II, should be submitted in the Techno - Commercial Bid (Part-II).

7. Evaluation criteria:

- a. Bid should be submitted in sealed envelope only.
- b. Incomplete or conditional tenders are liable to be rejected.
- c. The Techno- Commercial offer of the tenderer will be opened only for such bidders who have submitted the EMD (Part-I) for the requisite amount of Rs.75000/- in the form of Demand Draft in favour of Steel Authority of India Limited, New Delhi.
- d. Offers of following kinds may be rejected:
 - Offers which do not confirm unconditional validity of the bid for 45 days from the date of opening of bid.
 - Offers without the filled in Form - I to III of this RFQ along with the prescribed documents.
 - Offers where prices are not firm during the entire duration of the contract and/or with any qualifications / conditions
 - Offers which do not conform to our price bid format in Form - III.
 - Offers which do not conform to the contract period indicated in the bid.

e. Technical/ Commercial Evaluation criteria:

Incomplete and non-conforming bids will be rejected outright.

- Bid should be complete and covering the entire scope of job.
- Bid should conform to all the technical and commercial conditions indicated in the bid documents.

f. Price Evaluation Criteria

(i) Evaluation of bids: -

Bids shall be evaluated on the Total Annual Price (Net of CENVAT i.e. Service Tax Credit) as indicated in **Price Bid Format in Form -III** of this RFQ. Among the techno-commercially acceptable offers, the bidder with the lowest total Price

(Net of CENVAT) quoted shall be awarded the contract.

- (ii) While evaluating the bids, If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures the amount in words will prevail for calculation of unit price.
- (iii) The lowest bidder may be required to justify the rates quoted by him and in case of any refusal for providing justification, the bidder will be asked to furnish additional performance guarantee bond (by way of bank draft / bank guarantee from banks stated elsewhere in this document) equal to the difference between the quoted price and the purchaser's estimate. The validity of bank guarantee, thus submitted, will be same as that of performance security bank guarantee as per clause 10 of Annexure - IV . EMD of the bidder who refuses to comply with this clause would be forfeited. However, if the lowest bidder is able to justify his rates and the same is found workable by the purchaser, then such performance guarantee bond may be waived.

TENDERER'S ELIGIBILITY CRITERIA

- All dates to be reckoned with Last date of submission of bids (including extension(s) thereof, if any) for evaluation purpose.
- Failure to furnish all information required as per the Bid Documents and any information being found incorrect or misleading shall be liable to rejection of the bid at any time.

SCOPE OF WORK

- 1.0) The vendor shall maintain the equipment specified in Annexure - VI of this document. Volumes & mix of equipment mentioned in Annexure - VI may undergo change from time to time at the discretion of Purchaser. Therefore, the quarterly payment may vary from quarter to quarter. To start with all the equipments which are currently not under warranty shall only be included in AMC. Further equipments will keep on getting included in AMC after completion of warranty period. The new hardware equipments purchased / transferred-in from other SAIL units will get included in AMC after completion of warranty period. All such subsequent additions/deletions shall also be deemed to be covered by this contract and subject to terms & conditions of this tender document. *For any such item(s), where the rates are not directly available in the Contract, the same shall be arrived at by using the unit rates quoted for similar item(s).*
- 2.0) In the event 'SAIL' requires modifications, replacement, additions or alterations to any of the computer systems, Vendor may undertake the same at additional charges to be mutually agreed upon.
- 3.0) The vendor shall post five full-time qualified, competent & experienced Resident Engineers (i.e. three for SAIL Office at *Ispat Bhawan, Lodi Road* and two for SAIL Office at *Scope Minar, Laxmi Nagar* to maintain the equipment detailed in Annexure - VI of this AMC. Resident Engineers:-
- a. Should be regular employees of the Vendor (in this respect necessary document to be submitted).
 - b. Should be at least Diploma in Engineering with minimum 3-year experience in computer maintenance field and also be conversant with networking, Internet etc.
 - c. Duty time will be 9.00 AM to 6.00 PM on all the working days of Purchaser. On 2nd and 4th Saturday, which are closed holidays of SAIL, presence of at least one engineer shall be required from 9:00 AM to 6:00 PM at one of the offices of Purchaser. However, engineer (s) shall also attend office on Sundays and holidays and may have to work beyond office hours, if required by the Purchaser due to exigency of work, at no extra cost. Further, the vendor shall provide mobile phones to all the resident engineers with calling facility at their own cost. In exceptional circumstance, vendor may be required to post additional support engineer for limited period at their own cost to maintain the service level at SAIL office.
- 4.0) For equipments under warranty, the resident engineers shall diagnose the fault and escalate the service call to the concerned vendor and perform the necessary follow up activities for the same and also intimate the C&IT officials regarding the call details. They would also coordinate with concerned vendor's engineer to re-configure the system, if required and put it back in operation after rectification of fault. No separate charges shall be paid for this activity. The equipments currently under warranty would be covered under AMC only after expiry of warranty.
- 5.0) The engineer shall support the functioning of Laptops / Desktops during presentations made from time to time at Ministry of Steel, Udyog Bhawan, Directors and Senior Officers of SAIL at any location in NCR. The engineer shall have to be physically present at these locations

for facilitating the presentations. These presentations may be made on working days, holidays or may even extend beyond normal working hours. On an average there are 20 presentations per quarter. Incidental expenses towards conveyance of engineers etc. will have to be borne by the contractor.

6.0) The vendor shall also provide support at Ministry of Steel, Udyog Bhawan and residences of Senior Officers/ Directors of SAIL in National Capital Region (NCR) at no extra cost. Incidental expenses towards conveyance etc. to attend calls will have to be borne by the contractor.

7.0) Maintenance contract shall include supply and replacement of all defective parts/ worn-out parts / Rat bitten cases (*power cables, adapters, patch cord etc.*) by vendor free of cost. In case of replacement of parts, the part removed will become property of the vendor.

8.0) Periodic Preventive Maintenance:

a. SCHEDULE:

- Quarterly for Servers & Network Printers
- Half yearly for PCs and Printers (Other than Network Printers)
- Laptops to be serviced once in six months depending on their availability in office

Any spare required as per Preventive Maintenance Schedule will have to be replaced by the agency at their own cost.

b. ACTIVITIES:

During the scheduled Preventive Maintenance along with the internal dust cleaning the Vendor shall undertake the following tasks:-

Tasks to be done on PCs / Laptops

- i) Diagnose & rectify the faults of the hardware/operating systems.
- ii) Repair/replace the faulty equipment/hardware.
- iii) Update the operating systems periodically (as and when new service packs, patches & updates are released)
- iv) Installation of SAIL's application software, if any required.
- v) Assist the user in taking backup & restoring, if Hard Disk needs to be formatted.
- vi) System log check (if available)
- vii) Antivirus updating (if applicable)
- viii) Checking of hard disk for abnormal behaviour / bad sectors etc.

Tasks to be done on Printers

- i) Oiling of head guide and motor spindles
- ii) Blowing out paper dust and other foreign bodies
- iii) Servicing of corona wire and imaging drum for laser printers
- iv) Cleaning of paper transport mechanism
- v) Surface cleaning of all equipments

vi) Fix any hardware faulty

Tasks to be done on Servers

- i) Clean case, blow out dust, ensure proper power connectivity
- ii) Ensure cleanliness and orderliness of wiring closets and technical environments
- iii) Fix any hardware faulty

9.0) Besides comprehensive preventive maintenance, the services shall also consist of breakdown maintenance and include diagnosis & rectification of the faults of the hardware and repair/replacement of the faulty part/equipment/hardware. The scope of work shall mainly be as under :-

For all Equipments:-

- a) Diagnose & rectify the faults of the hardware/operating systems.
- b) Repair/replace the faulty equipment/hardware.
- c) Re-configuration, if required and putting it back in the network.

For Printers:-

In addition to (a) , (b) & (c) mentioned above

- d) Replacement of printer head of Deskjet, Office jet, All-In-One printer.
- e) Configuration of network (if required)

For PCs & Laptops:-

In addition to (a) , (b) & (c) mentioned above

- f) Diagnose & rectify the faults of the operating systems/application software.
- g) Re-Installation and re-configuration of Operating system & SAIL's application software viz. mail, anti-virus, SAP GUI etc..
- h) Assist the user in taking backup & restoring, if Hard Disk needs to be formatted.
- i) Configuration of network, domain / workgroup etc. and configuration of peripherals.

For Servers:-

In addition to (a) , (b) & (c) mentioned above

- j) Diagnose & rectify the faults of the operating systems.
- k) Re-Installation and re-configuration of Operating system
- l) Assist the user in taking backup & restoring, if Hard Disk needs to be formatted.
- m) Configuration of network and configuration of peripherals

The scope of work includes carrying out all necessary repairs, provision for supplies/fittings and replacement of defective parts viz. CRT / LCD Panel / PCMCIA Card / Fuser Assembly / Power Adapter/ UTP Patch Cord etc & Rat bitten cases (*power cables, adapters, patch cord etc.*). Only exclusions are ribbons/ cartridge/ toners of Printers, Printer heads of Dot Matrix Printer, batteries for UPS, and batteries of Laptop and storage media Tape/DVD/CD/Floppy etc. Worn-out or defective Printer head of Deskjet / Office jet /All-in-one printers are to be replaced as & when required free of cost. Replaced parts shall become the property of the

vendor. The power cable of equipment, power adapter in case of Laptops, printers etc., patch cord of equipment are all covered under the scope of work.

- 10.0) The vendor shall repair or replace all parts of Hardware with existing make & specification or higher, free of cost during AMC period. If make & specification of replaced parts are different, the genuineness of the replaced parts will be shown by the Party to Maintenance Administrator of Purchaser before replacement.
- 11.0) Mouse & keyboard replacement (if any) are to be of same make & model or of Logitech make with same model type or as directed by Purchaser.
- 12.0) The vendor shall provide software support for all types of OS WINDOWS NT/ 2000/ XP/ VISTA/ Seven/Eight, Windows 2003 Server or higher, Linux Advance Server 2.1 & 4.0 or higher, etc., as well as for Windows based packages like MS-OFFICE 2000 / XP / 2003/ 2007/ 2010, AKSHAR, LEAP-OFFICE 2000, Hindi software etc. Support shall include reinstallation and configuration of Internet, E-mail, Homepage of SAIL, Anti-virus, SAP and Domain Controller or any other new software. The media for Software would be provided by Purchaser. *(The list is only indicative and not exhaustive. The vendor shall have to provide support for all the software being used in SAIL Corporate Office. The licensing cost is however excluded from the scope and shall be borne by Purchaser)*
- 13.0) The vendor shall maintain proper organization in terms of human resources, tools and test equipment, gauges & gadgets etc. to run diagnostics at their own cost. All resident engineers have to be equipped with basic tools like screw driver sets etc. to enable them to carry out their work. Further, the vendor shall also provide two sets of multi-meter and two sets of hand-held blowers / vacuum cleaner (one for each building) for catering to the maintenance activities to be carried out under this contract.
- 14.0) SPARE PARTS:

The Vendor shall maintain stock of spare equipment/ accessories/ parts at his own cost (to be kept at Purchasers premises), to meet his obligations under the contract, and shall maintain an up-to-date record. The same shall be liable for inspection by the Purchaser on monthly basis. The list of main spare items is enclosed at Annexure – VII. *Spare parts to be clearly marked as property of Vendor by means of permanent marking.*

The vendor also needs to maintain spares not mentioned in the above Annexure, but required to meet his obligations under the contract. If any defective equipment/ accessories/ part are replaced by spare one out of the above stock, vendor shall replenish the same in stock within 7 days.

15.0) CARE OF THE EQUIPMENT

- i) The customer shall give the supplier full & free access to the equipment to enable the supplier to provide maintenance services & make available to the supplier the services of customer's staff, who are familiar with the programs run and provide suitable working space and facilities.
- ii) Supplier shall not be liable for any damages/loss which may occur as a result of transfer of the system by the customer from present location to another location / premises

without assistance by Supplier's Supervision Engineers in this respect.

- iii) Scope of contract does not include failure of product/parts due to mishandling, breakage and damages by the customer. However in such case and if so directed by Purchaser, the vendor shall undertake repair / replacement of such parts on actual payment basis.
- iv) Supplier shall carry out routine voltage checking / electrical fault etc. of the customer premises periodically, and intimate in writing of any fault found. This is essential as no claim for repair on chargeable basis on account of failure / damage attributable to electrical faults will be entertained, until & unless it has been established that these repairs have been necessitated due to erratic power supply.

16.0) MAINTENANCE RECORDS & CALL COORDINATION

- i) Supplier shall maintain history card for each unit of the equipment indicating preventive maintenance activities, types of breakdowns, types of repairs carried out and spare parts used. These history cards shall be handed over to customer as and when the contract is terminated.
- ii) The supplier shall supply the customer with call sheets or maintain Log Register on regular basis in which details of breakdown, time at which the breakdown took place, calls made and time taken to attend the call, etc. will be indicated. These call sheets/Log Register shall form the basic document on the basis of which uptime will be calculated. The vendor shall also maintain the log data in soft copies as per mutually agreed format.
- iii) All Complaint calls should invariably be recorded in Log Register kept at Customer's site.
- iv) The Complaint resolution must be counter-signed by SAIL user.
- v) Out of 5 engineers (posted at SAIL premises), the senior most amongst them shall be designated as a TEAM LEADER and shall be required to co-ordinate all problems and call resolutions from Vendors side. Deployed engineers must be well versed with Windows (MS-OFFICE 2000 / XP / 2003/ 2007/ 2010, AKSHAR, LEAP-OFFICE 2000, etc. Support shall include reinstallation and configuration of Internet, E-mail, Homepage of SAIL, Anti-virus, SAP and Domain Controller or any other new software. The media for Software would be provided by SAIL) and should be well versed in Desktop & Laptop hardware maintenance. At least one engineer shall be experienced and trained printer/ multi-function printer engineer.

17.0) MOVEMENT OF TERMINALS AND OTHER PERIPHERALS EQUIPMENTS

The Supplier / Contractor shall help to supervise the relocation or movement of PCs, Servers & Peripherals or such other equipment. SAIL will provide transportation facility. In emergency situations, the Contractor shall arrange the relocation or movement of equipment on their own cost.

18.0) UNINTERRUPTED SERVICES

In the event of new contract not being finalized by the customer before the expiry of the current contract, the contractor shall at the end of AMC period, continue to carry out the maintenance services for one or more quarter on the same terms & conditions.

TERMS AND CONDITIONS

- 1) The tenderer must respond to all the points explicitly included in the Scope of Work as per **Annexure- III**. The scope of work for AMC of PCs, Laptop, Servers & Peripherals should follow the standard conventions prevalent in the industry.
- 2) **Period of Validity of Bids:** Bids shall remain valid for 45 days from the date of bid opening as prescribed by SAIL. A bid valid for a shorter period is liable to be rejected.
- 3) **Price:**

The price quoted shall be on firm price basis and shall not be subject to any escalation for any reason, whatsoever, and shall remain firm during the entire specified period of the contract except the service tax, VAT or any other tax (as applicable). Taxes (as applicable) should NOT be included in the unit rate. The price is to be quoted as per the schedule given at Form -III.

- 4) **Personnel deployed:**

Personnel deployed for the maintenance activities: The tenderer will ensure that the personnel assigned for the maintenance activities possess the required skills, qualification and experience in the relevant fields and are adequate in number to be able to complete the tasks as per schedule indicated in the Tender.

On award of contract, the tenderer needs to finalize a panel of 8 Resident Engineers in consultation with SAIL. The five resident engineers, to be posted at SAIL offices shall be from the above panel. Replacement arising out of reasons beyond the control of supplier (like separation, illness etc), shall be from the above panel. The supplier may update the panel in consultation with SAIL from time to time, if so required.

Frequent changing of manpower shall not be allowed.

Replacement from outside the panel shall be accepted only if, replaced man power has the requisite qualification & experience. Only one instance of such replacement is allowed without penalty. Beyond one instance, penalty of 0.05% of total AMC amount shall be levied for each replacement.

- 5) **Payment Terms:**

Payments due under this contract shall be made as per the payment terms described below in this section. The Party will raise an invoice of the payments becoming due and the SAIL shall release the payment after receipt of the invoice. All payments due to the party will be subject to Tax Deduction at Source as per the Prevailing Income Tax Act and other applicable levies as per the rules of the State / Central Governments.

The Maintenance charges will be paid to the party on quarterly basis in the month following the quarter. Release of payment shall be subject to the party fulfilling all the performance

criteria.

6) Down Time Calculation:

The daily call reports of the vendor shall form the basis of calculation of down time. Down time will not be considered under the following conditions

- Time taken for prescheduled Preventive Maintenance and health check at a mutually convenient time during the agreed Service Hours.
- Repair time due to machine failure caused by operational error.
- Repair time due to machine failure caused by confirmed environmental conditions.
- Standby machine of similar or higher configuration/ capacity is provided, to meet the needs of the end-user.

7) Services not to be included in AMC:

- Neglect or misuse, including use of the machines for purposes other than, for which they are designed.
- Accident or disaster, including water, wind and lighting.
- Natural disaster

8) PENALTY:

A) For not performing Preventive Maintenance

If scheduled PM is not carried out as detailed in Scope of work, penalty shall be levied as follows:-

- Servers – Rs. 200/- per equipment per quarter
- Network Printers – Rs. 200/- per equipment per quarter
- PCs – Rs. 100 /- per equipment per half-year
- Printers / All-in-One – Rs. 100 /- per equipment per half-year

The penalty shall not be levied in case of failure of end-user to make the equipment available to the vendor for maintenance.

B) For DESKTOPS

1. If a PC remains non-functional due to breakdown for more than one day from the notification of call, it shall attract a penalty of Rs.100/- (one hundred only) per PC for each day the equipment remains non-functional due to breakdown, after one day. Subject to a maximum of Rs. 1000/- (One thousand only) per PC in a calendar month.
2. The minor faults viz. floppy drive CD/DVD etc. which do not affect normal working of the machine should be attended and rectified by the supplier/contractor maximum within three days from the notification of call. Failure to do so will make the contractor liable to pay penalty of Rs.100/- per day, after three days, subject to a maximum of Rs.500/- (Five hundred only) per affected machine per calendar month.

3. However, failure on part of the contractor to rectify faults/provide services within two weeks of notification, gives SAIL the right to get the work done by any other competent agency or department, even at higher rates, and the amount and penalties will be recovered from the supplier/contractor.
4. Penalty shall not be levied if a suitable standby machine of similar configuration is provided within one day of notification of call. But the defective machine needs to be in working order within 30 days of notification of call, failing which SAIL has the right to purchase a new machine of similar or higher configuration from open market. Further cost of the machine so procured shall be recovered from the Supplier / Contractor's bill.

C) FOR SERVERS

1. Servers shall work in 24x7 hours mode.
2. The minor faults floppy drive CD/DVD etc. which do not affect normal working of the machine should be attended and rectified by contractor within 36 hrs. from the notification of call. Failure to do so will make the contractor liable to pay penalty of Rs. 100/- per day for 1st three days from the notification of call and there after Rs. 200/- per day.
3. The major fault should be attended and rectified by contractor within 24 hrs. from notification of the call. Failure to do so will make the contractor liable to pay a penalty of Rs. 500/- per day for 1st two days and Rs. 1000/- per day thereafter from notification of call.
4. Penalty shall not be levied if a suitable standby machine of similar configuration is provided within 24 hours of notification of call for Major faults.

D) FOR LAPTOPS

If a Laptop remains non-functional due to breakdown for more than one day from the notification of call, it shall attract a penalty of Rs.100/- (one hundred only) per Laptop for each day the equipment remains non-functional due to breakdown, after one day, subject to a maximum of Rs.2000/- (Two thousand only) per Laptop in a calendar month.

E) FOR PERIPHERALS

The down-time penalty charges for equipment remain non-functional due to breakdown, after one day shall be as follows:

S.No.	Item	Penalty Amt. in (Rs.)
1	Dot Matrix Printer or equivalent	Rs.100/- for each day. Subject to maximum Rs.500/- in a calendar month
2	Deskjet / Office jet	Rs.100/- for each day.

S.No.	Item	Penalty Amt. in (Rs.)
	Printers or equivalent	Subject to maximum Rs.1000/- in a calendar month
3	All-in-one MF Deskjet / LaserJet or equivalent	Rs.100/- for each day. Subject to maximum Rs.1000/- in a calendar month
4	Monochrome Laser Printer or equivalent	Rs.100/- for each day. Subject to maximum Rs.1000/- in a calendar month
5	Monochrome Laser Network Printer or equivalent	Rs.150/- for each day. Subject to maximum Rs.1500/- in a calendar month
6	Monochrome Heavy Duty Laser Network Printer or equivalent	Rs.200/- for each day. Subject to maximum Rs.2000/- in a calendar month
7	Color Laser Network Printer or equivalent	Rs.200/- for each day. Subject to maximum Rs.2000/- in a calendar month
8	Design jet Printer (130) or equivalent	Rs.100/- for each day. Subject to maximum Rs.1000/- in a calendar month
9	Line Printer (Lipi T 6090) or equivalent	Rs.100/- for each day. Subject to maximum Rs.1000/- in a calendar month
10	UPS (500/ 600/ 650 VA/ 1 KVA)	Rs.100/- for each day. Subject to maximum Rs.500/- in a calendar month

- ✓ The vendor shall replace parts with existing make & specification or better, free of cost during AMC period. If make & specification of replaced parts are different, the genuineness of the replaced parts/printers will be shown by the vendor to Maintenance Administrator of SAIL before replacement.
- ✓ If the Deskjet/Inkjet printer is down continuously, the vendor shall replace Deskjet/Inkjet with existing make & specification or better or standalone laserjet printer (Mono), free of cost during AMC period. If make & specification of replaced printers are different, the genuineness of the replaced parts/printers will be shown by the vendor to Maintenance Administrator of SAIL before replacement.

F) FOR ABSENCE OF RESIDENT ENGINEERS

The supplier/contractor has to monitor and ensure the attendance of his personnel posted as Resident Engineers. If the absence of the resident engineers is recorded more than one day per month per resident engineer, the contractor will be liable to pay a penalty of Rs. 500/- per day per resident engineer, without limit.

Penalty shall not be applicable, in case of pre-planned leave of an engineer, alternative qualified substitute to be posted.

Further, pick-up and drop of materials for fault-rectification, in case the fault cannot be resolved at site, will be the supplier/contractor's responsibility and the resident engineers posted at SAIL will not be allowed to go to the supplier/contractor's office for pickup/drop of replacement parts during working hours.

G) FOR SPARE PARTS

Failure to maintain the stipulated stock as mentioned in Scope of Work shall attract penalty amount of Rs. 200/- per day, *subject to a maximum of Rs.4000/- (Four thousand only) in a calendar month.*

NOTIFICATION TIME OF CALL FOR THE PENALTY CALCULATION IS THE TIME WHEN THE CALL IS REPORTED TO RESIDENT ENGINEER OF THE VENDOR THROUGH E-MAIL / VERBALLY / TELEPHONICALLY.

9) Award of Contract:

SAIL will notify the successful party in writing about acceptance of their bids. The notification of award will constitute the formation of the Contract.

10) Performance Guarantee:

The Party shall submit a Performance Guarantee (PG) Bond in the form of Bank Guarantee in the prescribed PROFORMA given at Annexure - V, equivalent to 10% of the total value of the Contract (i.e 3 times of Annual Contract Value) valid for Thirty nine (39) months from the date of Start of AMC. The Party shall submit the PG Bond within 7 days of signing of AMC. In case of unsatisfactory performance against the contract, the performance Bank Guarantee shall be encashed by SAIL. The PG Bond should be established in favour of Steel Authority of India Limited through any Scheduled Bank located at New Delhi / NCR, except Cooperative and Gramin Banks.

The Bank Guarantee shall be extended for such further period or periods as may be necessary to cover an extended period of contract after the actual date of completion of annual maintenance contract.

The performance Guarantee shall be forfeited by SAIL, if the supplier/contractor is not able to rectify fault in time or is not able to discharge his liabilities as per the contract.

11) Purchaser's Option for Extension of Contract:

SAIL reserves the right to extend the contract, with same terms and conditions without any escalation in prices. In case of general fall/decline in the cost SAIL shall have right to negotiate for discount etc.

In the event of new contract not being finalized by 'SAIL' before the expiry of the current contract, supplier shall at the end of AMC period, continue to carry out the maintenance services on the same terms & conditions for one or more quarter or as communicated by 'SAIL'.

12) Conciliation:

All questions, claims, disputes and or differences of any kind whatsoever arising out of or in connection with or concerning this contract, at any time, whether before or after determination of the contract, shall be referred by the parties hereto for Conciliation before a Conciliatory Forum / Body.

The Conciliatory Forum / Body will be composed of the following members:-

- i) Nominee of the Steel Plant / Unit – Independent of officer handling the contract (to be nominated by the head of the concerned department.)
- ii) Nominee of the Contractor / Supplier / Customer.

The parties in dispute would place their facts in writing before the Body / Forum and the process of conciliation would be completed within the period of three months from the date of reference to the Conciliatory Forum / Body.

On failure of the conciliation, the aforesaid questions, claims, disputes and or differences shall be referred by the parties here to for the decision by a Sole Arbitrator to be appointed as herein after mentioned.

13) Arbitration:

Matters in question, claims, dispute and or difference in respect of the contract to be submitted to arbitration as aforesaid shall be referred for decision to a Sole Arbitrator to be appointed by Director (Projects & Business Planning), SAIL. Before appointing the Sole Arbitrator, Director (Projects & Business Planning), SAIL shall nominate three names out of which the contractor / supplier / customer shall give his consent for one of them for appointment as Sole Arbitrator, failing which after 30 days of the issuance of the letter informing three names Director (Projects & Business Planning), SAIL shall have the power to appoint one of the three notified persons as the Sole Arbitrator.

In case the designation of the Director (Projects & Business Planning), SAIL is changed or his office abolished, the officer who for the time being is entrusted with the functions of the Director (Projects & Business Planning), SAIL, by whatever designation such officer is called, shall be the person designated to appoint the Sole Arbitrator. The arbitrator so appointed shall adjudicate upon the disputes between the parties hereto.

The Sole Arbitrator appointed as stated above, shall from the time of his appointment and throughout the arbitration proceedings, without any delay, disclose to the parties in writing any circumstances likely to give rise to justifiable doubts as to his independence or impartiality provided that the mere fact that such Sole Arbitrator is an employee of SAIL or its subsidiary shall not be regarded as such circumstances. The arbitrator shall decide the questions, claims, disputes or differences submitted to him by the parties in accordance with the substantive law for the time being in force in India.

The arbitrator shall hear the cases independently and impartially and shall not represent the interest of any party. Any arbitrator having personal interest in the case at the time of his appointment and at any time subsequently thereafter must withdraw from his office

himself and the parties shall also have the right to ask him to do so. The venue of the arbitration shall be New Delhi.

Procedure for conduct of the arbitration proceeding shall be decided by the arbitrator, in consultation with the parties before proceeding with reference. The arbitrator may hold preparatory meeting(s) for this purpose. In the preparatory meeting(s) as aforesaid, the arbitrator/s as the case may be in consultation with the parties shall also determine the manner of taking evidence, the summoning of expert evidence, and all such matters as are necessary for the expeditious disposal of the arbitration proceedings.

The provision of the Arbitration and Conciliation Act, 1996 and the rules framed there under, if any and all modifications / amendments thereto shall deem to apply and / or be incorporated in this contract and when such modifications / amendments to the Act / Rules are carried out.

Work / supply under the contract shall be continued by the contractor / supplier / customer, under the contract, during the arbitration proceedings and recourse to arbitration shall not be a bar to continuance for the work or supply unless otherwise directed in writing by the Plant / Unit.

14) Force Majeure:

In the event either or both the parties to the contract is/are prevented from discharging its/ their obligation(s) under the contract by reason of one or more of the events such as arrest(s), restraint(s), by government of people, blocked(s), revolution(s), insurrection(s), mobilization(s), strike(s), lockouts(s), civil commotion(s), riot(s), accident(s), act(s) of God or other natural calamities or on account of any other act(s) beyond the control of the parties, the time of the delivery shall be extended by the period equal to the period of delay/constraints occasioned by one or more of the aforesaid Force Majeure conditions.

On the occurrence of any of the above Force Majeure conditions, the party concerned shall notify the other party in writing of such occurrence(s) within 10 days of Force Majeure stating therein (i) the date of occurrence(s) of Force Majeure disability, (ii) the nature of such Force Majeure disability, along with a chamber of commerce of the concerned state certifying the fact of the Force Majeure condition during the period.

In the event of the party invoking the Force Majeure condition(s), the purchaser shall have the option to cancel the contract for the reason of any or all of the Force Majeure conditions notified by the party without being liable to pay any compensation whatsoever to the party.

15) Sub-contracts:

The Party shall not assign or sub-contract in whole or in part the contract in any manner except with the prior approval of the SAIL. *Hiring of specialized services, with written consent of SAIL, shall not tantamount to sub-contract.*

16) Non-recruitment:

Each party shall neither recruit nor offer employment directly or indirectly to any personnel employed by the SAIL during the tenure of this contract or for a period of three years thereafter.

17) Amendments:

No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties.

18) General Condition of Contract:

General Condition of Contract governing supply contracts, of Steel Authority of India Limited (**SAIL P-I**), shall apply to this contract except to the extent modified herein. SAIL-PI can be downloaded from the Tender Section of the SAIL website www.sail.co.in.

19) Compliance with all Laws:

The selected party shall be responsible and shall ensure compliance norms with all laws applicable and related to the web designing. This will include inter-alia, rules, regulations, bye-laws and orders of the appropriate authorities and statutory bodies and may be enforced from time to time during the currency of the contract. The Contractor shall pay employees' wages not less than the minimum rates of wages, if any, fixed by the State Government from time to time.

20) Termination of Contract: The term of this contract is three years, which may be extended at SAIL's option, with the same terms & conditions without any escalation in prices. In case of general fall / decline in their cost, SAIL shall have right to negotiate the same.

This contract may be terminated:

- By SAIL on non-completion of jobs and / or non-Performance of required services effective upon thirty (30) days prior written notice, as appropriate, at any time during the term / extended term of the contract. The decision of SAIL in this regard shall be final and binding.
- By either party, for material breach of the contract effective upon thirty (30) days written notice by the non-breaching party and the breaching party's failure to cure such Breach within the thirty (30) day notice period;
- By either party upon the issuance of notice to the other party if the other party is adjudged insolvent or bankrupt, or the institution of any proceedings by or against the other party seeking relief, reorganization or arrangement under any laws relating to insolvency, or any assignment for the benefit of creditors, or the appointment of a receiver, liquidator or trustee of any of the other party's property or assets, or the liquidation, dissolution or winding up of the other party's business.

21) Exception To Tenders:

SAIL, in its sole discretion, unconditionally and without having to assign any reason, reserves to itself the right to accept or reject the lowest bid or any other tender or all the tenders. SAIL also reserves the right to accept any tender in full or in part.

22) LIMITATION OF LIABILITY:

Except in cases of criminal negligence or willful misconduct,

- (a) The vendor shall not be liable to the Purchaser, whether in contract, tort or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs and
- (b) The aggregate liability of the Vendor to the Purchaser whether under the contract, in tort or otherwise including the cost of repairing or replacing defective equipment, shall not exceed 100% (one hundred percent) of the contract price, provided that this limitation shall not apply to any obligation of the contractor to indemnify the buyer with respect to copyright, patent infringement etc.

**PROFORMA FOR BANK GUARANTEE FOR
PROFORMANCE GUARANTEE BOND**

To

Steel Authority of India Limited
19th Floor, Scope Minar, Laxmi Nagar
Delhi-110092

Bank Guarantee No..... Dated.....

LETTER OF GUARANTEE

1. Whereas M/s (hereinafter referred to as the SELLER) and M/s STEEL AUTHORITY OF INDIA LIMITED (hereinafter referred to as the PURCHASER) have entered into a Contract vide Annual Maintenance Contract Order no..... - dated (hereinafter called the said AGREEMENT) for Maintenance of Server, Laptop, PCs & Peripheral at SAIL Corporate Office, New Delhi (hereinafter referred to as the Services) to the PURCHASER on the terms and conditions mentioned therein.
2. We,....., New Delhi, at the request of the Seller,
(name of the bank)
do hereby undertake and indemnify and keep indemnified the PURCHASER to the extent of Rs. against any loss or damage that may be caused to or suffered by the PURCHASER, by reason of any breach by the SELLER of any terms and conditions of the said contract and/or in the Performance of the said CONTRACT by the SELLER. We agree that the decision of the PURCHASER as to whether any breach of any of the terms and conditions of the said CONTRACT or in the Performance thereof has been committed by the SELLER and the amount of loss or damage that has been caused to or suffered by the PURCHASER shall be final and binding on us and the amount of the said loss or damage shall be paid by us forthwith to the PURCHASER on demand and without protest or demur.
3. We New Delhi, hereby further agree that the guarantee
(name of the bank)
herein contained shall remain in full force and effect during the period that would be taken for satisfactory Performance and fulfillment in all respects of the said CONTRACT and that it shall continue to be enforceable for (a) two years from the date of start of Maintenance Services or (b) in the event of any dispute(s) between the PURCHASER and the SELLER, until such period(s) the dispute is settled fully, whichever date is later, and that if any claim accrues or arises against us, by
(name of the bank)
virtue of the GUARANTEE before the dates referred to at (a) and (b) herein above, the same shall be enforceable against us, New Delhi
(name of the bank)
notwithstanding the fact that the same is enforced after the dates referred to at (a) or (b) hereinabove, whichever date is later, provided that notice of any such claim has been given by the PURCHASER before the dates referred at (a) & (b) hereinabove, as the case may be. Payments under this LETTER OF GUARANTEE shall be made promptly upon our receiving the notice to that effect from the PURCHASER on demand and without protest or demur.
4. It is fully understood that this Guarantee shall become effective from the date of the said CONTRACT and that We,..... New Delhi,
(name of the bank)

undertake not to revoke this Guarantee during its currency without the prior written consent of the PURCHASER.

5. We,....., New Delhi, hereby further agree that the
(name of the bank)

PURCHASER shall have the fullest liberty, without affecting in any manner our obligations herein under, to any of the terms and conditions of the said CONTRACT or to extend the time of Performance of the said CONTRACT by the SELLER from time to time any of the powers exercisable by the PURCHASER against the SELLER and to forbear or to enforce any of the terms and conditions relating to the said CONTRACT

and We, ,

(name of the bank)

New Delhi, shall not be released from our liability under this Guarantee by reason of any such variation or extension being granted to the SELLER or any forbearance and/or omission on the part of the PURCHASER or by any other matter or thing whatsoever which under the law relating to sureties would, but for this provision, have the effect of so releasing us from our liability under this Guarantee.

6. We , New Delhi, hereby further agree that the Guarantee
(name of the bank)

herein contained is initially valid up to and the same shall be extended further according to the provisions contained herein above.

7. We , New Delhi, hereby further agree that the Guarantee
(name of the bank)

Herein contained shall not be affected by any change in the constitution of the SELLER and/or the PURCHASER.

FOR AND ON BEHALF OF
