Instruction to Tenderers**1. Downloading of Tender Documents**

Tender Documents can be down loaded from SAIL, Website, <https://www.sailtenders.co.in> from 6/7/2016 onwards.

2. Submission of Tender

All Tender papers duly filed in and complete in all respect and sealed in an envelope as mentioned at serial no.2 below must be dropped in the specified tender box kept at reception lounge of Steel Authority of India Limited (SAIL), Ispat Bhawan, Lodhi Road, New Delhi-110003 or may be sent by courier/post and must be received by **15:00 hrs** on **21/7/2016**. If sent by post/courier, the tender may be addressed to: DGM(Personnel-Recruitment & MPP), Steel Authority of India Limited, 16th floor, Scope Minar, Laxmi Nagar Distt. Centre, Delhi-110092. Tenders received after this time and date will not be considered for evaluation. The envelope should also have the name and address of the agency and date of submission. Telex/Fax and e-mailing bids will not be considered.

3. Submission of Tender Documents : Tender should be submitted in two Part Bids :**Part-A : Techno-Commercial Bid**

This Bid should contain Technical and Commercial Offer along with the declaration of Acceptance of Scope of Work, Techno-commercial terms & conditions/ Company details asked for in the Tender, if downloaded from the internet and Earnest Money of Rs.5,00,000/- as mentioned above. **It may be noted that in no way, the price should be indicated in this Part of the offer.**

The technical details should include :

- Complete profile of the organization including turnover of immediately preceding three years.
- Experience of conducting similar tests with details of activities undertaken indicating organizations worked for, nature of tests with posts recruited for e.g. executives, clerical, number of candidates/centers handled, year etc. Copy of work orders/completion certificate may be enclosed.
- In-house resources available including specialists employed, computer hardware and software, printing facilities, OMR scanning etc.
- System of security adopted to maintain secrecy.
- The requisite documents in support of the above may also be furnished.

Part-B : Price Bid

This Bid should contain only the Price Bid in the prescribed Price Bid Format given at Form-III. Parties should quote all inclusive price after taking all aspects into consideration. Price quoted should be firm and all inclusive for carrying out activities as detailed in the scope of work. It is to be noted that Service Tax chargeable as per the prevailing rate and rules of Government of India shall be indicated separately in the Price Bid.

Please note that the rates quoted should be mentioned in the price bid form only and not on any other page of the tender document.

Tenderers must put their signature on every page of the tender/documents, failing which the tender is liable to be rejected.

4. **Opening of the Tender :**

Only the **Part-A – Techno-Commercial Bid** of the Tender received upto 15:00 hours on the stipulated date, will be opened on the same day at 15:30 hours at Ispat Bhawan, Lodi Road, New Delhi, in the presence of the tenderers or their representatives, who may wish to be present at the time of opening of tenders. **Tenders received without Earnest Money deposit shall be rejected.**

Part-B – Price Bid of only those tenderers shall be opened who on scrutiny are found technically acceptable, on a date to be informed later, in the presence of tenderers or their authorized representatives who may wish to be present.

5. **Earnest Money**

Earnest money(EMD) in the form of Bank Draft/Demand Draft of Rs.5,00,000/- (Rupees five lakhs only) drawn in favour of Steel Authority of India Ltd., New Delhi shall form part of the bid. Tenderer can also submit the Earnest Money in the form of Bank Guarantee from any scheduled commercial bank at New Delhi in the format given in the Tender Document at Annexure III A. In the case of unsuccessful bidders, EMD shall be refunded within 30 days of finalization of order against the tender. No interest shall be paid on the EMD.

6. The following information/documents shall be submitted along with the Tender :

- (i) Copy of Service Tax Registration certificate
- (ii) Copy of PAN Card
- (iii) Filled in Check List
- (iv) ITR and Audited Balance sheet, P&L and Audit Report of immediately preceding 3 years
- (v) Compliance status against each eligibility criteria
- (vi) Above documents and all the documents asked for in the Eligibility Criteria/supporting the claim should be submitted in the Techno-Commercial Bid – Part-A.

7. Tenders not conforming to the Tender instructions and terms & conditions are liable to be rejected. Any proposal for deviation from the scope of work should be clearly indicated in writing in the Tender, separately listed on one sheet, captioned “Deviation(s) suggested”.

8. SAIL reserves the right to accept/reject any/all quotations in full or in part without assigning any reason whatsoever.

9. **Contact** :For any clarification regarding the Tender Documents, the following officer of SAIL may be contacted :

DGM(Personnel-Rectt. & MPP)

Steel Authority of India Ltd.

16th Floor, SCOPE Minar, Laxmi Nagar District Centre,
Delhi-110092

Phone—011-22441758, Fax—011-22441759

Email : sail.rectt@sailex.com

10. Evaluation Criteria :**(A) Technical & Commercial criteria:**

- (i) The bidder should fulfill the eligibility criteria spelt out in the Tender.
- (ii) The bid should be complete and covering the entire scope of work and should conform to all the Technical and Commercial conditions indicated in the Tender Document. Incomplete and non-conforming bids will be rejected.
- (iii) Offers of the following kinds may be rejected :
 - a. Offers which do not confirm validity of the Bids for 45 days from the date of opening of the Bid.
 - b. Offers without the prescribed documents.
 - c. Offers where prices are not firm and/or with any qualifications/conditions.
 - d. Offers which do not conform to price bid format.
 - e. Tenders without EMD of Rs.5,00,000/-

(B) Price Evaluation Criteria-

Bids shall be evaluated on the basis of **all inclusive** price (except service tax) as indicated in Price Bid format of the Tender. Among the Techno-commercially acceptable offers, the Bidder with the lowest Price quote shall be awarded the contract.

11. Scope of Work- As per Annexure-I**12. ELIGIBILITY CRITERIA****Essential :-**

- i) Should have minimum 5 years' experience of conducting offline written test including setting of Question Paper for recruitment of Central/ State Govt./ PSUs/Public Sector Banks.
- ii) Should have carried out at least 10 recruitments in the last five years, out of which at least fifty per cent should be for recruitment of engineers/ executives/ management trainees/ for Central/ State Govt./ PSUs/Public Sector Banks with conduct of written test at multi locations.
- iii) Should have handled offline written tests on an all India basis for 1,00,000 or more candidates in a single day in more than 25 cities or at more than 150 venues in 10 or more cities, atleast 2 times in last 5 years.
- iv) Should have devised objective type tests in both English and Hindi for Professional knowledge test covering all major engineering and management disciplines and for Aptitude test covering areas viz. Reasoning, Quantitative Aptitude, General English and General Awareness with sufficient question bank.
- v) Should have in-house computer facilities for data processing.
- vi) Should have a foolproof system of security for handling test material and maintaining utmost secrecy.
- vii) Average turnover of immediately preceding last three years should not be less than Rs.10 crore.

- viii) Should have carried out reliability and validity analysis of the question papers.
- ix) Should not have been blacklisted by any client organization (Govt./ PSU/Pvt. Bank) in the last five years.
- x) Should have successfully conducted biometric identification for 1,00,000 candidates at different venues in different cities in a single day during last 3 years.

Desirable :-

- xi) Publication of research papers on recruitment and selection in national/ international journals of repute and monographs.
- xii) Should have own printing press/facilities for printing of test booklets and answer sheets.
- xiii) Should have ISO 9001 quality certification in the written test examination process.

13. Terms & Conditions of the Tender

1. The Tenderer must respond to all the points explicitly included in the scope of work.
2. Period of validity of bids. – Bids shall remain valid for 45 days from the date of bid opening. Bid valid for a shorter period is liable to be rejected.
3. Price : The price quoted shall be firm and shall not be subject to any escalation for any reason whatsoever. The price is to be quoted as per the format given in the Bid.
4. Deliverables : Deliverables will be as per the Scope of Work mentioned in the Annexure-I

14. Award of Contract:

SAIL will notify the successful Tenderer in writing about acceptance of their bid. The LOI/ issue of work order will constitute the formation of the contract.

15. Payment Terms :

The engagement fee will be the rate for each eligible candidate (all inclusive price) as per Form-III multiplied by the number of eligible candidates registered after paying due application/ processing fee and after eliminating rejected /duplicate applications etc.

Payment will be released after completion of each activity as mentioned below:

- (a) 30% of engagement fees will be payable by SAIL based on number of valid applications, after the test papers are made ready, test venues have been booked and admit cards have been uploaded on SAIL website.
- (b) 30% of engagement fee will be payable on satisfactory conduct of written test, biometric identification of candidates and submission of written test results as per requirement of SAIL.
- (c) Balance 20% engagement fee will be payable after completion of biometric identification during interviews at five metros and submission of final result and completion of biometric identification at the time of joining.
- (d) Remaining 20% engagement fee will be payable after one month after display of individual score card marks through an online system hosted on SAIL Career page website.

16. Security Deposit and Performance Guarantee Bond

The successful bidder will have to deposit **Rs.15,00,000/- (Fifteen Lakhs only)** as Security Deposit in the form of Performance Guarantee Bond within fifteen days of placement of LOI/work order in the format prescribed by the Company, which shall be refunded on successful completion of the Contract without any interest. In case of failure on the part of the successful bidder to submit the Performance Guarantee Bond within the stipulated period, his EMD shall be forfeited. Upon submission of Performance Guarantee Bond as Security Deposit, the EMD of the successful party shall be returned by SAIL.

17. Risk Purchase :

If the party fails to deliver the services as per scope of work or fails to complete the order within the period prescribed for such service, SAIL shall be entitled at its option to cancel the contract either fully or partially at the risk and cost of the party.

In the event of SAIL terminating the contract in whole or in part as mentioned above, the services may be arranged by SAIL from alternate agencies and the party shall be liable to pay SAIL for any excess costs for such services. However, in case of part termination of the contract by SAIL, the party shall continue to perform the contract to the extent it is not terminated under the provision of this clause.

18. Confidentiality and Secrecy :

The successful bidder will have to submit an undertaking as per given format in Scope of Work to maintain complete confidentiality of all the information collected / provided during the execution of this contract and not to part with any information in any manner, to anyone, without prior written permission from SAIL. The bidder will also undertake to maintain utmost secrecy in preparation and administration of question papers related to written examination. Any breach of confidentiality or secrecy will be construed as failure of delivery of the service and SAIL will be free to initiate any action permissible under this contract and/or as per law of the land and /or as per the prevalent rules of the Company.

19. Penalty for failure to deliver the service as per tender

SAIL reserves the right to forfeit the Security Deposit as well as impose such monetary penalty as it may feel reasonable besides taking action to blacklist the agency in case the agency fails to deliver as per the scope of work. The penalty shall not exceed the value of the rate quoted by the agency multiplied by the number of the candidates affected by the failure to deliver the services by the agency.

20. Resolution of Disputes

Any dispute, question, claim or difference arising out of or concerning this contract between the parties shall be settled amicably through mutual negotiations by the parties.

21. Arbitration

Matters in question, claims, dispute and or difference in respect of the contract to arbitration as aforesaid shall be referred for decision to a Sole Arbitrator to be appointed by Executive Director(P&A), SAIL Corporate Office, New Delhi.

The Sole Arbitrator appointed as stated above, shall from the time of his appointment and throughout the arbitration proceedings, without any delay, disclose to the parties in writing any circumstances likely to give rise to justifiable doubts as to his independence or impartiality. The arbitrator shall decide the questions, claims, disputes or differences submitted to him by the parties in accordance with the substantive law for the time being in force in India, the provision of the Arbitration and Conciliation Act, 1996 and the rules framed there under, as amended from time to time.

The work / services under the contract shall be continued by the contractor, under the contract, during the arbitration proceedings and recourse to arbitration shall not be a bar to continuance for the work unless otherwise directed in writing by Head of Department.

The Courts at New Delhi shall have the exclusive jurisdiction upon any matter arising out of this contract.

22. Duration of Contract

This contract shall be valid for one recruitment cycle of selection process for Management Trainees. The Management, however, reserves the right to repeat the order as per requirement for two more cycles on same terms and conditions based on satisfactory performance of the bidder.

23. Termination of Contract:

SAIL may at any time during the currency of the contract, terminate the same without any financial liability on itself. For this, SAIL will give one month notice to the Party.

24. **Sub-Contracts** : The party shall not assign or sub-contract in whole or in part the contract in any manner except with the prior approval of SAIL.

25. **Amendments** : No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties.

26. Only those parties who fulfill the eligibility criteria supported by documents need apply. Shortlisted parties may be asked to make a presentation to SAIL officials which may be organized at short notice.

^^*^*^*^*

**Declaration for Acceptance of Techno-Commercial
Terms & Conditions of the NIT**

I/We, M/s, have examined the Notice Inviting Tender (NIT) No. PER/REC/C-813, dated 6/7/2016 issued by SAIL for conduct of written test for Management Trainees along with Scope of Work and other related documents annexed therewith.

I/We, agree to all the Techno-Commercial Terms & Conditions of the NIT and offer to carry out the jobs in conformity with the terms and conditions in this Tender Document for the sum as quoted separately in the Price Bid.

I/We understand that the Earnest Money Deposit (EMD) will be forfeited by SAIL, without prejudice to any other rights and remedies of Steel Authority of India Limited, if :-

- (i) I/We withdraw our tender within its period of validity; OR
- (ii) We act in a manner which may have the effect of declining/ refusing to do the job by putting fresh conditions after opening of the tender or any action which may delay the tendering process; OR
- iii) I/We do not commence the work within the time prescribed in the Letter of Intent/Letter of Award.

This Tender shall remain valid for acceptance by SAIL for a period of 45 days from the date of opening of the technical bid and it shall remain binding upon us and may be accepted any time before the expiry of that period.

I/We accept all the Terms & Conditions of the tender and submit my/our unconditional bid and have thus signed all the tender papers issued and enclose the same with the Technical Bid.

I/We declare that I/We fulfill the Eligibility Conditions for Tenderer as mentioned in the Tender Document.

I/We understand that SAIL is not bound to accept the lowest or any tender which SAIL may receive and it will be SAIL's discretion to accept or reject any or all tenders without assigning any reason whatsoever or to cancel the tender at any stage before the work is awarded.

Bank Guarantee No. dated

Bank Guarantee

WHEREAS Steel Authority of India Limited (hereinafter referred to as 'SAIL') has invited tender vide NIT No. PER/REC/C-813, dated 6/7/2016. (hereinafter referred to as the said invitation to Tender) for appointment of Agency to conduct written test for Management Trainees, and WHEREAS the said Invitation to Tender requires that the successful bidder shall establish an irrevocable Performance Guarantee Bond in favour of SAIL in the form of a Bank Guarantee of Rs.15,00,000/- (Rupees fifteen lakh only) valid for a period of one year from the date of issue of this guarantee or till the validity of contract whichever is later.

AND WHEREAS M/s..... (hereinafter referred to as the successful bidder) has been declared as the successful bidder and work order/LOI no. _____ dated _____ has been issued to him by SAIL.

In consideration of Steel Authority of India Limited (hereinafter called **SAIL**), which expression unless repugnant to the subject or context include its successors and assigns, having awarded the work ofto **M/s**(Herein after called **Contractor**) vide work order no. dated whereby requiring the Contractor to submit a Bank Guarantee for Rupees Fifteen Lacs only (Rs. 15,00,000/- only) to SAIL.

1. We(**Name of the Bank**) do hereby expressly irrevocably and unreservedly undertake to unconditionally pay to you merely on your written demand, without referring it to the Contractor and without protest and demur an amount not exceeding Rupees Fifteen Lacs (Rs15,00,000/- only). Any such demand made on us will be conclusive as regards the amount

due and payable by us under this guarantee. However our liability under this guarantee shall be restricted to Rupees Fifteen Lacs only (Rs 15,00,000/- only).

2. Notwithstanding anything contrary we agree that your decision as to whether the Contractor has committed breach of any terms and conditions of the tender shall be final and binding on us and we shall not be entitled to ask you to establish your claim or claims under the Guarantee but shall pay the same forthwith without any objection or excuse.
3. We undertake to pay to you any money so demanded notwithstanding any dispute or disputes raised by the Contractor in any suit or proceeding pending before any court or tribunal or arbitration relating thereto, our liability under these presents being absolute and unequivocal and notwithstanding the fact that the demand notice does not specifically mention about the breach of terms and conditions of the tender. The payment so made by us under this Guarantee shall be valid discharge of our liability for payment there under.
4. This Guarantee shall remain in force from the date of issue of this Guarantee and shall remain irrevocable, valid and in force initially for one year or till the validity of contract whichever is later. This guarantee shall expire unless demand or claims is made on us in writing within three months of the expiry date and we shall be relieved and discharged from our liability under this guarantee.
5. We(name of the bank) further agree with you that you shall have the fullest liberty without our consent and without our affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Contract and we shall not be relieved from our liability by reason of such variation.
6. It shall not be necessary for SAIL to proceed against the contractor before proceeding against the bank and the Guarantee herein contained shall be enforceable against the bank, notwithstanding any security which SAIL may have obtained from the Contractor at this time when proceedings are taken against Bank hereunder be outstanding and unrealized.
7. We the said bank lastly undertake not to revoke this Guarantee during its currency except with the previous consent of SAIL in writing and agree that any change in constitution of SAIL or Contractor or the said Bank shall not discharge our liability hereunder
8. In order to give effect of the Guarantee herein contained, you shall be entitled to act as if we were your principle debtor in respect of all your claims against the Contractor, hereby guaranteed by us as aforesaid and we hereby expressly waive all our surety ship and other rights, if any which are in any way in consistent with the above or any other provision of this guarantee.
9. SCOPE OF WORK

SAIL intends to recruit Management Trainees in both Technical and Administration streams. The eligibility for technical stream is engineering degree in mainly Mechanical, Electrical, Electronics & Communications, Civil, Mining, Metallurgy, Instrumentation & Controls, Chemical and Computer Science disciplines. For Administration stream the eligibility is determined based on graduation and MBA/ PG diploma qualification in HR, Materials and Marketing disciplines and CA/ICWA for Finance discipline. The exact disciplines are announced in the advertisement for the respective year. The test for both the stream is carried out on a single day in morning and evening sessions. Last year, the response of candidates against the Management Trainees posts was around 1,70,000 for technical stream and around 20000 for Administration stream, which varies depending on the disciplines wise requirement.

SAIL will arrange to invite application through online process and data of successfully registered candidates will be handed over to the agency in terms of Registration no/application no., name, date of birth, category, qualification, percentage of marks in eligibility qualification, choice of city center etc. as may be required.

The Scope of Work in brief is detailed as under:

- The agency will be responsible for venue booking, allotment of roll no., preparation & printing of question papers & OMR sheets, transportation of sealed test materials from his office to test venues & back, sending experienced coordinators to each test venues, conduct of examination and its related activities.
- The agency will hand over the result in soft as well as hard copy in the manner asked for with certification that it has been prepared as per the prescribed norms.
- Shortlisting of candidates to be called for GD and interview as per prescribed criteria.
- Collection of Evaluation sheets from all Interview venues and tabulation of marks.
- Preparation of final merit list as per criteria prescribed.
- Bio metric identification of candidates at three stages i.e., Written Test, GD/Interview stage and Joining the company(in main as well as extension batch).

Further improvement in the above process may be carried out with mutual consent. The elaborate procedure is detailed as under:

1.0 Venue Booking:

1.1 The agency will finalize the venues in consultation with SAIL representatives. The agency will provide list of Official(s) who will be overall Incharge for conducting test, venue booking, to & fro transportation of materials etc. for each test centre/venue at least two weeks in advance before the date of Written Examination.

1.2 Selection of the examination venues preferably would be Kendriya Vidyalayas, Missionary/Convent Schools or well reputed Institutes (Engineering/Management) having experience of conducting competitive examination for PSUs / Government bodies/CAT etc.

1.3 In past, the Management Trainee examination has been conducted at following 29 cities : Agartala, Allahabad, Bangalore, Baroda, Bhilai, Bhopal, Bhubaneswar, Bokaro, Chandigarh, Chennai, Dehradun, Delhi, Durgapur, Guwahati, Hyderabad, Jaipur, Jammu, Kochi, Kolkata, Lucknow, Mumbai, Nagpur, Patna, Ranchi, Rourkela, Salem, Trichy, Vijayawada and Vishakhapatnam. The test centres will continue to be the same unless it is decided to add or delete some centers on mutual basis.

1.4 Agency would ensure availability of proper seating, lighting, ventilation, fans/air coolers in each classroom and drinking water facility, toilets, first aid box, wall clock in every room at all test centres, security arrangement at the test venue and information to Police. Distance from the railway station/ bus stand, approach to the venue and locality of the venue should be checked before short listing the venue as per the prescribed criterion.

1.5 The capacity of a venue should not be normally more than 1200 candidates with not more than 24 candidates sitting in each classroom or in multiple of 24, if it is a hall, however, the invigilator to candidates ratios should not be compromised. In addition the venue should have separate and secure room for keeping examination material and a big room/hall for segregation/collection of examination material.

1.6 Vendor will be required to provide details of all the identified venues in a prescribed format showing status of all amenities as specified above in para 1.1 to 1.4 above to the Company officials to finalize the venue(s) for each city at least two weeks in advance. It is preferred to have alternate choice of venues for taking rational decision.

1.7 Venue booked for the purpose of conducting test is expected to ensure availability for the following personnel at the venue with a view to conduct test smoothly:

- a. One experienced invigilator for each classroom for 24 candidates
- b. One floor supervisor for five classrooms
- c. One test coordinator to conduct the test at his venue
- d. One Venue Supervisor per venue who should be a representative of the vendor and should not be connected to the venue in any manner, to ensure smooth preparations and conduct of examination.
- e. Proper briefing by Agency to Invigilators.
- f. One male as well as female security personnel for frisking of candidates at entrance of written examination.
- g. Agency's representatives for recording of bio metric identification of candidates for appearing in the written examination.

1.8 Vendor will produce a venue agreement letter from the booked institute, if demanded, for inspection by company officials before test.

2.0 Roll Number generation and Venue allotment:

SAIL has made separate contractual arrangement for receipt of online applications from the candidates through another agency, the soft copy of the online applications received shall be provided to the agency awarded the contract for conducting Management Trainee examination and further processing.

2.1 Based on data provided by SAIL, roll number will be required to be generated for all successfully registered candidates in consultation with Company representative.

2.2 The generation of Roll No. will be customized discipline wise/category wise etc., as per pattern mutually agreed with SAIL.

2.3 The generated roll number should ensure random seating arrangement instead of discipline wise distribution of candidates at each class room in each venue. For physically challenged candidates, allocation of convenient seat on the ground floor is to be ensured.

2.4 The seating plan for each room should be prepared in a manner that side seating of candidates with same discipline gets avoided.

2.5 The agency will provide soft copy of the data base to SAIL representative in the original format with additional fields of Roll No and written test venue allotted to each candidate as soon as the Admit Card is uploaded. The data preparation should be 100% accurate and the agency will retain a soft copy of the database for preparation of Attendance sheet for Written Test and Interview after getting confirmation from SAIL

3.0 Preparation of Test Material:

3.1 Vendor will be required to prepare standard test procedure and test material, as per defined norms, with a view to conduct the test uniformly in a fair manner at all venues. The procedure should be exhaustive and clearly indicate all possible activities keeping in mind conduct of all India test by different people and venue. For this purpose the vendor is required to prepare a Test Manual, Standard Formats for capturing information etc.

3.2 Test Manual: The Test Manual will have guidelines for all team members involved in the execution of the test. This manual will be used by each team member thoroughly to align themselves with the test procedure and follow the guidelines conscientiously for efficient administration of the test. The manual is expected to cover at least following information / standard formats:

- a. Role and responsibilities of various team members.

- b. Duty chart of actual deployment of personnel at venue on test day.
- c. Seal Intact Certificate
- d. Test Material Opening Certificate
- e. Room wise Test Material Accounting Format
- f. Disparity Report
- g. Certificate for use of Contingency Material
- h. Venue wise and discipline wise Candidate Count report
- i. Certificate for packing of Test Material
- j. Test Conduct and satisfactory completion Report

3.3 Attendance Sheet: Vendor is required to prepare classroom wise photo attendance sheet of the candidates for all venues. The Attendance sheet should clearly indicate the roll number, discipline, name and question booklet series against each candidate.

3.4 List of candidates: Vendor is required to provide alphabetical list, roll number wise list of candidates appearing at venue in soft form along with summary. This list also to be displayed at all floors prominently at the test venue and also at entrance of test venue centre.

3.5 Copies of Test Material: Vendor is required to provide copy of test manual to each of the team member associated in conduct of the test for all venues. Copies of all format, guidelines, certificate, seating plan, display board and other documents required for conduct of test etc. are to be provided and dispatched by the vendor to the respective venues.

4.0 Designing & Development of Question paper:

4.1 Vendor is required to prepare multiple choice objective type question papers for each discipline advertised.

4.2 The question paper will have two components viz. A) Professional Knowledge and B) Aptitude test comprising of (i) Test of Reasoning, (ii) Quantitative Aptitude, (iii) Verbal ability (English) and (iv) General Awareness. The number of questions in each segment, marking and test duration will be finalized in consultation with company representative. For reference the composition of last conducted written test of MTs is given below:-

Component	Total Questions	Maximum Marks	Duration
A) Domain Knowledge Test (e.g. Mechanical Engg)	100	100	75 Minutes
B) Aptitude test			75 Minutes
• General Awareness	25	25	
• Reasoning	25	25	
• Verbal Ability	25	25	
• Quantitative Aptitude	<u>25</u>	<u>25</u>	
Total	100	100	150 Minutes

4.3 The entire cross section of the syllabus of the eligibility degree (Technical/ Management Discipline) should be covered for preparation of professional knowledge part of the question paper.

4.4 Question bank of each discipline should be necessarily prepared from various Institutes/Professors/experts of repute so as to avoid risk associated with involving single source and for each question paper at least three times as much question should be prepared.

4.5 Question paper for each discipline should have a balanced mix of easy (30%), average (50%) and tough (20%) questions.

4.6 Number of Sets & Sequencing of Question: Each question paper will have four sets (A, B, C, D) with same questions in changed sequence. Randomization of questions across all the four sets should be ensured i.e. each question in each series should be distributed in a unique manner so that no commonality in position of any question is found across any series. The process should be 100% accurate and it should not result in any wrong interpretation of the question. All sets will be bilingual (Hindi & English). Hindi translation of the question papers will also be carried out by the vendor. Instruction on the first page will be decided in consultation with company officials. Agency should use all the four sets of Question Paper for conducting the written examination.

4.7 The vendor will ensure that each question and its answer key is 100% accurate. The vendor will be required to give a certificate about the correctness of the questions utilized in the question papers and their desired balance mix.

5.0 Printing of Question paper:

5.1 Question papers, designed as per norms defined above, should be printed (NO PHOTOCOPYING) on good quality white paper (thickness – 56 GMS or more). The aptitude test paper will be set after the professional test paper.

5.2 Each question paper should be stapled on left hand side twice and sealed from the other three sides.

5.3 About 5% of the question booklet of A, B, C & D sets of each disciplines to be printed extra which will be used as the part of the contingency material.

5.4 The series of question paper should be printed on the top as well as on each page of the question booklet. A unique test booklet number should be stamped on the front page of each question booklet. Provision for name, discipline and roll number of the candidate is to be provided on the first page of the question paper.

5.5 Zero error should be ensured for carrying out page setting and final printing. However, to take care of an error which might have occurred during the process, an errata page indicating the page setting / printing error may also be kept after the first page of each booklet.

6.0 Designing & Printing of OMR answer sheet:

6.1 Vendor is required to design the OMR multiple choice answer sheet of A4 size in consultation with the company.

6.2 Each OMR answer sheet will have unique running serial number.

6.3 The OMR sheet to be printed on good quality (100 GSM) paper. Extra quantity (say 5%) is to be printed to take care of the contingency at the time of test if any.

6.4 The OMR sheet should have space for taking finger print of the candidate.

7.0 Packing of Test Material:

7.1 The vendor should minimize the handling of test material at the venue before the starting of the test. Therefore, all the test material (Question booklets, OMR answer sheet, attendance sheet, various formats, envelopes for packing filled OMR sheets etc.) should be packed as per the requirement of each classroom for each venue. The classroom packs (primary box) will eliminate local material handling at venue. Packing summary sheet for each classroom pack should be pasted on the top of the primary box. The classroom pack will be packed in the secondary box. Packing summary sheet for each secondary box should be pasted on the top of the secondary box. Both primary and secondary boxes should be properly sealed with a unique seal.

7.2 The question paper for each classroom should be packed in order of attendance sheet i.e. in order of distribution to candidates.

7.3 The contingency material (extra A-D sets of question papers, OMR sheets) of each discipline should be packed in separate box for each venue. This box should have a unique identification marking / colour coding.

7.4 The vendor will ensure proper packing of answer sheet and test material after test. All the packing material / cartons used for packing the material before and after the test should be of good quality. All the material should be properly sealed. The name of the vendor as well as agency should not be written anywhere due to security reasons. Address of the venues should be properly written on each carton.

8.0 Transportation of Test Material to and from the Venues:

8.1 Properly packed and sealed test material should reach at each Venue in each city strictly between 12 to 24 hours before the test with strict confidentiality and utmost care. Mode of transportation of material should be air. Surface transfer will be used only in the absence of air mode. The vendor will ensure 100% on scheduled delivery on specifically designated day and will provide the confirmation report of the same to the company.

8.2 The vendor is expected to collect back all the test material including Question paper, Admit card, OMR answer sheet, attendance sheet and used question booklet from each room at every venue. No material should be left at venue. The OMR sheets should be packed in special good quality envelopes to ensure that no OMR gets damaged in the process of transportation. All properly packed material should be picked up within 2 hours of completion of the test and forwarded to the designated centre / location. This material will be used for result processing. This material to be returned to the vendor premises through air. However, the used question booklets may be returned back through surface mode.

9.0 Deputing Personnel for conducting Test at all locations:

9.1 The Company will depute one test observer at each venue. The list of test observers will be provided to the agency in advance. The test observer will observe the quality of the test implementation on the day of the test. The test observer will facilitate in solving issue not covered under the prescribed guidelines and requiring the authorization of the company.

9.2 Vendor is expected to ensure availability for the following personnel with a view to conduct test smoothly:

- a) **Venue Supervisor:** One Venue Supervisor for each venue for overseeing the smooth conduction of test and to coordinate between the agency, company and the Venue staff. The Venue Supervisor should be an independent person associated / appointed by the vendor and is not connected with the appointed venue in any capacity. Venue Supervisor should be a senior person with previous experience of conduction of similar test & should have experience of having carried out similar activities for the vendor. The vendor will render a certificate to this effect. The Venue Supervisor shall receive the test material at the venue and hand over the same to the Test Coordinator before the start of the test. The Venue Supervisor shall further help the Test Coordinator in ensuring that all test implementation guidelines and instructions like strict timings, no unfair means adopted are properly implemented
- b) **Regional Coordinator:** Regional Coordinators are employees of the vendor allocated by the vendor for each region. They will coordinate the functioning of Venue Supervisor.
- c) Personnel for recording biometric identification of candidates appearing at all test venues.

9.3 Vendor will inform about the conduct of the test to the police station of the area where the venue is situated with a request to have adequate security measures. For frisking of candidates, one lady as well as gentleman security personnel should be deputed at entrance prior to and during conduct of written examination.

10. Biometric Finger Print Capture and Authentication System: Biometric finger print impression is compulsorily required at three stages:

- Before/during the written exam at 29 cities in all test centres. (last year around 220 centres for morning shift & 35 centres in evening shift were utilised)
- During GD/Interview at around 5 metro locations
- At the time of final joining formalities in SAIL at plant/unit locations for main as well as extension batch.

10.1 The agency should provide complete solution comprising of application software and biometric finger imprint capturing device which can manage candidate data base, import/export and synchronize data. The biometric capturing devices should have the capacity to capture minimum two finger prints, one of the right and one of the left hand during the written test. The biometric finger print imprint capturing system can be hand-held or lap top/PC based. The agency shall ensure that the biometric devices function properly and in case of any exceptional case of failure of the biometric devices, alternative arrangements for capturing thumb/finger print impression should be made.

10.2 On the date of the Written Test:

Agency shall be responsible for providing adequate no. of bio metric finger imprint capturing devices as mentioned above at each exam centre venue, for capturing finger print of the candidates appearing for the written test.

Candidates' biometric finger print impression to be taken during respective written test sittings only. The agency will deploy adequate number of trained personnel and devices for capturing of finger prints of the candidates during the written test. The bio metric process is to be completed during the period from entry of the candidates in the examination centres building till the completion of the test for the respective sitting.

Candidates biometric finger print impression data across all examination centre would be consolidated into a central data base by the agency. The representative of the agency present at each test centre shall intimate the SAIL's representative, data of the number of candidates for whom capturing of finger print was done successfully and also the number for whom it is unsuccessful. Wherever biometric device fails (such failures must be highly exceptional), finger print imprints may be

taken manually. The status of biometric finger print captured along with the list of candidates who appeared in the written test should be submitted along with the summary reports.

10.3 On the date of GD/Interview

The agency representative to be also present during the GD/Interviews at the designated GD/Interview venues as decided by SAIL.

The agency shall be responsible for biometric finger prints scanning device at the time of interview for capturing finger prints of candidates appearing for GD/Interview. Biometric imprint of candidates captured during the GD/Interview process will be authenticated against the pre-existing finger impression data of the candidates taken on the date of written test by the agency. The agency representative shall immediately bring to the notice of designated SAIL representative, who will be present at the venue of the GD/Interview, regarding any discrepancy/mismatch and also provide a report on the same.

10.4 On the date of Joining

The agency representative shall also be present during the joining of candidates at plants/units locations as decided by SAIL. The agency shall be responsible for providing biometric finger print scanning device at the time of joining formalities for capturing finger print of candidates reporting for joining on scheduled dates. Biometric imprint of candidates captured during the joining process will be authenticated against the pre-existing finger impression data of the candidates taken on the date of written test and GD/Interview by the agency. The agency representative shall immediately bring to the notice of designated SAIL representative regarding matching of finger prints on the three occasions i.e., at the time of written test, GD/ Interview and joining stage. Further, any discrepancy/mismatch detected in case of any candidate in these 3 stages should also be immediately brought to the notice of SAIL officials and also provide a comprehensive report on the same.

11.0 Result Processing:

11.1 Before processing of the result, vendor is expected to carry out validation of the attendance signed by the candidates with the used OMR answer sheet. The discrepancy in the quantity noticed, if any should be resolved with the discrepancy report, recounting etc.

11.2 Vendor should ensure double scanning of OMR answer sheet for processing of result. The result will need to be prepared according to merit list – Discipline wise/ Category wise after applying the qualifying criteria and should be handed over to the Company representatives in the form and in manner it is desired.

12.0 Data analysis:

12.1 Analysis of candidates enrolled and other statistical report about candidates at the time of roll number generation, for candidates appeared in the test, for candidates short listed for interview and on final joining of the candidates will be carried out on various dimensions like age/ qualification/ institutes/ category etc. in consultation with company officials. Format for the various statistics would be provided by the company. The agency will also provide reliability, validity and toughness analysis of each paper (all disciplines) within 7 days of submission of written test result.

13.0 Handing over of data, documents and report to the Company:

13.1 The vendor should arrange for safe storage of all material related to conduct of test including OMR sheets of all candidates till **six months** after the announcement of the final result. After this period, vendor should arrange for secure disposal/ destruction of the same under intimation to the company.

13.2 Summary of the discipline wise enrolled candidates vs. appeared candidates should be provided within one hour of the start of the test for each venue.

13.3 The agency will be bound to provide information asked for by the Company representative, if in wisdom of the PIO/Appellant authority/Vigilance, it is required to be provided as per provisions of the RTI Act. The Agency will provide their internal record retention schedule, if any, in writing related to written test related documents. However, the retention period of the vendor cannot be less than the minimum specified in clause 13.1.

14.0 Confidentiality and Secrecy :

The agency will maintain complete confidentiality of all the information collected/provided during the selection process and will not part with any information in any manner, to anyone, without taking prior written clearance from SAIL. The agency will also maintain utmost secrecy in preparation and administration of question papers related to written examination.

15.0 Preparation of to be called list for Interview and Final merit list:

15.1 Agency will provide the list of the candidates to be called for interview, discipline wise and category wise, based on the numbers of posts in each discipline provided by SAIL for each discipline in the manner asked for.

15.2 SAIL generally conducts GD and Interview at Five metro locations. The vendor will arrange to collect the GD and Interview evaluation sheets from the Interview venues and will be required to prepare the final merit list after combining the marks of all the selection segments in the manner to be prescribed and hand over the result to Company representatives in both soft and hard form.

15.3 Details of the results to be provided will be indicated by SAIL as per approved procedure.

15.4 **Online Transparency/Score card** – The agency has to make provision for online viewing of marks by individual candidates alongwith the cut off for each discipline and each category for various stages as per approved format to be provided by SAIL for a specified period as mutually agreed.

16.0 Completion Schedule for Major Activities:

16.1 The contract will start from the date of issue of work order and will remain valid till sending of final offer letters to the candidates.

16.2 The completion schedule for Major Activities will have to be as below:-

Sl.	Major Activities	Completion date
1	Finalisation of procedure, formats & tentative dates	
2	List of venues for approval prior to booking (Approval will be provided by SAIL within one week)	
3	Handing over admit card data base to authorized SAIL representative	
4	Tentative Date of Written Test and designated agency representatives at venue	
5	Result submission at various stages	
6	Online display of scorecard/ transparency	

Note : The dates will be decided mutually after discussion with the agency selected for the job.

The Company reserves the right to change the schedule of major activities due to unforeseen circumstances for which the vendor will not have any objection. Improvement /changes in the scope of work due to technological /administrative issues may be made with mutual consent.

Format for Venue Certification

Written Exam for Management Trainees
to be held on _____

In the above context, it is certified that each venue being selected for conduct of written test has been verified to have the following facilities :

1. The venue is a Govt. Recognized Senior Secondary School/ College/ Engineering or Management Institute.
2. It has sufficient rooms to accommodate the scheduled number of candidates
3. Not more than 24 candidates are being accommodated in one room or in multiple of 24, if it is a hall, however, the invigilator to candidates ratios should not be compromised.
4. Each room has fan and tube light/electrical bulbs in working conditions and wall clock.
5. The venue has drinking water facility, hygienic toilet facilities both for male & female candidates.
6. The venue has its own security staff and the nearby Police post has been informed about conduct of the exam
7. The supervising staff is well trained to conduct the exam and briefing of invigilators at least one week in advance.
8. The approach to the venue is good and candidates will not face difficulty in reaching the venue.
9. The venue is not more than 10 km to the nearest railway station/bus stand. In metro cities the venue should be within the 5 km vicinity of nearest metro/railway station/main bus stand
10. The venue Supervisor is agencies' own employee and is well experienced in conduct of written exam process.
