5. General:-

- 5.1. **Validity of Offer:-** The Tenders / Offers submitted shall remain valid for at least **3 (Three) Months** from Tender Opening.
- 5.2. The Tenderer while submitting the Demand Draft/Banker's Cheque towards EMD may, in the own interest, record name of the Tenderer on the back side of the instrument as a safeguard to prevent chances of wrong accounting
- 5.3. Serving employees of SAIL - VISL are not eligible to quote for General Tenders.
- 5.4. The final acceptance of Tender / Offer shall vest with VISL to accept the lowest or any other Tender, or / not to assign any reason whatsoever for the rejection of any Tenders / Offers.
- 5.5. In case, it is desired to include any additional items of work, which arise during the course of execution of Contract, it is left to the discretion of VISL either to entrust the additional items of work to the same Tenderer at negotiated Price(s) or to invite fresh Tenders for the work including additional items of work.
- 5.6. In case, applications are received from the Tenderers (ie., other than the discovered L-1 Tenderer) offering lower Price(s) after Opening of Price Bids, such applications shall not be entertained.
- 5.7. Conditional Tenders / Offers shall be liable for summary rejection.
- 5.8. Late / delayed Tenders shall not be considered for opening. Also, Tenders / Offers shall not be accepted after closing of the Tender Box.
- 5.9. VISL reserves the right to accept or reject any Offer / all Offers in full or part at any time at any stage without assigning any reasons whatsoever and without any damage / compensation thereof to the Tenderers.
- 5.10. VISL reserves the right to retender or to extend the Due Date for submission of Offer, if response to the Tender is not adequate or otherwise.
- 5.11. VISL reserves the right to modify the Tender Document at any stage before the Due Date of Opening.
- 5.12. The Tenderers are advised to keep a close watch on the SAIL Website : www.sailtenders.co.in till prior to the Tender Opening for the Addendum / corrigendum / amendment, if any, issued from time to time against the Tender. The corrigendum / amendment shall not be advertised through newspapers. The addendum / corrigendum / Extension of Bid submission / Bid opening date if any shall be published on the above mentioned sites only. The Tenderers are advised to submit their Tender / Offer (or revised Tender / Offer, as applicable) considering the corrigendum / amendment.
- 5.13. VISL may place Order on one or more than one parties [NIT / SCC may be referred to for specific details on Tender Evaluation Criteria and / or Order Distribution] on the basis of L-1 Tender / Offer and, if required, negotiations shall be held with L-1 Tenderer only. However, all the Tenderers may be required to explain / justify the basis of their quoted Price as and when asked for. In case, any Tenderer fails to justify its quoted Price or refuses to co-operate in this regard, such a Tenderer shall not be considered for participating in the re-tendering / fresh tendering, if Order / Contract is not finalized from the present Tender.
- 5.14. If any trend of cartel formation is observed in the tendering process, Tenders / Offers of all Tenderers involved in such cartel formation are liable to be rejected.
- 5.15. Acceptance in to of all Tender Terms & Conditions is a pre-requisite for Tenderers to qualify for acceptance of their Techno-Commercial Bid by VISL and securing further consideration, if any, for participation in the Tender Price Evaluation process.
- 5.16. Offer of the overall Lowest-1 (L-1) Bidder will be processed for awarding the job.
- 5.17. It is deemed that the bidder is satisfied that the overall lot value quoted will be adequate for the completing the job/supply as per the scope of work/ tender schedule. No claim in this regard shall be entertained.
- 5.18. The Bidder whose tender is not accepted shall not be entitled to claim any costs, charges and expenses incidental to or incurred by him through or in connection with his submission of tender or its consideration by SAIL, even though SAIL may elect to modify / withdraw the Tender/RFQ Document or does not accept the tender.
- 5.19. **Unworkable overall lot value and Performance Guarantee Bond (PGB):**
 - i. If the L-1 price is unworkable as compared to the estimated price, the tenderer (including all other tenderers under split order which match with L-1 price or prices considered for placement of order are less than the lower range of estimated price), will be asked to justify the rates quoted. On non-acceptance of justification/refusal of the same, the bid/quote may be rejected.

Name of the Work / Subject	Unloading of Steel billets/Blooms from Railway wagons
----------------------------	---

- ii. If bidder quotes unworkable overall lot value which is less than the lower limit of the estimated price, and is considered for placement of order, the bidder may be required to give PGB (in addition to security Deposit, if applicable)). The amount of PGB will be decided by VISP at the time of placement of order. Performance Guarantee Bond shall be equal to the amount which will be the difference between lower limit of allowed range of deviation from the estimated price and the quoted price of tenderers.
 - iii. The Bidder, who refuses to justify quoted overall lot value /submit PGB, will not be considered in re-tendering, if order / contract is not finalized from the present tender.
 - iv. In case the tenderer refuses to submit PGB, they will not be considered in re-tendering if order/contract is not finalised from the present tender and action will be taken against them as stipulated in the BSD.
 - v. The PGB (in addition to the Security Deposit, if applicable) through on-line mode / Bank Draft / Bank Guarantee/Bankers Cheque / Fixed Deposit Receipt (FDR) are acceptable. Bank Guarantee should be issued from any Nationalized or Scheduled Commercial Banks except Co-Operative and Gramin Banks encashable at Bhadravathi / Shimoga. In case, the Contractor has any outstanding amount with the Company against a different tender, the same will not be adjusted for this purpose.
 - vi. If the PGB is submitted in the form of Bank Guarantee (BG), the validity of BG should be for the entire contract period including maintenance period of minimum 02 months. If the Contract period is extended due to default of the contractor, the contractor has to submit extension of validity of BG.
 - vii. In case where the job is to be distributed amongst more than one party, all Bidders (L-1 Bidder and other Bidders who match with L-1 Bidder(s) price) will have to submit PGB proportionate to their award value.
- 5.20. **Non submission of " Responsible offer":**
- a) The following grounds/act of Bidder will be considered as defaults in submitting " responsible offers": -
 - i. On unilateral withdrawal of the bid during the bid validity.
 - On modifying the bid unilaterally after opening of tender.
 - Submission of false information/ particulars/documents and failure to establish authenticity of the documents filed in support of eligibility.
 - On refusal to enter into the regular contract agreement or non-submission of required document for signing of regular contract agreement, after award within the stipulated period without sufficient Justification.
 - If the work is not commenced after the work is awarded.
 - Refusal to give performance bank guarantee whenever asked for.
 - b) If any bidder defaults in submitting " responsible offers" following actions will be taken against the party: -
 - i. The party shall be disqualified for participating during retendering/ next cycle of tender of the subject work.
 - ii. If required, action for de-registration / banning shall be taken against the bidder as per the procedure mentioned in "Procedure for Banning of business dealings at www.sailtenders.co.in under #Standard documents#.
 - c) In case L-1 backs out, retendering shall be resorted without considering the backed out tenderer. The tenderer shall be kept under hold without issue of tender enquiries up to next 06 months including barring participation in open tenders.
- 5.21. **Banning of Business Dealings:**
- a) On arising of any situation or occurrence of any event as mentioned in the SAIL Guidelines on Banning of Business Dealings the Tenderer/Bidder or Contractor under the tendering process or Contract with Employer, as the case may be, shall be liable for action under and in accordance with the Guidelines. The "Guidelines on Banning of Business Dealings" as applicable on the date of tender opening shall form part of the Tender/Contract. Annexure – A

SPECIAL TERMS AND CONDITIONS OF CONTRACT

Brief description of job:

Unloading of Steel Billets / Blooms with Cross-section of 85mm x 85mm Minimum & 350mm x 350mm Maximum, Length of 4 metres Minimum & 12 metres Maximum or of any dimensions from BOST/BOXN/BRN type open air brake Railway wagons at various railway Sidings located inside VISL at least one hour before the specified free time as per Indian Railways, as directed by VISL officials. Approximate Tonnage: 2,700 MT per rake x 12 rakes. Duration of the contract will be One Year.

The following Special Terms and Conditions are applicable to this Job Contract:

1. Whenever a Billets/ Blooms consignment is booked for VISL, the RR (Railway Receipt) will be provided to the contractor over Email or physical copy can be collected from Traffic department of VISL. After getting intimation for incoming material to VISL, the contractor should gear himself for unloading the material whenever it arrives at VISL.
2. Quoted rates shall remain firm during the tenure of the Contract and any extension thereof, from the date of award of the contract.
3. Contractor shall have regular contact with the officials of Materials Management, Traffic Department and South Western Railway, Bhadravathi, round the clock, including Sundays and holidays, to get to know the status of the rake arrival.
4. Dimensional specifications of the material to be unloaded: 85mm x 85mm cross section minimum and 350mm x 350mm cross section Maximum, Length of 04 metres Minimum and 12 metres Maximum. **However, billets/blooms of any other sizes with or without wooden packing dunnage may also arrive at VISL and the contractor shall have to unload the same at the same rate and Terms and conditions at no extra cost to the company.**
5. Consignments will be received in BOST/BOXN/BRN **OR** any type open air brake wagons.
6. Definition of a Rake for Practical Purpose: The number of wagons in a Rake is considered as 45±2 Loaded Railway Wagons (BOST/BOXN/BRN type) and contains approximately 2700 M.Tons of Steel billets/blooms. However, VISL may receive part-rake as well as sick wagons. **Contractor shall have to unload the same at the same rate and Terms and conditions at no extra cost to the company.**
7. The Contractor should mobilize/engage sufficient manpower, tools & tackles and unloading equipments to unload steel billets / blooms from the Railway wagons, soon after they are placed at the unloading point, at any hour of the day or night (24x7).
8. In case of receipt of Stray/Sick/Due Wagons, they have to be unloaded considering them as the part of previous rake at any time.
9. VISL do not prescribe any specific equipment for the job. But, the contractor is expected to organize sufficient number of following equipments for smooth execution of the job.
 - i) Mobile cranes of required capacities at unloading points in VISL site.
 - ii) Required number of Tools and tackles, including wire ropes, wedges, magnets, metal strip cutter, ladders etc., which shall be recorded with Security Department of VISL during entry without fail.
10. Adequate number of experienced personnel shall be deployed by the contractor at unloading point for monitoring, execution and overall supervision of the entire handling and stacking jobs.
11. The Contractor must provide all necessary Personnel Protective Equipments (PPEs) to his crew and must also provide suitable ladder for unloading persons to get inside & come outside of the wagons & take all safety measures for safety of the crew while executing the contract. Contractor has to ensure no person should be inside wagon when the blooms/ billets are being lifted.
12. The contractor shall have adequate communication arrangements at the site with facilities like mobile phones, Email including receipt of scanned copies of documents.
13. The Contractor shall appoint one Local Representative at Bhadravathi for communication regarding arrival of rake, deploying necessary equipments/manpower for unloading, follow up with south western Railways and other related issues etc.
14. Since clearance of goods from the wagons at site is to be done within a Specified Time Limit upon arrival of rakes at designated VISL yard (exact time of which is dependent on rail movement and is not known beforehand), such equipments and personnel for handling as mentioned at Clause No. 09 & 10 above are

Name of the Work / Subject	Unloading of Steel billets/Blooms from Railway wagons
----------------------------	---

required to be arranged at a short notice of 1(One) day. Late unloading and clearance from Railway Siding beyond stipulated period, attracts demurrage/wharfage/penalty. Therefore, it is suggested that bidder shall have to tie-up services of manpower and material handling equipments prior to commencement of work based on survey of sites and operations involved.

15. The bidder may, by prior appointment, see for themselves the layout of the Railway Siding, location of unloading and placing on any working day.
16. By submitting a quotation, the bidder shall be deemed to have fully familiarized himself / themselves with the operations involved in the job, layout of the siding/placing area as well as requisite data including those indicated in the tender document and shall be deemed to have fully satisfied himself / themselves of his / their capabilities to undertake and perform the job under the contract to the satisfaction of VISL.
17. Generally, all the wagons received from railways will be placed in batches for unloading at RM yard / Iron ore fines loading yard / HTS, etc. The Contractor shall arrange to unload the steel billets / blooms irrespective of location at no extra cost within the scheduled time.
18. The unloading of steel billets / blooms should be completed at least one hour before the Free Time allowed by Railways from the time of placement of the rake at our exchange line including handling & shunting work for placement of loaded wagons to RM Yard / Iron ore fines loading yard / HTS etc., any other yard and drawing empty wagons from unloading spot and returning to Railway station, failing which the demurrage charges levied by Railways from time to time will be borne by the Contractor and the same would be recovered from the bills of the Contractor. Any other penalty as per General Tender Conditions will also be levied and recovered from the contractor. Currently free time allowed by railways to VISL is 7 Hrs for full rake but the number of hour may be less for partial rake. The revised free time (if any in future) as framed by railway Authorities from time to time will be intimated to contractor.
19. During emergencies like power failure during unloading or if any particular lighting fails, the contractor shall have to make his own arrangements for lighting, at his own cost.
20. Due to any weather condition (e.g like rainy season etc) the contractor must unload the material within stipulated time period by hiring the extra cranes/manpower. No extra free time hours will be given to the contractors irrespective of any weather condition.
21. The Contractor shall unload steel billets / blooms completely from the wagons, if the wagons are detained for clearing/cleaning the wagons, the demurrage accrued thereon will be recovered from the bills of the contractor.
22. All the wagons placed for unloading shall have to be unloaded completely and empty wagons shall be handed over to Railway Authorities within the permissible free time allowed by Railways, or as per any revised timings framed by Railway Authorities from time to time. Imposition of any demurrage charges as per Railway Rules shall be levied on the part of the contractor's fault, and the decision of the Traffic Department in this regard shall be final.
23. The Contractor shall have to complete the work efficiently, round the clock, on all days, including Sundays/holidays, by promptly and timely arranging the required manpower and unloading equipments, at least one hour before the permissible free time allowed by Railway for unloading of Wagons from the rake.
24. Imposition of any demurrage charges levied as per Railway Rules on the part of the contractor's fault shall be borne by the contractor and the decision of the Traffic Department in this regard shall be final.
25. At RMS Yard / Iron Ore fines loading yard / HTS & any yard, the contractor shall arrange to unload the steel billets / blooms from wagons by leaving sufficient track clearance on both sides for free movement of wagons and locomotives.
26. Soon after the completion of unloading work, the contractor or his representative has to intimate the Shift-in-Charge of Rail Traffic Operation, and obtain acknowledgment regarding the time of completion, Wagons No. in a separate book for computing demurrage charges. Otherwise, entire demurrage charges accrued would be accounted to the contractor's account.
27. While handling steel billets / blooms in RMS yard, **Concrete Bed & Railway Track** shall be taken care of by the contractor and must not damage the bed & Railway track. If any damage is caused by the contractor, it shall be made good or repair charges will be deducted from the contractor's bill.
28. The contractor will be held responsible for the loss/damages caused by his staff to VISL Property, Railways property, persons working in VISL and his own employees while executing the contract. The contractor shall have to pay all expenditure towards the restoration of VISL & Railways property, and pay compensation towards the treatment of injured/ death persons. The contractor is liable to make good the above loss & VISL shall not be responsible for any loss or damage sustained to his crew while executing the job. The claim(s) in this regard, shall be met by him or deducted from his dues at the discretion of VISL.
